The book invites the most distinguished professors of each country in this field to contribute. It provides a context analysis that can lead to greater insight into why and how IEE has become an important government agenda and an institutional priority in different country settings. Following the context, each chapter analyzes governmental policies and the guidance of entrepreneurship education in recent years. This book also analyzes the internal development and supporting system of IEE from an ecosystem perspective. Based on the comparison of case countries, the book puts forwards the common successful experience and the differentiation of IEE.
