family business new orleans episodes: *Reality TV* Jon Kraszewski, 2017-02-24 From early first-wave programs such as Candid Camera, An American Family, and The Real World to the shows on our television screens and portable devices today, reality television consistently takes us to cities—such as New York, Los Angeles, and Boston—to imagine the place of urbanity in American culture and society. Jon Kraszewski offers the first extended account of this phenomenon, as he makes the politics of urban space the center of his history and theory of reality television. Kraszewski situates reality television in a larger economic transformation that started in the 1980s when America went from an industrial economy, when cities were home to all classes, to its post-industrial economy as cities became key points in a web of global financing, expelling all economic classes except the elite and the poor. Reality television in the industrial era reworked social relationships based on class, race, and gender for liberatory purposes, which resulted in an egalitarian ethos in the genre. However, reality television of the post-industrial era attempts to convince viewers that cities still serve their interests, even though most viewers find city life today economically untenable. Each chapter uses a key theoretical concept from spatial theory—such as power geometries, diasporic nostalgia, orientalism, the imagination of social expulsions, and the relationship between the country and the city—to illuminate the way reality television engages this larger transformation of urban space in America.

family business new orleans episodes: *Wisdom for Heaven on Earth* John E. Wade II, 2020-02-28 This book summarizes and elaborates on my prayers and thought processes behind the destiny -- Heaven on Earth, or Heaven -- that God has intended for humanity all along. While my prayer is for everyone to go to Heaven, or Heaven on Earth, the subject of this book is Heaven on Earth, as evidenced by the past, present, and predictions about the future of Earth. What are my qualifications for making a bold declaration such as this? To be less than modest, I will say that I am honest to a fault, quite ambitious, logical, and I think big.

family business new orleans episodes: Dashing, Daring, and Debonair Herbie J Pilato,

2016-07-20 Be they actors, comedians, singers, dancers, or talk show hosts and personalities, everyone from George Burns and Milton Berle to Jack Benny and Jackie Gleason to Sid Caesar and Caesar Romero ignited their own particular brand of “man-erisms.” In the process, they each inspired their own particular brand of audience to cheer them on—whatever their guise. This book will explore and celebrate the men who invented manliness, and became stars in the process. It also profiles such teenage heartthrobs as Leave it to Beaver's Tony Dow and The Partridge Family's David Cassidy, stars who left an indelible impression on a generation of young girls.

family business new orleans episodes: Encyclopedia of Early Television Crime Fighters Everett Aaker, 2024-10-17 Any episode of a crime or mystery series involves some or all of the following: the perpetration of a crime; its investigation; the analytical process which involves the determination of the villain; the arrest and trial of the culprit; and the handing out of the appropriate punishment. Such series involving the exploits of a wide variety of courageous heroes and heroines were very popular during the 1950s, and they featured a host of actors and actresses, including famous television detectives (e.g., Raymond Burr), those famous in other genres (e.g., Boris Karloff, Charles Bronson), and over 250 other players with recurring roles. This reference work lists every player who had a regular role in a crime or mystery series during the early era of television. All covered series offered live or filmed episodes of a crime or mystery nature, and all were shown on American television. All series had either regular stars or a recognizable host. Entries cover the player's real name, family information and education; how the player originally broke into show business; the player's career preceding the series; and his or her marriage, children, death date, and film and television credits. Appendices provide a catalog of American mystery series and a list of regular mystery series players whose roles began after December 31, 1959.

family business new orleans episodes: Men in Eden William Benemann, 2012-10-01 The American West of the nineteenth century was a world of freedom and adventure for men of every stripe—not least also those who admired and desired other men. Among these sojourners was William Drummond Stewart, a flamboyant Scottish nobleman who found in American culture of the 1830s and 1840s a cultural milieu of openness in which men could pursue same-sex relationships. This book traces Stewart's travels from his arrival in America in 1832 to his return to Murthly Castle in Perthshire, Scotland, with his French Canadian-Cree Indian companion, Antoine Clement, one of the most skilled hunters in the Rockies. Benemann chronicles Stewart's friendships with such notables as Kit Carson, William Sublette, Marcus Whitman, and Jim Bridger. He describes the wild Renaissance-costume party held by Stewart and Clement upon their return to America—a journey that ended in scandal. Through Stewart's letters and novels, Benemann shows that Stewart was one of many men drawn to the sexual freedom offered by the West. His book provides a tantalizing new perspective on the Rocky Mountain fur trade and the role of homosexuality in shaping the American West.

family business new orleans episodes: William Tecumseh Sherman: Memoirs of General W. T. Sherman (LOA #51) William Tecumseh Sherman, 1990-10-01 Hailed as prophet of modern war and condemned as a harbinger of modern barbarism, William Tecumseh Sherman is the most controversial general of the American Civil War. “War is cruelty, and you cannot refine it,” he wrote in fury to the Confederate mayor of Atlanta, and his memoir is filled with dozens of such wartime exchanges. With the propulsive energy and intelligence that marked his campaigns, Sherman describes striking incidents and anecdotes and collects dozens of his incisive and often outspoken wartime orders and reports. This complex self-portrait of an innovative and relentless American warrior provides firsthand accounts of the war's crucial events—Shiloh, Vicksburg, Chattanooga, the Atlanta campaign, the marches through Georgia and the Carolinas.
