Overview of "Business Man"

"Business Man" is a film that delves into the ruthless world of business and the lengths to which individuals will go to succeed. The film is significant not only for its star cast but also for its dynamic direction and engaging screenplay. Puri Jagannadh, known for his ability to create compelling narratives, presents a story that resonates with themes of ambition, moral ambiguity, and the harsh realities of power. The film showcases Mahesh Babu in a role that accentuates his action-hero persona, making it a pivotal entry in his filmography.

Plot Summary

The story of "Business Man" centers around the character of Surya, played by Mahesh Babu, who is a shrewd and ambitious businessman. Surya arrives in Mumbai with a singular goal: to dominate the business world. He quickly realizes that the city's landscape is fraught with corruption and competing interests. What sets Surya apart is his willingness to embrace the darker aspects of business, utilizing both charm and intimidation to achieve his objectives.

As the plot unfolds, Surya faces various challenges from rival businessmen and the law enforcement agencies that threaten to expose his illegal dealings. The film effectively captures his rise to power while also highlighting the personal sacrifices he must make along the way. His interactions with other key characters, including the love interest and a police officer, add depth to the narrative, showcasing the moral dilemmas that come with his choices.

Main Characters

The characters in "Business Man" play a crucial role in driving the film's narrative. Each character is well-defined and contributes to the overarching themes of ambition and power struggles.

Surya (Mahesh Babu)

Surya is the protagonist whose journey forms the crux of the film. His charisma and business acumen make him a formidable force in the corporate world. However, his methods often blur the lines between right and wrong, showcasing the complexities of his character.

Chitra (Kajal Aggarwal)

Chitra is Surya's love interest, adding a romantic angle to the otherwise intense storyline. Her character provides a counterbalance to Surya's ruthless ambition, representing the emotional stakes involved in his journey.

Police Officer (Prakash Raj)

Prakash Raj plays a pivotal role as a police officer determined to bring Surya to justice. His character embodies the moral authority that contrasts with Surya's unscrupulous methods, making their confrontations particularly engaging.

Production Details

The production of "Business Man" was marked by high expectations, given Mahesh Babu's popularity and Puri Jagannadh's directorial prowess. The film was produced by R. R. Venkat and features a screenplay that is tight and focused, ensuring that the pacing keeps the audience engaged throughout.

Filming took place primarily in Mumbai, capturing the city's vibrant yet challenging environment, which serves as the backdrop for Surya's rise to power. The cinematography effectively highlights the stark contrasts of wealth and poverty, further enhancing the film's themes.

Music and Soundtrack

The music for "Business Man" was composed by Thaman S, who is known for his ability to create catchy and impactful soundtracks. The songs resonate with the film's themes and have been well-received by audiences.

Key Songs

- "Top Lechipoddi" - A high-energy number that captures Surya's confidence and ambition.
- "Dollu Dorakuna" - A romantic track that highlights the chemistry between Surya and Chitra.
- "Saar Koti" - A powerful anthem that emphasizes the film's themes of power and ambition.

Cultural Impact and Reception

"Business Man" received a mixed to positive response from critics and audiences alike. Its portrayal of the business world, combined with Mahesh Babu's performance, resonated well with the viewers, particularly among the younger demographic. The film sparked discussions about ethics in business and the moral compromises individuals make in pursuit of success.

The film also performed well at the box office, solidifying Mahesh Babu's status as a leading actor in the Telugu film industry. Its commercial success can be attributed to the engaging storyline, strong performances, and a well-crafted soundtrack. The film has become a reference point in discussions about ambition and the darker side of business practices in modern society.

Conclusion

"Business Man" is more than just a typical action thriller; it is a commentary on ambition, ethics, and the realities of the business world. With Mahesh Babu's captivating performance and Puri Jagannadh's direction, the film leaves a lasting impression on its audience. Its exploration of power dynamics, coupled with a strong narrative and memorable music, ensures that "Business Man" remains a significant film in the Telugu cinema landscape.

And that's just A for you. A taste of this fabulously quirky and enjoyable book which is both a celebration of movies - and movie trivia - and a handy, entertaining guide to films that we know you will enjoy. It is fantastically functional. The lists are well conceived and easy to understand - mostly assembled by genre, actor, director, theme or country of origin - and the reviews are witty and informative. Oddly enough, most movie guides are not full of recommendations. But Movie Lists is, in spades, leaving readers in no doubt that the films reviewed are the business. Oh - and you don't have to watch them all before you die. There is no premise of death in this book. You just need to get down to the local Blockbusters or flick your remote to Movies on Demand. business man telugu movie: Muscular India: Masculinity Mobility & The New Middle Class Michiel Baas, 2024-03 About the Book MICHIEL BAAS BRINGS ALIVE A WORLD OF MEN SCULPTING BODIES, REDEFINING MASCULINITIES AND CONFRONTING THEIR VULNERABILITIES IN THE GYMS OF URBAN INDIA. The gyms of urban 'new India' are intriguing spaces. While they cater largely to well-off clients, these shiny, modern institutions also hold the promise of upward mobility for the personal trainers who work there. By improving their English, 'upgrading' their dressing style and developing a deeper understanding of the lives of their upmarket customers, they strategise to climb the middle-class ladder. Their lean, muscular bodies—which Bollywood has set the tone for are crucial to this. Diverging from an older masculine ideal represented by pehlwani wrestlers, these bodies not only communicate (sexual) attractiveness, but also professionalism, control and even cosmopolitanism. With the gym aspiring to be a safe space for women, trainers must also find a way to break with the toxic masculinity that dominates life outside. Yet, the more things change, the more they remain the same. Class barriers are less permeable than they appear. The use of bodily capital to breach them is more fraught with danger than one might anticipate. And the profession is riddled with pitfalls and contradictions. Michiel Baas has spent a decade studying gyms, trainers and bodybuilders, and finds in them a new way to investigate India. He walks us through the homes and workspaces of these men - yes, they are almost all men - to bodybuilding competitions and also into their most intimate worlds of ambitions, desires and struggles. An unusual study of an unusual subject, Baas unveils a fascinating world, hidden in plain sight.

business man telugu movie: Midnight's Grandchildren Mark Hannant, 2018-12-07 While the west has experienced multiple post-war economic, social and political revolutions, India by contrast has had two distinct moments of transformation in the past century: Independence in 1947 and the economic liberalisation that began in 1991. Midnight's Grandchildren are the offspring of India's second social and economic revolution. India's millennial generation, coming of age post-1991, have grown up in a world of opportunity and relative abundance. Many institutions - family, marriage, workplace, and brands - are being disrupted. Great tension exists as a new generation breaks barriers and seeks to find its place. This book captures an important, transformative moment in India's development. It includes interviews with young Indians who articulate both their optimism and the struggle to find relevant new identities. Managers and recruiters speak about the changes in the workplace and the challenges and opportunities of harnessing India's so-called demographic dividend. Entrepreneurs, brand owners and marketers discuss the role of brands in cementing identities in a world changing rapidly where loyalty has little meaning. Midnight's Grandchildren explains for a business audience the significance of the arrival in the workforce of a generation of millennials as both disruptors of the old order and engine of India's future economic potential. It is of use for professionals and educators wanting to engage this vitally important group of young people.
