business life hotel bakirkoy: Living the Luxe Life Mark Bego, Efrem Harkham, 2019-05-07

For Efrem Harkham, hospitality isn't just a job—it's a way of life. And that attitude is evident when you walk into any of Harkham's one-hundred-plus luxury hotels. In a true, rags-to-riches American success story, Harkham built a renowned international hotel brand that is synonymous with comfort and refinement. Part memoir, part business-success book, *Living the Luxe Life* is the story of Harkham's success, detailing the secrets behind his accomplishments. Taking a philosophical approach to business, Harkham describes his commitment towards maintaining excellence in all aspects of his life, succeeding in a constantly evolving marketplace, and mentoring employees. He firmly believes that this method is the best way to provide his customers with a superior product. Additional chapters expand on Harkham's business model, touching on his belief in the importance of philanthropy, education, and patience in building a strong and successful business. Profound and insightful, *Living the Luxe Life* is a must have for any reader who aspires to one day succeed in the business world.

business life hotel bakirkoy: Checking In Stephen J Cloo Beck, 2024-08-27 It's time to check in. When's the last time you checked in? No, not at a hotel. When's the last time you checked in with your own goals, plans, and aspirations for the future? In *Checking In*, Stephen J.

Cloo Beck-entrepreneur, investor, philanthropist, and the founder and former CEO and chairman of Diamond Resorts International-invites you to check in with yourself to take stock of where you are, where you want to go, and, most importantly, how to actually get there. Drawing from the hotel, accommodation, and travel worlds in which he built his success, Cloo Beck shares one-of-a-kind business experiences and life lessons, demonstrating how a radical customer service mindset-what he calls the Meaning of Yes-can substantively change both personal and professional outcomes. Make no mistake-this is straight-talk from one of the best. Cloo Beck may be known for being tough, opinionated, and unabashedly competitive, but he's also developed a philosophy of hospitality-driven thinking relevant to anyone looking to find success on their terms. Part strategy directive, part leadership coaching, part memoir, *Checking In* will change how you approach people, problems, and possibilities. Written for everyone who wants more out of life, *Checking In* calls you to view the world through the lens of hospitality-driven thinking, to make the most out of opportunities others miss, to take well-placed bets on yourself, and to say yes to the right risks at the right time. These are the practical business insights and all-too-real anecdotes you didn't know you needed from a source you'd never expect.

business life hotel bakirkoy: The Spirit of Hospitality Larry Stuart, 2018-09-04 The Spirit of Hospitality takes readers on a journey of passion for purpose that empowers the missing ingredients of hospitality into a proven leadership style that works. Time has sped up to the point where technology has surpassed the last few thousand years by only a generation. What happened to kindness, humility and the human touch vs. having our face buried into a laptop or iPhone? A life dedicated to excellence does not come by chance, or with age, but by choice and commitment. Larry Stuart strives to give The Spirit of Hospitality to others who are called to a life of prosperity and significance. He provides the tools, attributes and real-life examples of what works when it comes to serving up a memorable guest service delivery and describes the necessary ingredients of hospitality. There is hope only if individuals bring back the missing ingredients of kindness, humility, integrity, encouragement, generosity, team and accountability. Only then is the spirit of hospitality empowered to provide the right leadership approach in building relationships to a new level of
