And it's easier than you think. Simple but powerful questions for self-inquiry and effective techniques will empower you to gently let go of what, just a moment ago, seemed like an unsolvable issue or overwhelming emotion—anything from anger and frustration to fear, anxiety, and stress. You'll learn how to apply easy-to-use practices for letting go—including Holistic Releasing, Triple Welcoming, and others—to find more joy and peace of mind in every area of your life. In each chapter, renowned teachers Lester Levenson and Hale Dwoskin (New York Times best-selling author of *The Sedona Method*) offer life-changing opportunities to break free from self-imposed blocks and rediscover the real, unlimited you—and the ultimate happiness that is your birthright. Their combination of liberating insights, inspiration, and deep releasing explorations make this book a treasured companion for anyone who is seeking to navigate everyday life with greater ease, clarity, and sense of true purpose. One of my most treasured books that changed my life is Lester's *Keys to the Ultimate Freedom*. It features Lester's words and insights drawn from decades of his teachings, and it is the only book that sits on my bedside table. Unfortunately the book has been out of print for a long time, but Hale Dwoskin has taken all of Lester's teachings from *Keys to the Ultimate Freedom* and put them in this new book, along with many of the releasing methods from the *Sedona Method*. You have the best of Lester's teachings and his methods in this one book, and if freedom and joy are what you seek, I couldn't recommend this book more. I used the *Sedona Method* occasionally over a ten-year period and found enormous benefit from it. Then, when I met my teacher -- who was a student of Lester Levenson's -- four years ago, Lester's releasing methods became a crucial part of my everyday life and my awakening. -- From the forward by Rhonda Byrne, New York Times best-selling author of *The Secret* and *The Greatest Secret* "Happiness is about remembering who you really are, and if you have forgotten, this book is an excellent reminder." —Deepak Chopra, author of *The Seven Spiritual Laws of Success* "If the roots of all suffering are attachments to the external, the roots of true joy are found only within. is karma ice cream still in business: Sex, Love, and Dharma Simon Chokoisky, 2015-09-17 Discover your dharma type and prepare your body, mind, and spirit to attract and build a lifelong union with your soul mate • Explores how the dharma types align in relationships, giving quick and simple insights into which dharma pairings work and which ones need work • Details methods for attracting a mate as well as practical techniques for improving your sex life, including the best time to have sex during the day • Provides self-tests to determine your dharma type and outlines unique ayurvedic diet, exercise, detox, and lifestyle tips for better health and sex appeal The people of ancient India understood that most humans are incomplete without an intimate partner, a soul mate to share life's journey. Drawing upon astrology, Ayurveda, and dharma type--your personality and spiritual purpose archetype--they developed detailed systems to analyze physical, emotional, and spiritual compatibility between people. This analysis encouraged joyous relationships by revealing the sexual compatibility of a couple, the innate relationship conflicts they face, and their potential for financial success together. In this way, couples were able to distinguish biological attraction from long-term compatibility, lust from love, and soul mates from playmates. Sharing ancient Vedic secrets of sex, love, health, and dharma, Simon Chokoisky explains how to prepare your mind, body, and spirit for the right partner and how to determine if a potential mate is a good match for your unique chemistry. He provides self-tests to determine your dharma type and outlines unique ayurvedic diet, exercise, detox, and lifestyle tips for each type to reclaim your health and vitality and, by doing so, your sexiness. He explores how the dharma types align in relationships to create harmony or disharmony, giving quick and simple insights about which dharma pairings work and which ones need work. Highlighting the skills inherent to each dharma type, he makes suggestions on how to improve day-to-day relationships for personal and financial benefit and to build lifelong romance that grows into a spiritual union. Moving to the bedroom, the author details methods for attracting a mate as well as practical techniques for improving your sex life, including the best time to have sex during the day and month. Showing how knowing who you are will help you find your right mate, and keep away those unsuitable for you, Chokoisky explains how living your dharma helps you flow with nature in a way that makes life and your relationships more fulfilling.

there has never been a truly definitive answer. This leaves most of us with a feeling of being incomplete in some way. Here, Sylvia and her guides take you to that place within you where you can achieve a sense of intellectual and spiritual fulfillment. They explain that we are here to perfect our souls by absorbing God's knowledge. We are the experiencing side of God, where God is the primary intellect of creation. Simply put, to really know something means that we must also truly experience it. For example, we can read a book about boat building, but only after actually building that boat will we fully understand it from an all-encompassing perspective. Soul's Perfection takes you through the complete scope of your soul's journey, from planning each incarnation on the Other Side to making life meaningful here on Earth. If you wish to stand proudly before God some day, then the concepts discussed here will bring you wisdom, depth, and spiritual insight.
