History of the Hells Angels in Arizona

The Hells Angels Motorcycle Club, founded in 1948 in California, expanded rapidly across the United States, including into Arizona. The Arizona chapter has been active for several decades, establishing a significant presence throughout the state. The club's expansion into Arizona was driven by the state's strategic location and biker-friendly culture, offering an ideal environment for motorcycle clubs. Over the years, the Hells Angels in Arizona have been involved in various activities, both within the motorcycle community and beyond. Their history includes periods of growth, internal conflict, and interaction with other motorcycle clubs, all contributing to the club's unique identity in the region.

Early Establishment in Arizona

The Arizona chapter was established in the late 1960s and early 1970s, coinciding with the nationwide growth of outlaw motorcycle clubs. Initially,

the chapter attracted local riders who were drawn to the Hells Angels' reputation for freedom and defiance of authority. The club quickly became known in Arizona for its distinctive style, including the iconic "death's head" logo and leather jackets adorned with patches. This early phase laid the groundwork for the chapter's influence in the state's biker culture.

Expansion and Influence

Throughout the 1980s and 1990s, the Hells Angels Arizona chapter expanded its reach to several cities, including Phoenix, Tucson, and Flagstaff. Their influence extended beyond motorcycle events to social and charitable activities, albeit alongside controversial incidents. The chapter's growth brought increased scrutiny from law enforcement and the media, highlighting the dual nature of their presence in Arizona.

Who is Bad Bob? The Persona and Influence

Bad Bob is a nickname associated with a prominent figure within the Hells Angels Arizona community. While the club maintains a strong culture of secrecy, members like Bad Bob have become somewhat legendary due to their leadership roles, public visibility, and involvement in key events. This persona embodies the rebellious spirit and toughness often linked with the Hells Angels, reflecting the club’s ethos in Arizona.

Background and Role in the Club

Bad Bob is known as a senior member or leader within the Arizona chapter, respected for his experience and commitment to the club's values. His reputation is built on years of participation in motorcycle rallies, club meetings, and interactions with other chapters. As a figurehead, Bad Bob symbolizes the resilience and brotherhood that define the Hells Angels, particularly in the challenging environment of Arizona’s motorcycle scene.

Impact on Club Culture

The influence of Bad Bob extends beyond mere membership; he is often cited as a mentor to younger members and a key strategist in the club’s activities. His persona reinforces the image of the Hells Angels as a close-knit, disciplined, and fiercely loyal group. The nickname "Bad Bob" itself conveys a sense of toughness and notoriety, aligning with the club’s identity in Arizona and beyond.

Organizational Structure of the Arizona Chapter

The Hells Angels Arizona chapter operates within the broader framework of the international club but maintains its own internal hierarchy and rules. Understanding this structure is essential to grasp how members like Bad Bob fit into the larger picture and how the chapter manages its affairs.

Hierarchy and Membership

The chapter is organized with a clear chain of command, typically including positions such as president, vice president, secretary, treasurer, and sergeant-at-arms. Members progress through ranks based on loyalty, tenure, and contribution to the club. Bad Bob, given his notoriety, likely holds or has held a leadership position within this hierarchy, overseeing chapter operations and representing the club in official capacities.

Chapter Meetings and Activities

Regular meetings are held to discuss chapter business, plan events, and address conflicts. These gatherings are essential for maintaining discipline and unity among members. The Arizona chapter also organizes rides, charity events, and social gatherings that reinforce bonds among members and promote the club’s image in the community.

Activities and Public Perception

The activities of the Hells Angels in Arizona are diverse, ranging from motorcycle rallies and social events to more controversial incidents that have attracted media attention. Public perception is shaped by this mix of visible camaraderie and reported criminal associations.

Motorcycle Culture and Events

The Arizona chapter is well-known for participating in and hosting motorcycle rallies, charity rides, and biker festivals. These events showcase the club’s passion for riding and contribute to local economies. They also provide opportunities for the public to engage with the club in controlled environments, sometimes softening the group’s rough image.

Controversies and Public Scrutiny

Despite their public events, the Hells Angels in Arizona have faced allegations related to criminal activities, including drug trafficking and violent disputes. These incidents have led to increased law enforcement

monitoring and negative media coverage, complicating the club’s reputation. Members like Bad Bob are often at the center of these narratives, whether as alleged participants or defenders of the club’s honor.

Legal Issues and Law Enforcement Actions

Law enforcement agencies in Arizona have taken a vigilant approach toward the Hells Angels chapter, given the group’s history and alleged involvement in criminal activities. Legal battles and police operations have significantly impacted the chapter’s operations and membership.

Major Investigations and Raids

Several high-profile investigations have targeted the Arizona chapter, focusing on drug enforcement, weapons violations, and organized crime. Raids on clubhouses and arrests of members, including prominent figures like Bad Bob, have made headlines and disrupted the club’s activities temporarily. These actions demonstrate the ongoing tension between the Hells Angels and authorities in Arizona.

Legal Defense and Club Response

The club often responds to legal challenges by emphasizing their commitment to lawful behavior and the rights of motorcycle enthusiasts. Members, including leaders such as Bad Bob, have engaged legal counsel to defend against charges, highlighting the complex legal environment surrounding the club. This dynamic reflects the broader struggle between outlaw biker culture and law enforcement in Arizona.

Cultural Impact and Media Representation

The Hells Angels Arizona chapter, along with personalities like Bad Bob, has influenced popular culture and media portrayals of outlaw motorcycle clubs. Their image has been shaped by films, documentaries, books, and news reports, which contribute to public fascination and misunderstanding alike.

Representation in Film and Literature

The Hells Angels have been featured in numerous films and books that explore the mystique and controversy of outlaw biker culture. Bad Bob and similar figures often inspire fictionalized characters that embody the rugged individualism and defiance associated with the club. These portrayals can both glamorize and demonize the group, affecting public perception.

Media Coverage and Public Opinion

Local and national media have extensively covered the Hells Angels in Arizona, focusing on both their community activities and alleged criminal conduct. This coverage influences public opinion, sometimes creating stereotypes but also highlighting the club’s complex social role. Figures like Bad Bob are frequently mentioned in news stories, symbolizing the club’s enduring presence in the state.

Summary of Key Aspects

- Bad Bob represents an influential figure within the Hells Angels Arizona chapter, embodying its culture and leadership.
- The Arizona chapter has a rich history dating back to the late 1960s, growing into a significant presence in the state's motorcycle scene.
- The club operates with a structured hierarchy, maintaining traditions and rules unique to the Hells Angels.
- Activities range from social events and charity rides to involvement in controversial and sometimes illegal activities.
- Law enforcement efforts have targeted the chapter through investigations and legal proceedings, affecting its operations.
- Media portrayals and cultural representations have shaped public perception of the Hells Angels and figures like Bad Bob in Arizona.

bad bob hells angels arizona: Running with the Devil Kerrie Droban,

bad bob hells angels arizona: No Angel Jay Dobyns, Nils Johnson-Shelton, 2010-02-02 From the first federal agent to infiltrate the inner circle of the outlaw Hells Angels Motorcycle Club comes the inside story of the 21-month operation that almost cost him his family, his sanity, and his life. Getting shot in the chest as a rookie agent, bartering for machine guns, throttling down the highway at 100 mph, and responding to a full-scale, bloody riot between the Hells Angels and their rivals, the Mongols—these are just a few of the high-adrenaline experiences Dobyns recounts in this action-packed, hard-to-imagine-but-true story. Dobyns leaves no stone of his harrowing journey unturned. At runs and clubhouses, between rides and riots, Dobyns befriends bad-ass bikers, meth-fueled "old ladies," gun fetishists, psycho-killer ex-cons, and even some of the "Filthy Few"--the elite of the Hells Angels who've committed extreme violence on behalf of their club. Eventually, at parties staged behind heavily armed security, he meets legendary club members such as Chuck Zito, Johnny Angel, and the godfather of all bikers, Ralph "Sonny" Barger. To blend in with them, he gets full-arm ink; to win their respect, he vows to prove himself a stone-cold killer. Hardest of all is leading a double life, which has him torn between his devotion to his wife and children, and his pledge to become the first federal agent ever to be "fully patched" into the Angels' near-impregnable ranks. His act is so convincing that he comes within a hairsbreadth of losing himself. Eventually, he realizes that just as he's been infiltrating the Hells Angels, they' ve been infiltrating him. And just as they're not all bad, he's not all good. Reminiscent of Donnie Brasco's uncovering of the true Mafia, this is an eye-opening portrait of the world of bikers--the most in-depth since Hunter Thompson's seminal work—one that fully describes the seductive lure criminal camaraderie has for men who would otherwise be powerless outsiders. Here is all the nihilism, hate, and intimidation, but also the freedom—and, yes, brotherhood—of the only truly American form of organized crime.

bad bob hells angels arizona: Outlaw Adventures of BAD BOB Robert Tuft, 2016-03-09 Admitted career criminal adventurer and outlaw motorcycle club associate, Bad Bob, reveals his sometimes haunted, sometimes fortuitous friendships and dealings with U.S. Special Forces, Green Beret, Navy Seals, ex-employees of the U.S. Secret Service and National Security Agency, serial killers, bank robbers, meth cooks, and with various outlaw motorcycle club members from the Bandidos to the Hells Angels.Bad Bob lays out a riveting and action-packed continuing story of his involvement in bank robberies; dope-house robberies, and credit card scams, barroom killings, intravenous drug use, drug deals, and general motorcycle antics, intertwined with a candid account of his true life story.From a small northern Illinois town to Ferguson and North St. Louis County, Missouri, south to Texas, and across the country coast to coast, Bad Bob relives over forty years of

ups and downs, which includes various prison sentences in several states and federal Bureau of Prisons, and his life on the run.His new book Outlaw Adventures of Bad Bob: Autobiography of a Career Criminal, takes the reader along on his adventures through Illinois, Missouri, Texas, New Jersey, California, Oregon, New Mexico, Washington State, Arizona, and back to Texas.A land surveyor by trade, but outlaw adventurer by nature, Bad Bob tells of his loves, his losses, and his eventual conviction and sentence to 25 years in Texas for a crime he did not commit.

bad bob hells angels arizona: The Fall of an Angel Billy Leland, 2018-11-14 The Fall of an Angel tells about how the United States justice department uses the charge of conspiracy to put anyone they want into federal prison without any physical evidence at all. The United States is the only country in the world that charges its citizens with conspiracy. This book is a true story that illustrates how the government can breach plea agreements and get away with it. Billy Leland plead guilty, entering a plea agreement with the federal prosecutor. The plea agreement stated that the government would give Billy a ten-year prison sentence and leave his son alone. But when he got to the sentencing phase the judge sentenced Billy to a term of twenty-one years and five years of probation. Billy agreed to plead guilty to some crimes that he didn't commit because the prosecutor told Billy that if he didn't plead guilty to everything in the indictment that he was going to arrest Billy's twenty-two-year-old son. This book illustrates how the federal justice system coerces defendants into guilty pleas. About 97 percent of the federal defendants plead guilty because of this reason. Out of the 3 percent of the defendants that go to trial, only 1 percent win their cases. The Fall of an Angel will open your eyes to the federal justice system.

bad bob hells angels arizona: Angels of Death William Marsden, Julian Sher, 2010-07-30 The award-winning authors of The Road to Hell: How the Biker Gangs Are Conquering Canada bring us a definitive, up-to-the-minute account of the Hells Angels and the international biker network. Marsden and Sher explain how the expansion of America' s foremost motorcycle gang has allowed this once ragtag group of rebels, outcasts and felons to become one of the world's most sophisticated criminal organizations. While the media has continued to toast the Hells Angels California leader, Sonny Barger, as an American legend, the facts tell another story—they are America's major crime export. With an estimated 2,500 full-patch members in 25 countries, the Hells Angels have inspired a global subculture of biker gangs that are among the most feared and violent underworld players. Angels of Death takes readers to Arizona, inside the biggest American police undercover operation to infiltrate the bikers; to British Columbia where wealthy bikers dominate the organized crime pyramid; to Australia where the "bikies" shoot it out with police; to Curaçao where terrorist organizations funnel drugs to Dutch bikers; and to the streets of Oslo, Copenhagen and Helsinki where a murderous biker war saw rocket attacks and bombs turn Scandinavia into a war zone. For the first time, police officers who have infiltrated biker gangs tell their secrets—revealing the challenges, fears and horrors they've discovered going undercover. Sher and Marsden take the reader behind the latest headlines to tell the story of how the Hells Angels became so powerful, and how the police—with only a few successes—have tried to stop them. Excerpt from Angels of Death: Three murderous evenings, three different continents, three faces of the Angels of death: the killing of innocents, the killing of fellow bikers, and the killing of cops. Not to mention the hundreds of thousands of lives ruined, brains fried, bodies withered by the methamphetamines, cocaine and other drugs pushed by the bikers. And yet while the body count kept mounting, Sonny Barger, the Californian patriarch and international leader of the Hells Angels, was being feted by the international media as he promoted his latest bestselling book. Even the usually thoughtful British press fell for the rebel Yankee. The Times called him, "affable, big-hearted, warm." The Independent labelled him an "American legend." And in many ways he is.

bad bob hells angels arizona: No Angel Jay Dobyns, 2011-06-27 Would you go to the gates of Hell for your job? American Federal Agent Jay 'Bird' Dobyns did. For nearly two years, Dobyn's infiltrated the world's most notorious biker gang—the Hells Angels. An undercover agent for the US government, Bird left his family behind and immersed himself in the Angels' seductive web of organised crime, violence and brotherhood. But all along, whether on the open road or in seedy

backrooms, he knew that death was only one wrong move away. This is a wild ride though one of the world's most violent and unpredictable organisations. No Angel screams along with the noise, power and force of the Hells Angels in full formation.

bad bob hells angels arizona: Summary of Jay Dobyns & Nils Johnson-Shelton's No Angel Everest Media,, 2022-04-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was with Timmy, and we were on our way back from killing a Mongol. We had to make sure that the victim didn't look like he was coming back. #2 The next afternoon, Timmy, JJ, and I went to a Pizza Hut to get some food. We hadn't seen Bobby or the other boys yet, so we wanted their tension to build. JJ's fear was convincing and effective.

bad bob hells angels arizona: *The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

bad bob hells angels arizona: Gangs in Arizona Source Wikipedia, 2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 22. Chapters: Devils Diciples, Friends Stand United, Hells Angels MC criminal allegations and incidents, La Raza Nation, Los Santos (gang), Los Zetas, Mongols motorcycle club, Primi (gang), Public Enemy No. 1 (street gang), Smith Gang, Vagos Motorcycle Club. Excerpt: Members of the Hells Angels Motorcycle Club have been convicted of involvements in criminal acts, some of them very serious, and regularly face allegations of more. On June 18, 2007, an incident involving a Hells Angels member occurred in the streets of Melbourne. The Hell's Angel reportedly fired 6 shots at passers-by who tried to help the member's girlfriend during an altercation, killing Brendan Keilar and critically wounding two others. On May 12, 2008, The Hell's Angel member; Christopher Wayne Hudson pleaded guilty to the murder of Keilar and other offenses committed during the shooting. Members of the rival motorcycle gang, the Comancheros, and members of the Hells Angels were believed to be involved in a clash at Sydney Airport on Sunday, March 22, 2009. The clash resulted in one man, Hells Angels associate Anthony Zervas, being beaten to death. Police estimated as many as 15 men were involved in the violence. Documents released by NSW Police detail the brawl as a result of a Comanchero gang member and a Hells Angel being on the same flight from Melbourne. Four suspects were arrested as a result of the altercation. As a result of heightening violence, New South Wales Premier Nathan Rees announced the state police anti-gang squad would be boosted to 125 members from 50. On the night of March 29, 2009, Hells Angels member Peter Zervas, the brother of the man killed during the Sydney Airport Brawl a week earlier, was shot and injured in retaliation as he left his car outside his home. On July 20, 2011, a NSW judge

dismissed a bid by the state's police...

bad bob hells angels arizona: Hell's Angels Yves Lavigne, 1996-12-26 This is the explosive true story of the only man ever to infiltrate the Hells Angels organization as an FBI informant, uncovering the truth about the notorious biker gang's netherworld of evil, lust, and violence. A chilling crime story that strips away the Hell's Angels's image to reveal a powerful and deadly organized crime syndicate. The author's acceptance into the highest ranks of the gang led to an unprecedented FBI sting operation and 42 arrests.

bad bob hells angels arizona: Hell's Angels Hunter S. Thompson, 1999-12-07 Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell’s Angels, that is—in this short work of nonfiction. “California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again.” Thus begins Hunter S. Thompson’s vivid account of his experiences with California’s most notorious motorcycle gang, the Hell’s Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as The New Yorker pointed out, “For all its uninhibited and sardonic humor, Thompson’s book is a thoughtful piece of work.” As illuminating now as when originally published in 1967, Hell’s Angels is a gripping portrait, and the best account we have of the truth behind an American legend.

bad bob hells angels arizona: Hell's Angels , 2018 Hell's Angels: A Strange and Terrible Saga by Hunter S. Thompson| Conversation Starters Gonzo journalist Hunter S. Thompson vividly recounts his experiences with the most notorious motorcycle gang in California – Hell’s Angels. Back in the mid-1960s, Thompson lived for almost two years with the controversial Angels. They cycle up and down the California coast, they revel in their clan’s anarchic spirit and as their name befits, they raise hell. Hell's Angels: A Strange and Terrible Saga of the Outlaw Motorcycle Gangs successfully captures a moment in American history, the beginning of the biker lifestyle. Such countercultural movements were horrifying to America then. Hell’s Angels were first published in 1967 and are still the most gripping and the best account that we have about the truth behind this American legend. The New York Times Book Review says that Thompson’s language is brilliant and he “has presented us with a close view of a world most of us would never encounter.” Studs Terkel for The Chicago Tribune says that this book is superb and terrifying. A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to.. Create Hours of Conversation: • Foster a deeper understanding of the book • Promote an atmosphere of discussion for groups • Assist in the study of the book, either individually or corporately • Explore unseen realms of the book as never seen before

bad bob hells angels arizona: Hell's Angels Yves Lavigne, 1993 Not since Hunter Thompson's seminal Hells Angels: A Strange & Terrible Saga of the Outlaw Motorcycle Gangs in 1967 has there been such a thorough account of the Angels. This book documents the gang's bumpy ride from its origins as a Stateside club for WWII fighter pilots to its freewheeling terror tactics of the early sixties, to its absurd flirtation with the hippie scene, to its current status as one of the most powerful underground organisations in North America, rivalling even the Mafia.

bad bob hells angels arizona: Wayward Angel George Wethern, Vincent Colnett, 2008-10-14 We all know about the Hells Angels: toughs on Harleys terrorizing the law-abiding; wild brawls and wild sex; drugs and cruelty, beatings, and even murder. But nobody really knows what it’s like to be an Angel except an Angel. In this classic of Hells Angels literature, to be read alongside the works of

Hunter S. Thompson and Sonny Barger, George Wethern—for many years the vice president of the Oakland Chapter—tells it like it is. Until he found himself in reluctant service to the courts, Wethern was the quintessential Angel. One of the West Coast's top drug dealers, he was a man who loved bikes, fights, women, and drugs; a man who knew the deepest secrets of Angel life. Arrested, strung out, in despair, he bought a precarious freedom by testifying in major trials against Angels members—and then disappeared into the witness protection program. A Wayward Angel is a powerful book, a not-for-the-squeamish portrait of the drug scene and the alienation from modern life in late-twentieth-century California. We witness killings, million-dollar drug deals, and orgy-laced "picnics." This is a story uniquely American. And it is a terrifying tale—because it's real.

bad bob hells angels arizona: Hell's Angels Hunter S. Thompson, 2009 The Hell's Angels erupted into 1960s America, paralysing whole towns with fear. Determined to discover the truth behind the terrifying reputation of these marauding biker gangs, Hunter S. Thompson spent a year on the road with the Angels, documenting his hair-raising experiences with Charger Charley, Big Frank, Little Jesus and The Gimp. Hell's Angels was the result: a masterpiece of underground reportage whose free-wheeling, impressionistic style created the legend of Gonzo journalism, and made Thompson's name as the wild man of American writing.

bad bob hells angels arizona: Exile on Front Street George Christie, 2016-09-20 After forty years in the Hell's Angels, George Christie was ready to retire. As the president of the high-profile Ventura chapter of the club, he had been the yin to Sonny Barger's yang. Barger was the reckless figurehead and de facto world leader of the Angels. Christie was the negotiator, the spokesman, the thinker, the guy who smoothed things out. He was the one who carried the Olympic torch and counted movie stars, artists, the Grateful Dead, and police chief captains among his friends. But leaving isn't easy, and within two weeks of retirement he was told he was 'out bad,' blackballed by his fellow Angels, prohibited from wearing the club patch, even told he should remove his Death's Head tattoo. Now, Christie's set out to tell his story
