Peter experienced the good, the bad, the ugly, and then an awakening and redemption. His younger years found him struggling with alcoholism and the drugs of the

sixties, with having learning disabilities, including attention deficit disorder, and growing up in a violent environment. Peter turned to physical training and motorcycles and found much satisfaction in both. At an early age Peter crawled into the 12-step recovery program a broken man. This was the beginning of Peter's spiritual journey. Over the years, Peter attained the promises of the program and began living a great life. Many years later, Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters. Peter did not realize that his profound spiritual experience at that time was actually a powerful "Kundalini Awakening" within him. Shortly after his awakening, these mystic tales of past lives and powerful wisdom truths began flowing. Peter has just completed his seventh book about his life adventures and spiritual journey. Peter hopes people find something useful in his writings, or at least that they will bring a smile to your face when thinking about Peter, this "Unlikely Messenger."

tony robbins business mastery 2024: *Lead Like a Girl* Dalia Feldheim, 2024-04-16 An incredibly forward-looking and positive example of how to be and how to work in today's world. Booklist For women AND men, this fresh look at leadership helps us all learn to connect to our more feminine leadership traits and lead like a girl! *Lead Like a Girl* is a holistic look at how to achieve purpose and joy at work. It is about turning the world of work into a place where empathy, intuition, passion, and resilience take their rightful place, where women can lead like women and men can tap into their more feminine leadership traits and dare to lead (more) like a girl! Dalia Feldheim was one of the marketing directors behind the 2014 global Always ad campaign “#LikeAGirl.” This message touched a nerve for women and men alike becoming much more than a commercial – as it became an icon for women’s empowerment. The ad was selected by Forbes as one of the 10 most influential campaigns of the decade. In the commercial, while a young girl understand the phrase ‘run like a girl’ to mean, run as fast as you can, somewhere along the way, doing things “like a girl” becomes an insult. The goal of the commercial was to change the meaning of words and reclaim the phrase to simply mean “be proud of who you are.” With Dalia’s new book it is time to reclaim that phrase once again and this time in the world of leadership. It’s time to stop asking our women leaders to lead like men and instead start learning from what is working for our women leaders—and share that wisdom with everyone, men and women alike. *Lead Like a Girl* is a provocative call to action to all leaders to stop wearing an emotional mask at work and connect to their more feminine leadership traits - owning their passion, perseverance, people skills, and positivity. With her flare for relatable storytelling, Dalia shares her executive leadership journey of over two decades backed by theoretical underpinning from the world of psychology, business, and mindfulness to encourage leaders to connect to their more feminine super powers: be courageous, lead from their heart, and Lead (more) Like a Girl.

tony robbins business mastery 2024: *Path to Be Luxury* Muhammad Idoniwako, 2024-11-03 You will get rich faster if you build a Luxury brand and sell to the rich. After earning 8 figures in 2024 and giving away every dollar, I realized money wasn’t the problem. There’s always more. What truly mattered was our mindset. Starting from humble beginnings, I built a career and luxury brand that led me to work with the ultra wealthy as a high-end wedding photographer to working in the Office of the Vice President. Looking back, I wondered how I did it and decided to teach what I’d learned to the world and Paul—my friend, mentee, and high school mate—who, when we first reconnected, seemed lost and stuck in his pursuit of extraordinary success. After just seven days of working together, he told me, “I’m beginning to see something in me I never saw,” marking that moment at exactly 19:35 on Sunday, October 27, 2024. *Path to Be Luxury* is your essential guide to embracing the Be Luxury mindset. It is for entrepreneurs, leaders and business owners who want to lead with Clarity, Purpose, and Excellence. Through my journey and lessons with Paul, you’ll

discover the systems and frameworks you need to achieve extraordinary success. This Book Will: Provide clarity and control over your business's direction. Guide you to run your business seamlessly, allowing you to focus on building more ventures that drive success. Help you earn more than enough money to lead a life of confidence and impact—without sacrificing your time or peace. Enable you to scale your business with ease while working fewer hours. Foster high-level partnerships that expand your net worth. Achieve financial freedom and consistent revenue generation. Cultivate a lifestyle where you lead with confidence and enjoy more personal time. Implement systems that grant you more freedom and luxury. Transform your mindset to think and act like a high-level leader. And at the heart of luxury branding lies a simple truth: the most impactful brands don't need to shout because their quality, purpose, and craftsmanship speak for themselves. In the Path to Be Luxury, I created a personal development framework—the Be Luxury Mindset—that embodies this same quiet power. As Professor Paul Zoll Pilzer, esteemed economic advisor and author, once said, a resource is only as valuable as our ability to use it. With this in mind, I've shaped this philosophy as an essential guide—a timeless resource that transcends the author and invites anyone to adopt it as their own. Be Luxury isn't about who delivers the message; it's about how you can live it. By investing in this book, you are investing in strategies that have been tested and proven to work. You will find action steps and insights that empower you to transform your mindset and approach to business. In Chapter 12, I taught about finding your luxury strategy, providing you with essential tools to navigate the complexities of branding and leadership in today's market. I also speak about my mentor, Earl Nightingale, and his vital concept that you are the boss. Chapter 14 is particularly important as it addresses the misconceptions people have about not treating—you—the customer as the boss you truly are. This chapter will inspire you to rethink your relationship with your clients and understand their significance in your business journey. Your ability to get rich faster depends on your ability to brand yourself as luxury.
