

clarissa ward latest

clarissa ward latest updates highlight the continued prominence of this renowned journalist in the field of international reporting. Known for her fearless coverage and in-depth analysis, Clarissa Ward remains a key figure in global news, delivering critical stories from some of the most volatile regions in the world. This article explores her recent work, noteworthy assignments, and the impact she continues to have on journalism. Readers will gain insight into her latest projects, interviews, and the professional milestones that define her career today. Additionally, the discussion includes her evolving role in media and how she adapts to the changing landscape of news reporting. From front-line conflict zones to exclusive interviews, Clarissa Ward latest endeavors exemplify excellence in journalism. The following sections provide a comprehensive overview of her most recent activities and contributions to the field.

- Clarissa Ward's Recent Reporting Assignments
- Notable Interviews and Exclusive Coverage
- Awards and Recognitions
- Impact on Journalism and Media
- Future Projects and Career Trajectory

Clarissa Ward's Recent Reporting Assignments

Clarissa Ward latest reports continue to focus on conflict zones and humanitarian crises around the world. Her commitment to frontline journalism has taken her to regions experiencing political turmoil, war, and social upheaval. Recent assignments have included in-depth coverage of ongoing conflicts in the Middle East, Eastern Europe, and parts of Africa. Through her reporting, Ward provides viewers with a nuanced understanding of complex geopolitical dynamics and human stories behind the headlines.

Coverage of the Ukraine Conflict

One of Clarissa Ward latest major assignments is her extensive coverage of the Ukraine conflict. She has been among the few journalists reporting directly from affected areas, providing firsthand accounts of the impact on civilians and the military situation. Her reports include interviews with displaced families, local officials, and international experts, offering a comprehensive view of the crisis.

Middle East Reporting Highlights

Ward's recent work in the Middle East includes coverage of ongoing tensions and conflicts in countries

such as Syria, Iraq, and Yemen. Her in-depth stories often highlight the humanitarian challenges faced by populations caught in war zones. She uses her platform to shed light on underreported aspects of these conflicts, including the effects on women and children.

Notable Interviews and Exclusive Coverage

Clarissa Ward latest interviews feature high-profile figures from politics, military leadership, and humanitarian organizations. Her ability to secure exclusive interviews adds significant value to her reporting and provides audiences with unique insights into global issues. These interviews often reveal behind-the-scenes perspectives that are not available through other media outlets.

Exclusive Conversations with World Leaders

Ward's recent exclusive interviews include discussions with prominent world leaders addressing critical issues such as international security, diplomacy, and peace efforts. These conversations are characterized by Ward's probing questions and her skill at eliciting candid responses, which contribute to a deeper public understanding of global affairs.

Humanitarian Voices and Eyewitness Accounts

In addition to political figures, Clarissa Ward latest coverage involves interviews with humanitarian workers, activists, and eyewitnesses. These personal stories add emotional depth to her reports and emphasize the human cost of conflict and crisis. Her empathetic interviewing style helps bring these voices to the forefront.

Awards and Recognitions

Clarissa Ward latest accolades reflect her outstanding contributions to journalism. Over the years, she has received numerous awards acknowledging her courage, integrity, and excellence in reporting. These honors underscore her status as one of the leading journalists in the field of international news.

Recent Honors and Industry Awards

Among Clarissa Ward latest awards are prestigious recognitions from journalism organizations and institutions. These include honors for investigative reporting, conflict coverage, and storytelling that influence public discourse. Such awards validate her dedication to delivering accurate and impactful news.

Peer and Audience Recognition

Beyond formal awards, Ward's work commands respect from colleagues and viewers alike. Her ability to maintain objectivity while navigating dangerous environments has earned her widespread admiration. Audience feedback often highlights the clarity and depth of her reporting, which

contributes to informed global awareness.

Impact on Journalism and Media

Clarissa Ward latest contributions have significantly influenced how international news is reported and consumed. Her approach combines rigorous field reporting with compelling narrative techniques, setting a standard for contemporary journalism. She is also noted for embracing new media formats to reach broader audiences.

Innovations in Field Reporting

Ward's use of innovative technologies and immersive storytelling methods enhances the viewer's experience and understanding. She often integrates live reporting, interactive elements, and documentary-style segments to provide comprehensive coverage. This approach helps bridge the gap between complex global events and the public.

Role as a Female Journalist in Conflict Zones

As one of the few female correspondents regularly reporting from conflict zones, Clarissa Ward latest work also highlights the importance of diversity in journalism. Her presence challenges traditional norms and inspires future generations of journalists. She advocates for ethical reporting and the protection of journalists worldwide.

Future Projects and Career Trajectory

Looking ahead, Clarissa Ward latest plans indicate a continued focus on high-impact international journalism. She is expected to expand her investigative reporting and explore emerging global issues such as climate change's effects on conflict and migration. Additionally, Ward aims to mentor young journalists and engage in media development initiatives.

Upcoming Investigative Series

Clarissa Ward latest projects include upcoming investigative series that promise to delve into underreported global challenges. These projects are designed to uncover new information and provide audiences with in-depth analysis supported by field research and expert interviews.

Engagement with Media Training and Advocacy

Besides reporting, Ward is increasingly involved in media training programs and advocacy efforts to promote press freedom. Her experience and insights contribute to building resilient newsrooms and supporting journalists working under difficult conditions worldwide.

- Extensive frontline conflict reporting
- Exclusive interviews with global leaders and humanitarian figures
- Recognition through prestigious journalism awards
- Innovative storytelling and use of new media
- Commitment to mentoring and media development

What recent interviews has Clarissa Ward conducted?

Clarissa Ward has recently conducted high-profile interviews with key political figures and experts related to ongoing international conflicts and humanitarian crises.

Where can I watch Clarissa Ward's latest reports?

Clarissa Ward's latest reports can be watched on CNN's official website, their TV channel, and CNN's social media platforms like YouTube, Twitter, and Facebook.

Has Clarissa Ward reported on the Ukraine conflict recently?

Yes, Clarissa Ward has been extensively reporting from Ukraine, providing frontline coverage of the Russia-Ukraine conflict, including interviews with civilians and soldiers.

What is Clarissa Ward's approach to journalism?

Clarissa Ward is known for immersive, courageous journalism, often reporting directly from dangerous conflict zones to provide authentic and comprehensive news coverage.

Is there any recent documentary or special feature by Clarissa Ward?

Clarissa Ward has recently produced special reports and documentaries focusing on war-torn regions, highlighting the human stories behind global conflicts.

How can I follow Clarissa Ward for her latest updates?

You can follow Clarissa Ward on Twitter (@clarissaward), Instagram, and through CNN's platforms to get her latest news updates and reports.

Has Clarissa Ward shared any personal insights recently?

Clarissa Ward occasionally shares personal insights and experiences from her reporting journeys through interviews and social media, giving audiences a behind-the-scenes look at her work.

Additional Resources

1. *On the Frontlines: The Reporting of Clarissa Ward*

This book offers an in-depth exploration of Clarissa Ward's career as a frontline journalist covering global conflicts. It highlights her fearless approach to reporting from war zones and her dedication to uncovering the human stories behind the headlines. Readers gain insight into the challenges and risks she has faced while bringing critical news to the public.

2. *Inside Syria: Clarissa Ward's Journey Through War*

Focusing on Ward's extensive coverage of the Syrian civil war, this book provides a detailed account of the conflict through her eyes. It includes personal anecdotes, interviews with refugees and combatants, and an analysis of the war's impact on the region. The narrative sheds light on the complexities of modern warfare and journalism.

3. *Breaking News: The Life of Clarissa Ward*

A biographical work that traces Clarissa Ward's path from her early years to becoming one of the most respected war correspondents in the world. The book explores her motivations, key career moments, and the ethical dilemmas she has encountered. It also discusses her influence on the field of journalism.

4. *War Zones and Newsrooms: Clarissa Ward's Coverage of Global Conflict*

This title examines how Ward balances the demands of reporting from dangerous environments with the pressures of working within major news organizations. It provides case studies of her most significant reports and the technological and emotional tools she employs. The book is an insightful read for aspiring journalists.

5. *Voices from the Front: Clarissa Ward's Interviews in Conflict Zones*

Highlighting Ward's skill as an interviewer, this collection features some of her most impactful conversations with soldiers, civilians, and leaders in war-torn areas. The book reveals the human dimension of conflicts often lost in conventional news coverage. It underscores Ward's commitment to giving a voice to the voiceless.

6. *Clarissa Ward and the Evolution of War Reporting*

This analytical work places Ward's journalism within the broader context of how war reporting has changed over recent decades. It discusses the role of new media, the dangers faced by correspondents, and the ethical considerations in conflict journalism. Ward's contributions are used as a case study for these evolving dynamics.

7. *Behind the Camera: Clarissa Ward's Documentary Filmmaking*

Focusing on Ward's work beyond traditional news reporting, this book delves into her documentary projects that explore the human stories behind conflicts. It discusses her narrative style, production challenges, and the impact of her films on public awareness. The book appeals to both journalists and documentary filmmakers.

8. *Fearless: The Courage of Clarissa Ward*

This inspirational biography highlights the personal bravery and resilience that have defined Ward's career. It explores moments when she faced extreme danger and how she maintained her commitment to truth-telling. The book serves as a motivational read for those interested in journalism and human rights.

9. *The War Correspondent's Handbook: Lessons from Clarissa Ward*

A practical guide drawing on Ward's experiences to offer advice for journalists covering conflict zones. Topics include safety protocols, ethical reporting, mental health, and storytelling techniques. This handbook is an essential resource for aspiring and seasoned war correspondents alike.

clarissa ward latest: *On All Fronts* Clarissa Ward, 2020 The recipient of multiple Peabody and Murrow awards, Clarissa Ward is a world-renowned conflict reporter. In this strange age of crisis where there really is no front line, she has moved from one hot zone to the next. With multiple assignments in Syria, Egypt, and Afghanistan, Ward, who speaks seven languages, has been based in Baghdad, Beirut, Beijing, and Moscow. She has seen and documented the violent remaking of the world at close range. With her deep empathy, Ward finds a way to tell the hardest stories. *On All Fronts* is the riveting account of Ward's singular career and of journalism in this age of extremism. Following a privileged but lonely childhood, Ward found her calling as an international war correspondent in the aftermath of 9/11. From her early days in the field, she was embedding with marines at the height of the Iraq War and was soon on assignment all over the globe. But nowhere does Ward make her mark more than in war-torn Syria, which she has covered extensively with courage and compassion. From her multiple stints entrenched with Syrian rebels to her deep investigations into the Western extremists who are drawn to ISIS, Ward has covered Bashar

al-Assad's reign of terror without fear. In 2018, Ward rose to new heights at CNN and had a son. Suddenly, she was doing this hardest of jobs with a whole new perspective--

clarissa ward latest: *Braver than I Thought* Luke Reynolds, 2022-09-13 Meet people who have had a profound impact on our world while bearing the physical and emotional scars born out of struggles and suffering, transforming their stories from pain to power in this inspirational middle grade nonfiction book about overcoming challenges. Magazine spreads and Hollywood hits showcase stars with perfect skin, perfect faces, perfect hair, perfect lives, perfect everything. But what if this absence of scars—the hidden and physical—is really a lie? And what if, underneath all that perfection, something far more powerful and authentic is waiting to be seen, shown, and heard? In *Braver Than I Thought*, kids discover the true stories of remarkable people whose scars have been a part of their journey, who have helped them become the world-shakers and game-changers that they are! The engaging and high-interest stories include Black Panther's Chadwick Boseman, war veteran and now-senator Tammy Duckworth, and beyond-belief rock climber extraordinaire Aron Ralston, who all endured intense trauma that led to pronounced scars, but also helped them forge purposeful identities as they came to peace with their bodies. Readers will find that whatever the physical, mental, or emotional challenges that we face, it is not the end of a story, but rather the beginning of a new one.

clarissa ward latest: *Voices from Ukraine* Rashad Mammadov, 2024-11-29 *Voices from Ukraine* takes you into the lives and experiences of journalists covering one of the most consequential wars of our time. This book provides a detailed examination of war reporting in Ukraine by merging the author's insights with the stories of journalists, collected from Ukrainian and international media sources. It claims that nationality, gender, technology, and politics have significantly influenced journalism during this crisis, creating possibilities and challenges that shape how the conflict is perceived and covered worldwide. The author emphasizes the role played by journalists in conflicts and their impact on democratic discourse and public awareness of war. *Voices from Ukraine* examines the dangerous new paradigm of misinformation, the paradox of neutrality, and the personal, professional and ethical choices journalists face in combat zones. It also covers the experiences of international reporters and honors the outstanding work of women journalists in a field traditionally dominated by men. Within the broader scope of war journalism literature, this book raises questions about how journalists' experiences in the war in Ukraine alter our understanding of conflict reporting.

clarissa ward latest: *The William Ward Genealogy; the History of the Descendants of William Ward of Sudbury, Mass., 1638-1925* Charles Martyn, 1925 William Ward (ca. 1603-1686?) married twice and was the father of thirteen children, born 1624-1658. He emigrated from England ca. 1638, with his second wife and five children, and settled at first at Boston, Massachusetts. The family helped settled Sudbury, Massachusetts, in 1639; and Marlborough, Massachusetts, in 1660. Descendants lived in Massachusetts, Connecticut, New York, New Hampshire, Vermont, Ohio, Illinois, Michigan and elsewhere.

clarissa ward latest: *Isis Containment & Defeat* Arnold Schuchter, 2015-12-03 In the aftermath of terrorist attacks by ISIS (ISIL or Daesh) in Paris, Beirut and on the Russian jet over the Sinai Peninsula, the US and much of the world is focused on crushing the Islamic State. Countless refugees and displaced persons fleeing to Europe, Turkey, Lebanon and Jordan have thrust the long and bloody civil war in Syria and decades of warfare and insurgencies in Afghanistan, Iraq, Yemen and Libya into the 2016 presidential political campaign. ISIS terrorism is fueling political opposition in the US to welcoming Syrian refugees and also focusing more attention on terrorists infiltrating Central America with fake passports and illegally crossing the US border with Mexico. Strategies for uprooting, containing and defeating ISIS have to take into account an incredibly complex historical and geopolitical context in the Middle East and Persian Gulf region that has spawned insurgencies, terrorism, widespread disorder, corruption and the meltdown of governance in Syria, Iraq, Libya and Yemen. None of these crises in the Middle East and Africa have had any political, military or counterinsurgency solutions that have worked to contain ISIS and other jihadist terrorism. Further destabilization looms in Syria as the result of Russias military intervention to support Assads brutal regime and supposedly to fight ISIS. Both Russia and Iran have supported Assad for many years. Irans strong financial and other support for Assad is likely to increase when sanctions are lifted as a result of its international nuclear deal. An anti ISIS strategy has to deal with the different agendas of US allies: Turkeys enemy is the Kurds; the Kurds are determined to protect and expand their territories in Iraq and Syria; Saudi and the Gulf States are most concerned about Iran and its proxies; Iran aims to protect and support Shiites in Syria and Iraq; many insurgents in Syria are militant Islamists; and the Afghan government is struggling with reform and Taliban attacks. Next generation COIN (NexGen COIN) strategies central to ISIS containment and defeat, and protecting the US homeland from terrorist attacks, include: recommendations for regional stabilization and reconciliation processes in the Middle East; and creation of protected safehavens under no-fly zones for two purposes: for displaced people in Syria, Iraq, Afghanistan, and Yemen that otherwise would become refugees; and to provide safe zones for training and support of local insurgents battling ISIS and other jihadists. NexGen COIN strategies build on: lessons learned from decades of warfare and anti-jihadist counterinsurgencies in the Middle East; years of dedicated work by US military and other experts to revamp US Army COIN doctrine and military rules of operations; US expertise in advanced information technology, machine learning, artificial intelligence and communication technology; special operations experience and capabilities that can provide US frontline advisors/cyberwarriors with unprecedented bottomup decision-making and intelligence gathering and analysis capabilities.

clarissa ward latest: Legacies of Totalitarian Language in the Discourse Culture of the Post-Totalitarian Era Ernest Andrews, 2011-05-19 This book is unique in its kind. It is the first scholarly work to attempt a comprehensive and fairly detailed look into the lingering legacies of the communist totalitarian modes of thought and expression in the new discourse forms of the post-totalitarian era. The book gives also new and interesting insights into the ways the new, presumably democratically-minded political elites in post-totalitarian Eastern Europe, Russia, and China manipulate language to serve their own political and economic agendas. The book consists of ten discrete discussions, nine case-studies or chapters and an introduction. Chapter 1 discusses patterns of continuity and change in the conceptual apparatus and linguistic habits of political

science and sociology practiced in the Czech Republic before and after 1989. Chapter 2 analyzes lingering effects of communist propaganda language in the political discourse and behavior in post-communist Poland. Chapter 3 analyzes the legacy of Soviet semantics in post-Soviet Moldovan politics through the prism of such politically contested words as democracy, democratization, and people. Chapters 4 and 5 discuss the way in which communist patterns of thought and expression manifest themselves in the new political discourse in Romania and Bulgaria, respectively. Chapter 6 examines phenomena of change and continuity in the socio-linguistic and socio-political scene of post-Soviet Latvia. Chapter 7 analyzes the extent to which the language of the post-communist Romanian media differs from the official language of the communist era. Chapter 8 examines the evolution of Russian official discourse since the late eighties with a view of showing whether or not new phenomena in the evolution of post-Soviet discourse represent new development or just a mutation of the value-orientations of the old Soviet ideological apparatus. Chapter 9 gives a detailed and lucid account of the evolution of both official and non-official discourse in China since the end of the Mao era.

clarissa ward latest: Operation Al-Aqsa flood Jacques Baud, 2024-03-01 Why did Operation Al-Aqsa Flood take place, and what were Hamas's objectives? What really happened on the ground on October 7th? What lessons can we learn from the operations carried out by both sides? To answer these three questions and many others, Jacques Baud revisits the Israeli-Palestinian conflict from its very beginnings. Why has it still not found a solution? What strategies have Israelis and Palestinians adopted over the past 75 years? What is the impact of this conflict on our security? What are the options for Israel and Palestine in the coming years? In this book of rare clairvoyance, Jacques Baud deplores the fact that Western decisions are colliding with international law. The question is not who we are for, but how the international order created after 1945 should be applied. Israel's failure to respect this law is provoking its downfall. As with any conflict, the solution will not come from emotion, but from objective, dispassionate analysis and honest mediation. --Back cover.

clarissa ward latest: Hatred Michael Coren, 2016-08-02 From the bestselling author of *Why Catholics Are Right*, and now available in paperback, a new examination of the history, reasoning, theology, and politics behind the great genocidal phenomenon of modern times: the Islamist war on Christianity. Christians are the most persecuted identifiable group on earth. This is not the opinion of some but the informed view of most—including the United Nations. What is seldom admitted, however, is that the vast majority of the nations that carry out the oppression, intolerance, violence, rape, and murder are Islamic. While Christians suffer in North Korea and parts of India, it is in Pakistan, Iran, Saudi Arabia, Iraq, Egypt, Turkey, and even Indonesia and Malaysia where the situation is dark and becoming worse. The statistics and stories are truly terrifying in proportion and degree and as Islam expands and becomes increasingly aggressive, fundamentalist, and confident, Christian minorities live in fear and face a bleak future. *Hatred* outlines the history of the relationship between Islam and Christianity, explains what Islam actually teaches about the Christian faith, and gives numerous examples of the experience of Christians throughout the Islamic world. It explains not only what happens, but why it happens, and deliberately challenges the comforting but false idea that all of this is somehow an aberration and contrary to Islamic thought.

clarissa ward latest: American Intifada Uri Kaufman, 2025-04-29 Why are progressives so hostile to Israel? Listen to commentators and a pattern quickly emerges: the more liberal the speaker, the more likely they are to attack Israel. Worse, many liberals say things about Israel that are patently false. After the October 7 Hamas attack, Barack Obama said that Israel had “unclean hands” because of the “unbearable occupation”. The trouble was, there was no occupation. Israel had withdrawn from Gaza almost twenty years before. With his acclaimed wit, historian Uri Kaufman answers the riddle by examining the phenomenon through the distorting lens of race. Simply put, Israelis are perceived as a white group of privilege, while Palestinians are perceived as people of color. For progressives, fighting for people of color is the core value that crowds out all other

considerations, no matter the facts. It all results in a strange upside-down world where liberals attack Israelis who share their values, while embracing Palestinians who reject them.

clarissa ward latest: Handbook Of Terrorism In The Middle East Rohan Gunaratna, 2022-07-13 In the Middle East, the world's deadliest organizations, the Islamic State and al Qaeda have firmly established their presence in the Levant and the Gulf. In parallel, state-sponsored Shia threat networks, groups and cells, notably the Lebanese Hezbollah and Houthis operate throughout the Middle East and beyond. Exploiting the conflict zones and their cascading ideologies, both the Sunni and Shia threat entities compete to advance their own interests. Their parent and affiliate entities recruit and radicalise both territorial and diaspora Muslims to fight each other. Unless governments work together to mitigate the threat at the core and the edge, the Middle East and its peripheral territories in Asia and Africa will suffer from terrorism and political violence in the foreseeable future. The response to extremism and its vicious by-product terrorism requires both preventive intelligence-led and pre-emptive community-based security approaches. While developing tactical counter-terrorism capabilities, governments should build strategic capabilities to erode their support bases. The new frontiers in counter-terrorism and extremism — community engagement and rehabilitation — should be integrated into government planning. Unless governments take the lead and work with community leaders, societies will be threatened by the existing and emerging wave of ideologically-motivated violence. Government and community leaders should develop whole-of-government and whole-of-nation approaches to dismantle transnational threats. To contain, isolate and eliminate the evolving threat, the Middle Eastern states should shift from security cooperation to collaboration and partnership.

clarissa ward latest: Enough Already Scott Horton, 2021-01-16 "If you only read one book this year on America's unending 'War on Terror,' it should be this persuasive and devastatingly damning account of how the United States created the original al Qaeda terrorism threat by its own actions and then increased that threat by orders of magnitude by its wanton killings in one country after another in the name of 'counter-terrorism.' Once I started reading it, I couldn't stop!" — Daniel Ellsberg, Pentagon Papers whistleblower and author of *The Doomsday Machine: Confessions of a Nuclear War Planner*

clarissa ward latest: Homesickness Susan J. Matt, 2011-09-08 Homesickness today is dismissed as a sign of immaturity, what children feel at summer camp, but in the nineteenth century it was recognized as a powerful emotion. When gold miners in California heard the tune Home, Sweet Home, they sobbed. When Civil War soldiers became homesick, army doctors sent them home, lest they die. Such images don't fit with our national mythology, which celebrates the restless individualism of colonists, explorers, pioneers, soldiers, and immigrants who supposedly left home and never looked back. Using letters, diaries, memoirs, medical records, and psychological studies, this wide-ranging book uncovers the profound pain felt by Americans on the move from the country's founding until the present day. Susan Matt shows how colonists in Jamestown longed for and often returned to England, African Americans during the Great Migration yearned for their Southern homes, and immigrants nursed memories of Sicily and Guadalajara and, even after years in America, frequently traveled home. These iconic symbols of the undaunted, forward-looking American spirit were often homesick, hesitant, and reluctant voyagers. National ideology and modern psychology obscure this truth, portraying movement as easy, but in fact Americans had to learn how to leave home, learn to be individualists. Even today, in a global society that prizes movement and that condemns homesickness as a childish emotion, colleges counsel young adults and their families on how to manage the transition away from home, suburbanites pine for their old neighborhoods, and companies take seriously the emotional toll borne by relocated executives and road warriors. In the age of helicopter parents and boomerang kids, and the new social networks that sustain connections across the miles, Americans continue to assert the significance of home ties. By highlighting how Americans reacted to moving farther and farther from their roots, *Homesickness: An American History* revises long-held assumptions about home, mobility, and our national identity.

clarissa ward latest: Fallout John Solomon, Seamus Bruner, 2020-07-14 This book is a MUST

BUY! – President Donald J. Trump The Russia and Ukraine scandals are unraveled, corruption and greed exposed. No one is better at uncovering the truth than these two investigative journalists. – Gregg Jarrett, FOX News legal analyst and author of the #1 NYT bestsellers *The Russia Hoax* and *Witch Hunt* An exhaustively researched book that reads like an investigative thriller, *Fallout* reveals how Obama’s “Russian Reset” led to corruption, scandal, and a desperate bid to impeach Donald Trump. In 2015, a major story broke exposing Hillary Clinton’s role in approving the sale of American uranium assets to the Russian state nuclear agency, Rosatom. Not only did the sale of Uranium One put 20 percent of America’s domestic uranium supply under the control of Vladimir Putin, there was also evidence that the Clintons themselves had hugely profited from the deal. When presidential candidate Donald Trump made Uranium One the centerpiece of his “Crooked Hillary” attacks, the Clinton team feared its potential to damage Hillary’s campaign. Others in the Obama-Biden camp worried that if elected, Trump would expose their role in selling out America’s security to Putin. Their desperate need to neutralize the issue led them to launch an unprecedented investigation into the Trump campaign’s purported ties to Russia. The infamous Steele dossier, produced by Clinton-connected Fusion GPS, sparked an investigation under FBI Director James Comey. Instead of ending after the election, the investigation grew bigger, eventually leading to Comey’s firing and the appointment of Special Counsel Robert Mueller. When Mueller failed to find grounds for impeachment, Democrats seized on an ambiguous phone call with the Ukrainian president as a pretext to remove Trump from office. This gambit blew up in their faces when it exposed the secrets that Democrats tried hard to keep buried. An indispensable guide to the hidden background of recent events, *Fallout* shows how Putin’s bid for nuclear dominance produced a series of political scandals that ultimately posed one of the greatest threats to our democracy in modern American history.

clarissa ward latest: Russia after 2020 J. L. Black, 2021-09-25 This book presents a comprehensive survey of the current state of Russia and how Russia is likely to develop in the immediate future. Not always sticking to the mainstream narrative, it covers political events including Putin's constitutional reforms of January 2020 and their likely consequences, economic developments, Russia's international relations and military activities, and changes and issues in Russian society, including in education, the place of women, health care and religion. Special attention is paid to manifestations of the COVID-19 pandemic. The book's overall conclusion is that events of 2020 may compel Putin to 'think again' before he decides whether to run for office in 2024.

clarissa ward latest: 20 Things That Would Make the News Better Roger Mosey, 2022-06-21 A brilliant A-to-Z for the modern newsroom. – Jeremy Vine A must-read. – Julie Etchingham Highly recommended reading. – Justin Webb *** We are at a defining point in the history of news. Following a surge of fake news, clickbait and conspiracy theories, the 2020s have ushered in a welter of existential threats for public service broadcasting. So, where do we go from here? Former Today editor and head of BBC television news Roger Mosey thinks public service broadcasters must buck the trends and in this incisive book he offers twenty core ways in which the news can save itself by getting smarter, sharper, more diverse, more nuanced and less exposed to pummelling by politicians. Mosey sees two possible futures: one in which the incitements of populist demagogues and the passions of social media are ever dominant – or one where we fight hard to retain media that has an interest in the public good and preserves truth, fairness and evidence-based judgements. From one of British broadcasting's most experienced voices comes the definitive exploration of Britain's news output and what must change if we are to avoid a future of uninspiring news, uninformed decision-making and accountability-dodging politicians.

clarissa ward latest: The Female Lead Edwina Dunn, 2017-02-09 This is a one-of-a-kind book, which will motivate generations of girls and women for years to come, The Female Lead is a collection of portraits - in their own words - of over 50 inspirational women who changed the world around them. With stunning photography and heartfelt, personal interviews, this will inspire a whole generation of young women. 'A truly inspirational book' -- ***** Reader review 'Beautifully written and illustrated' -- ***** Reader review 'A beautiful, inspiring book' -- ***** Reader review 'Loved it! Truly inspiring!' -- ***** Reader review 'Inspiring and motivating with beautiful images' -- ***** Reader review

***** Over fifty inspirational women, from many walks of life. All have changed the world in a variety of fields. Among them are politicians and artists, journalists and teachers, engineers and campaigners, fire fighters and film stars. Together they form an arresting gallery of portraits, each one illustrated with original photography by Brigitte Lacombe. Some have led their professions; some have broken new ground for women; some have inspired changes through relentless endeavour. All were chosen for their ambitions and achievements and all tell their stories in their own words. Includes portraits from Meryl Streep, Tina Brown, Lena Dunham, Jo Malone, Laura Bates, Yeonmi Park, Lucy Bronze, Julie Bentley and Michaela DePrince, amongst many others. For girls, it can be hard to identify role models in our society. This book will help and inspire women everywhere to realize their hopes and ambitions.
