English-Irish rivalry at this pinnacle of jump racing has always been keen but it has risen to new levels in the 21st Century, with many Irish winners across all the races, including the Gold Cup, Queen Mother Chase, Champion Hurdle and Stayers Hurdle. But Festival Fever, The Irish

At Cheltenham is about more than the winners, it is the whole atmosphere, the mix of ex-pat and visiting Irish among the thronging crowds, the craic; what goes on behind the scenes; many surprising stories are told. It is also about the fascinating history – racing was banned at Cheltenham for a period during the 19th century; and the 1980s saw a dearth of Irish runners which led to enterprising attempts by the racecourse to woo them back.

ultima business solutions: Professione Social Media Manager Veronica Gentili, 2020-09-25T00:00:00+02:00 Personal branding, social media plan, i tool più adatti al lavoro da svolgere e i fondamentali report sono solo alcuni dei molteplici aspetti del lavoro di un social media manager. Con questo volume intraprenderete il percorso necessario per imparare a padroneggiarli, in funzione del mantra che accompagna il vero professionista: coinvolgere per convertire. Chi vuole diventare SMM, infatti, deve innanzitutto capire l'importanza della formazione e di dimostrare quanto vale la sua figura. In un contesto in continua e veloce evoluzione come quello digital, essere performanti e fare la differenza rispetto ai venditori di "fuffa", che si spacciano per grandi esperti, è un valore aggiunto imprescindibile. Non esiste una formula magica per emergere, ma esistono attitudini, studio ed esperienza. E sono essenziali. È infatti importante seguire ogni fase del percorso di lavoro e curarla nei dettagli, verificandola e testandola. Questo libro promuove una vera e propria inversione di rotta, impostando il giusto mindset per lavorare in modo serio e professionale, portando al contempo risultati ai clienti. Perché questi due aspetti, per avere successo, devono necessariamente coesistere.

ultima business solutions: Professione Marketing Manager Giorgio Soffiato, 2024-09-20T00:00:00+02:00 Il marketing è una cosa seria. È questa l'idea alla base del manuale che avete tra le mani. Lo sforzo che ha portato alla stesura di questo scritto è stato duplice: in primis, il libro contiene un lavoro di selezione e cura di storie di marketing da cui apprendere almeno una lezione. Oltre a questo, l'autore propone un viaggio dal contenuto alla performance, dalla strategia alla misurazione. Ci sono almeno tre motivi per considerare questo libro di marketing innovativo e strategico: • l'autore propone modelli (framework) originali costruiti nel tempo e testati in azienda oltre che nelle aule accademiche; • i riferimenti teorici e pratici sono innumerevoli e consentono un approfondimento pressoché infinito delle tematiche di interesse; • il libro è completato da contributi di primo livello sotto forma di intervista ai protagonisti del marketing moderno. 'Professione Marketing Manager' guarda al futuro del marketing partendo dalle sue basi più intime e consolidate. È una guida robusta per avere successo tra prodotto e mercato ai tempi del digitale.
