starbucks business cards: Christ-Centered Leadership David L. McKenna, 2013-05-09 If a leader is a Christian, what difference does it make? Giant strides have been made in secular leadership theory toward a Christian viewpoint. Priority is now given to character as well as competence, accountability as well as power, transformation as well as transaction, and servanthood as well as success. But these qualities apply to secular as well as to Christian leadership. So, the question remains, What difference does it make? David McKenna finds the answer in the Incarnation of Jesus Christ—a divine act for him and a defining attitude for us. Philippians 2:11-15 sets the standard and gives the details. Your attitude should be the same as Jesus Christ means following his call to the cross, where we die to self and sacrifice all self-interest in position, power, and prestige in order to serve obediently, faithfully, and humbly for the good of others and the glory of God. Christ-centered leadership is not an extension of the highest and best of human leadership. Radical obedience to the call of Christ and utter dependence upon the Holy Spirit make a substantive difference. In the most practical terms, Incarnation continues in us when we live fully, lead freely, and go where he wants us to go.

starbucks business cards: *My Peace I Offer You* Roger J. Chiang, 2008-11-22 The entire country followed the disappearances of three women who vanished from one of Washington, DC's popular neighborhoods. In 1999, a beautiful, young Justice Department attorney, Joyce Chiang, disappeared from the ominous streets of our Nation's Capitol. Three months later, Joyce's corpse was discovered in the murky waters of the Potomac River. The FBI and police were only able to theorize how Joyce died. Two years later, Chandra Levy disappeared a few blocks from where Joyce vanished. Joyce's murder is brought back into the spotlight, but an egomaniacal police chief discredits the case, blasphemously professing that Joyce committed suicide to discount the media's assertion that a

serial killer was lurking. Joyce's brother, Roger, goes on the offensive to set the record straight. Despite the tragedy, author Roger J. Chiang learns a life lesson that is transformed into *My Peace I Offer You*. Chiang evangelizes God's Commandment of love for neighbor and revives the lost virtue of brotherhood.
