

edith stein the feminine spirit

edith stein the feminine spirit represents a profound exploration of womanhood through the lens of one of the most influential philosophers and mystics of the 20th century. Edith Stein, also known as Saint Teresa Benedicta of the Cross, combined her deep philosophical insights with her personal faith journey to articulate the unique nature of the feminine spirit. This article delves into her life, her philosophical contributions, and how she understood the essence of femininity. It examines her writings on the dignity and vocation of women, her spiritual legacy, and how her ideas continue to resonate in contemporary discussions about gender and spirituality. Through this exploration, readers gain an understanding of how Edith Stein's vision enriches the dialogue on the feminine spirit in both philosophical and religious contexts. The following sections will offer a comprehensive overview of Edith Stein's life, her philosophical framework, her views on femininity, and her enduring impact.

- Life and Historical Context of Edith Stein
- Philosophical Foundations of Edith Stein's Thought
- Edith Stein and the Feminine Spirit: Key Concepts
- The Spiritual Legacy of Edith Stein
- Contemporary Relevance of Edith Stein's Ideas on Femininity

Life and Historical Context of Edith Stein

Edith Stein was born in 1891 in Breslau, Germany, into a Jewish family. Her early years were marked by an intense intellectual curiosity and a dedication to philosophy. As a student of Edmund Husserl, the founder of phenomenology, she developed a rigorous analytical approach to understanding human consciousness. Later, Stein's conversion to Catholicism and her entrance into the Carmelite order marked a pivotal transformation in her life. Her experiences during the turbulent era of World War II and the rise of Nazism deeply influenced her spirituality and writings. Understanding the historical and biographical context of Edith Stein is essential to grasping the depth of her reflections on the feminine spirit.

Early Intellectual Pursuits

Edith Stein's early academic career focused on phenomenology, where she sought to understand the structures of human experience. Her doctoral dissertation, completed in 1916, reflected her commitment to philosophical rigor. During this time, she engaged with questions about empathy, consciousness, and personhood, themes that would later influence her views on femininity.

Conversion and Religious Life

Stein's conversion to Catholicism in 1922 was a turning point that intertwined her philosophical insights with theological reflection. Joining the Discalced Carmelite order in 1934, she adopted the religious name Teresa Benedicta of the Cross. Her religious vocation deepened her meditation on the feminine spirit as she integrated faith and intellect in her writings.

Martyrdom and Legacy

Edith Stein's life ended tragically in Auschwitz in 1942, where she was murdered during the Holocaust. Her martyrdom has since been recognized by the Catholic Church, which canonized her as a saint in 1998. This ultimate sacrifice highlights the strength and dignity that she attributed to the feminine spirit.

Philosophical Foundations of Edith Stein's Thought

Edith Stein's philosophical work centers on phenomenology and the nature of personhood. Her approach emphasizes the inward experience of the self and the relational nature of human beings. These foundations are critical to understanding her conception of the feminine spirit as both unique and essential in the broader human experience.

Phenomenology and Empathy

Stein extended Husserl's phenomenology by focusing on empathy as a way to comprehend the other person's inner life. She argued that empathy reveals the person as a unique, irreplaceable being. This emphasis on relationality informs her view of femininity, which she saw as inherently connected to relational and nurturing dimensions.

The Nature of Personhood

According to Stein, personhood involves self-awareness, freedom, and the capacity for love. She believed that every person, regardless of gender, embodies these qualities. However, she also identified distinctive attributes within the feminine person that contribute to the fullness of human existence.

Integration of Philosophy and Theology

Stein's work represents a synthesis of rigorous philosophical inquiry and deep theological faith. Her writings bridge the gap between intellectual contemplation and spiritual insight, allowing her to articulate the feminine spirit as both a philosophical and mystical reality.

Edith Stein and the Feminine Spirit: Key Concepts

The feminine spirit, as articulated by Edith Stein, encompasses a range of qualities that highlight the dignity, vocation, and uniqueness of women. She challenges reductive stereotypes and elevates the feminine as a vital force within humanity.

Dignity and Vocation of Women

Stein emphasized that the dignity of women is rooted in their personhood and their relationship to others. She explored the specific vocation of women, which includes motherhood, service, and the nurturing of life in both physical and spiritual realms.

Complementarity of the Feminine and Masculine

Rather than advocating for equality in a purely identical sense, Stein highlighted the complementary nature of the feminine and masculine spirits. She viewed this complementarity as essential for the harmony and balance of human society.

Woman as a Source of Spiritual Strength

Edith Stein portrayed the feminine spirit as a source of profound spiritual strength, capable of enduring suffering and manifesting compassion. This strength is evident in her own life story and her theological reflections.

Key Attributes of the Feminine Spirit

- Relational sensitivity and empathy
- Capacity for self-giving and nurturing
- Intuitive wisdom and creativity
- Resilience and spiritual endurance
- Commitment to community and life-giving roles

The Spiritual Legacy of Edith Stein

Edith Stein's spiritual legacy extends beyond her philosophical writings to include her example as a martyr and saint. Her life and teachings continue to inspire those seeking to understand the feminine spirit in a holistic and meaningful way.

Saint Teresa Benedicta of the Cross

Upon entering the Carmelite order, Edith Stein adopted the name Teresa Benedicta of the Cross, reflecting her embrace of the cross as a symbol of self-sacrifice and spiritual love. Her sanctity and martyrdom have made her a powerful symbol of faith and femininity.

Influence on Catholic Thought

Stein's work has influenced Catholic teachings on women, encouraging recognition of the unique contributions of women to the Church and society. Her writings have been incorporated into discussions on the role of women in both family and ecclesial contexts.

Inspiration for Feminine Spirituality

Her life and thought provide a model for feminine spirituality that integrates intellect, faith, and compassion. Edith Stein's vision encourages women to embrace their identity fully and to contribute authentically to spiritual and social life.

Contemporary Relevance of Edith Stein's Ideas on Femininity

In today's cultural and philosophical landscape, Edith Stein's reflections on the feminine spirit remain highly relevant. Her nuanced understanding offers valuable insights into ongoing debates about gender, identity, and spirituality.

Dialogue Between Philosophy and Feminism

Stein's work fosters dialogue between classical philosophical traditions and modern feminist thought. Her emphasis on the dignity and vocation of women challenges simplistic narratives and invites deeper reflection.

Application in Modern Spirituality

Contemporary spiritual movements draw upon Stein's integration of faith and reason to promote a balanced approach to spirituality that honors the feminine dimension. This approach supports holistic development and empowerment of women.

Contribution to Gender Studies

Her insights into complementarity and personhood contribute to academic discussions in gender studies, providing a framework that respects difference without diminishing equality.

Enduring Lessons from Edith Stein

1. Recognition of the unique feminine contribution to human flourishing
2. Valuing empathy and relationality as core human traits
3. Integrating intellectual inquiry with spiritual depth
4. Embracing suffering as a transformative force
5. Promoting dignity and vocation beyond societal stereotypes

Frequently Asked Questions

Who was Edith Stein and why is she significant in understanding the feminine spirit?

Edith Stein was a German Jewish philosopher who converted to Catholicism, became a Discalced Carmelite nun, and was later canonized as Saint Teresa Benedicta of the Cross. She is significant in understanding the feminine spirit because she combined deep philosophical insight with her religious life, exploring the unique qualities and dignity of women from both a spiritual and intellectual perspective.

What are the main themes in Edith Stein's writings about the feminine spirit?

The main themes in Edith Stein's writings about the feminine spirit include the nature of womanhood, the vocation of women in society and the Church, the relationship between femininity and maternity, and the spiritual dignity inherent in being a woman. She emphasized empathy, relationality, and the role of women as nurturers and creators of life.

How did Edith Stein's background influence her views on the feminine spirit?

Edith Stein's background as a Jewish philosopher who converted to Catholicism and became a nun influenced her views on the feminine spirit by blending rigorous philosophical reasoning with Christian theology. Her experiences of cultural and religious transition deepened her understanding of identity, vocation, and the spiritual mission of women.

What is Edith Stein's perspective on the role of women in the Church?

Edith Stein believed that women have a unique and vital role in the Church, particularly through their spiritual strength, empathy, and capacity for nurturing faith within families and communities.

She saw the feminine spirit as essential to the Church's mission, complementing the masculine and enriching the Church's life through service and contemplation.

How does Edith Stein define the feminine spirit in her philosophical works?

In her philosophical works, Edith Stein defines the feminine spirit as characterized by openness to others, relationality, and a profound capacity for empathy and self-giving. She viewed femininity not merely as a biological category but as a spiritual and existential reality that enriches human community and reflects divine love.

What impact did Edith Stein have on feminist theology and spirituality?

Edith Stein had a significant impact on feminist theology and spirituality by providing a profound, respectful articulation of the feminine spirit grounded in philosophy and theology. Her work offers a counterpoint to secular feminist narratives by affirming the dignity and vocation of women within a Christian framework, inspiring many contemporary theologians and spiritual writers.

Are there any key works by Edith Stein that focus on the feminine spirit?

Yes, one of Edith Stein's key works focusing on the feminine spirit is her essay "The Problem of Woman" (also known as "On the Problem of Woman"), where she explores the nature and vocation of women from a philosophical and theological perspective. This work remains influential in discussions about gender, spirituality, and identity.

How is Edith Stein's legacy celebrated in relation to the feminine spirit today?

Edith Stein's legacy is celebrated today through her recognition as a saint, her writings which continue to inspire discussions on femininity and spirituality, and through various educational and religious initiatives that promote her vision of the feminine spirit. Many women and scholars look to her life and work as a model of intellectual rigor combined with deep faith and feminine strength.

Additional Resources

edith stein the feminine spirit: Essays on Woman Edith Stein, 1996 With reason Edith Stein has been called 'the most significant German woman of this century'. Her writings on woman are the fruit of both reflection and debate with other leaders of the Catholic feminist movement in German-speaking countries between the World Wars. [from back cover]

edith stein the feminine spirit: *The Personalism of Edith Stein* Robert McNamara, 2023-11-24 Outgrowth of the author's thesis (doctoral)--Liverpool Hope University, 2018, under the title: Edith Stein's engagement with the thought of Thomas Aquinas in her mature philosophy of the human person.

edith stein the feminine spirit: Edith Stein Essays on Woman Edith Stein, 2012-10-30 To help celebrate the fourth centenary of the birth of St. John of the Cross in 1542, Edith Stein received the task of preparing a study of his writings. She uses her skill as a philosopher to enter into an illuminating reflection on the difference between the two symbols of cross and night. Pointing out how entering the night is synonymous with carrying the cross, she provides a condensed presentation of John's thought on the active and passive nights, as discussed in *The Ascent of Mount Carmel* and *The Dark Night*. All of this leads Edith to speak of the glory of resurrection that the soul shares, through a unitive contemplation described chiefly in *The Living Flame of Love*. In the summer of 1942, the Nazis without warrant took Edith away. The nuns found the manuscript of this profound study lying open in her room. Because of the Nazis' merciless persecution of Jews in Germany, Edith Stein traveled discreetly across the border into Holland to find safe harbor in the Carmel of Echt. But the Nazi invasion of Holland in 1940 again put Edith in danger. The cross weighed down heavily as those of Jewish birth were harassed. Sr. Teresa Benedicta of the Cross's superiors then assigned her a task they thought would take her mind off the threatening situation. The fourth centenary of the birth, of St. John of the Cross (1542) was approaching, and Edith could surely contribute a valuable study for the celebration. It is no surprise that in view of her circumstances she discovered in the subject of the cross a central viewpoint for her study. A subject like this enabled her to grasp John's unity of being as expressed in his life and works. Using her training in phenomenology, she helps the reader apprehend the difference in the symbolic character of cross and night and why the night-symbol prevails in John. She clarifies that detachment is designated by him as a night through which the soul must pass to reach union with God and points out how entering the night is equivalent to carrying the cross. Finally, in a fascinating way Edith speaks of how the heart or fountainhead of personal life, an inmost region, is present in both God and the soul and that in the spiritual marriage this inmost region is surrendered by each to the other. She observes that in the soul seized by God in contemplation all that is mortal is consumed in the fire of eternal love. The spirit as spirit is destined for immortal being, to move through fire along a path from the cross of Christ to the glory of his resurrection. Book includes two photos and fully linked index.

edith stein the feminine spirit: *Edith Stein* Maria Ruiz Scaperlanda, 2017 In the wake of World War I when neither Jews nor women were widely accepted in academia, Edith Stein rose to prominence as a leading intellectual in Germany. She was a passionate and brilliant philosopher who

lived and thrived in the intellectual university community of Germany. She was also a young Jewish woman who shocked her intellectual community when she fell in love with Jesus Christ and became a Roman Catholic. More shocking still, eleven years later, Edith entered the cloistered Carmelite order to follow a life of mystic and contemplative prayer in the cloister under the name Teresa Benedicta of the Cross. Edith Stein's surrender to grace is all the more visible because of the dark night that enveloped the period of history in which she lived and died — years when millions of men and women, including Edith Stein herself, were systematically murdered by the Nazi regime in the name of diligent ethnic cleansing. Today, as the meaning of feminism is lost in a world of relativism, Edith Stein provides a model for a true feminist woman who authentically integrates faith, family, and work. In these pages, award-winning journalist Maria Ruiz Scaperlanda brings new light to this complex woman, her culture, and the pivotal period of history in which she lived and died. More than a biography, these pages paint a multifaceted portrait of Edith Stein as seen by scholars, friends, and relatives – and by Catholics and Jews alike. You'll gain new insights into the complex aspects of her life and death, as well as the impact of her character and personality on those who knew her. But most of all, you will enter into the interior life of this woman of Jewish descent who transformed her entire life because of her encounter with Jesus Christ, an encounter that led her from the depths of atheism to the heights of sainthood.

edith stein the feminine spirit: Edith Stein - Woman of Prayer Joanne Mosley, 2004 Edith Stein, canonized in 1998 and now a co-patroness of Europe, is rightly coming to be seen as one of the most important saints for our times. The first part of this book presents the life of Edith Stein while going behind the well known labels - Jewess, philosopher, Carmelite nun, martyr of Auschwitz - to reveal the inner struggles of a truly inspirational person: guided in all her thoughts and actions by a constant search for the truth and the acceptance of the will of God, even when it led to the ultimate gift of herself. Added to these ideals which Edith lived out in the challenge of everyday reality, are the ideal figures whom she kept ever before her eyes; Edith's love of Jesus and Mary, Old Testament characters and modern-day saints forms the second part of this book which draws upon her writings on prayer, some of which are not yet published. This book presents Edith Stein to the readers as a companion in the Christian life - one who found her courage and fulfilment through daily contact with God in prayer and in this way was able, in Edith's own words, to 'go to the world in order to carry the divine life into it'. Joanne Mosley has written and lectured widely on Edith Stein for a number of years. She is an assistant editor of Mount Carmel, the spiritual review published by the Teresian Carmelites, and gives retreats on the spirituality and saints of Carmel.

edith stein the feminine spirit: Edith Stein's An Investigation Concerning the State: Sociality, Nationhood, Ethics Eva Reyes-Gacitúa, Antonio Calcagno, 2020-02-24 This book explores Edith Stein's phenomenology of the state. It features chapters on the application of Stein's political philosophy to real issues and questions affecting nations today. The contributors also situate Stein's political theory within her larger philosophical corpus. The collection examines *An Investigation Concerning the State* from various angles. Scholars first consider some of the direct claims Stein makes about social and political ontology. They mine her work for its implications for and applications to contemporary debates. Then, the contributors position her work in relation to other figures in phenomenology, including Edmund Husserl and Max Scheler. Finally, Stein's views are brought to bear on other disciplines, including feminism, theology, and literature. The contributors also use her theory of the state to address various contemporary issues, including bioethics and rights, globalization, as well as social and political inequality. The view of the state that emerges has implications for how we do politics and make ethical decisions. Moreover, Stein's work has an impact on our views of sociality (as opposed to the sociality of contractarian views of the state), pedagogy, women, theories of justice and law, as well as social psychology and religion. This volume helps readers better understand this vital voice in political philosophy and appeals to students, professors, and researchers working in the field.

edith stein the feminine spirit: Listening to Edith Stein: Wisdom for a New Century Kathleen Haney, 2018-05-07 In addition to exploring and dialoging with others in the history of

philosophy as well as her contemporaries, Edith Stein—Teresa Benedicta of the Cross— (1891-1942) has added her own voice to some of the fundamental questions that have been taken up by great minds over the centuries, from Aristotle to Aquinas and beyond. Stein did not simply bring together the work of the various great philosophers and theologians; rather, she delved into their work after having first wrestled with the topics themselves. These fifteen essays by leading international Stein scholars demonstrate the breadth and depth Stein's writings offer: a wide terrain for scholarly exploration as well as for the general reader seeking to glean St. Edith Stein's wisdom on prayer, renewal and feminism. This newest Carmelite Studies volume offers a unique opportunity to "listen" to the voice and wisdom of this 20th century philosopher, convert, Carmelite and martyr. Includes a comprehensive index, a complete list of all editions of Edith Stein's works in both German and English, and biographical sketches of the contributors.

edith stein the feminine spirit: Edith Stein: Women, Social-Political Philosophy, Theology, Metaphysics and Public History Antonio Calcagno, 2015-11-11 This volume explores the work and thought of Edith Stein (1891-1942). It discusses in detail, and from new perspectives, the traditional areas of her thinking, including her ideas about women/feminism, theology, and metaphysics. In addition, it introduces readers to new and/or understudied areas of her thought, including her views on history, and her social and political philosophy. The guiding thread that connects all the essays in this book is the emphasis on new approaches and novel applications of her philosophy. The contributions both extend the interdisciplinary implications of Stein's thinking for our contemporary world and apply her insights to questions of theatre, public history and biographical representation, education, politics, autism, theological debates, feminism, sexuality studies and literature. The volume brings together for the first time leading scholars in five language-groups, including English, German, Italian, French and Spanish-speaking authors, thereby reflecting an international and cosmopolitan approach to Stein studies.

edith stein the feminine spirit: Edith Stein Joanne Mosley, 2006 The first part of this book presents the life of Edith Stein while going behind the well known labels--Jewess, philosopher, Carmelite nun, martyr of Auschwitz--to reveal the inner struggles of a truly inspirational person. She was guided in all her thoughts and actions by a constant search for the truth and the acceptance of the will of God, even when it led to the ultimate gift of herself. Added to these ideals, which Edith lived out in the challenge of everyday reality, are the ideal figures whom she kept ever before her eyes; Edith's love of Jesus and Mary, Old Testament characters and modern-day saints forms the second part of this book which draws upon her writings on prayer, some of which are not yet available in English. These chapters open up her insights into Scripture and the Eucharist, the Church's rich spiritual heritage, and the silent, inner presence of God. Edith Stein: modern saint and martyr presents its subject to readers as a companion in the Christian life--one who found her courage and fulfillment through daily contact with God in prayer and in this way was able, in Edith's own words, to go to the world in order to carry the divine life into it. The book should appeal to the general Christian and Catholic reader, religious and lay alike, and in particular to those with an interest in Edith Stein, saints for our times, Carmelite spirituality, the Holocaust, and Christian-Jewish relations. +

edith stein the feminine spirit: The Feminine Genius of Catholic Theology Matthew Levering, 2012-09-27 A unique introduction to Catholic theology based on the thought and work of the greatwomen theologians of the Church.

edith stein the feminine spirit: The Concept of Woman Prudence Allen, 2024-06-20 A comprehensive account of the concept of woman in Western thought, from ancient Greece, through the Middle Ages, to today In her sweeping, three-volume study, Sister Prudence Allen examined how women and men have been defined in relation to one another scientifically, philosophically, and theologically. Now synthesized for students, The Concept of Woman is the ideal textbook for classes on gender in Catholic thought. Allen surveys Greek philosophers, medieval saints, and modern thinkers to trace the development of integral gender complementarity. This doctrine—a living idea according to the criteria of John Henry Newman—affirms the equal dignity of men and women and

the synergetic relationship between them. Allen pays special attention to John Paul II's contributions to this holistic idea of gender. Readers will gain valuable context for current debates over womanhood and come to a greater appreciation of human personhood.

edith stein the feminine spirit: The Collected Works of Edith Stein, Sister Teresa Benedicta of the Cross, Discalced Carmelite Edith Stein, 1986

edith stein the feminine spirit: Edith Stein Saint Edith Stein, 2002 Be patient with yourself; God is.--Edith Stein The discerning spiritual reader will find gems here on divine providence, surrendering to God as the ultimate liberation, and concern for others. --Spirituality and Health Edith Stein (1891-1942), canonized by Pope John Paul II in 1998, was one of the most intriguing Catholics of the twentieth century. A Jewish convert, an eminent philosopher, educator, and advocate for women, she became a Discalced Carmelite nun, Sister Teresa Benedicta of the Cross. Arrested by the Nazis she died in Auschwitz in 1942. This volume highlights the extraordinary features of her spirituality for general readers - a vision that integrated her philosophical training, her affinity for Carmelite mysticism, and her personal identification with the way of the Cross. Edith Stein provides a wonderful introduction to an extraordinary mind.

edith stein the feminine spirit: The Flowering of the Soul Lucinda Vardey, 2002 A unique collection of one thousand prayers by women from ancient times to the present day Shall we keep silent, or shall we speak? And if we speak what shall we say? These questions of Dorothy Day's have rung in the ears of spiritual women for centuries. Silence has been the usual response, precipitated often by doubts, fears, and isolation. Now, in *The Flowering of the Soul*, Lucinda Vardey traces the voices of all those women who have used the written word to share their experience of God. In this remarkable collection, the prayers of more than two hundred women from thirteen different religions and many diverse cultures have been gathered together for the first time. Sun Bu-er, Sappho, Julian of Norwich, Christina Rossetti, Emily Dickinson, Annie Dillard, Marcia Falk, Marion Woodman--these are just some of the women whose prayers are showcased here. In addition to the prayers, Vardey provides a compelling introduction to women's thought on prayer. Weaving together the teachings of such spiritual figures as St. Teresa of Avila and Hildegard of Bingen with the ideas of writers like Simone Weil and Patricia Hampl, Vardey maps out a unique history of women's teachings on prayer. *The Flowering of the Soul* provides all women who pray, or who want to pray, with a collective feminine spiritual wisdom that can be drawn on and shared. Women, of whatever background, will find comfort and common ground in these pages. All women will find peace, solace, and joy here. --Christiane Northrup, M.D., author of *Women's Bodies, Women's Wisdom* Remarkable . . . brimming with compassion, common sense, and grace. --Spiritual Book News

edith stein the feminine spirit: Women and Men in Ministry Robert Saucy, Judith TenElshof, 2001-05-01 The role of women in the church is a debate that has raged within the church for much of the twentieth century. On one side are those who say there is no difference between men and women. On the other side are those who severely limit women who want to offer ministry to the church. Judith TenElshof and Robert Saucy take the middle approach. Believing that the modern views have denied the distinctions between men and women, the authors adopt a view called complementarianism. TenElshof and Saucy argue that while men and women are equal, God has given different roles to each and that these roles rely on each other to be fully effective.

edith stein the feminine spirit: Contemplating Woman in the Philosophy of Edith Stein Maybelle Marie O. Padua, 2007

edith stein the feminine spirit: The Concept of Woman, Volume 3 Prudence Allen, 2017-01-05 The culmination of a lifetime's scholarly work, this pioneering study by Sister Prudence Allen traces the concept of woman in relation to man in Western thought from ancient times to the present. In her third and final volume Allen covers the years 1500-2015, continuing her chronological approach to individual authors and also offering systematic arguments to defend certain philosophical positions over against others. Building on her work from Volumes I and II, Allen draws on four communities of discourse—Academic, Humanist, Religious, and Satirical—as she traces several recurring strands of sex and gender identity from the Renaissance to the present.

Now complete, Allen's magisterial study is a valuable resource for scholars and students in the fields of women's studies, philosophy, history, theology, literary studies, and political science.

edith stein the feminine spirit: *The Concept of Woman*, v3 Allen, 1997 The culmination of a lifetime's scholarly work, this pioneering study by Sister Prudence Allen traces the concept of woman in relation to man in Western thought from ancient times to the present. Volume I uncovers four general categories of questions asked by philosophers for two thousand years. These are the categories of opposites, of generation, of wisdom, and of virtue. Sister Prudence Allen traces several recurring strands of sexual and gender identity within this period. Ultimately, she shows the paradoxical influence of Aristotle on the question of woman and on a philosophical understanding of sexual complementarity. Supplemented throughout with helpful charts, diagrams, and illustrations, this volume will be an important resource for scholars and students in the fields of women's studies, philosophy, history, theology, literary studies, and political science. In Volume 2, Sister Prudence Allen explores claims about sex and gender identity in the works of over fifty philosophers (both men and women) in the late medieval and early Renaissance periods. Touching on the thought of every philosopher who considered sex or gender identity between A.D. 1250 and 1500, *The Concept of Woman* provides the analytical categories necessary for situating contemporary discussion of women in relation to men. Adding to the accessibility of this fine discussion are informative illustrations, helpful summary charts, and extracts of original source material (some not previously available in English). In her third and final volume Allen covers the years 1500--2015, continuing her chronological approach to individual authors and also offering systematic arguments to defend certain philosophical positions over against others.

edith stein the feminine spirit: *The Life and Thought of St. Edith Stein* Freda Mary Oben, 2001 Canonized by Pope John Paul II on October 11, 1998, Edith Stein was named one of the co-patrons of Europe in 1999. This book will introduce the reader to the life and thought of this truly extraordinary woman.
