In 1955 people all over the United States knew that Emmett Louis Till was a fourteen-year-old African American boy lynched for supposedly whistling at a white woman in Mississippi. The brutality of his murder, the open-casket funeral held by his mother, Mamie Till Mobley, and the acquittal of the men tried for the crime drew wide media attention. In a profound and chilling poem, award-winning poet Marilyn Nelson reminds us of the boy whose fate helped spark the civil rights movement.

a wreath for emmett till: *Emmett Till and the Mississippi Press* Davis W. Houck, Matthew A. Grindy, 2009-09-18 Employing never-before-used historical materials, the authors of *Emmett Till and the Mississippi Press* reveal how Mississippi journalists both expressed and shaped public opinion in the aftermath of the 1955 Emmett Till murder. Combining small-circulation weeklies as well as large-circulation dailies, Davis W. Houck and Matthew A. Grindy analyze the rhetoric at work as the state attempted to grapple with a brutal, small-town slaying. Initially, coverage tended to be sympathetic to Till, but when the case became a clarion call for civil rights and racial justice in Mississippi, journalists reacted. Newspapers both reported on the Till investigation and editorialized on its protagonists. Within days the Till case transcended the specifics of a murder in the Delta. Coverage wrestled with such complex cultural matters as the role of the press, class, gender, and geography in the determination of guilt and innocence. *Emmett Till and the Mississippi Press* provides a careful examination of the courtroom testimony given in Sumner, Mississippi, and the trial's conclusion as reported by the state's newspapers. The book closes with an analysis of how Mississippi has attempted to come to terms with its racially troubled past by, in part, memorializing Emmett Till in and around the Delta.

a wreath for emmett till: *Emmett Till* Devery S. Anderson, 2015-08-18 *Emmett Till: The Murder That Shocked the World and Propelled the Civil Rights Movement* offers the first, and as of 2018, only comprehensive account of the 1955 murder, the trial, and the 2004-2007 FBI investigation into the case and Mississippi grand jury decision. By all accounts, it is the definitive

account of the case. It tells the story of Emmett Till, the fourteen-year-old African American boy from Chicago brutally lynched for a harmless flirtation at a country store in the Mississippi Delta. Anderson utilizes documents that had never been available to previous researchers, such as the trial transcript, long-hidden depositions by key players in the case, and interviews given by Carolyn Bryant to the FBI in 2004 (her first in fifty years), as well as other recently revealed FBI documents. Anderson also interviewed family members of the accused killers, most of whom agreed to talk for the first time, as well as several journalists who covered the murder trial in 1955. Till's murder and the acquittal of his killers by an all-white jury set off a firestorm of protests that reverberated all over the world and spurred on the civil rights movement. Like no other event in modern history, the death of Emmett Till provoked people all over the United States to seek social change. Anderson's exhaustively researched book was also the basis for the ABC miniseries *Women of the Movement*, which was written/executive-produced by Marissa Jo Cerar; directed by Gina Prince-Bythewood, Tina Mabry, Julie Dash, and Kasi Lemmons; and executive-produced by Jay-Z, Jay Brown, Tyran "Ty Ty" Smith, Will Smith, James Lassiter, Aaron Kaplan, Dana Honor, Michael Lohmann, Rosanna Grace, Alex Foster, John Powers Middleton, and David Clark. For over six decades the Till story has continued to haunt the South as the lingering injustice of Till's murder and the aftermath altered many lives. Fifty years after the murder, renewed interest in the case led the Justice Department to open an investigation into identifying and possibly prosecuting accomplices of the two men originally tried. Between 2004 and 2005, the Federal Bureau of Investigation conducted the first real probe into the killing and turned up important information that had been lost for decades. Anderson covers the events that led up to this probe in great detail, as well as the investigation itself. This book will stand as the definitive work on Emmett Till for years to come. Incorporating much new information, the book demonstrates how the Emmett Till murder exemplifies the Jim Crow South at its nadir. The author accessed a wealth of new evidence. Anderson made a dozen trips to Mississippi and Chicago over a ten-year period to conduct research and interview witnesses and reporters who covered the trial. In *Emmett Till*, Anderson corrects the historical record and presents this critical saga in its entirety.

a wreath for emmett till: *Emmett Till in Literary Memory and Imagination* Harriet Pollack, Christopher Metress, 2008 The horrific 1955 slaying of fourteen-year-old Emmett Till marks a significant turning point in the history of American race relations. An African American boy from Chicago, Till was visiting relatives in the Mississippi Delta when he was accused of wolf-whistling at a young white woman. His murderers abducted him from his great-uncle's home, beat him, then shot him in the head. Three days later, searchers discovered his body in the Tallahatchie River. The two white men charged with his murder received a swift acquittal from an all-white jury. The eleven essays in *Emmett Till in Literary Memory and Imagination* examine how the narrative of the Till lynching continues to haunt racial consciousness and to resonate in our collective imagination. The trial and acquittal of Till's murderers became, in the words of one historian, the first great media event of the civil rights movement, and since then, the lynching has assumed a central place in literary memory. The international group of contributors to this volume explores how the Emmett Till story has been fashioned and refashioned in fiction, poetry, drama, and autobiography by writers as diverse as William Bradford Huie, James Baldwin, Langston Hughes, Gwendolyn Brooks, Audre Lorde, Anne Moody, Nicolás Guillén, Aimé Césaire, Bebe Moore Campbell, and Lewis Nordan. They suggest the presence of an Emmett Till narrative deeply embedded in post-1955 literature, an overarching recurrent plot that builds on recognizable elements and is as legible as the lynching narrative or the passing narrative. Writers have fashioned Till's story in many ways: an the annotated bibliography that ends the volume discusses more than 130 works that memorialize the lynching, calling attention to the full extent of Till's presence in literary memory. Breaking new ground in civil rights studies and the discussion of race in America, *Emmett Till in Literary Memory and Imagination* eloquently attests to the special power and artistic resonance of one young man's murder.

In the wake of the Holocaust and lynchings, of the Middle Passage and flight from Eastern Europe's pogroms, children's literature provides diverse and complicated responses to the challenge of representing difficult collective pasts. In reading the work of various prominent authors, including Maurice Sendak, Julius Lester, Jane Yolen, Sydney Taylor, and Virginia Hamilton, Eichler-Levine changes our understanding of North American religions. She illuminates how narratives of both suffering and nostalgia graft future citizens into ideals of American liberal democracy, and into religious communities that can be understood according to recognizable notions of reading, domestic respectability, and national sacrifice. If children are the idealized recipients of the past, what does it mean to tell tales of suffering to children, and can we imagine modes of memory that move past utopian notions of children as our future? *Suffer the Little Children* asks readers to alter their worldviews about children's literature as an "innocent" enterprise, revisiting the genre in a darker and more unsettled light.

Such events are integral parts of history that continue to inform America's racial politics. Their exclusion is a problem that this work addresses by bringing more visibility to documentary films focusing on the events. Books treating the history of documentary films follow a similar pattern, omitting the efforts of filmmakers who have continued to focus on African American history. This book works to make documentary discourse more complete, bringing attention to films that cover the African American experience in four areas--civil rights, sports, electronic media, and the contemporary black struggle--demonstrating how the issues continue to inform America's racial politics.

Their contributions to American literature, including poetry, rank as enormous. *Mississippi Poets: A Literary Guide* showcases forty-seven poets associated with the state and assesses their work with the aim of appreciating it and its place in today's culture. In Mississippi, the importance of poetry can no longer be doubted. It partakes, as Faulkner wrote, of the broad aim of all literature: "to uplift man's heart." In *Mississippi Poets*, author Catharine Savage Brosman introduces readers to the poets themselves, stressing their versatility and diversity. She describes their subject matter and forms, their books, and particularly representative or striking poems. Of broad interest and easy to consult, this book is both a source of information and a showcase. It highlights the organic connection between poetry by Mississippians and the indigenous music genres of the region, blues and jazz. No other state has produced such abundant and impressive poetry connected to these

essential American forms. Brosman profiles and assesses poets from the twentieth and twenty-first centuries. Grounds for selection include connections between the poets and the state; the excellence and abundance of their work; its critical reception; and both local and national standing. Natives of Mississippi and others who have resided here draw equal consideration. As C. Liegh McInnis observed, "You do not have to be born in Mississippi to be a Mississippi writer. . . . If what happens in Mississippi has an immediate and definite effect on your work, you are a Mississippi writer."

This guide offers cross-curricular lesson plans for grades K-12. Each chapter identifies areas in which instructional attention is most needed to help students develop a greater appreciation for diversity, perseverance, and ethnicity. Examples and ideas for activities are offered to reinforce related concepts. With this book, teachers and librarians will be better able to motivate and inform, helping students discover the richness of African American culture now and through time.

a wreath for emmett till: Radical Elegies Eleanor Perry, 2022-04-21 Scholarship has traditionally characterized elegy as a Eurocentric tradition – a genealogy spanning from ancient Greek pastoral poems via the "English elegy" to English and Anglo-American Modernist contemporary poets. Perry examines how these genealogical constructions operate as a means of framing which guides interpretation. This book argues that they reflect a necropoetics – a system of principles, precepts and techniques which serve to establish and maintain ideas about whose lives are worthy of being mourned publicly and whose losses matter. Examining elegies that challenge questions of whose deaths may be grieved; elegies which articulate the various ways in which certain lives are made precarious and disposable; and elegies which interrogate colonial violence, structures of white power, militarized forms of policing, prison-industrial and military-industrial complexes, Perry explores possibilities for radical new ways of understanding elegy beyond established genealogical frames. This study retheorizes some basic terms of analysis of contemporary US poetry and poetics, critical race and ethnic studies, racial capitalism and contemporary theories of comparative and relational racialization.

a wreath for emmett till: WHAT DO I DO WITH MY PAIN? Ann Gwen Mack, 2010-12-11 WHAT DO I DO WITH MY PAIN? Preparing for church on October 10, 2010, I was reminded of the ways in which I was being used by God in accomplishing HIS will. I am truly grateful, appreciative and remorseful all at the same time. Remorseful because I can remember a time I not only ran from God and what HE had to offer me, but I doubted HIS existence. Grateful because in spite of me and my past, God still loved me [John 15:13] and wanted nothing but the best for me. Appreciative because God never stopped trying to reach me! In creating me for a purpose with a purpose, HE was persistent in HIS approach in making sure I receive my inheritance. Persistent to the point of revealing HIMSELF to me and allowing me to see myself through HIS eyes! My passion for God this day is nothing like I would have imagined. Great is my boldness of speech toward YOU, great is my glorying of YOU: I am filled with comfort, I am exceedingly joyful in all my tribulation. [2 Corinthians 7] Ordering my steps while rebuilding my confidence (trust, belief) and faith in HIM, God was training me to be fearless and teaching me to fight for the uplifting of the Kingdom. Finally, unselfishly yielding myself to HIM, HE gradually enlightened me to HIS plan for my life. Then I realized God was and is with me always as I gladly accepted my assignment in knowing God was deliberately putting me in situations [sending me in places where there was darkness to be HIS

light]. Once I was in, God gave me no way out as HE forced me to stand and fight. For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father. [Romans 8:15] So, this is not a time for passivity! It is a time for all of God's children to join in Spirit as we connect to God's heart in fulfilling HIS will.
