Is he the man in your cross-hairs, or the friend alongside you? Or is it the man who pays your wages? Martin Palmer knows that a potentially fatal bullet might come from any direction. And yet he must fight, because fighting is all he knows. This deadly challenge will test him to the limits of his endurance. He knows there will always be another paymaster with high aspirations, and enough money to pursue them...and money, of course, is the mercenary soldier's creed

And it is not just the numbers; a refusal to cooperate would mean arrest and trial for a murder he probably did commit.

flight dubai business class: Not the Second Sex J. Muthu Kumar, 2017-07-11 Not the Second Sex is about some of the women I had met around the world in the last thirty years. These women had instilled a firm belief in me that women are in fact not the second sex and that a man appears to be superior only because they allow him to be so. flight dubai business class: Even More Journeys of a Lifetime Len Coates, 2017-08-14 When I wrote my first book Journeys of a Lifetime in 2004, it reflected how dreams of mine of visiting unknown places in the UK, countries across the North Sea in Europe, and seemingly far-off continents of America, Africa, Asia, and Australia became a reality. That was mainly due to the advent of air travel, package holidays, and the massive growth of international travel in the second half of the twentieth century. Nine years on from that book, in my second book, our traveling had

continued, and in that time, having seen the arrival of four grandchildren, naturally they have joined in some of the journeys. At that time, our fourth grandchild just made the book with her name and date and place of birth. Naturally, there was a need for another book so that she, as well as her brother and cousins, will all be able to read as they get older about their grandparents travels, and in particular, some of which included them. Although places visited in the three years since the last book include some return trips to old favorites, this book reflects only the new places visited. In particular, India, the Middle East, the Far East, Eastern Europe, and nearer home the beautiful Northeast England, it reflects the visits of the grandchildren, featured more this time. As we now have two grandchildren living in the Costa del Sol, as well as the Aussie part of the family, Spain, and Australia are now regular destinations. Although the UK is much smaller in area than those two countries, it is packed with wonderful places to visit, so trips at home are still often very much included in our travels. Added to that, cruising has taken off in the last decade a bit like package deals to Europe did in the 1960s and has provided a very enjoyable new dimension to the journeys made. Cruises are featured several times in this book. More Journeys of a Lifetime and now Even More Journeys of a Lifetime reflect the further growth in long-haul travel and the massive increase in cruising. Hope you enjoy my further travels around this small world of ours, going on from those early dreams of mine and continuing to do so!

flight dubai business class: Going Under Seana Smith, 2024-09-04 From the outside, Seana Smith lived an enviable life. An Oxford graduate, a successful career with the BBC and Sydney's Channel 9, a bestselling author, happily married. But behind this perfect life she had a secret: Seana was a drinker, and alcohol was slowly taking away her life, destroying her health, her emotional well-being, her world. With engaging style and wit, Going Under reveals the true story behind Seana's lifelong battle with drink. It lays bare a confusing childhood of Scottish sailing adventures and also brutal violence from her bullying, alcoholic father; where punches were thrown, broken bones hidden and her family lived in fear. Learning from the best, Seana drank her way through tutorials at Oxford University (which were held in the pub), through the sexual misadventures of her twenties and through the intensity and mundanity of motherhood. It took the death of her parents and a tree-change to Orange in regional NSW for Seana to find the courage to break free; a new life in a new world. She had finally left the past behind. Growing up with an abusive alcoholic father and finding the courage to escape. Crosses between Edinburgh, Oxford University, Sydney and Orange, NSW. Compelling combination of women's quit lit and memoir. The intensity and loneliness of motherhood laid bare. Explores the pain of emigration and finding belonging in a new world. This is a memoir long in the making and is a powerful testament to resilience, acceptance and ultimately love. A story of recovery and sobriety for fans of The Sober Diaries, Beyond Booze and A Thousand Wasted Sundays. LARGE SCALE PR CAMPAIGN BY PITCH PROJECTS Going Under is funny, insightful and inspiring. This is like hanging out with a really brilliant friend who, you know, will make you a better person. Seana Smith is the real deal - a truth-teller and a writer of immense integrity. the precipice of her own alcoholism, she realizes that reckoning with the past is the only way to shape the future. Jenny Valentish Author of *Woman of Substances* With sparkling, musical prose and unflinching generosity of spirit, Seana Smith lays bare the facts of a life stalked by alcohol. A life that ricochets 'between privilege and terror, between adventure and fear. So much more than a book about the booze, *Going Under* is an intricate, often beautiful mosaic of family, the individuals caught inside its sharp-edged cracks, and the self-yearning to make sense of all it all. The story of a woman emerging from the brokenness of the past and the never-ending pressures of the present to reclaim joy. Honest. Tender. Laugh-cry funny.
