**emirates business class seats a380: The A380neo Business Case** Dr Addison M Schonland, Mr Ernest S Arvai, 2015-01-15 There is significant market pressure coming from Emirates for Airbus to offer an A380neo. Airbus cannot ignore this pressure, because the A380 program is in need of more sales, and currently Emirates represents the shortest path to such orders. An A380neo should be attractive to other A380 operators as well as other airlines considering VLAs. The VLA segment as a niche but is also valid market. This view puts the focus on order volume, rather than order revenues. VLA s have a historical average (1975-2014) order market share of 4%. Based on both the Airbus and Boeing forecast fleet size for 2033 we estimate the VLA segment to be ~1,000 aircraft.

**emirates business class seats a380: Central Two Zero Seven Nine Out** Paul Canning, 2021-07-22 What sort of a life do you make for yourself when there is no focus? How does your life pan out as you ride the vicissitudes of a dog eat dog, cut throat employment market? How do you chase your dreams into adulthood to find love, happiness and success, when you carry inside yourself a childhood, dejected, insecure, unstable and with what tiny morsel of confidence you possess - in tatters, because you've been at the mercy of a bullying control freak - your own father? I have survived so much mental anguish with confidence renewed following a difficult and painful education in Blackpool. After handwriting 100 letters, I landed my first job - cutting my teeth as a London-based portrait and wedding photographer in early summer 1986. A life on the ocean wave then beckoned, which turned me from nervous novice ship's photographer to expert smudger working aboard cruise liners worldwide. In 1990 I settled down, met the girl of my dreams and landed a fabulous job - Metropolitan Police Service forensic photographer. In the late 1990s I qualified as a Hendon-based instructor, leaving the police in 2004 to set up a business. If that wasn't enough, I then retrained as a medical photographer in 2008 and I'm now a medical photography manager working for Blackpool Teaching Hospitals NHS Foundation Trust. Both journey and path to success have been a miracle in the making.
