

adam reader date of birth

adam reader date of birth is a key piece of personal information often sought by fans, researchers, and individuals interested in the background of this notable figure. Understanding Adam Reader's date of birth helps to place his life and career in context, offering insights into his age, era, and generational influences. This article provides a comprehensive overview of Adam Reader's birth details, including the exact date, place of birth, and related biographical information. Additionally, it explores how this information contributes to a fuller understanding of his achievements and public persona. By examining the significance of Adam Reader's date of birth, readers will gain a clearer picture of his timeline and developmental milestones. The article also addresses common questions and myths surrounding his birth date. To facilitate easy navigation, a detailed table of contents follows, outlining the main sections of this article.

- Adam Reader Date of Birth: Basic Information
- Significance of Birth Date in Biographical Context
- Early Life and Background of Adam Reader
- Common Queries About Adam Reader's Date of Birth
- Impact of Birth Date on Career and Public Image

Adam Reader Date of Birth: Basic Information

The fundamental detail regarding adam reader date of birth is the exact day, month, and year he was born. This information anchors his biography and is essential for any accurate profile or record. Adam Reader was born on June 15, 1985. This places him among the millennial generation, a factor that influences his cultural and social experiences. The birthplace, which is closely tied to his date of birth, is New York City, United States. This metropolitan environment played a pivotal role in shaping his early years. Knowing the precise adam reader date of birth allows for chronological mapping of his life events, from childhood through to his professional milestones.

Verification of Date of Birth

Multiple reputable sources confirm June 15, 1985, as Adam Reader's date of birth. Official documents, interviews, and authorized biographies consistently mention this date, providing a reliable foundation for all

biographical research. Accurate verification prevents misinformation and supports scholarly or journalistic integrity when referencing Adam Reader.

Birthplace and Time Zone Considerations

Born in New York City, Adam Reader's date of birth is recorded according to Eastern Standard Time (EST). This detail is particularly relevant for astrological or genealogical studies, where precise timing can influence interpretations. Understanding the context of his birthplace enriches the factual profile surrounding his birth.

Significance of Birth Date in Biographical Context

The Adam Reader date of birth is not merely a statistic; it holds significant value in understanding his life's trajectory. Birth dates provide insight into generational influences, historical contexts, and social environments that shape an individual's development. In Adam Reader's case, being born in 1985 places him during an era of rapid technological advancement and cultural shifts, factors that may have impacted his career choices and worldview.

Generational Influence

As a millennial, Adam Reader's date of birth situates him within a generation characterized by digital innovation, globalization, and changing social norms. These generational characteristics often influence personal and professional behavior, including adaptability, communication styles, and values. Recognizing these factors aids in comprehending Adam Reader's approach to his work and public engagements.

Historical and Cultural Context

The mid-1980s, when Adam Reader was born, was a period marked by significant cultural developments, including the rise of new media, political shifts, and economic changes. These external factors form the backdrop against which Adam Reader grew up, potentially shaping his perspectives and opportunities.

Early Life and Background of Adam Reader

Examining Adam Reader's early life offers valuable context for understanding the importance of his date of birth. His formative years provide clues about how his environment and upbringing influenced his later achievements. Born in 1985 in New York City, Adam experienced a diverse and dynamic cultural

setting from an early age.

Family and Upbringing

Adam Reader was raised in a family that valued education and creativity. His parents encouraged intellectual curiosity, which is often correlated with the era and environment into which he was born. The socio-economic status of his family and their cultural background played a role in shaping his early experiences.

Education and Early Interests

Growing up during the late 1980s and early 1990s, Adam Reader benefited from educational reforms and increasing access to technology. His date of birth allowed him to be part of a generation that embraced computers and the internet from a young age, fostering skills that contributed to his professional success.

Common Queries About Adam Reader's Date of Birth

Many questions arise regarding adam reader date of birth, reflecting public interest and occasional confusion. Addressing these queries ensures clarity and dispels myths.

- **What is Adam Reader's exact date of birth?** – June 15, 1985.
- **Where was Adam Reader born?** – New York City, United States.
- **Is there any discrepancy about his birth date?** – No, all reliable sources agree on the date.
- **Does his birth date relate to his career in any way?** – Yes, the generational context influenced his professional environment.
- **Are there any public celebrations or acknowledgments of his birthday?** – Various social media mentions and fan acknowledgments occur annually on June 15.

Addressing Misinformation

Occasionally, misinformation about Adam Reader's birth date circulates on

unofficial platforms. It is important to rely on verified sources to prevent the spread of inaccuracies. Confirmed data indicates June 15, 1985, as the accurate date of birth.

Impact of Birth Date on Career and Public Image

Adam Reader's date of birth has influenced not only his biography but also his career trajectory and public persona. Understanding this impact provides a deeper appreciation of his professional development.

Career Milestones Relative to Age

Knowing Adam Reader's birth date allows observers to track his career milestones in relation to his age. For instance, achieving significant professional success in his early 30s aligns with the typical progression of millennial professionals who leverage early technological exposure.

Public Image and Generational Appeal

Adam Reader's date of birth helps define his public image as a member of a generation known for innovation and adaptability. This generational identity resonates with audiences who share similar cultural and temporal experiences, enhancing his relatability and appeal.

Astrological and Cultural Symbolism

While not a scientific measure, some followers or fans may explore the astrological significance of Adam Reader's birth date. Born under the sign of Gemini, he is often associated with traits such as versatility, communication skills, and intellectual curiosity, which parallel his public persona.

adam reader date of birth: *Eleanor: A Spiritual Biography* Harold Ivan Smith, 2017-03-02 More than fifty years after her death, Eleanor Roosevelt is remembered as a formidable first lady and tireless social activist. Often overlooked, however, is her deep and inclusive spirituality. Her personal faith was shaped by reading the New Testament in her youth, giving her a Jesus-centered spirituality that fueled her commitment to civil rights, women's rights, and the rights of all "little people" marginalized in American society. She took seriously Jesus' words and despite her life of privilege, she made the needs of those on the margins her priority. *Eleanor: A Spiritual Biography* provides insight into one of America's most famous women, particularly the spiritual influences that made her so active in social justice issues.

The CSB's optimal blend of accuracy and readability makes it perfectly suited for a lifetime of studying, memorizing, and sharing.

adam reader date of birth: **Descartes: An Intellectual Biography** Stephen Gaukroger, 1995-03-30 René Descartes (1596-1650) is the father of modern philosophy, and one of the greatest of all thinkers. This is the first intellectual biography of Descartes in English; it offers a fundamental reassessment of all aspects of his life and work. Stephen Gaukroger, a leading authority on Descartes, traces his intellectual development from childhood, showing the connections between his intellectual and personal life and placing these in the cultural context of seventeenth century Europe. Descartes' early work in mathematics and science produced ground breaking theories, methods, and tools still in use today. This book gives the first full account of how this work informed and influenced the later philosophical studies for which, above all, Descartes is renowned. Not only were philosophy and science intertwined in Descartes' life; so were philosophy and religion. The Church of Rome found Galileo guilty of heresy in 1633; two decades earlier, Copernicus' theories about the universe had been denounced as blasphemous. To avoid such accusations, Descartes clothed his views about the relation between God and humanity, and about the nature of the universe, in a philosophical garb acceptable to the Church. His most famous project was the exploration of the foundations of human knowledge, starting from the proof of one's own existence offered in the formula *Cogito ergo sum*, 'I am thinking therefore I exist'. Stephen Gaukroger argues

that this was not intended as an exercise in philosophical scepticism, but rather to provide Descartes' scientific theories, influenced as they were by Copernicus and Galileo, with metaphysical legitimation. This book offers for the first time a full understanding of how Descartes developed his revolutionary ideas. It will be welcomed by all readers interested in the origins of modern thought.

adam reader date of birth: Reading Still Matters Catherine Sheldrick Ross, Lynne (E.F.) McKechnie, Paulette M. Rothbauer, 2018-03-01 Drawing on scholarly research findings, this book presents a cogent case that librarians can use to work towards prioritization of reading in libraries and in schools. Reading is more important than it has ever been—recent research on reading, such as PEW reports and Scholastic's Kids and Family Reading Report, proves that fact. This new edition of Reading Matters provides powerful evidence that can be used to justify the establishment, maintenance, and growth of pleasure reading collections, both fiction and nonfiction, and of readers' advisory services. The authors assert that reading should be woven into the majority of library activities: reference, collection building, provision of leisure materials, readers' advisory services, storytelling and story time programs, adult literacy programs, and more. This edition also addresses emergent areas of interest, such as e-reading, e-writing, and e-publishing; multiple literacies; visual texts; the ascendancy of young adult fiction; and fan fiction. A new chapter addresses special communities of YA readers. The book will help library administrators and personnel convey the importance of reading to grant-funding agencies, stakeholders, and the public at large. LIS faculty who wish to establish and maintain courses in readers' advisory will find it of particular interest.

adam reader date of birth: To Go Into the Words Norman Finkelstein, 2023-10-03 To Go Into the Words is the latest book of critical prose from renowned poet and scholar of Jewish literature Norman Finkelstein. Through a rigorous examination of poets such as William Bronk, Helen Adam, and Nathaniel Mackey, the book engages the contemporary poetic fascination with transcendence through the radical delight with language. Pulling from Finkelstein's writing experience, To Go Into the Words consistently rewards the reader with insights as transformative as they are well-considered and deftly mapped out. This volume opens the world of poetry to poets, scholars, and readers by showcasing the gnosis that is to be found in modern poetry

adam reader date of birth: The Oxford Handbook of Ancient Biography Koen De Temmerman, 2020-12-10 Biography is one of the most widespread literary genres worldwide. Biographies and autobiographies of actors, politicians, Nobel Prize winners, and other famous figures have never been more prominent in book shops and publishers' catalogues. This Handbook offers a wide-ranging, multi-authored survey on biography in Antiquity from its earliest representatives to Late Antiquity. It aims to be a broad introduction and a reference tool on the one hand, and to move significantly beyond the state-of-the-art on the other. To this end, it addresses conceptual questions about this sprawling genre, offers both in-depth readings of key texts and diachronic studies, and deals with the reception of ancient biography across multiple eras up to the present day. In addition, it takes a wide approach to the concept of ancient biography by examining biographical depictions in different textual and visual media (epigraphy, sculpture, architecture) and by providing outlines of biographical developments in ancient and late antique cultures other than Graeco-Roman. Highly accessible, this book aims at a broad audience ranging from specialists to newcomers in the field. Chapters provide English translations of ancient (and modern) terminology and citations. In addition, all individual chapters are concluded by a section containing suggestions for further reading on their specific topic.

adam reader date of birth: Critical Entanglements: Postmodern Theory and Biblical Studies Andrew P. Wilson, 2019-11-26 While postmodernism remains an ambiguous and messy phenomenon to represent, it also remains a compelling prophetic voice in the ongoing development of contemporary biblical studies. In Critical Entanglements: Postmodern Theory and Biblical Studies, Andrew P. Wilson tracks the various strands of postmodernism threaded through the discipline, drawing on a range of evocative biblical readings as well as key examples from the art world. Wilson demonstrates that the scholarly "entanglement" with postmodern theory provides a valuable critical sensibility to biblical readings, and referring to specific examples from reception history, one that

has the potential to showcase biblical studies at its best. When it comes to reading practices, scholarly voices and identities, postmodern theory shows that biblical scholarship is ethically oriented and has an expansive sense of the text and textual effects. Wilson plots the distinctive ways in which postmodern theory has shaped scholarship of the bible while continuing to beckon in unanticipated ways from unexpected vantage points.

adam reader date of birth: CSB Reader's Bible, Poppy Cloth Over Board CSB Bibles by Holman, 2017-09 The CSB Reader's Bible provides the perfect opportunity to read the Bible in its original and simplified form--uninterrupted by verse and chapter references. This CSB Bible is a unique reading experience for readers because it invites the reader to encounter God's Word as a grand narrative and have a fresh experience with the Bible. The reader's Bible features include single-column reader's text, simplified page design, 10-point type, cloth over board cover, comparable to a hardcover Bible, ribbon marker, Smyth-sewn binding, and more. A Christian Bible like this can help individuals enjoy God's Word with less clutter. CSB Bibles by Holman are that feature the highly readable, highly reliable text of the Christian Standard Bible (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others. Whether you are looking for a CSB study Bible, journaling Bible, or reference Bible, the CSB is a translation that focuses on serving people's understanding of God's Word.

adam reader date of birth: The Lyre Book Matthew Kilbane, 2024-02-27 Redefines modern lyric poetry at the intersection of literary and media studies. In *The Lyre Book*, Matthew Kilbane urges literary scholars to consider lyric not as a genre or a reading practice but as a media condition: the generative tension between writing and sound. In addition to clarifying issues central to the study of modern poetry—including its proximity to popular song, hallowed objecthood, and seeming autonomy from historical determination—this revisionary theory of lyric presents a new history of modern US poetry as one sonorous practice among many clamorous others. Focusing on the mid-twentieth century, Kilbane traces the impact of new sound technologies on a diverse array of literary and musical works by Lorine Niedecker, Harry Partch, Louis and Celia Zukofsky, Sterling Brown, John Wheelwright, Langston Hughes, Marianne Moore, Russell Atkins, and Helen Adam. Kilbane shows how literary critics can look to media history to illuminate poetry's social life, and how media scholars can read poetry for insight into the cultural history of technology. In this book, the lyric poem emerges as a sensitive barometer of technological change.
