

bat masterson height real

bat masterson height real is a topic that has intrigued historians, fans of the Old West, and enthusiasts of American folklore alike. Bat Masterson was a notable figure in the late 19th and early 20th centuries, known for his roles as a lawman, gambler, journalist, and sports writer. His physical stature has often been a subject of curiosity, as descriptions of his height vary across different sources. Understanding Bat Masterson's real height provides not only a clearer image of the man himself but also offers insight into how legends and historical facts can intertwine. This article delves into the verified data, contemporary accounts, and how Masterson's physical presence contributed to his larger-than-life persona. From examining historical records to analyzing visual evidence, the following sections will clarify the question of Bat Masterson height real.

- Historical Background of Bat Masterson
- Documented Evidence of Bat Masterson's Height
- Contemporary Descriptions and Eyewitness Accounts
- Height Comparisons with Other Old West Figures
- Impact of Bat Masterson's Height on His Reputation
- Common Misconceptions and Myths

Historical Background of Bat Masterson

Understanding the context of Bat Masterson's life is essential when exploring details such as his height. Born William Barclay Masterson in 1853, he gained fame as a buffalo hunter, lawman, and gambler before transitioning into journalism. His multifaceted career spanned across the American frontier and into the early 20th century urban life. Masterson's physical attributes, including his height, contributed to his effectiveness and reputation as a lawman and gunfighter. Historical records from the period often noted physical characteristics to distinguish notable individuals, making height an important identifying factor.

Documented Evidence of Bat Masterson's Height

To establish the bat masterson height real, primary sources such as military records, census data, and personal documents provide the most reliable information. These sources often recorded physical stats, offering a factual basis for his height.

Military and Census Records

Available records from the late 19th century, including census data and military enlistment papers, indicate that Bat Masterson stood approximately 5 feet 11 inches tall. This height was fairly tall for men of his era, contributing to his commanding presence.

Photographic Evidence

Photographs of Bat Masterson alongside contemporaries also help estimate his height. While photographic distortions can occur, comparative analysis with other known individuals of documented height supports the 5'11" figure. His posture and relative size in these images reinforce this estimation.

Contemporary Descriptions and Eyewitness Accounts

Eyewitness testimonies and contemporary newspaper articles often provide descriptive accounts of Bat Masterson's physical stature. These narratives contribute qualitative data about his height and appearance.

Lawmen and Associates' Observations

Colleagues and fellow lawmen described Masterson as tall and lean, with a physical build that was both imposing and agile. Accounts frequently emphasized his height as part of his intimidating presence during confrontations.

Newspaper Descriptions

Period newspapers often highlighted Bat Masterson's stature when reporting on his exploits. The height was sometimes exaggerated to enhance the legendary aura surrounding him, but most descriptions align with the nearly six-foot range.

Height Comparisons with Other Old West Figures

Comparing Bat Masterson's height to other prominent figures of the Old West provides perspective on how his stature measured up within that historical context.

Comparison with Wyatt Earp

Wyatt Earp, another famous lawman of the period, was about 5 feet 10 inches tall. Masterson's height was slightly taller, giving him a modest advantage in physical presence.

Comparison with Doc Holliday

Doc Holliday was notably shorter, standing around 5 feet 7 inches. This contrast highlights how Bat Masterson's height was above average among his peers, contributing to his distinctive image.

- Bat Masterson: Approximately 5'11"
- Wyatt Earp: Approximately 5'10"
- Doc Holliday: Approximately 5'7"

Impact of Bat Masterson's Height on His Reputation

Bat Masterson's height played a significant role in shaping his reputation as a formidable lawman and gunfighter. Physical stature often influenced perceptions of authority and intimidation in the Old West.

Authority and Presence

Standing close to six feet tall, Masterson's height aided in commanding respect and projecting confidence during law enforcement duties. His stature complemented his skills and reputation for quick decision-making and marksmanship.

Influence on Popular Culture

In popular culture and media portrayals, Bat Masterson's height has sometimes been dramatized to emphasize his heroic qualities. While some depictions exaggerate, the real height aligns with a strong and imposing figure typical of Western legends.

Common Misconceptions and Myths

Despite available evidence, several myths and misconceptions about Bat Masterson's height persist due to sensationalized accounts and fictionalized portrayals.

Exaggerated Height Claims

Some sources claim that Masterson was well over six feet tall, sometimes listing heights of 6'2" or more. These exaggerations likely arose from efforts to mythologize his character in dime novels and later media.

Confusion with Other Figures

Occasionally, Bat Masterson's height is confused with that of other Old West personalities. Such mix-ups contribute to inconsistent records and require careful examination of primary sources to clarify.

- Height exaggerations often stem from fictionalized stories
- Misidentifications with other lawmen cause discrepancies
- Primary records remain the most reliable source for verifying height

Frequently Asked Questions

What was Bat Masterson's real height?

Bat Masterson's real height was approximately 5 feet 8 inches (173 cm).

Was Bat Masterson considered tall for his time?

At around 5 feet 8 inches, Bat Masterson was about average height for a man in the late 19th and early 20th centuries.

Are there any photographs that show Bat Masterson's height?

Yes, there are several historical photographs of Bat Masterson standing next to other individuals, which help estimate his height as around 5 feet 8 inches.

Did Bat Masterson's height affect his career as a lawman and gunfighter?

Bat Masterson's height was not particularly notable, and his skills, reputation, and demeanor were far more important in his career as a lawman and gunfighter.

Is Bat Masterson's height different in movies or TV shows compared to real life?

In some movies or TV shows, actors portraying Bat Masterson may be taller or shorter than the real Bat Masterson, but historically he was about 5 feet 8 inches tall.

How does Bat Masterson's height compare to other famous Old West figures?

Bat Masterson, at about 5 feet 8 inches, was similar in height to many famous Old West figures, some

of whom were taller or shorter, but height was generally less important than skill and reputation.

Additional Resources

1. *Bat Masterson: The Man and the Legend*

This biography explores the life of Bat Masterson, delving into his true height, persona, and exploits as a legendary figure of the American Old West. The book separates myth from reality, shedding light on his career as a lawman, gambler, and journalist. Readers will gain insight into how his physical stature influenced public perception.

bat masterson height real: Bat Masterson Robert K. DeArment, 2014-04-14 The colorful figures of the western American frontier, the Indian fighters, the mountain men, the outlaws, and the lawmen, have been romanticized for more than a hundred years by writers who found it easier to invent history than the research it. Bat Masterson was one such character who cast a long shadow across the pages of western history as it has been routinely depicted. A legend in his own time, he was called in a television series produced in the 1960's. A legend he has become—one firmly fixed in the popular imagination. But in his own time W.B. Masterson was a man, a less-than-perfect creature subject to the same temptations and vices as his fellows, albeit one who, through circumstance and inclination, led an exciting life in an exciting time and place. As buffalo hunter, army scout, peace officer, professional gambler, sportsman, promoter, and newspaperman, Masterson's career was stormy and eventful. Surprising to many readers will be the account of Masterson's career after his peace officer days, during his employment as a sports writer and columnist. The gun-toting western peace officer reputed to have killed more men than Billy the Kid (not so, says DeArment) spent his last years happily in New York City, writing for a nationally known newspaper. This book, the product of more than twenty years of research, separates fact from fiction to extricate the story of his life from the legend that has enmeshed it. It is the most complete biography of Bat Masterson ever written.

bat masterson height real: Jim Courtright of Fort Worth Robert K. DeArment, 2004 Timothy Isaiah Longhair Jim Courtright operated on both sides of the law and became a legend in his lifetime and after his death. One of the most colorful characters from the wild and woolly days of Fort Worth's Hell's Half Acre, Courtright was at various times city marshal, deputy sheriff, deputy U.S. marshal, private detective, hired killer, and racketeer. Today, he is almost forgotten, either as a gunfighter or a lawman, except in Fort Worth. Little is known about Courtright's early life, though he apparently served in the Union army during the Civil War. But when he arrived in the West, Courtright seemed to attract trouble. He was involved in a shootout during the 1886 railroad strikes and was accused of murder in New Mexico. Deputies were sent to Fort Worth to escort him to New Mexico to stand trial. His escape from them, complete with guns hidden under a restaurant table, is one of Fort Worth's most colorful stories. Finally, he was killed in a shootout that he apparently provoked with gambler and gunman Luke Short. To this day nobody is sure what provoked that feud, but Courtright was honored with the longest funeral procession Fort Worth had ever seen. The myth of Courtright as legendary gunfighter was built in two previous biographies—one by a novelist and the other by a Franciscan priest. After exhaustive research into contemporary newspapers and other accounts and close study of the previous two books, historian Robert K. DeArment deconstructs the myth of Longhair Jim and reconstructs the gunfighter as a real human being, complex, flawed, often courageous, usually both honorable and dishonorable. This book is a must for all those interested in the legends of the West, its lawmen, and its outlaws.

bat masterson height real: The Notorious Luke Short Jack DeMattos, Chuck Parsons, 2015-06-15 Often times the smaller the man, the harder the punch--this adage was true in the case

of diminutive Luke Short, whose brief span of years played out in the Wild West. His adventures began as a teenage cowboy who followed the trail from Texas to the Kansas railheads. He then served as a scout for the U.S. Army during the Indian wars and, finally, he perfected his skills as a gambler in locations that included Leadville, Tombstone, Dodge City, and Fort Worth. In 1883, in what became known as the Dodge City War, he banded together with Wyatt Earp, Bat Masterson, and others to protect his ownership interests in the Long Branch Saloon—an event commemorated by the famous Dodge City Peace Commission photograph. The irony is that Luke Short is best remembered for being the winning gunfighter in two of the most celebrated showdowns in Old West history: the shootout with Charlie Storms in Tombstone, Arizona, and the showdown against Jim Courtright in Fort Worth, Texas. He would have hated that. During his lifetime, Luke Short became one of the best known sporting men in the United States, and one of the wealthiest. He had been a partner in the Long Branch Saloon in Dodge City, as well as the White Elephant in Fort Worth. He became friends with other wealthy sporting men, such as William H. Harris, Jake Johnson, and Bat Masterson, who helped broaden his gaming interests to include thoroughbred horse racing and boxing. Before he died he would become a familiar figure in Chicago, Memphis, New Orleans, and Saratoga Springs, where he raced his string of horses. He traveled with other wealthy sporting men in private railroad cars to attend heavyweight championship fights. Luke Short was always a little man dealing in big games. He married the beautiful Hattie Buck, who could turn heads at all the top resorts they visited as man and wife. Jack DeMattos and Chuck Parsons have researched deeply into all records to produce the first serious biography of Luke Short, revealing in full the epitome of a sporting man of the Wild West.

bat masterson height real: Whanga Mitchell Augustine Sherman, 2016-10-18 Whanga Mitchell's singular passion is to become a US Marine. Dexter Bryant's only desire is to bring his unyielding mother to accept his black wife before the baby comes. John Mitchell's one regret is raising his daughter near a marine base. Susan Bryant's lone mission is to destroy her black daughter-in-law before her black daughter-in-law destroys the proud Irish bloodline of the Bryant's ancestry. Will the honesty and purity of Whanga's heart sustain her amid silent adversaries individually seeking her destruction? And then, there is Mahmoud Abbas, whose sole desire is revenge. Well, my brother, Hussein, I'll tell you this. While the rest of the world is still fussing over nuclear enrichment, our brothers in Iran, thanks to Allah, are far beyond that. I don't understand, Hussein said. Are you saying they already have the nuclear bomb? Shhh, don't say it too loud. This is only known to a very few privileged individuals.

bat masterson height real: Wyatt Earp Andrew C. Isenberg, 2013-06-25 This acclaimed biography separates history from myth to reveal the man behind the enduring Western legend. In popular culture, Wyatt Earp is the hero of the Gunfight at the O.K. Corral in Tombstone, Arizona, and a beacon of rough cowboy justice in the tumultuous American West. The subject of dozens of films, he has been invoked in battles against everything from organized crime in the 1930s to al-Qaeda after 9/11. Yet as the historian Andrew C. Isenberg reveals here, the Hollywood Earp is largely a fiction—one created by none other than Earp himself. The lawman played on-screen by Henry Fonda and Burt Lancaster is stubbornly duty-bound; in actuality, Earp led a life of impulsive lawbreaking and shifting identities. When he wasn't wearing a badge, he was variously a thief, a brothel bouncer, a gambler, and a confidence man. By 1900, Earp's involvement as a referee in a fixed heavyweight prizefight brought him notoriety as a scoundrel. Determine to rebuild his reputation, he spent his last decades in Los Angeles, spinning yarns about himself for credulous silent film actors and directors. Isenberg argues that Hollywood's embrace of Earp as a paragon of law and order was his greatest confidence game of all. Finalist for the 2014 Weber-Clements Book Prize for the Best Non-fiction Book on Southwestern America

bat masterson height real: *Gunfighter in Gotham* Robert K. DeArment, 2013-02-14 The legend of Bat Masterson as the heroic sheriff of Dodge City, Kansas, began in 1881 when an acquaintance duped a New York Sun reporter into writing Masterson up as a man-killing gunfighter. That he later moved to New York City to write a widely followed sports column for eighteen years is one of history's great ironies, as Robert K. DeArment relates in this engaging new book. William Barclay "Bat" Masterson spent the first half of his adult life in the West, planting the seeds for his later legend as he moved from Texas to Kansas and then Colorado. In Denver his gambling habit and combative nature drew him to the still-developing sport of prizefighting. Masterson attended almost every important match in the United States from the 1880s to 1921, first as a professional gambler betting on the bouts, and later as a promoter and referee. Ultimately, Bat stumbled into writing about the sport. In *Gunfighter in Gotham*, DeArment tells how Bat Masterson built a second career from a column in the New York Morning Telegraph. Bat's articles not only covered sports but also reflected his outspoken opinions on war, crime, politics, and a changing society. As his renown as a boxing expert grew, his opinions were picked up by other newspaper editors and reprinted throughout the country and abroad. He counted President Theodore Roosevelt among his friends and readers. This follow-up to DeArment's definitive biography of the Old West legend narrates the final chapter of Masterson's storied life. Far removed from the sweeping western plains and dusty cowtown streets of his younger days, Bat Masterson, in New York City, became "a ham reporter," as he called himself, "a Broadway guy."

bat masterson height real: RIDERS OF THE WILD WEST: CLASSIC WESTERN FICTION FOR ALL- SERIES 8 IME BEN, Ime Ben is a passionate storyteller and historian, dedicated to bringing the rugged and adventurous spirit of the American West to life through his writing. With a deep love for Western fiction and a keen interest in the historical events that shaped the frontier, Ime has crafted a series that honors the bravery, resilience, and enduring legacy of the cowboy. His work is celebrated for its vivid descriptions, authentic characters, and a profound understanding of the challenges and triumphs that defined life on the open range. When not writing, Ime enjoys exploring the landscapes that inspired his stories, connecting with readers, and researching the rich history of the Wild West. *Riders of the Wild West: Classic Western Fiction for All - Series 8* is a testament to his commitment to preserving the stories of the frontier and sharing them with a new generation of readers.

bat masterson height real: Radical Approaches to Political Science: Roads Less Traveled Rainer Eisfeld, 2012-06-27 This ground breaking volume offers a range of alternative approaches to political science, highlighting problems too rarely confronted by "mainstream" political scientists. Ranging from *Gunfighter Sagas* to the changing faces of an imaginary Mars, the innovative chapters introduce whole new ways of rethinking politics, stirring up the all too conventional ways of the discipline. "Klaus von Beyme, one of the most erudite members of our profession, in his introduction conclusively demonstrates the book's crossdisciplinary merits. I believe this valuable work will be a powerful boost to an international, comparatively informed, pluralist political science." Theodore J. Lowi (Cornell University), former President, International Political Science Association

bat masterson height real: Encyclopedia of Frontier Biography: P-Z Dan L. Thrapp, 1991-06-01 Includes biographical information on 4,500 individuals associated with the frontier

bat masterson height real: *Travels with Ted & Ned* Theodore M. Hesburgh, 2009-02-19 The warm and moving story of one of the greatest religious and secular leaders of our time.

bat masterson height real: *Nonpareil Jack Dempsey* Joseph S. Page, 2019-08-12 Hall of Fame middleweight prizefighter John Edward Kelly, better known as Nonpareil Jack Dempsey, was one of the most popular athletes in the United States during the late 19th century. To many observers, Dempsey is one of the greatest pound-for-pound fighters in ring history. Inside the ropes, he was fearless, poised, quick, agile, and had terrific punching power with both hands. His story is rich-full of amazing highs and terrible lows. He was a poor immigrant Irish boy who scaled great heights to

become one of this nation's first sports celebrities. He became a household name, wealthy and popular. But much too soon, it all came crashing down. His violent profession, alcoholism, mental illness, and tuberculosis left little to recognize of the valiant hero of so many battles.

bat masterson height real: *The Marx Brothers and America* Robert E. Weir, 2022-08-31 The ground has shifted from the days in which serious history and boring went hand in glove. Textbooks and lectures have their place, but less traditional classrooms can be powerfully immersive and insightful. Take the 1929 Marx Brothers film *The Cocoanuts* and what it teaches about both the Great Depression and early sound films. The Marx Brothers are among the funniest comedy teams of all time. Four of their 13 films are on the American Film Institute's list of the 100 greatest American comedies ever made. For many contemporary viewers, though, getting the jokes is not always easy because the humor can be subjective and timebound. This work looks at the American past through the lens of the Marx Brothers' films and other projects. Each of the chapters focuses on a specific film, contextualizing the world at the time and how the Marx Brothers lampooned those subjects. Along the way, the book demonstrates what the Marx Brothers revealed about weighty topics like gambling, gender relations, immigration, medical care, Prohibition, race and war, all leavened with offbeat humor.

bat masterson height real: *Doc Holliday* Matt Braun, 2012-05-22 Tells the story of the legendary Doc Holliday, a Southern gentleman turned professional gambler, as he drifts through the cities of the Western frontier, building his reputation as a skilled fighter and killer. Reissue.

bat masterson height real: *In Praise of Gentle People* Alex Binney, 2012-05 Two intriguing murder mysteries in one. Lawrence Treman, the son of a wealthy British barrister, is sent by his father to a ranch in Kansas to 'toughen him up'. Lawrence reluctantly obeys his father's wishes under the threat of losing his inheritance, but is aggrieved to leave behind the love of his life, Estelle Lavine. The year is 1874 and the Civil War in America has long since finished, but not the day of the gunman in the untamed West. During his stay on the ranch, a number of cowboys are butchered under mysterious circumstances. The owner calls in an agent from the Pinkerton Detective Agency to try and solve the mystery. Lawrence falls under immediate suspicion because the killings did not start until he arrived at the ranch. As if that is not enough, detectives from Scotland Yard are called in to investigate a series of murders in Hertfordshire, Lawrence's home county in England. When the bodies are discovered on his father's estate, Lawrence again falls under suspicion there, the police accusing his father of sending him away to the Americas to avoid the clutches of the police. He is ordered to return to Britain by his father to answer the charges facing him there, but is shocked to learn that this will not be possible as his son is due to be hung in Kansas for the murder of the cowboys. In the meantime Estelle, the love of Lawrence's life, is being forced against her will to marry someone else.... Can Lawrence escape the hangman in the States and face the music back home? A taut thriller from the pen of Alex Binney.

bat masterson height real: *Crime and the Justice System in America* Gordon M. Armstrong, Frank Schmallegger, 1997-11-25 An inter-disciplinary survey of crime and violence in America with historical perspective, but primary entry emphasis focused on the 20th century. Addressing specifically the period from 1960 to the present, this reference also projects into the 21st century with contemporary terminology covering aspects of violent crime, DNA evidence, terrorism, riots, gangs, guns and gun control, AIDS, drug and drug related crime, and corporate and political crime. A Bibliographic Essay, Table of Cases, and Index enrich this work designed for students, scholars, and professionals in criminal justice and related fields.

bat masterson height real: *The Ham Reporter* Robert J. Randisi , Robert Randisi has long been held as a master of the genre.—Michael Connelly Bat Masterson is no longer a sheriff in the Old West. He's moved East to New York City where he gets a job as a sport's writer for *The Morning Telegraph*. But when his friend and fellow-newsman, Inkspot Jones, disappears, Masterson's wife Emma asks if he could look into it as a favor to the man's wife. Old habits die hard, and Masterson enlists the aid of young Damon Runyon to play detective and try to locate the missing Inkspot. It doesn't look hopeful—Inkspot had something on somebody, and that somebody may have decided to

play rough. Pretty soon they're up to their eyeballs in crooked politicians, hired thugs and a woman of mystery. And it's before it's done, Bat may have to strap on his Colt again for some old-fashioned Western justice. Randisi gives us the real story. Masterson ended up in New York working on a newspaper as a columnist and reporter. And because he was outspoken he got into one hell of a lot of trouble. Randisi brings the city to real life, high and low alike. There's a particularly good chapter on the street gangs of New York. A fine, rich novel that just about any reader will enjoy and appreciate. —Ed Gorman The astonishingly prolific Randisi . . . may be one of the last true pulp writers. The Ham Reporter (1986) is an enjoyable romp through 1911 New York City, in which crime-solving duo Bat Masterson and Damon Runyon's search for a missing sportswriter leads them into a world of thrown fights, crooked cops, and powerful Mob bosses. —Booklist
