asu business minor: *Essentials of Contemporary Business Leadership* Amy E. Forbes, Craig A. Talmage, 2025-10-01 *Essentials of Contemporary Business Leadership* provides contemporary tools for the next generation of aspirational leaders to fully meet their potential and optimise group performance. The highly experienced authors utilize their own 'Contemporary Leadership Dimensions' model, which provides flexible and creative ways to enhance leadership learning. The book goes through the components of the model sequentially: self-leadership; people leadership, business leadership; client leadership; and finally, community leadership. This progressive approach effectively allows readers to build their knowledge and pull threads of learning into the next component of the unique model. Each chapter also features cases studies, multiple interactive exercises and discussion questions which helps complete understanding from theory to practice. This is an ideal text for students starting their leadership journey, or for practitioners hoping to improve their leadership and management skills. Online resources will include additional exercises to augment learning.

asu business minor: *Español para Fines Específicos (EFE) / The Routledge Handbook of Spanish for Specific Purposes (SSP)* Barbara A. Lafford, Anita Ferreira Cabrera, Elisabet Arnó Macià, 2025-02-11 *Español para Fines Específicos (EFE) / The Routledge Handbook of Spanish for Specific Purposes (SSP)* is the first handbook of its kind, presenting up-to-date research in this growing sub-field within languages for specific purposes (EFS). Written in Spanish, this handbook brings together SSP scholars from across geographical regions to share perspectives on past, present and future currents in the field. The SSP topics include historical perspectives, Spanish for academic purposes, genre, discourse, and corpus analysis for research and teaching, lexicography, translation studies, curricular design and assessment of skills and programs, integration of SSP into general Spanish courses, teaching intercultural competence, teaching Heritage and second-language learners, pre-university education, use of technology, use of case-study methodology, teacher education, experiential learning, and research on SSP in a wide range of domains such as science and technology, healthcare, legal, military, business, tourism, and the agricultural industry. This Handbook is ideal for those interested in the use of Spanish in educational and professional contexts, and the teaching and learning of SSP. It also offers an excellent reference for students and scholars in Spanish Applied Linguistics and for instructors and researchers in Spanish for Specific Purposes.

----- Español para Fines Específicos (EFE) / The Routledge Handbook of Spanish for Specific Purposes (SSP) es el primer manual de este tipo que presenta investigaciones actualizadas en este subcampo en auge dentro de las lenguas para fines específicos (LFE). Escrito en español, este manual reúne a académicos de EFE de distintas partes del mundo para compartir perspectivas sobre las corrientes pasadas, presentes y

futuras en el campo. Los temas de EFE incluyen perspectivas históricas, español con fines académicos, análisis de género, discurso y corpus para fines investigativos y pedagógicos, lexicografía, traductología, traducción, diseño curricular y evaluación de habilidades y programas, integración de EFE en cursos generales de español, enseñanza de la competencia intercultural, enseñanza de hablantes de herencia y aprendices de segundas lenguas, educación preuniversitaria, uso de tecnología, uso del método del caso, formación docente, aprendizaje experiencial e investigación sobre EFE en una amplia gama de dominios como ciencia y tecnología, salud, ámbito jurídico, ámbito militar, negocios, turismo y la industria agropecuaria. Este manual es ideal para aquellos interesados en el uso del español en contextos educativos y profesionales, y en la enseñanza y el aprendizaje de EFE. Además, ofrece una excelente referencia para estudiantes y académicos en lingüística aplicada del español y para instructores e investigadores en español para fines específicos.

asu business minor: Boom Craig Hall, Linden Gross, 2019-05-14 For decades, the United States has been experiencing a shocking decline in the number of new business startups...and it has gotten worse since the Great Recession. While new business formation in Silicon Valley, New York, and Boston is booming, entrepreneurship in most of the country—particularly rural regions—is declining. Things are even worse for women and people of color. This is of paramount importance to the United States because startups account for all new net job growth, champion innovation and strengthen our middle class. From the perspective of an entrepreneur with more than fifty years of experience in diverse industries—from software, to real estate, to winemaking—author Craig Hall provides his expert evaluation on the challenges facing entrepreneurs today. After careful analysis defining the current environment for startups, Hall optimistically concludes with specific strategies for go-getters to successfully bridge the opportunity gap. We can, and must, reverse these trends in order to level the playing field for entrepreneurs to safeguard the future of the American Dream.

asu business minor: The Entrepreneurship Movement and the University C. Sá, A. Kretz, 2015-03-20 Entrepreneurship is widely embraced today in political discourse, popular culture, and economic policy prescriptions. Several groups actively promote entrepreneurial thinking and practices in higher education. This book examines how this 'Entrepreneurship Movement' impacts higher education in Canada and the United States.

asu business minor: The Business of Innovating Online Kathryn E. Linder, 2023-07-03 The Business of Innovating Online responds to a critical need for concrete narratives of innovation success that can serve as a foundation for administrators and leaders who are in need of practical guidance as they scale and grow their online learning organizations. Through specific examples and practical suggestions from experienced e-learning leaders, readers will be introduced to concrete strategies for how to create a climate of creativity and innovation that can lead to more successful and scalable online programs and initiatives. The Business of Innovating Online demystifies the relationship between business, creativity, and innovation by describing the logistics required to create an agile online education enterprise. Topics discussed will include:- Defining innovation and creativity for online education and e-learning- Knowing when and how to innovate- Creating a culture of innovation- Effectively leading innovation- Collaborative innovation- Making innovation stick and transitioning innovative strategies into day-to-day practice- Assuring quality in the midst of innovation- Staffing structures/administrative stability to support creativity and innovation The Business of Innovating Online provides both novice and experienced online education administrators with a comprehensive overview of a range of online innovations, how they came to be created, the components that led to their success, and concrete steps that they can take to create a more innovative culture for their own e-learning organization.

asu business minor: Are You Drifting? Tim Rode, 2013-12 Are you drifting in your life? Are you just going through the motions doing the same things you have always done? Do you wonder why your life never changes? Or maybe you need to drift? To take time off and get away from the madness of your busy world? This book addresses both drifting and not drifting and why both are necessary. It is about growth, becoming more, not being the usual you, aspiring to something better, changing your thoughts and ultimately your personal freedom. The freedom you have always longed for. Isn't it time for you to make a change? To create your own system and your own life?

asu business minor: Employee Benefit Plans, 2019 AICPA, 2019-06-10 This guide is an ideal roadmap to compliance, giving auditors authoritative guidance, practical tips, and illustrative examples to help them at each stage of the audit. It is designed to bridge the gaps between the what, why, and how to satisfy auditor responsibilities. Key topics covered include: Essential guidance for application of GAAS in an EBP audit. References to authoritative accounting guidance for defined contribution (DC), defined benefit (DB) and health and welfare (HW) plans in FASB ASC Guidance on accounting, reporting and disclosure for EBP transactions not addressed in FASB ASC as supported by FinREC Use of a SOC 1 report Use of a specialist (including actuaries and appraisers) Forming an opinion and reporting on EBP financial statements (for full and limited scope EBP audits) Illustrative auditor communications and financial statements Explanation of pervasive regulatory requirements (DOL rules and regulations)

asu business minor: The Business of Sustainability Scott G. McNall, James C. Hershauer, George Basile, 2011-10-20 This three-volume set is a landmark comprehensive overview of the business of sustainability, providing 56 separate chapters from leaders in business, non-profit organizations, and from within the academic and policy world. In today's business environment, garbage isn't simply worthless refuse to be disposed of anymore; it often represents a material with monetary value. The human population is using up about 30 percent more natural resources in one year than the earth can regenerate. Because businesses constitute half of the world's largest economies, there can be no sustainability without sustainable businesses. The Business of Sustainability: Trends, Policies, Practices, and Stories of Success is a foundation set that effectively captures and articulates the why, what, who, and how of sustainability and business. Volume I

covers the scientific, economic, and social underpinnings of sustainability and identifies the challenges facing business leaders. Volume II explores the global network of designers, producers, suppliers, distributors, and consumers that must be addressed as a unit from a cradle-to-cradle, life-cycle perspective. Volume III presents examples of success across many industries, demonstrating that sustainability is indeed possible. Each volume analytically addresses the larger issues, such as the challenges of managing a business to the standards of sustainability, measuring progress or success, and creating—and maintaining—sustainable businesses. This monumental work provides a comprehensive treatment of sustainability in the world of businesses, exploring all of its dimensions: obstacles, metrics, opportunities, and pathways to success.

asu business minor: Teaching Young Adult Literature Today Judith A. Hayn, Jeffrey S. Kaplan, Karina R. Clemmons, 2016-11-02 Teaching Young Adult Literature Today introduces the reader to what is current and relevant in the plethora of good books available for adolescents. More importantly, literary experts illustrate how teachers everywhere can help their students become lifelong readers by simply introducing them to great reads—smart, insightful, and engaging books that are specifically written for adolescents. Hayn, Kaplan, and their contributors address a wide range of topics: how to avoid common obstacles to using YAL; selecting quality YAL for classrooms while balancing these with curriculum requirements; engaging disenfranchised readers; pairing YAL with technology as an innovative way to teach curriculum standards across all content areas. Contributors also discuss more theoretical subjects, such as the absence of lesbian, gay, bisexual, transgender and questioning (LGBTQ) young adult literature in secondary classrooms; and contemporary YAL that responds to the changing expectations of digital generation readers who want to blur the boundaries between page and screen. This book has been updated to reflect the wealth of new YA literature that has been published since the first edition appeared in March 2012, and to reflect new trends in technology that influences how adolescents are reading and responding to literature.

asu business minor: Tribal Wisdom for Business Ethics Grace Ann Rosile, 2016-11-11 In this book, leading native and non-native scholars present a fascinating view of American Indian tribal values and indigenous cultures. This 'Tribal Wisdom' offers an ethic of business practice that is relationship-based and community-oriented, fostering a harmonious web of life which includes the natural environment.

asu business minor: Colleges That Create Futures, 2nd Edition The Princeton Review, Robert Franek, 2017-06-13 CHOOSE A COLLEGE THAT WILL LAUNCH A CAREER! When it comes to getting the most out of college, the experiences you have outside the classroom are just as important as what you study. Colleges That Create Futures looks beyond the usual “best of” college lists to highlight 50 schools that empower students to discover practical, real-world applications for their talents and interests. The schools in this book feature distinctive research, internship, and hands-on learning programs—all the info you need to help find a college where you can parlay your passion into a successful post-college career. Inside, You'll Find: • In-depth profiles covering career services, internship support, student group activity, alumni satisfaction, noteworthy facilities and programs, and more • Candid assessments of each school's academics from students, current faculty, and alumni • Unique hands-on learning opportunities for students across majors • Testimonials on career prep from alumni in business, education, law, and much more ***** What makes Colleges That Create Futures important? You've seen the headlines—lately the news has been full of horror stories about how the college educational system has failed many recent grads who leave school with huge debt, no job prospects, and no experience in the working world. Colleges That Create Futures identifies schools that don't fall into this trap but instead prepare students for successful careers! How are the colleges selected? Schools are selected based on survey results on career services, grad school matriculation, internship support, student group and government activity, alumni activity and salaries, and noteworthy facilities and programs.
