**best cash back business card: Discover the Secrets and Power of Business Credit** Rev. Victor Allen, 2019-10-01 This book will help a person with a plan, yet funding caused everything to

come to a complete stop. It will also help someone bridge the distance between ambition and destiny. I sometimes look at it as my bridge to fulfill my purpose in life. I feel that knowledge is power. So many people don't understand financial institutions. I feel I need to share the information with people to help someone. I found myself in this position after I graduated from college. I had a degree but no job. I had goals and ambition to get to that point in life. I just didn't understand how to get my plan funded past this point. I had 65,000 dollars in debt from loans in college, so my social security number was just a little over leveraged. I had no idea what an EIN number was at the time. I realized I had an IT degree, but I needed a business financial mentor. This book explains what I learned of the next few years to drive my net worth over a million dollars. I have streamlined the process for people now: [AllenRevenueSolutions.com](http://AllenRevenueSolutions.com). I have the entire process step by step for anyone in this position in life. Many people have a plan but can't get the money to get it started. I just simply want to help these people reach their goals, which I call their divine destiny in life.
