Curriculum Overview

Core Courses

The curriculum for an entertainment business master's degree typically includes a blend of core courses that provide foundational knowledge essential for success in the industry. Students can expect to engage with subjects such as:

- **Entertainment Marketing:** This course covers strategies for promoting entertainment products and services, focusing on audience engagement and brand management.
- **Financial Management:** Students learn about budgeting, financial analysis, and investment strategies specific to the entertainment sector.

- **Legal Issues in Entertainment:** This course provides an understanding of contracts, copyright laws, and intellectual property rights that are crucial in the industry.
- **Production Management:** Offering insights into the logistics of production, this course covers project management, scheduling, and resource allocation.
- **Media and Digital Strategies:** With the rise of digital platforms, students explore how to leverage technology for content distribution and audience reach.

Electives and Specializations

Many programs also offer electives that allow students to tailor their education to specific interests within the entertainment business. Potential electives may include:

- **Event Management:** Focusing on the planning and execution of entertainment events, including concerts, festivals, and film premieres.
- **Talent Management:** Covering the complexities of representing artists, negotiating contracts, and understanding talent dynamics.
- **Game Design and Development:** An exploration of the gaming industry, focusing on the business and creative aspects of game production.

Career Opportunities

The entertainment business sector offers a wide array of career opportunities for graduates. The skills and knowledge gained from a master's degree position individuals for roles in various domains, including:

- **Studio Management:** Overseeing the operations of film and television studios, ensuring that projects are completed efficiently and within budget.
- **Marketing Director:** Leading marketing strategies for films, music, or other entertainment products to maximize audience reach and revenue.
- **Talent Agent:** Representing artists and performers, negotiating contracts, and finding opportunities for clients in film, music, and more.

- **Event Coordinator:** Planning and executing entertainment events, from concerts to product launches, while managing logistics and budgets.
- **Digital Content Manager:** Managing online content for entertainment brands, utilizing social media and digital marketing strategies to engage audiences.

Skills Developed

Pursuing an entertainment business master's degree equips students with a diverse skill set. Some of the key skills gained include:

- **Strategic Thinking:** The ability to develop long-term strategies that align with industry trends and company goals.
- **Financial Acumen:** Understanding financial management principles, budgeting, and investment strategies specific to the entertainment sector.
- **Negotiation Skills:** Mastering negotiation tactics to effectively represent clients, secure deals, and manage contracts.
- **Leadership and Team Management:** Learning to lead teams, project manage, and inspire creativity within collaborative environments.
- **Networking Proficiency:** Building valuable connections within the industry to leverage opportunities and collaborations.

Top Institutions Offering the Degree

Several reputable institutions offer master's degrees in entertainment business, providing students with high-quality education and industry connections. Some of the top schools include:

- **University of Southern California (USC):** Known for its prestigious School of Cinematic Arts, USC offers a master's program focused on the business aspects of entertainment.
- **New York University (NYU):** NYU's Tisch School of the Arts offers a comprehensive program that combines business education with a strong foundation in the entertainment industry.

- **Columbia University:** Columbia's program emphasizes the intersection of media, business, and technology, preparing students for a rapidly evolving landscape.
- **University of California, Los Angeles (UCLA):** UCLA offers a master's degree that focuses on both the practical and theoretical aspects of entertainment business.

Conclusion

An entertainment business master's degree is a valuable asset for aspiring professionals in the thriving entertainment industry. With a robust curriculum that covers essential aspects of business and entertainment, graduates are well-equipped to navigate the complexities of this dynamic field. The degree opens doors to a multitude of career paths, fostering the development of critical skills necessary for success. As the entertainment landscape continues to evolve, individuals who possess both business acumen and industry knowledge will be at the forefront of innovation and creativity.

Q: What is an entertainment business master's degree?

A: An entertainment business master's degree is a graduate program that focuses on the business principles and management strategies relevant to the entertainment industry, including film, television, music, and digital media.

Q: What careers can I pursue with a master's degree in entertainment business?

A: Graduates can pursue various careers, including studio management, marketing director, talent agent, event coordinator, and digital content manager, among others.

Q: What skills will I learn in an entertainment business master's program?

A: Students will develop skills such as strategic thinking, financial acumen, negotiation skills, leadership, and networking proficiency, all tailored to the entertainment industry.

Q: Are there online options for obtaining an entertainment business master's degree?

A: Yes, many institutions offer online master's programs in entertainment business, allowing for flexibility in learning while still providing a comprehensive education.

Q: How long does it typically take to complete a master's degree in entertainment business?

A: Most master's programs can be completed in one to two years, depending on the course load and whether the student is attending full-time or part-time.

Q: Do I need prior experience in the entertainment industry to pursue this degree?

A: While prior experience can be beneficial, it is not always required. Many programs accept students from diverse educational backgrounds and provide foundational knowledge to all.

Q: What are the top institutions for an entertainment business master's degree?

A: Some of the top institutions include the University of Southern California, New York University, Columbia University, and the University of California, Los Angeles.

Q: What are the benefits of obtaining an entertainment business master's degree?

A: Benefits include advanced knowledge of the industry, enhanced career opportunities, development of specialized skills, and valuable networking connections within the entertainment field.

Q: Is the demand for professionals with an entertainment business master's degree growing?

A: Yes, as the entertainment industry continues to expand and evolve, the demand for skilled professionals with a strong business background is increasing.

entertainment business masters degree: The Business of Children's Entertainment

Norma Odom Pecora, 2002-03-06 For over 20 years, the development of children's television programming has been subsidized by toy manufacturers. The result has been an increased commercialisation of children's popular culture - the creation of a material world of childhood characterized by brand-name toys, games, clothing, and television characters. Drawing on historical background and case studies, this book presents a unique look at the development of children as targets of the media and commercial industries, and examines the economic and social forces that have defined the evolution of children's entertainment. This volume is of interest to professionals and students in media studies, mass communication, and related fields; readers interested in contemporary children's culture and the content of children's programming.

entertainment business masters degree: Entertainment Management Stuart Moss, Ben

Walmsley, 2014-06-16 Following on from *The Entertainment Industry: An Introduction*, Entertainment Management takes the next step in the development of entertainment as a practice and as an academic subject. Aimed at higher level undergraduates, the book discusses best practices in the entertainment industry, profiling a different discipline per chapter, each one a branch of entertainment that offers employment opportunities within the sector. Fields include marketing, P.R., the media, live events, artist management, arts and culture, consultancy and visitor attractions. The book aims to reflect the knowledge students will need for real world of entertainment management such as technical standards, business management, people management, economic aspects and legal issues. Each chapter discusses the background of the discipline, best practice management principles, issues in the wider environment, case studies of real organisations and future trends.

entertainment business masters degree: Entertainment Industry Economics Harold L.

Vogel, 2020-07-23 Already among the most important sectors of the US economy, the entertainment and media industries are continuing to grow worldwide. Fully updated, the tenth edition of *Entertainment Industry Economics* is the definitive reference on the economics of film, music, television, advertising, broadcasting, cable, casinos, publishing, arts and culture, performing arts, toys and games, sports, and theme parks. Its synthesis of a vast amount of data provides an up-to-date guide to the economics, financing, accounting, production, marketing, and history of these sectors in the United States and countries across the globe. This edition offers new material on streaming services, the relationship between demographics and entertainment spending, electromagnetic spectrum for broadcasters, and revised FASB accounting rules for film and television. Financial analysts and investors, economists, industry executives, accountants, lawyers, regulators, and journalists, as well as students preparing to join these professionals will benefit from this invaluable source.

entertainment business masters degree: Dramatic Storytelling & Narrative Design Ross

Berger, 2019-08-29 One of the best Storytelling books of all time - BookAuthority This book provides an industry professional's firsthand POV into narrative design's practical usage, day-to-day roles and responsibilities, and keys to breaking in and succeeding. The book will also delve into the foundations of compelling storytelling through structural analysis and character archetype breakdowns. The author widens the understanding of game narrative to include examples from other media. He will also break the structure down of two popular games and show how the structural elements are applied in practice. In addition to discussing industry trends (including Fortnite, Twitch, and Netflix's interactive TV shows), the author illustrates how the leveraging of transmedia can make a video game franchise enduring over time. Because media appetites are radically changing, designing a story experience across various media outlets is not only preferable to meet the high demands of millennial and GenZ consumers; it's necessary as well. Key Features: Practical how-to's to meet the ever-increasing studio demands for a narrative designer Critical analysis of the narrative of two best-selling games Samples of a story structure diagram, character polling,

transmedia release timeline, and a branching conversation tree Deep breakdowns and definitions of story beats and dramatic devices Pro-tips on better documentation and overall job preparedness

entertainment business masters degree: Sheila Power: an entertainment Inez Baranay, 2014-08-31 Sydney, 1990. Sheila Power's crowning achievement in a spectacular career is making a film based on a cult novel, whose real life characters turn up in her own life. Her project brings her new enemies to vanquish, new friends to treasure, the love of her life, and empowering revelations as well as erotic experiences from Past Lives Sex Therapy. A queer comedy of manners that turns into a thriller.

entertainment business masters degree: Music Business Handbook and Career Guide David Baskerville, Tim Baskerville, 2019-01-15 The Twelfth Edition of this powerhouse best-selling text maintains its tradition as the most comprehensive, up-to-date guide to the music industry in all of its diversity. Readers new to the music business and seasoned professionals alike will find David and Tim Baskerville's handbook the go-to source, regardless of their specialty within the music field. Music Business Handbook and Career Guide is ideal for introductory courses such as Introduction to the Music Business, Music and Media, and other survey courses as well as more specialized courses such as the record industry, music careers, artist management, and more. The fully updated Twelfth Edition includes a comprehensive discussion of the streaming revolution and its impact on all parts of the value chain, including composers, performing artists, publishers, and labels. The book also analyzes shifts in the competing platforms of consumption ranging from fast-shrinking physical formats and broadcasting to downloads and subscription services. This edition offers more vignettes than ever, illustrating how individuals in different industry roles advanced their careers, as well as how they've adjusted to the intertwining influences of technology, law, and culture.

entertainment business masters degree: Counseling Clients in the Entertainment Industry, 2002

entertainment business masters degree: HMM Dallas Music and Entertainment Memorabilia Auction Catalog #688, 2008-02

entertainment business masters degree: Principals of Management Dr. Janak Singh Kushwah, : management is essential to any organization that wishes to be efficient and achieve its aims. Without someone in a position of authority there would be organizational anarchy with no structure and very little, if any focus. It has been said that management has four basic functions planning, organizing, leading and controlling Common sense dictates that without these principles of management being in place an organization would have trouble achieving its aims, or even coming up with aims in the first place A Classic theory on the principles of management was written by Henri Fayol. It seeks to divide management into 14 Principles. We'll take a look at these basic principles of management and explain them in easy to understand terminology.

entertainment business masters degree: Monetizing Entertainment Larry Wacholtz, 2016-11-03 Monetizing Entertainment: An Insider's Handbook for Careers in the Entertainment & Music Industry offers a thorough, guided exploration of the current state of the industry, with an emphasis on trends in copyright, digital streaming, and practical advice for developing a career as an artist, technician, or industry executive. This book investigates a variety of topics within the entertainment and music industry, ranging from traditional and emerging business models to intellectual property rights to the creative destruction happening currently. The book strategically outlines the existing gaps that make being successful as an artist a dynamic interaction between creativity and business. This book includes the following: An overview of the creative destruction process that has destroyed some of the old business models and created a number of career options. A look at innovative, entrepreneurial career options. A step-by-step examination for both creative and business professionals of the administrative and financial structures of the industry. Detailed analysis of trends and topics shaping the current entertainment and music industry drawn from insiders' perspectives and other contemporary resources. An accompanying website (www.routledge.com/cw/wacholtz), hosting case studies, videos, data, infographics, and blog posts on business models, is the perfect companion to this authoritative resource.

entertainment business masters degree: Constructing Corporate America Kenneth Lipartito, David B. Sicilia, 2004 This collection of cutting-edge research reviews the evolution of the American corporation, the dominant trends in the way it has been studied, and at the same time introduces some new perspectives on the historical trajectory of the business organization as a social institution. The authors draw on cultural theory, anthropology, political theory and legal history to consider the place of the firm in nineteenth and twentieth-century American Society.

entertainment business masters degree: IMP. Illinois Master Plumber , 1928

entertainment business masters degree: Branded Entertainment Jean-Marc Lehu, 2007 Product placement has evolved from a novel marketing tactic to a key marketing strategy on a global scale. This work explains the: history and development of product placement; advantages of this form of brand advertising; and methods employed by different brands.

entertainment business masters degree: Billboard , 2004-05-29 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

entertainment business masters degree: Communicating Science in Social Contexts Donghong Cheng, Michel Claessens, Nicholas R. J. Gascoigne, Jenni Metcalfe, Bernard Schiele, Shunke Shi, 2008-07-15 Science communication, as a multidisciplinary field, has developed remarkably in recent years. It is now a distinct and exceedingly dynamic science that melds theoretical approaches with practical experience. Formerly well-established theoretical models now seem out of step with the social reality of the sciences, and the previously clear-cut delineations and interacting domains between cultural fields have blurred. *Communicating Science in Social Contexts* examines that shift, which itself depicts a profound recomposition of knowledge fields, activities and dissemination practices, and the value accorded to science and technology. *Communicating Science in Social Contexts* is the product of long-term effort that would not have been possible without the research and expertise of the Public Communication of Science and Technology (PCST) Network and the editors. For nearly 20 years, this informal, international network has been organizing events and forums for discussion of the public communication of science.

entertainment business masters degree: The Red, White & Black , 2002

entertainment business masters degree: The Best 296 Business Schools, 2013 Edition Princeton Review, 2012-10-09 Provides a detailed overview of the best business schools across North America, including information on each school's academic program, competitiveness, financial aid, admissions requirements and social scenes. Original.

entertainment business masters degree: The Game Production Toolbox Heather Chandler, 2020-04-07 The Game Production Toolbox focuses on the nuts and bolts of producing interactive content and how you can organize and support the creative, technical, and business efforts that are all part of interactive game development. This book isn't going to tell you how to design a game or what technologies to use. Instead it provides techniques for and insights into managing, from concept to release, all the pieces that must come together in order to get a game into the hands of a player. Readers will learn about each phase of game production: prototyping, defining the requirements, assembling the team, making the game, and releasing to the players. Interviews from professional game developers give a behind-the-scenes look at what it takes to make a game. Key Features A framework for how to get an interactive game from concept to release, including information on financing and pitching to publishers and investors. Techniques for working with the game development team to get effective prototypes and documentation to prove out game concept and mechanics. Concrete information on how to plan and execute the different aspects of game production, such as audio, localization, testing, and software ratings. Advice from industry experts on managing teams, project management, communicating effectively, and keeping everyone happy. Information about working effectively with marketing, PR, and other people that are involved with the publishing and release process.
