all ten songs: The Seven Beggars , 2011-07-07 Rejoice in the stories of Rebbe Nachman of Breslov—for their insight into the human condition and the realm of the mysterious. When Rabbi Nachman first started telling his stories, he declared: Now I am going to tell you stories. The reason he did so was because in generations so far from God the only remedy was to present the secrets of the Torah—including even the greatest of them—in the form of stories. —from the Preface For centuries, spiritual teachers have told stories to convey lessons about God and perceptions of the world around us. Hasidic master Rebbe Nachman of Breslov (1772–1810) perfected this teaching method through his engrossing and entertaining stories that are fast-moving, brilliantly structured, and filled with penetrating insights. all ten songs: Under the Influence of Classic Country Sheree Homer, 2019-10-29 The music today known as classic country originated in the South in the 1920s. all ten songs: *Living Parables* Mark G. Boyer, Corbin S. Cole, 2020-12-04 *Living Parables: Today's Versions* presents parables in updated language and images. Biblical parables are culture-bound; they are embedded in images that were well-known to a Jewish culture. Jesus was a first-century, Jewish, Galilean peasant, and his concerns, speech, and idioms belong to that culture. His milieu is far removed from ours today. The images found in parables carried meaning that is lost on modern audiences. A simple example will suffice. In the Jewish world of the first century, leaven was considered to be corrupt because people did not understand how bacteria worked. On the most important day of the year--Passover--bread had to be unleavened, uncorrupted. Today, no one thinks of yeast in that way. If we want bread dough to rise, we need to leaven it. Therefore, what image might Jesus use today that carries some of the same cultural connotations that yeast or leaven carried in his world? Might he speak about Ebola virus or radioactivity? Those images carry the same negativity that yeast or leaven bore in his world. This book contains parables found in the New Testament in a form that Jesus might tell today.
