

# america's first serial killer

**america's first serial killer** is a title often attributed to H.H. Holmes, a notorious figure in American criminal history. Known for his gruesome crimes during the late 19th century, Holmes has become synonymous with early serial murder in the United States. This article explores the life, crimes, and legacy of America's first serial killer, providing a detailed look into his background, modus operandi, and the historical context of his actions. It also delves into the investigation and eventual capture of Holmes, as well as his impact on criminal profiling and forensic science. Through an examination of primary events and critical analysis, this comprehensive article aims to shed light on one of America's most chilling criminal cases. The following sections will guide the reader through the key aspects of Holmes' story and the broader implications of his crimes.

- Early Life and Background
- The Crimes of H.H. Holmes
- The “Murder Castle” and Modus Operandi
- Investigation and Capture
- Legacy and Impact on Criminal Justice

## Early Life and Background

Understanding America's first serial killer begins with examining his early life and background. Herman Webster Mudgett, later known as H.H. Holmes, was born in 1861 in Gilmanton, New Hampshire. Raised in a modest family, Holmes was intellectually gifted, excelling academically and eventually attending the University of Michigan's medical school. Despite his promising future, Holmes exhibited early signs of deceitful and manipulative behavior. His charm and intelligence masked a darker personality that would lead to his infamy. The social and economic environment of post-Civil War America provided fertile ground for criminals like Holmes to operate with relative impunity.

## Education and Early Career

Holmes' education played a significant role in shaping his criminal methods. At the University of Michigan, he studied medicine and chemistry, gaining knowledge that he later used to facilitate his crimes. Early in his career, Holmes engaged in insurance fraud and petty scams, demonstrating a pattern of exploiting trust and authority. These activities foreshadowed the more sinister crimes he would commit in the years to come.

## **Psychological Profile**

Modern analyses of Holmes suggest he exhibited traits consistent with psychopathy, including lack of empathy, superficial charm, and a propensity for manipulation. While official psychiatric diagnoses were not available during his lifetime, retrospective evaluations indicate that his behavior fits the profile of a classic serial killer, making him a subject of study for criminologists and psychologists alike.

## **The Crimes of H.H. Holmes**

America's first serial killer is infamous for the scale and brutality of his offenses. Holmes confessed to 27 murders, though estimates of his victims range from 9 to over 200. His crimes were not only numerous but also meticulously planned, involving deception, murder, and disposal of bodies in ways that baffled law enforcement at the time. Holmes targeted mainly women, often luring them with promises of employment or marriage.

## **Victim Selection and Methods**

Holmes' victims were typically women who were vulnerable due to economic or social circumstances. He used charm and deceit to attract them, often employing aliases and fabricated stories. His methods of murder varied,

## **Frequently Asked Questions**

### **Who is considered America's first serial killer?**

America's first known serial killer is often identified as H.H. Holmes, who operated in the late 19th century.

### **When did America's first serial killer operate?**

### **What crimes was America's first serial killer known for?**

H.H. Holmes was known for multiple murders, fraud, and running a 'Murder Castle' designed to trap and kill his victims.

### **How many victims did America's first serial killer have?**

While the exact number is uncertain, H.H. Holmes confessed to 27 murders, but estimates suggest he may have killed up to 200 people.

## **What was the 'Murder Castle' associated with America's first serial killer?**

The 'Murder Castle' was a building in Chicago constructed by H.H. Holmes, equipped with secret passages, soundproof rooms, and trapdoors to facilitate his killings.

## **How was America's first serial killer captured?**

H.H. Holmes was arrested in 1894 for insurance fraud, and subsequent investigations revealed his murders, leading to his conviction.

## **What was the outcome of America's first serial killer's trial?**

H.H. Holmes was found guilty of murder and was executed by hanging in 1896.

## **How has America's first serial killer influenced popular culture?**

H.H. Holmes' story has inspired numerous books, documentaries, movies, and TV shows exploring his crimes and psychology.

## **Were there any earlier serial killers in America before H.H. Holmes?**

While there were earlier murderers, H.H. Holmes is often regarded as the first documented serial killer in America due to the scale and method of his crimes.

## **What psychological traits did America's first serial killer exhibit?**

H.H. Holmes exhibited traits consistent with psychopathy, including manipulation, lack of remorse, and a capacity for calculated violence.

## **Additional Resources**

### *1. America's First Serial Killer: The True Story of H.H. Holmes*

This book delves into the chilling life of H.H. Holmes, often regarded as America's first documented serial killer. It explores his background, the infamous "Murder Castle," and the methods he used to lure and kill his victims. The narrative combines historical facts with detailed accounts of the investigation that eventually brought him to justice.

### *2. The Devil in the White City: Murder, Magic, and Madness at the Fair That Changed America*

Erik Larson's critically acclaimed book intertwines the story of the 1893 Chicago World's Fair with the dark tale of H.H. Holmes. The book provides a gripping portrait of Holmes' crimes set against the backdrop of one of America's greatest urban achievements. Larson's narrative style brings both the grandeur of the fair and the horror of Holmes' deeds to vivid life.

### 3. *H.H. Holmes: The True History of the White City Devil*

This biography offers an in-depth look at Holmes' life before, during, and after his killing spree. The author meticulously pieces together historical records to separate myth from reality. Readers gain insight into Holmes' psychology and the societal conditions that allowed his crimes to go undetected for so long.

### 4. *The Murder Castle: Inside the Mind of America's First Serial Killer*

Focusing on the infamous building constructed by Holmes, this book explores how the "Murder Castle" was designed as a tool for murder and deception. It includes architectural analyses and firsthand accounts from survivors and investigators. The book reveals how Holmes' ingenuity and cruelty combined in the construction of his deadly lair.

### 5. *Killer Shadows: The Hunt for H.H. Holmes*

This investigative work traces the efforts of law enforcement and journalists who pursued Holmes after his crimes were uncovered. It highlights the challenges of 19th-century detective work and the public's reaction to the horrifying revelations. The book also discusses Holmes' trial and eventual execution.

### 6. *Blood on the Fairgrounds: The Grisly Legacy of H.H. Holmes*

Exploring the aftermath of Holmes' crimes, this book examines the impact on victims' families and the community. It also looks at how Holmes' story influenced American culture and the portrayal of serial killers in the media. The author provides thoughtful reflections on justice and memory.

### 7. *The Chicago Butcher: H.H. Holmes and the Birth of Modern Serial Murder*

This book analyzes Holmes' role in shaping the public's understanding of serial murder. It compares his crimes to those of later killers and discusses how Holmes' case influenced criminal profiling and forensic science. The author argues that Holmes was a pioneer in the dark history of American crime.

### 8. *Dark Genius: The Life and Crimes of H.H. Holmes*

A psychological portrait of Holmes, this book delves into his cunning personality and manipulative tactics. It explores his early life, possible motivations, and the psychopathology behind his actions. Through expert analysis, the book attempts to explain what drove Holmes to become such a notorious killer.

### 9. *Murder in the White City: The Untold Story of America's First Serial Killer*

This book uncovers lesser-known aspects of Holmes' story, drawing from newly discovered documents and testimonies. It provides a fresh perspective on his crimes and the social dynamics of 1890s Chicago. The author offers a nuanced narrative that challenges some traditional accounts of Holmes' life and legacy.

**america s first serial killer:** H.H. Holmes Jack Hunter, 2025-03-27 H.H. Holmes: The Twisted True Crime Story of America's First Serial Killer and His Murder Castle by Jack Hunter unravels the chilling tale of a man whose name became synonymous with deception, cruelty, and death. Operating under multiple aliases, H.H. Holmes was a master manipulator, con artist, and cold-blooded killer. During the 1893 World's Fair in Chicago, he constructed a labyrinthine hotel-later known as the Murder Castle-designed to trap, torture, and kill his unsuspecting victims. Complete with soundproof rooms, hidden passageways, and deadly chutes, Holmes' castle became the site of his horrifying crimes. This book explores the mind of a man who charmed his way through life while leaving a trail of destruction in his wake. From his fraudulent schemes to his gruesome murders, Holmes' story remains one of the most terrifying in true crime history. Through historical records, firsthand accounts, and expert analysis, this gripping biography examines how America's first known serial killer managed to evade justice for so long-and how his reign of terror finally came to an end.

**america s first serial killer:** *The Ripper* Maisie Buben, 2021-06-29 Herman Webster Mudgett, better known as Dr. Henry Howard Holmes or H. H. Holmes, was an American serial killer active from December 1891 to November 1894. Holmes committed his crimes at a time in history where the idea of murdering on a mass scale was just being introduced to the world through the actions of Jack the Ripper. Unlike Jack the Ripper though, Holmes' motives were clear; he killed out of greed, convenience, and curiosity. Inside you will read about... □ Herman Webster Mudgett, the Medical Student □ Settling in Chicago □ Murders in the Mansion □ The World's Deadliest Fair □ Suicide or Murder □ America's First Serial Killer And much more!

**america s first serial killer:** *Historical Serial Killers* Guadalupe Papik, 2021-06-29 In the modern sense of the word, the first documented serial killer in America was H.H. Holmes, who took many of his victims from the 1893 World's Fair in Chicago. Some of the cases listed here occurred prior to Holmes' activities and due to the sheer numbers of victims, can certainly be considered serial killings. Bear in mind that record keeping back then was spotty at best. Every effort has been made to research and verify the information contained here. In some cases, conflicting information exists and in others, the information is just not available. Other authors may come to different conclusions. Please keep that in mind as you enjoy this book.

**america s first serial killer:** **Depraved** Harold Schechter, 2004 'This is must reading for crime buffs. DEPRAVED demonstrates that sadistic psychopaths are not a modern day phenomena... gruesome, awesome, compelling reporting.' ANNE RULE. Here is the macabre story of H.H. Holmes, architect of the infamous 'Castle of Horror', whose labyrinth of trapdoors, stairways to nowhere, bedchambers fitted with peepholes and asphyxiating gas pipes, greased body chutes, and a cellar equipped with acid vats, a crematorium, and dissecting table, became an unspeakable domain of torture and murder. With stark, ghastly detail, DEPRAVED takes you into the mind of this evil genius - who alternatively posed as doctor, druggist, and inventor to snare his prey in 19th Century Chicago - and reveals a mesmerizing tale of true detection before the age of technological wizardry.

**america s first serial killer:** **The Castle Killings** Robert Brown, 2020-05-07 I could not help the fact that I was a murderer, no more than the poet can help the inspiration to sing. I was born with the 'Evil One' standing as my sponsor beside the bed where I was ushered into the world, and he has been with me since.- H. H. Holmes - 1896 The year is 1893 and the vibrant city of Chicago is a buzz of streetcars, horse carriages, magicians, dancers and excited visitors from all over the world. The Columbian Exposition, or World's Fair, is in town and marking the 400th anniversary of Christopher Columbus' arrival in the United States of America. While fairgoers are enjoying the sights, sounds and aromas of the many markets, halls, and walkways in the scenic Jackson Park, a sinister young man is planning his next murder only three miles away. Doctor H.H. Holmes has built his Murder Castle on a busy Chicago street corner a few years earlier and he is the only person who understands the maze of secret passages, hidden staircases, dark chambers, false partitions and trap doors on the second floor of The Castle. His victims would not have a chance of escaping.

Meanwhile, 6000 miles across the Atlantic Ocean, Jack the Ripper is terrorizing the streets of London. Many people would later ask if it was a coincidence that the Ripper murders took place in a timeframe when H.H. Holmes was not in Chicago but, in fact, in London. You decide for yourself while going on this exhilarating true crime journey back to the nineteenth century, to meet America's very first serial killer, H.H. Holmes. **america s first serial killer: Inside the Murder Castle** Adam Selzer, 2012-10-08 Popularized in the bestselling book *The Devil in the White City*, H. H. Holmes has gone down in history as America's first—and possibly most prolific—serial killer. A master swindler who changed names about as often as most people change coats, Holmes built a three-story building down the street from the World's Fair site in Chicago in the early 1890s. Join Chicago paranormal authority Adam Selzer as he separates the truth behind the myth. Did H. H. Holmes really kill 200 people? How did he do it? And why? How did he keep his three wives from finding out about each other? And how did he kill people in such a crowded building without anyone noticing? This e-book includes an excerpt from Adam Selzer's popular book *Your Neighborhood Gives Me the Creeps*.

**america s first serial killer: H.H. Holmes** John Borowski, 200?

**america s first serial killer: Holmes' Own Story** JD Crichton, Herman Webster Mudgett, M.D., 2016 Eighty-seven (87) restored and sourced, rare historical illustrations and photographs. A fascinating look into the mind of one of America's first serial killers. Born as Herman Webster Mudgett, H. H. Holmes was a horrific killer featured in Erik Larson's popular book, *The Devil in the White City*. Holmes built a three story 'Murder Castle' in Chicago in the late 1800s with death on his mind. A doctor by trade, Holmes lured unsuspecting victims into secret rooms, vaults and gas chambers and made use of a dissection table in his basement. He preyed on travelers that came to Chicago for the World Columbian Exposition in 1893 by advertising rooms for rent and offering employment opportunities. No doubt about it, Holmes earned despicable nicknames such as Arch Fiend, Butcher, Modern Bluebeard, Swindler, and Moral Degenerate. Holmes was a monster in disguise as a doctor, a perfect ruse to lure his victims. After all, who would not trust a doctor? Learn what Holmes personality and thought process was like, straight from the mind of a killer. This three-part book includes Holmes' memoir and his confession of twenty-seven murders. It also has details about his death, unusual burial, and an odd story Holmes told about his reincarnation. Notes, illustration credits, and bibliography are included.

**america s first serial killer: Words of a Monster** Rebecca Frost, 2019-06-19 Decades before the term serial killer was coined, H.H. Holmes murdered dozens of people in his now-infamous Chicago Murder Castle. In his autobiography, Holmes struggled to define himself in the language of the late nineteenth century. As the first--or, as he labeled himself, The Greatest Criminal of the Age--he had no one to compare himself to, and no ready-made biographical structure to follow. Holmes was thus nearly able to invent himself from scratch. This book minutely inspects how Holmes represented himself in his writings and confessions. Although the legitimacy of Holmes' accounts have been called into question, his biography mirrors the narrative structure of the true crime genre that emerged decades after his death.

**america s first serial killer: H. H. Holmes' Story** Nathanael Lyke, 2021-06-29 Herman Webster Mudgett, better known as Dr. Henry Howard Holmes or H. H. Holmes, was an American serial killer active from December 1891 to November 1894. Holmes committed his crimes at a time in history where the idea of murdering on a mass scale was just being introduced to the world through the actions of Jack the Ripper. Unlike Jack the Ripper though, Holmes' motives were clear; he killed out of greed, convenience, and curiosity. Inside you will read about... □ Herman Webster Mudgett, the Medical Student □ Settling in Chicago □ Murders in the Mansion □ The World's Deadliest Fair □ Suicide or Murder □ America's First Serial Killer And much more!

**america s first serial killer: Serial Killer Quarterly Vol.1 No.3 "Unsolved in North America"** Harold Schechter, Lee Mellor, Michael Newton, Kim Cresswell, Aaron Elliott, Robert Hoshowsky, 2014-09-29 Another triple feature! "Unsolved in North America" - the third issue of

Serial Killer Quarterly - focuses on 6 American and 2 Canadian cases of multiple murderer in which the slayer has eluded justice. Three years before Jack the Ripper stalked the streets of Whitechapel, a bold and barefoot killer was slipping into Austin's outbuildings to murder and rape black servant girls, sometimes after death. In his *Servant Girl Annihilator*, acclaimed true crime writer Harold Schechter drags this gruesome piece of Texan history back into the light for modern eyes to behold. 2500 miles north as the crow flies, and 20 years later, a series of bizarre decapitation/arson murders commenced in the gold-gutted Yukon. Canadian serial murder specialist Lee Mellor takes a look at these slayings, along with providing nail-biting articles on America's most infamous unsolved serial murder case, the Zodiac Killer of San Francisco, as well as the Montreal Child Murders: a spate of tragic pedophile killings which plagued the city throughout the Eighties. Another Franco-American cultural centre was shaken to the core between 1918-1919, when the shadowy Axeman of New Orleans slashed and bludgeoned unsuspecting Italian couples in their beds. Grinning Man Press co-founder Aaron Elliott tells of this jazz-happy native of Tartarus, and his possible (but improbable) connection to organized crime. The mob also appear as unlikely suspects in prolific author Michael Newton's *The Mad Butcher of Kingsbury Run*. Set against the backdrop of prohibition-era Cleveland, a seemingly-bisexual butcher left at least 10 victims dismembered and disfigured in and around the city while legendary detective Eliot Ness faltered in his attempts to capture the perpetrator. In more recent events, Robert Hoshowsky and Kim Cresswell reveal the details of intriguing serial murder mysteries on America's two coasts: California's menacing Golden State Killer (aka the Original Night Stalker) and New York's Long Island Serial Killer. Considering how many of these offenders may still be at large and lurking in a community near you, Grinning Man Press warns that "Unsolved in North America" may destabilize your sense of personal security, result in intense fear and paranoia, and lead you to invest great quantities of money in alarm systems, intricate locks, and firearms.

**america s first serial killer:** *Evil in the White City* Homer D Strobe, 2025-08-19 Step inside the shadowy world of Chicago in the late 1800s, where dazzling progress met unimaginable horror. *Evil in the White City* uncovers the chilling true story of H.H. Holmes, often called America's first serial killer, and the infamous Murder Castle he built near the 1893 World's Columbian Exposition. This historical true crime account follows Holmes's rise from small-time fraudster to cold-blooded murderer. Behind the glamour of the Gilded Age and the brilliance of the White City, Holmes lured women, families, and even children into a web of deception, manipulation, and death. His hotel was no ordinary building-it was a labyrinth of secret passages, hidden rooms, soundproof chambers, and acid vats designed for his gruesome crimes. Inside this book, readers will discover: The dark side of the Chicago World's Fair and why it was the perfect hunting ground for Holmes. Holmes's scams, insurance fraud, and the chilling fate of the Pitezel family. The relentless investigation by Detective Frank Geyer that exposed his nationwide trail of death. How Holmes's legacy shaped America's fascination with serial killers and true crime. For readers who love true crime, serial killer histories, and gripping stories of deception, *Evil in the White City* blends history with horror in a way that reveals both the brilliance and brutality of America's Gilded Age.

**america s first serial killer: America's Early Serial Killers:** Mike Riley, 2014-10-21 *America's Early Serial Killers: Five Cases of Frontier Madness* Most everyone has heard of H. H. Holmes as America's first serial killer. He truly was a diabolical and evil individual. The intention of writing this book is not to declare anyone as America's first serial killer, but rather to reveal that serial killers existed very early in America's growth. *America's Early Serial Killers* contains in vivid detail the murderous activities of five serial killers starting back in the 1790s and continuing through to the 1890s. In one case, the killer has never been identified. Given that these cases occurred so long ago, there will certainly be differing accounts as to what happened and who did what. The research was as thorough as possible though the conclusions may differ from other resources. The serial killers included in this book used different tactics and methods than current day serial killers though the atrocities were as bad if not worse. Included are the cases of: -The Harpe Brothers who slaughtered up to forty people, including some of their own children -Felipe Espinosa who murdered many settlers in the Colorado territory -The Murderous Bender Family who

killed travellers for their money -The still unsolved Servant Girl Murders of Austin, Texas, and finally -The story of H. H. Holmes himself. If you enjoy reading about true crime that's a bit unusual, this book will certainly satisfy and at the same time also reveal some facets of early American life. BUY right now to get your copy of *America's Early Serial Killers: Five Cases of Frontier Madness*.

**america's first serial killer: The H.H. Holmes Confessions** Felix Northwood, 2024-10-30 Delve into the chilling confessions of America's first serial killer, H.H. Holmes. In *The H.H. Holmes Confessions: Inside the Mind of a Notorious Serial Killer*, author Felix Northwood unearths the gruesome details and complex psyche of Herman Mudgett. Through self-narratives, courtroom transcripts, and exclusive interviews from the Chicago Tribune, this gripping account sheds light on Holmes' heinous acts during the 1893 Chicago World's Fair. Witness firsthand the horror of his infamous murder castle and the stories of the few who survived. This riveting exploration transcends time, painting a vivid picture of a man whose charisma cloaked his monstrosity. A must-read for true crime enthusiasts and history buffs alike.

**america's first serial killer: Book of Serial Killers** Alec Bradley, 2025-01-05 Step into the twisted shadows of the human mind with *Serial Killers: The Killer Next Door*, a chilling compilation of 200 haunting true crime accounts that dive deep into the world of serial killers who once roamed freely among us. This encyclopedia pulls back the veil on some of the most terrifying figures in criminal history, from the devious BTK killer and the enigmatic Zodiac to the harrowing stories of Aileen Wuornos and Charles Manson, revealing the dark secrets that lurked beneath their seemingly ordinary facades. Don't wait any longer-satisfy your curiosity and discover the truth behind one of America's most notorious serial killers.

**america's first serial killer: Serial Killer Quarterly Vol. 1, Christmas Issue: "Body Harvest -**

Prolific American Killers" Lee Mellor, Kevin M. Sullivan, Judith A. Yates, Karen D. Scioscia, Dane Ladwig, Joan Swart, 2015-01-08 With nearly 200 victims between them, the seven compulsive killers in Serial Killer Quarterly's special Christmas 2014 issue, "Body Harvest: Prolific American Serial Killers," not only destroyed countless lives and families, but Thanksgivings, Christmases, and New Year's. Author and criminologist Judith A. Yates attributes a minimum of 20 victims to America's first serial killers, Micajah & Wiley Harpe, who rather than bringing "peace on earth and good will to all men," sought to exterminate the entire human race. Similarly, whenever Ted Bundy went "walking in a winter wonderland" it was in the snowy mountains of Washington or Colorado – landscapes strewn with the ravaged corpses of his 30+ female victims. Kevin M. Sullivan – author, Bundy researcher, and retired preacher – looks at arguably the most infamous serial slayer in American history, and his victims – known and potential. In her true crime debut, forensic psychologist Joan Swart goes above and beyond to tell us the tale of America's most prolific homosexual sadist. With possibly a higher body count than Bundy and the Harpes combined, Randy Kraft may have actually rung in the New Year by torturing, killing, and mutilating several of the over 60 young men whose lives he appears to have extinguished. Lee Mellor, author, criminologist, and SKQ editor-in-chief, writes of the 22 strangulation-slayings and post-mortem rapes perpetrated across the USA and in Canada by "Gorilla Murderer" Earle Leonard Nelson during the mid-1920s, as well as 10+ cold-blooded murders linked to "Coin-Shop Killer" Charles T. Sinclair throughout the Eighties. Spokane prostitute killer Robert Lee Yates – another necrophile – has admitted to shooting 16 victims and defiling their bodies, but author and journalist Karen D. Scioscia asks: were there more? Are you full of holiday cheer yet? Well, at least we know that Christmas was truly a time for family in the Bender household – even if their feasts were purchased with the money they stole from the people rotting under their floorboards. Dane Ladwig looks at the more than 20 hammer murders believed to have been committed by The Bloody Benders in the mid-nineteenth century. Cuddle up with a nice piping mug of hot chocolate, because after reading "Body Harvest" there isn't a blanket in the world that will stop you from getting the chills. 'Tis the Season to be Grinning.

**america s first serial killer: Castle Of Death** Clara Bundy, 2022-08-03 This is a book that tells the story of H.H. Holmes. One of the first infamous serial killers. Together with analyzing her killing spree, book also offers unique pieces of police reports, psychiatric evaluations and newspaper clippings of that time.

**america s first serial killer: H. H. Holmes** Adam Selzer, 2017-04-04 Shares with readers America's first and most infamous serial killer and his diabolical killing spree during the 1893 World's Fair in Chicago The first comprehensive book following the life and career of H. H. Holmes A fascinating true story about a dark moment in Chicago's history H. H. Holmes: The True History of the White City Devil uncovers not only the true story of Holmes but also how the legend evolved. It uses hundreds of primary sources that have never been studied before. This includes letters, articles, legal documents, and records that have been tucked away in archives for more than 100 years. While H. H. Holmes is now as famous as he was in 1895, a thorough analysis of modern materials clarifies how much of the story as we know it came from reports who were far from the action, an incredibly unqualified new police chief, and lies from Holmes himself. This book is a tale of an outlaw. It covers Holmes's own story with new insights. The author, Adam Selzer, has uncovered stunning new data about Holmes. He combines turn-of-the-century America, the crazy group of characters who were in and around the famous "castle" building, and the killer's own background. This book is the first fully accurate account of what truly happened in Holmes's horror castle. H. H. Holmes, with its exhaustive research and careful detail, is an irreplaceable partner to the upcoming Leonardo DiCaprio and Martin Scorsese movie about Holmes's murder spree based on Erik Larson's *The Devil in the White City*.

**america s first serial killer: The Routledge History of Crime in America** James Campbell, Vivien Miller, 2024-12-27 Covering a broad chronology from the colonial era to the present, this volume's 28 chapters reflect the diverse approaches, interests and findings of an international group of new and established scholars working on American crime histories today. The book is organized

around major themes in crime history, including violence, science and technology, culture, gender and organized crime, and it addresses pressing contemporary concerns such as mass incarceration and the racial politics of crime in modern America. It also engages with the history of crime literature, film and popular culture from colonial execution sermons to true crime television in the twenty-first century. The volume is alert to continuities and diversity over time and place in the history of American crime, notably in chapters on the South, the West and the impact of urbanization on practices and ideas about crime and law enforcement in different periods of the American past. The Routledge History of Crime in America is an indispensable, interdisciplinary resource for students and researchers working in areas of crime, crime policy, punishment, policing and incarceration.
