best robert kiyosaki books: Healing the Sudan □ Improving Human Rights, Gender Mainstreaming and Education in the Republic of Sudan Dr. Mark O'Doherty, 2017-10-17 Fighting between rival government factions is intensifying across much of Sudan as diplomatic efforts to end the conflict begin to gather momentum. At least 97 people have been killed and hundreds wounded as clashes have spread since Saturday, when violence erupted between army units loyal to Gen Abdel Fattah al-Burhan, the head of Sudan's transitional governing Sovereign Council, and the paramilitary Rapid Support Forces (RSF), led by Gen Mohamed Hamdan Dagalo, known as Hemedti, who is deputy head of the council. In Khartoum, fighting has centred on key sites such as the international airport, presidential palace and the army headquarters, where Burhan is thought to be based. Military jets flew low over the capital at first light on Monday, after a night of repeated bouts of firing and shelling. Witnesses told Reuters the army was renewing airstrikes on RSF bases in Omdurman, Khartoum's sister city across the Nile. Dozens of bodies have been seen by witnesses in one central neighbourhood of the capital, while hundreds of students remain trapped by the fighting in schools. The African Union's top council called for an immediate ceasefire without conditions. It also asked the AU Commission chair, Moussa Faki Mahamat, to immediately travel to Sudan to engage the parties towards a ceasefire. Arab states with stakes in Sudan - Qatar, Egypt, Saudi Arabia and the United Arab Emirates - made similar appeals. The Saudi foreign minister, Prince Farhan bin Faisal, spoke by phone with Sudan's rival generals and urged them to stop all kinds of military escalation, Saudi state TV reported. The US secretary of state, Antony Blinken, has called for an immediate ceasefire and a return to talks to put Sudan back on track to a civilian-led government. People in Sudan want the military back in the barracks, they want democracy, they want a civilian-led government. Sudan needs to return to that path - so that the Universal Declaration of Human Rights (UDHR) can be restored in the Republic of the Sudan. Hence it is imperative that both General Abdel Fattah al-Burhan and General Mohamed Hamdan Dagalo stop the violence and commence with Peace Talks - to put Sudan back on track to a civilian-led

government, so that Democracy can be restored in Sudan. Otherwise an intervention from the NGO Community will be necessary; so that humanitarian disaster can be averted, and the Universal Declaration of Human Rights (UDHR) can be restored in the Republic of the Sudan.

best robert kiyosaki books: Healing South Africa □ Improving Social Equality, Public Safety and Education in the Republic of South Africa Dr. Mark O'Doherty, 2017-11-11 Malawi has discovered a mass grave in the north of the country containing the remains of 25 people suspected to be migrants from Ethiopia, police said on Wednesday. The grave was discovered late on Tuesday but we cordoned it off and started exhuming today. So far, we have discovered 25 bodies, police spokesman said. Police were alerted by villagers in the Mzimba area, about 250 kilometres (155 miles) north of the capital Lilongwe, who stumbled on the grave while collecting wild honey in a forest. Malawi is a popular route for illegal immigrants from East Africa being smuggled to South Africa -- the continent's most industrialised country and a magnet for poor migrants from elsewhere on the continent. Police often catch trucks transporting migrants passing through the country en route to South Africa, via Mozambique. Kalaya said that between January and September this year, authorities had intercepted 221 illegal immigrants, 186 of whom were Ethiopians. Two years ago immigration authorities in neighbouring Mozambique made a grim discovery, finding 64 migrants from Ethiopia dead inside a freight container loaded on a truck. They were presumed to have died from suffocation. A few survivors were among the group. The International Organization for Migration (IOM) chief in Malawi Nomagugu Ncube said they were still gathering information about the latest incident. The IOM report found that close to 51,000 Ethiopian migrants had gone missing since 2016. According to official statistics, 4,265 deaths and 1,707 disappearances from the districts of Hadiya and Kembata Tembaro were recorded along the southern route to South Africa between 2012 and 2019. An overwhelming number of migrants said they had experienced a severe lack of food, water or shelter on their journey, the IOM researchers found. Most had suffered abuse, violence, assault or torture, while one in four had been asked to find additional money for bribes, despite already paying an average of US\$5,000 for the journey. So this kind of criminal activity in Africa is unacceptable. Hence African law enforcement agencies - together with the assistance of the International Intelligence Community - must bring the perpetrators of these severe crimes to justice. Furthermore, the International Community must provide greater assistance to disadvantaged communities who are challenged with socioeconomic deprivation - so that abductions, kidnapping and murder through forced migration can be stopped.

best robert kiyosaki books: Healing Zimbabwe □ Improving Human Rights, Equality and Education in the Republic of Zimbabwe Dr. Mark O'Doherty, 2017-10-29 Dear All, It is imperative that Russia makes Peace with Ukraine, so that the Universal Declaration of Human Rights (UDHR) and the UN Convention on the Rights of the Child (UNCRC) can be restored in the International Community - as requested by the Secretary-General of the United Nations Mr. António Guterres and Pope Francis. As many as 200,000 people have been killed or injured in the war so far, including nearly 1,000 Ukrainian children. Hence it is imperative that Peace is restored between Ukraine and Russia, to stop the killing of Children. A continuation of Russia's war in Ukraine would increasingly tarnish Russia's reputation in the International Community, and isolate the Russian people economically, socially and culturally - which is unnecessary and can be avoided, if Russia restores peaceful and diplomatic relations with the International Community. This includes the withdrawal of all Russian troops from Ukrainian territory. We are expecting the Russian Armed Forces to restore the Universal Declaration of Human Rights (UDHR) in the International Community - by arresting Vladimir Putin, and putting him on trial for crimes against Humanity. This includes restoring Freedom of Speech, Freedom of Press and Freedom of Association in Russia. Once all Russian forces have withdrawn from Ukrainian territory, we intend to implement the replacement of NATO by a new International Peacebuilding Alliance. In our opinion, this should have been done already after the Cold War - during the time when Boris Yeltsin was the first president of the Russian Federation from 1991 to 1999, but which the US neglected to do. So I expect my colleagues in the Government of Russia to make Peace with Ukraine - and uphold the Legacy of

Peace of Mikhail Gorbachev and Boris Yeltsin - by working together with Ukrainian president Volodymyr Zelenskyy. This includes working together with my good friends Joe Biden, Avril Haines and Antony Blinken - who are really solid fellows:) It should also be noted, that Putin's former speechwriter says a military coup is becoming a possibility in Russia. In short, it is imperative that Human rights and International Law are restored in the International Community - and that Civil Liberties and Basic Human Rights are restored in Russia. благослови господь россию / God Bless / Love and Light, Acting president of Российская Федерация and the United States, Mark O'Doherty, BTB-Global Peacebuilding 1.
