She probably, along with Billy Graham, is one of the best-known ministers or preachers in the country." But while many people today recognize Billy Graham, not many remember Kathryn Kuhlman (1907-1976), who preached faith and miracles to countless people over the fifty-five years of her ministry and became one of the most important figures in the rise of charismatic Christianity. In *The Miracle Lady* Amy Collier Artman tells the story of Kuhlman's life and, in the process, relates the larger story of charismatic Christianity, particularly how it moved from the fringes of American society to the mainstream. Tracing her remarkable career as a media-savvy preacher and fleshing out her unconventional character, Artman also shows how Kuhlman skillfully navigated the oppressive structures, rules, and landmines that surrounded female religious leaders in her conservative circles.
