burning questions couples game: The Gender Games Juno Dawson, 2017-06-01 *WINNER OF THE UK BLACK PRIDE LITERARY PRIZE FOR NON-FICTION DIVA AWARDS 2017* *AS SEEN ON TRANSFORMATION STREET* 'Opens minds, breaks down myths and vaporises prejudice - I loved it!' Rebecca Root, star of Boy Meets Girl 'Funny, thoughtful and honest' Stylist 'It's a boy!' or 'It's a girl!' are the first words almost all of us hear when we enter the world. Before our names, before we have likes and dislikes - before we, or anyone else, has any idea who we are. And two years ago, as Juno Dawson went to tell her mother she was (and actually, always had been) a woman, she started to realise just how wrong we've been getting it. Gender isn't just screwing over trans people, it's messing with everyone. From little girls who think they can't be doctors to teenagers who come to expect street harassment. From exclusionist feminists to 'alt-right' young men. From men who can't cry to the women who think they shouldn't. As her body gets in line with her mind, Juno tells not only her own story, but the story of everyone who is shaped by society's expectations of gender - and what we can do about it. Featuring insights from well-known gender, feminist and trans activists including Rebecca Root, Laura Bates, Gemma Cairney, Anthony Anaxagorou, Hannah Witton, Alaska Thunderfuck and many more, The Gender Games is a frank, witty and powerful manifesto for a world in which everyone can truly be themselves. The Gender Games has been optioned by SunnyMarch Productions to be turned into an original television series, written by Rose Lewenstein.

The year is 2020. It's seventeen years since the Revolution overthrew the last king of the New British Empire, and the newly-reconstituted North American Commonwealth is developing rapidly, on course to defeat the French and bring democracy to a troubled world. burning questions couples game: Odyssey of Revenge Lowell Stratton, 2020-04-22 Revenge and the desire for vengeance suddenly and violently intrude into the otherwise placid lives of the Spencer family. Often seen as an abstraction, they become reality with the death of a beautiful young teenage girl. Each person struggles with the personal definition of what it means to obtain retribution within their own minds and on the larger scale of everyday life in a small Southern town. Friendships are challenged. Political power and personal greed are the dark and sometimes-violent dictates of the chaos and misery everyone experiences. A mother's love for her only child culminates in the demise of a political dynasty. Three men, retired from the service, exacerbate the blurred lines of risk and danger, which culminates in the search for truth, justice, and honor. Different worldviews expose the filters through which assumptions are exposed and relationships threatened. Interpersonal conflict explores the spectrum of the constant debate between the validity of revenge as a human condition. What would anyone do if faced with the travesty of justice stolen and the murder of an innocent brother? Trust is violated on many levels. Death occurs by overt premeditation, proxy, and rage.
