

bat masterson wife

bat masterson wife is a topic that delves into the personal life of one of the most iconic figures of the American Old West. Bat Masterson, known for his roles as a lawman, gambler, and journalist, has a fascinating history that extends beyond his public exploits to his relationships, including his marriage. This article explores the life of Bat Masterson's wife, shedding light on her identity, their marriage, and the impact she had on his life. Additionally, it covers the historical context of their union and how it influenced Masterson's later years. For those interested in Old West legends or the personal stories behind famous figures, understanding Bat Masterson's wife provides a more complete picture of the man behind the legend. The following sections will discuss the background of Bat Masterson, details about his wife, their marriage life, and her legacy.

- Who Was Bat Masterson?
- The Identity of Bat Masterson's Wife
- Marriage and Personal Life
- Bat Masterson's Later Years and His Wife's Influence
- Legacy of Bat Masterson and His Wife

Who Was Bat Masterson?

Bat Masterson, born Bartholomew Masterson in 1853, was a prominent figure in the American West known for his diverse roles as a lawman, gambler, buffalo hunter, and sports journalist. His career spanned several decades during the late 19th and early 20th centuries. Masterson gained fame as a sheriff and marshal in various frontier towns, including Dodge City, Kansas. His reputation was built on his skill with firearms, quick wit, and dedication to maintaining law and order during turbulent times. Over time, his life story became legendary, immortalized in books, films, and television shows.

Masterson's transition from law enforcement to journalism in New York City marked a significant change in his life. Despite his often rugged and adventurous public persona, his personal life, particularly his marriage, is an important aspect that offers insight into the man behind the legend.

The Identity of Bat Masterson's Wife

Bat Masterson's wife was named Emma F. Masterson. Unlike his adventurous

public life, Emma's presence in historical records is relatively subdued but nonetheless significant. Emma was not widely known during Masterson's lifetime, as much of his fame centered around his exploits and career rather than his family life.

Emma F. Masterson was married to Bat Masterson later in his life. The marriage took place after Masterson had established his career as a sports writer in New York City, marking a period when he had settled from his earlier, more turbulent years in the West.

Background and Early Life of Emma

Details about Emma's early life remain scarce, but it is understood that she was a supportive partner to Bat Masterson during his later years. As the wife of a famous figure, she lived through a transitional period for Masterson, moving from the lawless frontier to the urban environment of New York.

Marriage Date and Circumstances

Bat Masterson and Emma were married in the early 20th century, though exact records of the date vary. The marriage symbolized a new chapter in Masterson's life, moving away from his days as a lawman and gambler to becoming a respected journalist and social figure in New York City. Emma's role as his wife was integral during this quieter, more settled phase of his life.

Marriage and Personal Life

The relationship between Bat Masterson and his wife Emma reflected the contrast between his tumultuous past and his domestic present. Their marriage was characterized by relative stability compared to the adventurous and often dangerous life Masterson had led earlier.

Though Bat Masterson remained a public figure, his personal life with Emma was kept private, away from the limelight. They resided primarily in New York, where Masterson worked as a sports writer for the New York Morning Telegraph. Emma's support was important as Masterson navigated his new role in society.

Life in New York

Living in New York City marked a significant shift for Bat Masterson and his wife. The city presented a stark contrast to the wild western frontier that defined much of his early life. Emma and Bat settled into a lifestyle that involved social events, journalism, and a degree of celebrity status.

Emma's presence in Bat's life provided a sense of companionship and domestic

normalcy, which was a departure from his previous years filled with conflict and law enforcement duties.

Challenges and Public Attention

Although Emma was not a public figure, being married to Bat Masterson meant dealing with the attention that came with his fame. The couple faced the challenges of maintaining privacy and balancing their personal life with Bat's public persona.

Bat Masterson's Later Years and His Wife's Influence

In Bat Masterson's later years, his marriage to Emma played a key role in his personal stability. As Masterson aged, the support and companionship provided by his wife became increasingly important. Emma was present during critical moments towards the end of his life, including his battle with illness.

Health and Final Years

Bat Masterson passed away in 1921. During his declining health, Emma was by his side, underscoring the importance of their relationship during difficult times. Her role as his wife extended beyond companionship to caretaking and emotional support.

Emma's Life After Bat Masterson

Following Masterson's death, Emma continued her life largely out of the public eye. Historical records indicate she maintained a low profile, preserving the memory of her husband while living privately.

Legacy of Bat Masterson and His Wife

The legacy of Bat Masterson is well-documented in American history and popular culture. However, the legacy of his wife Emma is intertwined with his story, representing the personal side of a larger-than-life character. Their marriage highlights the human aspects of a man often remembered for his exploits rather than his relationships.

Impact on Bat Masterson's Legacy

Emma's influence on Bat Masterson's later life contributed to the stability

that allowed him to transition from a frontier lawman to a respected journalist. This period of domestic life helped shape the final chapter of Masterson's biography.

Remembering Emma Masterson

Though less celebrated, Emma Masterson's role as Bat Masterson's wife remains an essential part of his history. She represents the supportive presence behind a legendary figure and enriches the narrative of his life beyond the public eye.

Key Points About Bat Masterson's Wife

- Emma F. Masterson was Bat Masterson's wife during his later years.
- They married after Bat had settled in New York City as a journalist.
- Emma provided support and companionship, contributing to Bat's personal stability.
- Her life remains largely private and less documented compared to Bat's public career.
- Emma was present during Bat Masterson's final years and illness.

bat masterson wife: Bat Masterson Robert K. DeArment, 2014-04-14 The colorful figures of the western American frontier, the Indian fighters, the mountain men, the outlaws, and the lawmen, have been romanticized for more than a hundred years by writers who found it easier to invent history than the research it. Bat Masterson was one such character who cast a long shadow across the pages of western history as it has been routinely depicted. A legend in his own time, he was called in a television series produced in the 1960's. A legend he has become—one firmly fixed in the popular imagination. But in his own time W.B. Masterson was a man, a less-than-perfect creature subject to the same temptations and vices as his fellows, albeit one who, through circumstance and inclination, led an exciting life in an exciting time and place. As buffalo hunter, army scout, peace officer, professional gambler, sportsman, promoter, and newspaperman, Masterson's career was stormy and eventful. Surprising to many readers will be the account of Masterson's career after his peace officer days, during his employment as a sports writer and columnist. The gun-toting western peace officer reputed to have killed more men than Billy the Kid (not so, says DeArment) spent his last years happily in New York City, writing for a nationally known newspaper. This book, the product of more than twenty years of research, separates fact from fiction to extricate the story of his life from the legend that has enmeshed it. It is the most complete biography of Bat Masterson ever written.

bat masterson wife: Why the West Was Wild Nyle H. Miller, Joseph W. Snell, 2003-03-01 ... collection of material from newspapers, legal records, letters, and diaries, contemporary sources. Includes material on Wild Bill Hickok, Bat Masterson, and Doc Holliday, and such locales as Abilene, Wichita, Caldwell, and Dodge City--Back cover.

bat masterson wife: Cheating Death George J. Marrett, 2003-02-06 A gripping account of the US Air Force pilots who risked their lives rescuing thousands of downed pilots during covert missions in the Vietnam War. The colorful characters and daring rescues of downed pilots engaged in the Secret War in North Vietnam and Laos are vividly captured by one who was there, in some of the most exciting stories ever written about aerial combat. Sandy Marrett and his squadron colleagues flew some of the most dangerous air missions of the war as on-scene commanders, in charge of rescuing the scores of US Navy and Air Force pilots shot down over North Vietnam and Laos. A Main Selection of the Military Book Club "A great read for everyone and a must book for all aviation enthusiasts." —C. E. "Bud" Anderson, World War II triple ace and author of *To Fly and Fight* "'That others may live' was their motto and each of us who flew in that war knew should our luck run out they would be there. I cannot recount the times pilots were plucked out of enemy territory, or out of the jungle trees of Laos by those brave men whose call signs were Sandy and Jolly Green. Often they gave their own lives to save another. Greater love hath no man than that. To each of them I give my everlasting respect, admiration, and deep affection. Reach into your hearts as you read this book and understand the lengths to which men can love and support one another in the times of stress. It will make you just a bit prouder to be an American." —Robin Olds, retired general and triple ace

bat masterson wife: Herndon Davis Craig Leavitt, Thomas J. Noel, 2016-02-15 Herndon Davis, an artist and journalist, dedicated his life to depicting the major landmarks and personalities of Colorado in watercolor, oil, and pen and pencil. Best known for the *Face on the Barroom Floor*, the portrait of an alluring woman on the floor of the Teller House Hotel barroom in Central City, Colorado, Davis was a prolific artist whose murals, sketches, and portraits can be found all over the state, from the Sage Room of the Oxford Hotel on Seventeenth Street to the Denver Press Club poker room. Despite his numerous contributions, his work was never showcased or exhibited in the traditional manner. In this biography and first-ever collection featuring most of his life's work, authors Craig Leavitt and Thomas J. Noel provide a detailed look into Davis's life and career and include a catalog of almost 200 of his paintings and drawings from Colorado and around the country. They also put his work into the broader context of the time through comparison with such contemporary Colorado artists as Muriel Sibell Wolle, Allen Tupper True, Charles Waldo Love, and Juan Menchaca. Published to coincide with the Denver Public Library's 2016 exhibition—the only

public display of Davis's work to date—and bringing deserved attention to this overlooked figure, Herndon Davis: *Painting Colorado History, 1901-1962* is an important contribution to Colorado's cultural history. This book and the accompanying exhibit are sponsored by the Western History/Genealogy Department at the Denver Public Library.

bat masterson wife: *The Truth about Wyatt Earp* Richard E. Erwin, 2000-03 *The Truth About Wyatt Earp* is the result of extensive research done by the author, Richard E. Erwin. After retiring from his career as a Criminal Defense Lawyer, he took up the task of ferreting out the truth surrounding the life and times of Wyatt Earp. He presents here solid evidence, based on old newspaper accounts, public records, documents buried in museums, state and national archives and libraries and reports of other researchers, to substantiate his view of what he believes to be *The Truth About Wyatt Earp*. Did you know... That Wyatt Earp was once indicted for horse stealing (He was never convicted.)? That there were four witnesses who could have testified that Tom McLaury was armed at the commencement of the O.K. Corral fight? That both Wyatt Earp and Doc Holliday spent more than two weeks in jail in the custody of John Behan while the hearing on the O.K. Corral shoot-out was going on? The truth comes out in this illuminating essay on one of the most fascinating characters in history.

bat masterson wife: *Deadly Dozen* Robert K. DeArment, 2012-11-09 For every Wild Bill Hickok or Billy the Kid, there was another western gunfighter just as deadly but not as well known. Robert K. DeArment has earned a reputation as the premier researcher of unknown gunfighters, and here he offers twelve more portraits of men who weren't glorified in legend but were just as notorious in their day. Those who think they already know all about Old West gunfighters will be amazed at this new collection. Here are men like Porter Stockton, the Texas terror who bragged that he had killed eighteen men, and Jim Levy, who killed a man for disparaging his Irish blood, though he was also the only known Jewish gunfighter. These stories span eight decades, from the gold rushes of the 1850s to the 1920s. Telling of gunmen such as Jim Masterson, the brother of Bat Masterson, or the real Whispering Smith—the man behind the fictionalized persona—whose career spanned four decades, DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long. The product of iron-clad research, this newest *Deadly Dozen* delivers the goods for gunfighter buffs in search of something different. Together the *Deadly Dozen* volumes constitute a Who's Who of western outlaws and prove that there's more to the Wild West than Jesse James.

bat masterson wife: *She's the Sheriff* Anne Marie Duquette, 2011-07-15 *HOME ON THE RANCH* The Silver Dollar Ranch, near Tombstone, Arizona Virgil Bodine. Oldest of the Bodine brothers. One-time sheriff of Tombstone and former bodyguard to the stars. He's come home from California, with his reluctant ten-year-old son in tow. Desiree Hartlan is a big-city D.A. who talked herself out of a job—and is looking for a new one. The position of sheriff—an elected position—is open. Desiree decides to run. So does Virgil, figuring he'll win in a landslide. Next thing he knows, he's calling her sheriff. And boss. And...wife?

bat masterson wife: *The Ham Reporter* Robert J. Randisi , Robert Randisi has long been held as a master of the genre.—Michael Connelly Bat Masterson is no longer a sheriff in the Old West. He's moved East to New York City where he gets a job as a sport's writer for *The Morning Telegraph*. But when his friend and fellow-newsman, Inkspot Jones, disappears, Masterson's wife Emma asks if he could look into it as a favor to the man's wife. Old habits die hard, and Masterson enlists the aid of young Damon Runyon to play detective and try to locate the missing Inkspot. It doesn't look hopeful—Inkspot had something on somebody, and that somebody may have decided to play rough. Pretty soon they're up to their eyeballs in crooked politicians, hired thugs and a woman of mystery. And it's before it's done, Bat may have to strap on his Colt again for some old-fashioned Western justice. Randisi gives us the real story. Masterson ended up in New York working on a newspaper as a columnist and reporter. And because he was outspoken he got into one hell of a lot of trouble. Randisi brings the city to real life, high and low alike. There's a particularly good chapter on the street gangs of New York. A fine, rich novel that just about any reader will enjoy and

appreciate. —Ed Gorman The astonishingly prolific Randisi . . . may be one of the last true pulp writers. *The Ham Reporter* (1986) is an enjoyable romp through 1911 New York City, in which crime-solving duo Bat Masterson and Damon Runyon's search for a missing sportswriter leads them into a world of thrown fights, crooked cops, and powerful Mob bosses. —Booklist

bat masterson wife: *The Bad Old Days of Colorado* Randi Samuelson-Brown, 2020-03-15 The *Bad Old Days of Colorado* celebrates the state's glorious and rowdy past. Many people born and bred here relish just how "bad" things used to be: the terrain, the inhabitants and especially the quality of whiskey. It almost goes without saying that Colorado had all the characteristic Wild West elements—and in abundance! The chapters focus on the infamous and notorious rather than the law-abiding and civic-minded settlers. These pages, like the state, recount the tales of people who came West seeking, if not their fortune, at least opportunity. It is no secret that Colorado was settled by the adventurous willing to brave the harsh conditions and to prevail. Whether on the right or the wrong side of the law, all settlers and pioneers made unique contributions to the state's complex culture. Certainly, in the nineteenth century, Colorado was not for the faint of heart.

bat masterson wife: *The Journal of the Assembly During the ... Session of the Legislature of the State of California* California. Legislature. Assembly, 1985

bat masterson wife: *Masterson* Richard S. Wheeler, 2001 Winner of the 2000 Spur Award for Best Western Novel. This is classic Wheeler, a solid story about real people told with wit, compassion and a bit of whimsy. - Publishers Weekly. The year is 1919 and Bat Masterson - lawman, gambler, and crony of Wyatt Earp - is working as a sports columnist on the New York Morning Telegraph and enjoying his last legal whiskey as Prohibition looms. Though Bat is bothered by the passage of the Volstead Act, he's even more concerned about the legends that have grown about him. His life has been so notoriously overblown that Bat decides to head West with his wife and straighten out his own history.

bat masterson wife: *The Last Outlaws* Tom Clavin, 2023-11-07 The definitive account of the Dalton Gang and the most brazen bank heist in history, by the multiple New York Times bestselling author. *The Last Outlaws* is the thrilling true story of the last of one of the greatest outlaw gangs. The dreaded Dalton Gang consisted of three brothers and their rotating cast of colorful accomplices who saw themselves as descended from the legendary James brothers. They soon became legends themselves, beginning their career as common horse thieves before graduating to robbing banks and trains. On October 5, 1892, the Dalton Gang attempted their boldest and bloodiest raid yet: robbing two banks in broad daylight in Coffeyville, Kansas, simultaneously. As Grat, Bob, and Emmett Dalton and Bill Power and Dick Broadwell crossed the plaza to enter the two buildings, the outlaws were recognized by townspeople, who raised the alarm. Citizens armed themselves with shotguns and six-shooters from nearby hardware stores and were locked and loaded when the thieves emerged from the banks. The ensuing gun battle was a lead-filled firefight of epic proportions. As the smoke cleared, eight men lay dead—including four of the five members of the doomed Dalton Gang. For the first time ever, the full story of the Dalton Gang's life of crime, culminating in one of the Wild West's most violent events, are chronicled in detail—a last gruesome gasp of the age of gunfights.

bat masterson wife: *Love Lessons from the Old West* Chris Enss, 2014-01-14 From Calamity Jane's relentless pursuit of Wild Bill Hickok to Emma Walters, who gave it all up for the dashing Bat Masterson—and learned to regret it, these romantic stories from the Old West are still familiar and entertaining to readers today. Meet Agnes Lake Hickok, the intrepid wife of Wild Bill Hickok and learn about the last love letter he sent before being dealt the dead man's hand. Learn the story behind the charming performer Lotta Crabtree's heartaches. And discover the tale of the dashing Kit Carson and his beautiful bride. This collection features the lessons learned by and from the antics of the women who shaped the West.

bat masterson wife: *Hunter-trader-trapper*, 1921

bat masterson wife: *Shrapnel in the Heart* Laura Palmer, 1988-11-05 For the first time, one book gives voice to the haunting, painful, tender, and healing tales of those who lost so much in America's least popular war.

bat masterson wife: *El Sombre* Davy L. Moody, 2012-11 *El Sombre: Saga of Boozer Runyan* Cheyenne, Wyoming, in the 1880's, finds itself in the grip of a secret, underworld crime syndicate, that is grabbing land from the locals. Undercover U.S. Marshal, Adam West, (Alias, Boozer Runyan) from Washington, DC, arrives, incognito, discovering an invisible empire of Satanic interests that are seeking to fund a war, at the risk of collapsing the American Banking System, using The Wild Bunch as pawns.

bat masterson wife: *Western Gunslingers in Fact and on Film* Buck Rainey, 2015-11-17 Billy the Kid, Wild Bill Hickok, Belle Starr, Wyatt Earp, the Younger Gang, the Dalton-Doolin Gang and Bat Masterson--these real-life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins. All actually became larger-than-life characters during their lifetimes, as contemporary newspapers and books embellished their deeds for their own purposes. But it was in Hollywood that the line between reality and myth was completely blurred. Each chapter-length entry here first focuses on the known facts of the people's lives and how each became truly legendary during their lifetimes. The reality is then compared to how they have been portrayed in the movies.
