basic theology charles ryrie free: *The High Cost of a Free Gift* Kermit Taylor, 2020-10-26

When we think about our salvation in most cases, we will focus on God's gracious and undeserved goodness toward us. Though salvation flows from the grace of God, thereby making it free to all who put their trust in Jesus, free does not mean that our salvation is cheap or without great cost to God Himself. This book, *The High Cost of a Free Gift*, takes a very Christocentric look at the gracious provision of salvation. This book focuses on all that it cost our Savior in order that He might be our perfect and eternal sacrifice for sin. By looking at the Christology of our salvation, this book encourages a greater appreciation for all that the Son of God endured in order that we might be saved. From His preincarnate glory to His descent into the grave, our Savior paid a high price in order that we might receive the free gift of salvation. This book will trace the downward stage in the works of Jesus Christ from His glory to the grave referred to as His humiliation. We will take a deeper look at the following topics: - Jesus's Glorious Preincarnate Existence - The Meaning and Necessity of His Humiliation - The Virgin Birth and Incarnation of Jesus - Kenosis: The Self-Emptying of Jesus - His Temptations and Rejections - His Illegal Trials - His Sacrificial Atoning Death - His Burial and Descent to Hades - The Implications of His Humiliation Ultimately, from this reading, we learn that the Son of God's love for man was so deep that He willingly laid aside His glory in order to endure a level of humiliation that was so great that only God wrapped in humanity could endure it. Our greater appreciation for the high cost that Jesus paid to save us should cause us, as believers, to appreciate, admire, and adore Him all the more and greatly value the free gift to which He paid such a high cost.

Evangelism is a spiritual adventure and readers will be challenged to re-think how they live it out.

basic theology charles ryrie free: **Damnably Heresies** Dennis Nutter, 2011-07-21
DAMNABLE HERESIES But there were false prophets also among the people, even as there shall be false prophets among you, who privily shall bring in damnable heresies even denying the Lord that bought them, and bring upon themselves swift destruction. And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. (II Peter 2:1-2) (KJV) The beliefs that are held by most Christians today, and throughout history, are not well thought-out or arrived at by revelation after years of searching for the truth. They are, rather, arrived at by learning what those in authority believe concerning a matter and then adhering to, and even defending, those points of doctrine or orthodoxy or tenets of the faith for the balance of the time that one wishes to remain in fellowship with those who share and defend those same points of faith. The purpose of this book is to provide a means for those who may be enslaved by unbiblical points of Christian doctrine that depict God as a capricious, inconsistent, despot in His dealings with mankind (despite their protests to the contrary) to consider another point of view that is backed by scripture – not just the systematic theology or dogma of a respected theologian, bible teacher, or pastor. It is also designed to help those who believe differently from the orthodox thinking on such issues as predestination, original sin, eternal security, and speaking in tongues, to be affirmed in their belief and to be armed anew with reasons for the convictions of their beliefs. Some quotes from the book... A true Christian will jealously protect the true nature and will of God as He reveals Himself to us through His Word and through His Holy Spirit. Even apparently slight distortions of the Law, the Prophets, or the Gospel (the proclamation that the Law and the Prophets are fulfilled in the birth, ministry, death, resurrection, and ascension of Jesus the Christ) result in removing those who believe those distortions 'unto another gospel.' We have observed already in Scripture that God ...desires all men to be saved and come to the knowledge of the truth (I Timothy 2:4). As Scripture, reason, and direct experience show us, it is our own selfish pursuit of having things our own way that shuts us away

from God's salvation not His will or predetermination of our eternal condition.

Smalley, 2021-12-01 Here is catechesis at its best, instructing the student of theology, providing pastors with a sermon-enriching manual, and giving growing Christians a resource book that will both inform and nourish them, as well as provide endless theological enjoyment! — Sinclair B. Ferguson, Chancellor's Professor of Systematic Theology, Reformed Theological Seminary; Teaching Fellow, Ligonier Ministries The aim of systematic theology is to engage not only the head but also the heart and hands. Only recently has the church compartmentalized these aspects of life—separating the academic discipline of theology from the spiritual disciplines of faith and obedience. This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights—characterized by a simple, accessible, comprehensive, Reformed, and experiential approach. In this volume, Joel R. Beeke and Paul M.

Smalley unpack the work and role of the Holy Spirit (Pneumatology) and salvation (soteriology). The authors examine the Holy Spirit's role in the history of salvation, the order of salvation, and the believers' experience of salvation. As readers consider the interrelationship between the Spirit and salvation, they are invited to explore the direct activity of the Lord in their lives for their salvation.

basic theology charles ryrie free: Attack Evangelism Greg Koehn Ph.D., 2014-04 This book was originally written as a training manual for evangelism but then developed into a study of our salvation. The presentation of the gospel is simple so that even a child can understand it and believe it. But it is not enough to give a simple presentation, in order for us to defend the faith in this postmodern world, we need to understand the gospel and its implications for our world. Our Christian imperative is to make disciples of the people groups of the world beginning with where we are and then moving out to the uttermost parts of the world. Culture will only change when people change and they will change only when that change occurs from the inside out. To believe on the Lord Jesus Christ is to be born again, a person changed by the Spirit of God from the inside out. The Church is God's ordained institution on earth but the Church spends too much time on the inside, the time has come to get off our seat, onto our feet and into the street. In view of our postmodern world, passive evangelism is not the answer, it is time to attack.

basic theology charles ryrie free: When Godly People Do Ungodly Things Beth Moore, 2002-04-01 It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When Godly People Do Ungodly Things will be a guide to authentic repentance and restoration.

basic theology charles ryrie free: The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear, biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life. While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life, this raises the vital question: what is the necessary content of this faith? Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith, Thomas Stegall goes well beyond a carefully documented analysis of his own movement. The Gospel of the Christ provides a systematic, exegetically-based treatment of biblical teaching on the subject of the gospel and the meaning of the title, the Christ. The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith.

basic theology charles ryrie free: Prayer, Middle Knowledge, and Divine-Human Interaction Kyle D. DiRoberts, 2018-07-27 Christians generally believe that in prayer they are free in their act to petition God. Christians also believe that they pray to a God that is sovereign and omniscient. Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one's account of divine providence, which determines how motivated the person is to offer petitionary prayer in the divine-human relationship. The theories of providence and their understanding of petitionary prayer discussed in this book include: compatibilism, hard determinism, open theism, and middle knowledge. Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing. DiRoberts argues that middle knowledge is the preferred theory of providence as it relates

to petitionary prayer, because for middle knowledge, God's sovereignty includes both his omniscience and libertarian human freedom.

basic theology charles ryrie free: The Freedom Book W. Russell Ogden Ph.D., 2011-07-25 Freedom is America's highest value. We are the land of the free and the home of the brave. The stars and stripes of our flag wave Freedom over our embassies around the world. Immigrants risk their lives to gain freedom in America. The Statue of Liberty welcomes them to our shores. Our laws are designed to protect physical and political freedom for all citizens equally. Spiritual freedom is the Christians highest value. This is the basis of all the freedoms we enjoy. The Freedom Book traces the history of freedom how God gave us freedom at creation, how it was impaired by the fall in Eden and how Jesus Christ restored it through his death on the cross and resurrection to eternal life. Not all truth is liberating, but the truth of God's word is liberating. Jesus said, If you abide in my word, you are truly my disciples, and you will know the truth, and (this) truth will set you free (John 8:31-32). This book can guide you on the path to true freedom.

basic theology charles ryrie free: The Doctrine on Which the Church Stands or Falls (Foreword by D. A. Carson) Matthew Barrett, 2019-03-14 Many factors contributed to the Protestant Reformation, but one of the most significant was the debate over the doctrine of justification by faith alone. In fact, Martin Luther argued that justification is the doctrine on which the church stands or falls. This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history, the Bible, theology, and pastoral practice—revealing the enduring significance of this pillar of Protestant theology.

basic theology charles ryrie free: Jesus Son of God—Son of Man Jesus Is Our Pattern J. Harlow Holmes, 2019-05-10 This is a Commentary like no other today. It reveals the true nature of Jesus as He walked on the earth and fulfilled the very necessary role that was required because of Adam's fall. It fulfills the passage of I Corinthians 15:45—the last Adam. Jesus had to be like us in order to take our place. He was not God in flesh as preached today from most pulpits. He was the manifestation of God, His Father. Manifestation is the KEY word. He was God manifested in the flesh. When the Apostles saw Jesus in action they saw God the Father, John 14:9-11. We can see God in Jesus. Another important message is that Jesus was our pattern. We, the Church, should be doing the things that He did today. He Said to the disciples: "As the Father sent Me, so send I you." John 20:21. Then He included us in His prayer in John 17:20-21. The Bible has been translated by those who believe in the doctrine of the Trinity. This came from Constantine and the first Nicene Creed in the 300s AD with the penalty of death involving over 200 Bishops if they did not sign it as he commanded. It seems that two were willing to die for the truth. All that was required to emphasize that Jesus was God just involved some prepositions and pronouns. However, the bulk of Jesus' confession indicates otherwise. The Prologue is the foundation of proof that Jesus was a human being just like you and me. The Lord told me that most everyone is a product of someone else's teaching today. However, when I was first filled with the Holy Spirit in my mid-twenties Jesus told me to let Him teach me. I have been faithful to that command for nearly 65 years. This commentary is the result of that command.
