iris business bay: Sandison's Scotland Bruce Sandison, 2012-05-31 Sandison's Scotland is a wonderful collection of stories and tales about some of the country's most wild and evocative places. From dark Loch Ness to the turbulent waters of the Pentland Firth, join Bruce on the path less travelled as he goes behind the scenes of Shetland's Up Helly Aa festival and the raucous Kirkwall Ba' Game, played for generations by the people of Orkney. There are also stops in remote townships - Helmsdale in the east, distant Glenelg in the west - visiting the crofts and castles that make Scotland so special. Throughout these exceptional tales, Bruce Sandison's love for his native land shines through as he brings the people, culture and history of Scotland to life. Sandison's Scotland is full of hidden gems and is a book for all times and all seasons. It will captivate, amuse and delight anyone with a love for Scotland.

iris business bay: *The Bridesmaids Union* Jonathan Vatner, 2022-06-14 From the author of *Carnegie Hill*, comes Jonathan Vatner's *The Bridesmaids Union*, a captivating novel of family, Facebook groups, and bridesmaids gone rogue. Iris Hagarty has just about had it with weddings. After witnessing one too many meltdowns over flower arrangements, she takes to the internet to vent about the trials and tribulations of being a bridesmaid to demanding and ungrateful brides. She

finds she is not alone, and soon becomes the moderator of a Facebook group full of other bridesmaids, eager to share their own horror stories. Enter Iris's sister Jasmine, the golden child and their parents' obvious favorite, newly engaged and wanting none other than Iris to be her maid of honor. Knowing full well that Jasmine doesn't need a wedding to bring out her spoiled side, Iris buckles in for a bumpy ride. At least now she has an outlet—one full of new online friends hungry for juicy details. But as the Bridesmaids Union grows, Iris finds it harder to keep under control. And she even has some doubts about whether there will be a wedding after all. While Jasmine's fiancé, David, seems smitten with his bride-to-be, Iris is less sure about her social-climber sister's intentions. Though that could just be because Iris is having trouble keeping her own eyes off of the groom. Brimming with family drama, and set in the ever-encroaching world of Instagram DM's and Facebook flame wars, *The Bridesmaids Union* shows the power and limits of alliances we form on social media, and how to make the most of the ones we're born into.

iris business bay: Jeopardy Eve Grafton, 2019-04-19 The series are set in a southern coastal town in England where Alicia's grandmother has spent all her life. James and Alicia go to join her and take up a partnership with Percy Gray as private investigators. Alicia is the receptionist from the outset and has now progressed to investigating some deals. Her first job is finding a predator who chased a young woman out for a run after work. Alicia is ecstatic after completing this successfully. Her next job is finding a missing Polish girl from a ship, who seemed to disappear after landing. She also acquitted this job quickly and caught the eye of the chief of police to be included as an official investigator. The team was offered cold cases to work on, which they took up. The first was a girl who fell through a shop window on the second floor. The second included a bonus: they found the cocaine that the customs manager had stolen. During this case, James noticed an anomaly in a police photograph of a supposedly dead young man. He thought he saw the eyes in different positions in a sequence of photographs. The man was alive but had been marked as dead. What was going on? He found this young man in a hospital, with no memory of who he was. James used all his skills of interrogation, without pressing to find out who the young man was and how he and his brother, who did not survive the killing, came to be in England and why were they were to be killed. Taking this case caused a tragedy for the family of Granny, Alicia, James, and Percy. They were swept up in it, and the consequence was the loss of the bookshop, apartment, and house, which was burnt down.
