business link winfield: **Our Osage Hills** Michael Snyder, John Joseph Mathews, 2020-07-24

This revealing book presents a selection of lost articles from “Our Osage Hills,” a newspaper column by the renowned Osage writer, naturalist, and historian, John Joseph Mathews. Signed only with the initials “J.J.M.,” Mathews’s column featured regularly in the Pawhuska Daily Journal-Capital during the early 1930s. While Mathews is best known for his novel *Sundown* (1934), the pieces gathered in this volume reveal him to be a compelling essayist. Marked by wit and erudition, Mathews’s column not only evokes the unique beauty of the Osage prairie, but also takes on urgent political issues, such as ecological conservation and Osage sovereignty. In *Our Osage Hills*, Michael Snyder interweaves Mathews’s writings with original essays that illuminate their relevant historical and cultural contexts. The result is an Osage-centric chronicle of the Great Depression, a time of environmental and economic crisis for the Osage Nation and country as a whole. Drawing on new historical and biographical research, Snyder’s commentaries highlight the larger stakes of Mathews’s reflections on nature and culture and situate them within a fascinating story about Osage, Native American, and American life in the early twentieth century. In treating topics that range from sports, art, film, and literature to the realities and legacies of violence against the Osages, Snyder conveys the broad spectrum of Osage familial, social, and cultural history.
