It provides a moment of pause in the hectic pace of business life, allowing owners and employees alike to reconnect with their purpose and values.

When individuals pray for their business, they often seek guidance, wisdom, and clarity in decision-making. This spiritual practice can help cultivate a positive mindset, reduce stress, and foster a sense of community among team members. In essence, prayer can transform the workplace environment, encouraging collaboration and enhancing overall morale.

Many entrepreneurs rely on their faith during critical decision-making moments. This reliance on spiritual guidance can lead to more thoughtful and ethical choices, shaping the direction and culture of the business. Research has shown that companies with a strong ethical foundation tend to perform better in the long run, as they attract loyal customers and dedicated employees.

**pray for my business: 40 Days of Prayer for My Business** Becky A. Davis, 2017-01-30 Every day for the last five years, I've read a prayer for my business, and I know without a doubt, those prayers are what have helped me grow, sustain and build a successful business. Those prayers gave me strength when things got hard, when I struggled in business and when I doubted myself. I knew that praying for my business was a game changer and I wanted to help other entrepreneurs create a disciplined behavior to pray for 40-days and watch God move in your business. There were 40 days between Jesus' resurrection and ascension (Acts 1:3). The Bible seems to use 40 to emphasize a time of testing and strengthening, and after the 40 days, there is an emphasis on spiritual truth, a new beginning, transition, change or renewal. It has been said that 40 is the length of time necessary to accomplish major parts of God's Plan. This book has 40 prayers for your business. Prayer that helps you push through when things get tough, and they always get tough in business. These prayers help you remember to keep God first in your business and to continue to acknowledge him on your business journey. The prayers in this book are a guide to help build your spiritual muscle in life and business. These prayers will help you weather the storms that come by building a closer and intimate relationship with God. Take one vitamin P (prayer) each day for essential spiritual nutrients.

As a community center, the Korean church plays a significant role in their lives. Kim examines the church, to determine if it is helpful or detrimental to these women as they adjust to their lives in the United States. Although the history of Korean immigrants in the United States is almost 100 years old, resources about Korean immigrants, particularly women, are scarce. **pray for my business: Prayer of Petition** Jerry Savelle, 2011-02-10 When God's people pray, they want answers. Yet many Christians don't know how to pray both effectively--in a way that gets results--and humbly--in a way that aligns with God's will. Prayer is a powerful weapon against the true adversaries of God's people: principalities, powers, dark rulers, and spiritual wickedness in high places. These forces are the perpetrators of all kinds of evil: addiction, abuse, poverty, and spiritual bondage run rampant through families, churches, cities, and nations. What can believers do to battle these forces? They can pray. Not just any prayer, but the prayer of petition, known throughout Christian history as the prayer that gets results. *Prayer of Petition* explores this powerful prayer in detail, from the many examples found in God's Word to more recent instances of incredible miracles ushered in by this prayer. Readers will learn the biblical definitions of petition and supplication and examine the key components of preparation, thanksgiving, and humility. As readers learn to petition the Ruler of All, their confidence that God will prevail--no matter what--will grow. As they learn to rest in His promises, peace will reign over their hearts through the coming revival.
