

# tattoo removal business

**tattoo removal business** has become a thriving niche within the beauty and wellness industry. As societal perspectives on tattoos evolve, many individuals seek to remove or alter their ink for various reasons, including personal, professional, or aesthetic preferences. This demand has opened the door for entrepreneurs looking to establish a successful tattoo removal business. In this article, we will explore the essential aspects of starting and operating a tattoo removal business, including the different methods of tattoo removal, equipment needed, marketing strategies, and legal considerations. We will also provide insights on managing customer relationships and ensuring safe practices within the industry.

- Understanding Tattoo Removal Methods
- Essential Equipment and Setup
- Marketing Your Tattoo Removal Business
- Legal and Health Considerations
- Building Client Relationships
- Conclusion

## Understanding Tattoo Removal Methods

Tattoo removal methods are varied and can significantly impact the effectiveness and safety of the process. Understanding these methods is crucial for anyone looking to start a tattoo removal business.

### Laser Tattoo Removal

Laser tattoo removal is the most popular and effective method for removing tattoos. It works by using high-intensity light beams to break down the ink particles in the skin. The body's immune system then gradually eliminates these broken particles. This method is known for its precision and ability to target specific colors and depths of ink.

### Other Removal Techniques

In addition to laser removal, other techniques include:

- **Dermabrasion:** This technique involves sanding the skin to remove the outer layers and is less commonly used due to potential scarring.
- **Surgical Excision:** For smaller tattoos, surgical excision can be performed, where the tattooed skin is surgically removed and the surrounding skin is stitched together.
- **Saline Tattoo Removal:** This method involves injecting a saline solution into the tattoo, which draws out the ink. It is often considered less painful and has fewer side effects.
- **Chemical Peels:** Some businesses use chemical solutions to remove tattoos, although this method can be less effective and may lead to skin irritation.

Each method has its pros and cons, and the choice of technique may depend on factors such as the size of the tattoo, skin type, and patient preference.

## Essential Equipment and Setup

Setting up a tattoo removal business requires specific equipment and a conducive environment for safe and effective treatments.

### Required Equipment

The primary equipment needed for a tattoo removal business includes:

- **Laser Machines:** Investing in high-quality laser machines is crucial. Different types, such as Q-switched lasers, are specifically designed for tattoo removal.
- **Safety Gear:** Protective eyewear for both the technician and the client is essential to prevent laser eye damage.
- **Treatment Beds:** Comfortable and adjustable treatment beds will enhance client comfort during procedures.
- **First Aid Supplies:** A well-stocked first aid kit is necessary for addressing any immediate medical concerns.
- **Monitoring Equipment:** Devices for monitoring skin conditions and ensuring client safety during procedures.

## Creating a Professional Environment

A clean and welcoming environment is vital. Ensure that your workspace complies with local health and safety regulations. Regularly sanitize all equipment and maintain a professional appearance to instill client confidence.

## Marketing Your Tattoo Removal Business

Effective marketing strategies are key to attracting clients to your tattoo removal business.

### Identifying Your Target Audience

Understanding your target demographic is essential. This may include individuals seeking to remove old tattoos, those with regrettable ink, or people considering laser treatments for aesthetic reasons.

### Digital Marketing Strategies

Utilizing digital marketing can significantly boost your visibility. Consider the following strategies:

- **Website Development:** Create a professional website that outlines your services, pricing, and testimonials.
- **Social Media Presence:** Engage with potential clients on platforms like Instagram and Facebook by showcasing before-and-after photos.
- **Content Marketing:** Start a blog that offers valuable information about tattoo removal, addressing common questions and concerns.
- **Email Marketing:** Build an email list to send newsletters, promotions, and updates to keep clients informed.

## Legal and Health Considerations

Navigating the legal landscape is crucial for operating a tattoo removal business safely and ethically.

### Licensing and Regulations

Ensure that you acquire all necessary licenses and permits to operate your

tattoo removal business. Regulations can vary significantly by state or country, so it is essential to research local laws.

## **Health and Safety Standards**

Adhering to health and safety standards is imperative. This includes:

- Maintaining a sterile environment to prevent infections.
- Using disposable equipment where possible.
- Providing clients with aftercare instructions to promote healing.
- Conducting thorough consultations to assess client suitability for treatments.

## **Building Client Relationships**

Establishing strong relationships with clients is vital for the long-term success of your tattoo removal business.

## **Providing Excellent Customer Service**

Client satisfaction should be a top priority. Ensure that your staff is trained to provide excellent service, answer questions, and address concerns professionally.

## **Follow-Up and Aftercare**

Implement a follow-up system to check on clients post-treatment. Provide clear aftercare instructions and encourage clients to reach out with any questions. This builds trust and can lead to referrals.

## **Conclusion**

The tattoo removal business presents a lucrative opportunity for those interested in the beauty and wellness industry. By understanding the various removal methods, investing in the right equipment, implementing effective marketing strategies, navigating legal considerations, and building strong client relationships, entrepreneurs can establish a successful and sustainable tattoo removal business. As the demand for tattoo removal continues to rise, those who prioritize safety, professionalism, and customer satisfaction will thrive in this competitive market.

**Q: What is the most effective method for tattoo removal?**

A: The most effective method for tattoo removal is laser tattoo removal, which uses high-intensity light beams to break down ink particles in the skin. It is known for its effectiveness and precision.

**Q: How long does a tattoo removal session take?**

A: The duration of a tattoo removal session can vary depending on the size and complexity of the tattoo, but typically it ranges from 15 minutes to an hour.

**Q: Are there any side effects associated with tattoo removal?**

A: Yes, potential side effects may include redness, swelling, blistering, and in rare cases, scarring. It is important for clients to follow aftercare instructions to minimize these risks.

**Q: How many sessions are usually required for complete tattoo removal?**

A: Most tattoos require multiple sessions for complete removal, typically ranging from 5 to 10 sessions, depending on factors such as ink color, depth, and skin type.

**Q: Is tattoo removal safe?**

A: Tattoo removal is generally safe when performed by trained professionals using appropriate techniques and equipment. It is essential to follow health and safety guidelines to minimize risks.

**Q: Can all tattoos be removed completely?**

A: While many tattoos can be significantly faded or removed, some may not be completely eliminated due to factors like ink type, skin type, and tattoo age.

**Q: What should clients do to prepare for a tattoo removal session?**

A: Clients should avoid sun exposure, refrain from blood-thinning medications, and follow any specific instructions provided by the tattoo

removal professional before their session.

### **Q: How much does tattoo removal typically cost?**

A: The cost of tattoo removal varies depending on factors such as the tattoo's size, color, and the method used, with prices generally ranging from \$200 to \$500 per session.

### **Q: Can tattoo removal cause scarring?**

A: While scarring is a potential risk, it can often be minimized with proper technique and aftercare. Skilled practitioners take precautions to reduce this risk.

### **Q: How does the laser work to remove tattoos?**

A: The laser emits light energy that is absorbed by the tattoo ink particles, breaking them down into smaller pieces. The body's immune system then helps eliminate these particles over time.

2016-06-15 Rewind Your Biology and Live Like a 20-Year-Old! Edit Your Genes to Live Disease-Free! Find a Parking Space with Your Internet-Connected Brain! Advances in longevity, genetics, nanotech, and robotics will make all this possible! This is not science fiction. This is your future. Right now, pioneering scientists and technologists are transforming what it means to be human by overcoming biological limits that have existed since our ancestors swung out of the trees...and into the suburbs. With incredible inspiration and perseverance, these visionaries are solving deep problems of human health and longevity—and their progress is accelerating. Super You takes you inside their labs, companies, and minds...to show how you can reap the benefits of a stronger, longer, better, life. You'll learn how to start hacking your life today, to become more super, every day. Discover what's possible when yesterday's human limits are gone! Learn how evolution became obsolete—and why it's time to start hacking yourself Save your life with whirring "jet engine" hearts, printed organs, and other medical miracles Rewire and turbo-boost your ape brain Become a mega-mind by connecting your brain directly to the Internet to use Google's synthetic neocortex Become superhuman with cyborg technology Design and mold your looks Genetically engineer your baby to be a tennis star (and other true stories) Prepare for the political and religious backlash against the future Discover how scientists will make death obsolete by treating it like a curable disease—and how to live until they do

**tattoo removal business: The Social Semiotics of Tattoos** Chris William Martin, 2018-12-13 Why do people put indelible marks on their bodies in an era characterized by constant cultural change? How do tattoos as semiotic resources convey meaning? What goes on behind the scenes in a tattoo studio? How do people negotiate the informal career of tattoo artist? The Social Semiotics of Tattoos is a study of tattoos and tattooing at a time when the practice is more artistic, culturally relevant, and common than ever before. By discussing shifts within the practices of tattooing over the past several decades, Martin chronicles the cultural turn in which tattooists have become known as tattoo artists, the tattoo gun turns into the tattoo machine, and standardized tattoo designs are replaced by highly expressive and unique forms of communication with a language of its own. Revealing the full range of meaning-making involved in the visual, written and spoken elements of the act, this volume frames tattoos and tattooing as powerful cultural expressions, symbols, and indexes and by doing so sheds the last hints of tattooing as a deviant practice. Based on a year of full-time ethnographic study of a tattoo studio/art gallery as well as in-depth interviews with tattoo artists and enthusiasts, The Social Semiotics of Tattoos will be of interest to academic researchers of semiotics as well as tattoo industry professional and artists.

**tattoo removal business: Small Business Management** Timothy S. S. Hatten, 2024

**tattoo removal business: Stories on Skin** Terry Baxter, Libby Coyner-Tsosie, 2025-01-23 Helping expand archival studies into impermanent media like body art, this book suggests that archiving must be considered a form of storytelling. Tattoos are not merely decorative; they contain deep meaning for individuals and communities. They document their wearers' personal histories and position in families or society, and they engage with a communal understanding of symbols. This unique book makes the case that archivists who want to preserve as full a human story as possible must recognize the rich documentation provided by tattoos. It also argues, in a broader sense, that traditional archives are not representative of the ways human beings transmit information through time and that they must be augmented by other types of storytelling to provide a more complete record of our species. Authors Baxter and Coyner touch on timely topics such as historical narratives, storytelling, cultural traditions, the body as a text, social control, and memorialization by considering tattoos as a personal and community archive. Discussing tattoos as a storytelling tool, the authors also challenge how history is kept and who gets included. Stories on Skin is committed to the rights of communities to tell their stories in their own way and to the power that right brings.

**tattoo removal business: Healing in the Workplace** L'Orangerie Crawford, Terri Harrison, 2015-02-13 The workplace has become increasingly complex to manage in recent years. For both supervisors and employees, differences in experience, personalities, and background often make it difficult for them to coexist. The workplace is a source of chronic stress for many, causing negative

outcomes such as absenteeism, low productivity, sexual harassment, and workplace violence to name a few. Unfortunately, the woes of the workplace have become so common that many people feel helpless and hopeless and do not know how to handle workplace issues. In particular, many Christians do not know how to cope with workplace problems because they do not know how to deal with these issues from a faith-based perspective. To better understand the intricacies of the workplace, it is first important to understand why God has ordered us to work in the first place. *Healing in the Workplace: A Spiritual Guide to Coping with Work Issues* provides the long-awaited answers to solving work conflict and problems, helping us to see why God wants us to work, and how we are supposed to treat one another at work.

**tattoo removal business:** *Small Business Management* Timothy S. Hatten, 2023-11-03 Small Business Management, Eighth Edition equips students with the tools to navigate important financial, legal, marketing, and managerial decisions when creating and growing a sustainable small business. Whether your students dream of launching a new venture, purchasing a franchise, managing a lifestyle business, or joining the family company, they will learn important best practices for competing in the modern business world.

**tattoo removal business:** *Summary of Daniel H. Pink's The Power of Regret* Milkyway Media, 2022-05-04 Please note: This is a companion version & not the original book. Book Preview: #1 On October 24, 1960, a composer named Charles Dumont arrived at the Paris apartment of Edith Piaf with fear in his heart and songs in his briefcase. Piaf was one of the most famous entertainers in France and one of the bestknown singers in the world. She had been in a coma due to liver damage three months earlier, but she remained notoriously mercurial and hottempered. #2 The tattoo Chase got that day was nearly identical to the one Mirella Battista got in Philadelphia five years earlier and 2,400 miles away. Battista grew up in Brazil and moved to Philadelphia in her early twenties to attend college. She made many friends, and she even fell in love with a Philly man. But they broke up five years into the relationship, and she moved back to Brazil. #3 The belief that regret is dangerous and unhealthy is widespread in society. But regret is not dangerous or unhealthy, and it is a part of being human. It is also valuable. #4 We should not doubt the sincerity of people who say they have no regrets. Instead, we should think of them as actors playing a role, and playing it so often and so deeply that they begin to believe the role is real.

**tattoo removal business: Restoration, The Complete Series** Bayla Dornon, 2021-11-20 The exciting full four-book series! Three unlikely friends, Chris, Mary, and George, come together as they flee the homes where they no longer fit, and begin a journey of self-discovery. At the Center for Restoration, they find freedom, acceptance and love, and begin the journey out of the patriarchal religious and societal constraints that caused them to flee their families and homes. The novels in the RESTORATION Series follow the struggles of three characters brought together in their escape from homes and lives that don't accept them — Chris, a young gay man; George a disinherited rich boy; and Mary, a victim of patriarchal domestic violence, strive to reach the freedom and happiness of a world free from religious hegemony. Filled with the passions and pathos of the young, the series examines in depth the inherent conflict between all religion and democracy in a pluralistic society. For the tortured victims of patriarchal religions in America, running away is only the beginning of an arduous journey away from mental and emotional slavery to ancient thinking, and towards self-discovery and the principles of the Enlightenment. *Restoration, Book One. The Only True Religion and Liberation* Fleeing his hyper-religious family when they threaten him with anti-gay conversion therapy, Chris Brenner finds both refuge and first love within the humanist Center for Restoration. But now, caught in the turmoil and social unrest of the Trump age, the San Francisco-based Center for Restoration faces a new threat, and Chris and his friends must fight for its very existence *Restoration, Book Two. "Autrefois"* Stunned by a tragic loss, young Chris Brenner and the friends he made at the Center for Restoration struggle to make sense of a world suddenly filled with pain. As Chris, George and Mary all cope in their own ways, Chris receives a precious gift

from the past, which leads him on a voyage of discovery, deepening his knowledge of both the Center and the life of the man he loves. Restoration, Book Three: The Masters Chris Brenner has a hard choice to make: stay with his friends in San Francisco, surrounded by the memories of his dead boyfriend; or move to a city thousands of miles away? His friends, Mary and George have already relocated to Manhattan, for family reasons. But life in New York turns out to be quite different from that they expected— and Chris soon finds himself on a path he never imagined. Restoration, Book Four: The Book Of The Dead Since he fled from his religious fundamentalist family over a year ago, young Chris Brenner has completed his first year as an initiate at the Center for Restoration, and become a student of Theresa Smith, one of the founders of the organization. Now, alone in his former teacher's apartment in Manhattan, delving into the deceased Master's past through her writings, Chris begins to find the purpose.

**tattoo removal business: Human Form, Human Function: Essentials of Anatomy & Physiology, Enhanced Edition** Thomas H McConnell, Kerry L. Hull, 2020-03-27 Human Form, Human Function is the first essentials level text that seamlessly weaves together form (anatomy) with function (physiology), an approach that caters to how instructors teach and students learn. Authors Tom McConnell and Kerry Hull incorporate real-life case studies as the vehicle for learning how form and function are linked. Through careful organization, thoughtful presentation, and a conversational narrative, the authors have maintained a sharp focus on communication: between body organs and body systems, between artwork and student learning, between content and student comprehension. Each feature reinforces critical thinking and connects anatomy and physiology to the world of health care practice. This original text offers an exceptional student learning experience: an accessible and casual narrative style, dynamic artwork, and a complete suite of ancillaries help build a solid foundation and spark students' enthusiasm for learning the human body.

**tattoo removal business: Under the Social Influence** Chuck Wilson, 2013-03-01 A practical guide to embracing social media and the Internet revolution without living online—"Provides valuable insight" (Jay Myers). In just the past two decades, the Internet revolution has radically changed our world. Every aspect of life has been affected—from how we buy groceries to how we meet people, and from mass media phenomena to the way our own minds operate. Many of us are left wondering how we can use such a powerful tool without becoming just another part of it—or falling victim to its more sinister side. Under the Social Influence looks at specific positive and negative aspects of the Internet that can impact a person's life and career. It uses common examples of our changing lifestyles, as well as unique and sometimes humorous stories of Internet use gone wrong—and methods for altering behavior for the better. This is a no nonsense, tough love playbook for anyone struggling to get ahead, stuck in a negative social network situation, or simply trying to balance living in the real world while still existing online. Each part of Under the Social Influence captures specific (positive and negative) influences that can impact a successful life and career. It uses examples of what generally happens, unique and sometimes humorous stories of what went wrong and then methods for altering the reader's behavior as they grow and mature. The book appeals to Gen Y workers seeking their first "real" job, employers looking to figure out why their millennial workers act as they do, and helps everyone put life in perspective and focus on what's really important. This is a cut-to-the-chase, no nonsense, real world, tough love playbook for those struggling to get ahead and those under the influence of negative social situations.

**tattoo removal business: Canadian Small Business Kit For Dummies** Margaret Kerr, JoAnn Kurtz, 2010-02-09 A Canadian bestseller, now revised and updated! Discover how to: Put together everything your business needs, from furniture to staff Establish an online presence for your business Write a winning business plan Keep your books balanced Stay on the right side of tax authorities An enterprising guide to becoming your own boss Hey entrepreneurs! Got an idea and need some straightforward advice on how to turn your dream into a reality? Let two experts show you how to turn your ideas into gold. Covering every aspect of starting, building, staffing, and running your own show, whether you're starting from the ground up or buying a franchise, this book

paves the way to small business success. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

**tattoo removal business: If Our Bodies Could Talk** James Hamblin, 2017-12-12 If you want to understand the strange workings of the human body, and the future of medicine, you must read this illuminating, engaging book. —Siddhartha Mukherjee, author of *The Gene* In 2014, James Hamblin launched a series of videos for The Atlantic called *If Our Bodies Could Talk*. With it, the doctor-turned-journalist established himself as a seriously entertaining authority in the field of health. Now, in illuminating and genuinely funny prose, Hamblin explores the human stories behind health questions that never seem to go away—and which tend to be mischaracterized and oversimplified by marketing and news media. He covers topics such as sleep, aging, diet, and much more: • Can I “boost” my immune system? • Does caffeine make me live longer? • Do we still not know if cell phones cause cancer? • How much sleep do I actually need? • Is there any harm in taking a multivitamin? • Is life long enough? In considering these questions, Hamblin draws from his own medical training as well from hundreds of interviews with distinguished scientists and medical practitioners. He translates the (traditionally boring) textbook of human anatomy and physiology into accessible, engaging, socially contextualized, up-to-the-moment answers. They offer clarity, examine the limits of our certainty, and ultimately help readers worry less about things that don’t really matter. *If Our Bodies Could Talk* is a comprehensive, illustrated guide that entertains and educates in equal doses.

**tattoo removal business: No Worries** Jared Dillian, 2024-01-23 *No Worries* shows how anyone can live a stress-free financial life and build wealth for the long term. This is not about millions of tiny decisions that drain the joy from life, like skipping daily coffee to save a few bucks. And it’s not simply about having more money. The secret lies in adopting the right attitude to money and getting a small number of big things right. In his unique style, drawing on decades of expertise, finance expert Jared Dillian tells the truths about essential personal finance topics and helps you to see things as you never have before. Jared reveals: -how the right kind of abundance mindset works wonders -how to purge the urge to splurge (without making life a drag) -the most effective ways to use credit cards that no one tells you about -the smart ways to buy big-ticket items, from houses to cars -what’s gone wrong with student loans and how to use them sensibly -how to ace investing with the set-and-forget Awesome Portfolio. No matter where you’re at, Jared can help you get your finances in better shape than 99% of other people – so that you can get on with your life as your wealth builds. Do that and you’ll have no financial stress, and no worries.

**tattoo removal business: More 10-Minute Talks** Jonathan McKee, 2013-01-22 Sometimes you don’t have their attention for very long. Whether you’ve planned for a short message or your program has run long, a ten-minute talk is sometimes all you have space for in your youth ministry. So make sure you make it ten minutes that really count! If you need to communicate something meaningful in just a little time, 10-Minute Talks has just what you need—more than two dozen ready-to-go, story-based talks. With talks for spiritual growth, targeted at your Christian students, and outreach talks, perfect for any teenager, you’ll be prepared to give them a bite of truth that they can walk away remembering. Following the method Jesus used most often, these More 10-Minute Talks give you stories that can impact students with one simple point. Each talk gives you the tools you need to make it count, and the flexibility to make it work for your context. Along with each topic and title, you’ll find: • The Big Idea • Scripture • The Story • The Transition Statement • Application • Closing Don’t get caught with nothing to say—or too much to say in the time you’ve got! Get 10 Minute Talks and get a meaningful message across quickly!

**tattoo removal business: Summary of Daniel H. Pink's The Power of Regret** Everest Media,, 2022-03-22T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 On October 24, 1960, a composer named Charles Dumont arrived at the Paris apartment of Edith Piaf with fear in his heart and songs in his briefcase. Piaf was one of the most famous entertainers in France and one of the best-known singers in the world. She had been in a coma due to liver damage three months earlier, but she remained notoriously mercurial and

hot-tempered. #2 The tattoo Chase got that day was nearly identical to the one Mirella Battista got in Philadelphia five years earlier and 2,400 miles away. Battista grew up in Brazil and moved to Philadelphia in her early twenties to attend college. She made many friends, and she even fell in love with a Philly man. But they broke up five years into the relationship, and she moved back to Brazil. #3 The belief that regret is dangerous and unhealthy is widespread in society. But regret is not dangerous or unhealthy, and it is a part of being human. It is also valuable. #4 We should not doubt the sincerity of people who say they have no regrets. Instead, we should think of them as actors playing a role, and playing it so often and so deeply that they begin to believe the role is real.

**tattoo removal business: The Power of Regret** Daniel H. Pink, 2022-02-01 "The world needs this book." — New York Times bestselling author Brené Brown An instant New York Times bestseller Named a Best Book of the Year by NPR and Financial Times From the #1 New York Times bestselling author of *When and Drive*, a new book about the transforming power of our most misunderstood yet potentially most valuable emotion: regret. Everybody has regrets, Daniel H. Pink explains in *The Power of Regret*. They're a universal and healthy part of being human. And understanding how regret works can help us make smarter decisions, perform better at work and school, and bring greater meaning to our lives. Drawing on research in social psychology, neuroscience, and biology, Pink debunks the myth of the "no regrets" philosophy of life. And using the largest sampling of American attitudes about regret ever conducted as well as his own World Regret Survey—which has collected regrets from more than 15,000 people in 105 countries—he lays out the four core regrets that each of us has. These deep regrets offer compelling insights into how we live and how we can find a better path forward. As he did in his bestsellers *Drive*, *When*, and *A Whole New Mind*, Pink lays out a dynamic new way of thinking about regret and frames his ideas in ways that are clear, accessible, and pragmatic. Packed with true stories of people's regrets as well as practical takeaways for reimagining regret as a positive force, *The Power of Regret* shows how we can live richer, more engaged lives.

**tattoo removal business: Inked: Tattoos and Body Art around the World** Margo DeMello, 2014-05-30 In recent decades, tattoos have gone from being a subculture curiosity in Western culture to mainstream and commonplace. This two-volume set provides broad coverage of tattooing and body art in the United States today as well as around the world and throughout human history. In the 1960s, tattooing was illegal in many parts of the United States. Today, tattooing is fully ingrained in mainstream culture and is estimated to be a multi-billion-dollar industry. This exhaustive work contains approximately 400 entries on tattooing, providing historical information that enables readers to fully understand the methods employed, the meanings of, and the motivations behind tattooing—one of the most ancient ways humans mark themselves. The encyclopedia covers all important aspects of the topic of tattooing: the major types of tattooing, the cultural groups associated with tattooing, the regions of the world where tattooing has been performed, the origins of modern tattooing in prehistory, and the meaning of each society's use of tattoos. Major historical and contemporary figures associated with tattooing—including tattooists, tattooed people, and tattoo promoters—receive due attention for their contributions. The entries and sidebars also address the sociological movements involved with tattooing; the organizations; the media dedicated to tattooing, such as television shows, movies, magazines, websites, and books; and the popular conventions, carnivals, and fairs that have showcased tattooing.

**tattoo removal business: Get Lucky** Paul Eagles, 2016-07-13 *Get Lucky: A Rogue's Tale* is the true story of a rogue, sometimes lovable but often otherwise. Paul's mum blamed his reverse Road to Damascus on a meeting between a bubble car and an oak tree. The blue-eyed boy became a rebellious teen, up for mischief and mayhem in the long hot Spanish summers of his misspent youth. It was women, booze and brawls, until one day he hit the big time and nicked a Rubens painting from a Dutch museum. This catapulted him into the louche demi-monde of Sixties Geneva: crooked billionaires, arms dealers, the world of the legendary art forger Elmyr de Hory and his partner in crime, Fernand Legros, a milieu portrayed in Orson Welles' *F For Fake*. Paul was captured by the French police, but escaped, only to be taken again. This time he was thrown into the notorious

Marseilles gaol, Baumettes. He was then imprisoned in Holland, escaping just before the Sixties' end. In 1999, the rogue met his perfect match. He was gaoled for alleged witness intimidation, then freed when the cop pursuing him became the witness' lover. But while he was inside, his bank account was cleaned out by his lawyer and an erstwhile business advisor. It was revenge and retribution as his adversaries lined up: a bunny boiler, a consigliere to the Maltese Mafia, and Alan Bond's fixer. This path would take him from near madness to untold wealth - if he could get lucky and secure the rights to a rogue state's mineral deposits... Life happens to Paul Eagles, especially when he's not looking. *Get Lucky: A Rogue's Tale* is not a conventional autobiography; it's the tale of someone who hasn't always done the best by his fellow travellers, yet somehow comes up smelling of roses. From brawler to international art thief to successful entrepreneur would satisfy most people, but fate had other plans for Paul Eagles, as *Get Lucky* becomes a story of betrayal and retribution, often reading more like a novel than a memoir. But it is all true, with even the darkest moments leavened by humour in a book with a cast of real-life characters, many of whom once filled newspaper column inches. It's a quirky and idiosyncratic tale, as much an entertainment as it is the story of one lucky man's unconventional life.
