cash cab questions tv show: A Great First Date Logan Lo, 2015-04-12 The most common advice given for a first date is to just be yourself. But when are you not yourself? You can't just be yourself, you have to be your *best* self. That's what A GREAT FIRST DATE is about - how to present the best and truest version of yourself, right off the bat. And the dating advice given isn't from movies, television, or imagined scenarios of what a first date should be like, instead, it's from recent, field-tested, real world experience. Because, while it's easier than ever to meet people, it's just as hard as ever - if not harder - to connect with them. And that first date is the first opportunity to make that connection. Most times it's the last. A Great First Date is about improving your odds, dramatically, in making that connection happen, starting with just that: A great first date.

cash cab questions tv show: Love Without Walls Laurie Beshore, 2012-06-05 We see it all around us: Poverty. Unemployment. Crime. Hopelessness. Anger. Disenchantment. Injustice. We want to help. We want to do something. But what? Good intentions are good, but often our efforts at helping others can actually make things worse. And in many communities the church is viewed with suspicion, if not downright hostility. So how can churches effectively serve the needs of their communities in ways that communicate the love and grace of God? According to author Laurie Beshore, churches need to step up and take action, but it all begins by learning. You must get to know the people in your community and establish relationships built on mutual trust and respect. This ebook recounts the compelling twenty-five year story of how Mariner's Church, a growing mega-church in Irvine, CA, began reaching out to their community and how they made more than their fair share of mistakes along the way. But these hard-earned lessons are now of immense value to a new generation of church leaders trying to serve their own communities that are skeptical, if not understandably suspicious, of the intentions of the 21st century church. Laced with ultra-practical teachings and transferable principles for churches and ministries of all sizes and styles, this is a book filled with potent lessons and powerful stories both heartbreaking and inspiring.
