whiskey business lawrence: *A Place in Common* Karen L. Marrero, Andrew K Sturtevant, 2025-03-01 At the turn of the eighteenth century, Indigenous nations designated Detroit as a "common bowl" and a crucial nexus where they shared resources, made compromises, and coexisted. As the century unfolded, Detroit continued as a polyglot community in the face of expanding Euro-American settlement. The region became a highly charged space where the rituals of political negotiation grew in importance alongside a constant threat of violence. British political and economic systems continued to operate long after the end of the American Revolution, creating a shared cultural border at the end of the eighteenth century that would endure even as the American Empire reestablished rule on the north side of the river. Both Anishinaabe and Wyandot people set aside land for future occupation of their people, re-creating another transnational space in the region. A hundred years later, issues of race, economic development, political partisanship, and overlapping national claims continued to resonate as the city commemorated and mythologized its origins. This book considers how larger watershed occasions impacted the Detroit region and how, in turn, the unique particularities of local custom impacted regional and national trade and politics and the very nature of how the city continues to view its past.

whiskey business lawrence: *Kansas Beer* Bob Crutchfield, 2019-02-18 Prohibition came early to Kansas in 1881, driving more than 125 breweries out of business or underground. Refusing to even vote on the 1933 national repeal, the state remained dry until 1948, with liquor by the drink finally being approved in 1987. Lawrence's Chuck Magerl worked with the legislature to pen new laws allowing something (little known at the time) called a microbrewery. Chuck started the state's first brewery in over a century, appropriately named Free State Brewing Company. John Dean of Topeka's Blind Tiger Brewery counts more awards than any other brewer in the state, including Champion Brewer at the World Beer Cup in 2014. Props & Hops Brewing, in tiny Sylvan Grove, is owned and operated by an enterprising pilot who also owns and operates a crop-dusting business on the weekdays. Author Bob Crutchfield explores the state's breweries and recounts the Sunflower State's hoppy history.
