europe solo travel guide: The Holocaust: A Guide to Europe's Sites, Memorials and Museums Rosie Whitehouse, 2024-10-04 New from Bradt is The Holocaust: Europe's Sites, Museums and Memorials, a unique travel guidebook to European locations that tell the story of the greatest crime ever perpetrated – the Nazi genocide of 6 million Jews and other persecuted groups. In recent years countries once reluctant to delve into the dark corners of their past have begun to document the history of the Holocaust and its aftermath. Europe has many new ground-breaking museums and memorials that tell us as much about the present as they do the past. Chapters are

dedicated to each country or region occupied by Nazi Germany, plus nations like the UK and neutral Sweden, which played a vital role both before and after the Holocaust. Organised around city hubs in each country, this Bradt guide helps visitors explore numerous destinations, whether infamous, well known or comparatively unexpected. This is much, much more than a guide to notorious sites such as Auschwitz-Birkenau, Buchenwald or Dachau. You can take a walking tour in Vienna, to view the new wall of names. Or visit the Memorial des Martyrs de la Deportation in Paris, Anne Frank House in Amsterdam or the Jewish Museum in Ferrara. And you can learn how babies were smuggled out of the Kovno ghetto in potato sacks in Lithuania or read about Bavaria's Kloster Indersdorf, a remarkable children's home that cared for survivors. Written by a journalist and travel writer specialising in Jewish history, Bradt's *The Holocaust: Europe's Sites, Museums and Memorials* provides the traveller with not only a list of must-see sites in each country but also a comprehensive list of organisations that run tours, commemorations and volunteer schemes. Suggestions of where to eat and stay (including Kosher restaurants and hotels) ease the traveller's way, as do descriptions of local Jewish organisations and tips on how to pace potentially difficult journeys into Europe's dark past. Bradt's *The Holocaust: Europe's Sites, Museums and Memorials* is the first comprehensive travel guide to the genocide and the first to help the traveller understand the Holocaust by seeing the places where it unfurled.

europe solo travel guide: *Alone Time* Stephanie Rosenbloom, 2019-06-04 A wise, passionate account of the pleasures of traveling solo In our hectic, hyperconnected lives, many people are uncomfortable with the prospect of solitude. Yet a little time to ourselves can be an opportunity to slow down, savor, and try new things, especially when traveling. Through on-the-ground reporting, insights from social science, and recounting the experiences of artists, writers, and innovators who cherished solitude, Stephanie Rosenbloom considers how traveling alone deepens appreciation for everyday beauty, bringing into sharp relief the sights, sounds, and smells that one isn't necessarily attuned to in the presence of company. Walking through four cities--Paris, Florence, Istanbul, and New York--and four seasons, *Alone Time* gives us permission to pause, to relish the sensual details of the world rather than hurtling through museums and uploading photos to Instagram. In chapters about dining out, visiting museums, and pursuing knowledge, we begin to see how the moments we have to ourselves--on the road or at home--can be used to enrich our lives. Rosenbloom's engaging and elegant prose makes *Alone Time* as warmly intimate an account as the details of a trip shared by a beloved friend--and will have its many readers eager to set off on their own solo adventures.
