beloved by god: *You Are the Beloved* Henri J. M. Nouwen, 2017-11 'We are the Beloved. We are intimately loved long before our parents, teachers, spouses, children and friends loved or wounded us. That's the truth of our lives. That's the truth I want you to claim for yourself. That's the truth spoken by the voice that says, You are my Beloved.' - Henri Nouwen, *Life of the Beloved* Henri Nouwen, priest, professor and writer, devoted much of his later ministry to emphasising the singular concept of our identity as the Beloved of God. In an interview, he said that he believed the central moment in Jesus' public ministry to be his baptism in the Jordan, when Jesus heard the affirmation, 'You are my beloved son on whom my favour rests.' 'That is the core experience of Jesus,' Nouwen writes. 'He is reminded in a deep, deep way of who he is ... I think his whole life is continually claiming that identity in the midst of everything.' *You Are Beloved* is a daily devotional created from the very best of Nouwen's writings, paired with daily Scripture readings, that reveals our identity as children of God, and which encourages us to live out that truth in our daily lives. Nouwen is at once refreshingly accessible, unafraid to wrestle with challenging questions, and above all an encouraging and sympathetic voice along the way.

beloved by god: *The Voice of the Seven Thunders* George Kevyn Weber, 2014-07-21 There is no time for the people of the world to waste to decide to change their ways and their ways of living. The world is in a crisis that it has not been in before. Actually the world has been in countless crises in the past, before disaster, calamity or catastrophe struck the people of the earth. We are not talking of crises of natural disasters, calamities or catastrophes that have hit the earth, we are talking about man made, man engineered and man designed disasters, calamities and catastrophes that have hit the world from time to time. History is full of them and apart from those natural disasters caused by God or the Devil themselves; the rest were caused by man themselves. Now this revelation is not about the natural but about the spiritual. Power mad dictators, rulers and potentates the world over are normally the cause of these disasters, calamities and catastrophes and nature has little to do with them although they did affect nature, in some way or another. Small and great Wars were started by whosoever caused them without any due regard of mens lives, and the resultant horrors, hardships and horrendous pain, lived on in the hearts and lives of the people that survived. No one can add these things up nor can they count the cost in human suffering, misery and pain, nor the cost of mens souls lost all for the sake of mans vanity. The current synopsis is catchy and intriguing. This synopsis is well written and it will entice readers into picking this book up and reading it. - Cynthia Sherman Writers Literary & Publishing Services, Critique Division
