business plan of a car wash: Dream Klean Car Wash Business Plan Dustin Harakh, 2018 I chose to open a car wash because I believe they are a good first business to own and operate. The desire to keep cars clean is evident and with the geographic location, almost everyone owns a vehicle. We also happen to live in an area where we see a lot more sunshine than rain which makes it a good business to have in California. Like many others, I find cars to be fascinating. Cars are more than just a mode of transportation to me; they are an art. Whenever I see a unique or different type of car I always try to stop and look. Cars have become a hobby for me which makes opening a car wash such an exciting business venture. It gives me an opportunity to see all types of makes and models without having to own any of them. While fully-automated car washes are present in most areas, Dream Klean is one that seeks to build a relationship with its customers and to provide the highest quality service. This, along with my passion for cars, will ensure the business is successful. The goal is for every wash to live up to my standards. If I wouldn't drive off the lot, it's not good enough. The name, Dream Klean, came to me for two different reasons. The first is because I want every car we wash to look, feel, and smell like it is your dream car. Even those who don't necessarily care for their car will have a different outlook once it has been washed at Dream Klean. The second is because of my kids. My son's name is Dominik and my daughter's name is Kamila. The name Dream Klean is a play on the first initial of their names. My hope is that they will take over the business once they are of age, so they can have the best life possible in the future. Oakdale, California is the location of choice for the business because it is a growing community that needs this type of service both for existing and new residents. The town has seen aggressive growth over

the past few decades and will continue to grow. This provides an ample number of customers for Dream Klean and promotes growth.
