

famous prison murders

famous prison murders have long captivated public attention, revealing the dark and often brutal realities within correctional facilities. These incidents highlight not only the dangers inmates face daily but also the complex social dynamics, gang rivalries, and security challenges that prisons encounter. From high-profile cases involving notorious criminals to lesser-known but equally shocking events, famous prison murders expose critical issues in the criminal justice system. This article delves into some of the most infamous prison killings in history, examining the circumstances, motives, and implications behind each case. It also explores the impact of these murders on prison policies and the broader conversation about prison safety. Readers will gain insight into how these violent acts have shaped public perception and prison reform efforts. Below is an overview of the main sections covered in this comprehensive exploration of famous prison murders.

- Notorious Prison Murders in U.S. History
- Infamous International Prison Killings
- Famous Gang-Related Prison Murders
- Impact of Prison Murders on Policy and Reform
- Preventative Measures Against Prison Homicides

Notorious Prison Murders in U.S. History

The United States has witnessed several infamous prison murders that have drawn media attention and public scrutiny. These incidents often involve high-profile inmates or reveal systemic failures within correctional institutions. Such murders expose vulnerabilities in prison security and highlight the ongoing risks inmates face behind bars.

The Murder of Christopher Scarver

One of the most well-known prison murders in the U.S. involved Christopher Scarver, who killed fellow inmate Jeffrey Dahmer in 1994. Dahmer, a convicted serial killer, was attacked with a metal bar in the Columbia Correctional Institution in Wisconsin. Scarver later claimed his actions were motivated by Dahmer's disturbing crimes and behavior in prison. This case remains a stark example of inmate violence within prisons.

The Killing of John Dillinger

Although John Dillinger was killed outside of prison, his demise began with his incarceration and subsequent escape attempts. Dillinger's capture and the fear he instilled among law enforcement and the public underscored the tensions surrounding notorious criminals in custody. While not a prison murder per se, incidents like these set the stage for understanding the dangers inmates and guards face.

Other Noteworthy Cases

Other significant prison murders include the killing of notorious mobster Whitey Bulger's associates and the fatal stabbing of inmates involved in gang disputes. These cases often involve complex motives, including revenge, control over illicit prison activities, and power struggles.

Infamous International Prison Killings

Prison murders are not confined to the United States; they occur worldwide and often reflect unique socio-political contexts. International prison killings sometimes involve political prisoners, terrorists, or inmates entangled in local conflicts, making these cases particularly complex and multifaceted.

The Murder of Pablo Escobar's Associates

In Colombia, during the height of the drug wars, several associates of infamous drug lord Pablo Escobar were murdered within prison walls. These killings highlighted the intense rivalries between drug cartels and the challenges of maintaining order amid corruption and violence in prisons.

The Killing of Ronnie Biggs in Brazil

Ronnie Biggs, a notorious British criminal famous for the Great Train Robbery, spent time in Brazilian prisons where violence against inmates was rampant. Although Biggs survived multiple attacks, many inmates were not as fortunate, underscoring the harsh prison conditions and frequent murders in some international correctional systems.

Political Prisoner Murders

In countries with authoritarian regimes, political prisoners have been victims of prison murders, often as a means to silence dissent. These killings are typically shrouded in secrecy, with limited transparency, making

it difficult to ascertain full details but contributing to the global discourse on human rights abuses in prisons.

Famous Gang-Related Prison Murders

Gang violence is a significant driver of prison homicides worldwide. Rival gangs often settle disputes inside prison walls through violent means, leading to famous prison murders that underscore the challenges of controlling organized crime within correctional facilities.

The Role of Prison Gangs

Prison gangs such as the Aryan Brotherhood, Mexican Mafia, and Black Guerrilla Family have been involved in numerous murders inside prisons. These organizations exert control over illicit activities and enforce brutal discipline among members and rivals alike.

Notable Gang-Related Murders

Some of the most notorious prison murders involve gang-ordered hits. Inmates affiliated with rival groups are often targeted for assassination to maintain power and influence. These killings can be premeditated and coordinated, sometimes involving corrupt staff or smuggled weapons.

Consequences of Gang Violence in Prisons

Gang-related murders contribute to a cycle of violence that affects not only inmates but also prison staff and the broader community. This violence complicates rehabilitation efforts and increases the costs and security measures required to manage prisons safely.

Impact of Prison Murders on Policy and Reform

Famous prison murders have often served as catalysts for changes in correctional policies and reform initiatives. These tragedies expose systemic weaknesses and prompt calls for improved safety measures, better inmate classification, and enhanced staff training.

Policy Changes Following High-Profile Murders

Several prison murders have led to significant policy revisions, including stricter inmate segregation, increased surveillance, and more comprehensive background checks on both inmates and staff. These changes aim to reduce

violence and protect vulnerable populations inside prisons.

Reform Movements and Advocacy

Advocacy groups often use famous prison murders to highlight the need for broader criminal justice reforms, emphasizing humane treatment, mental health services, and alternatives to incarceration. These movements seek to address root causes of violence and improve overall prison conditions.

Challenges in Implementing Reforms

Despite efforts, implementing effective reforms remains challenging due to budget constraints, overcrowding, and entrenched institutional cultures. The persistence of prison murders underscores the complexity of creating safe correctional environments.

Preventative Measures Against Prison Homicides

Preventing prison murders requires a multifaceted approach involving infrastructure improvements, staff training, inmate management, and intelligence gathering. Correctional facilities continuously work to identify risk factors and intervene before violence occurs.

Security Enhancements

Modern prisons employ advanced security technologies such as surveillance cameras, controlled movement protocols, and secure housing units to minimize opportunities for violence. Physical barriers and frequent inspections help deter the introduction of weapons.

Inmate Classification and Segregation

Effective classification systems separate high-risk inmates, gang members, and vulnerable individuals to reduce conflicts. Segregation units and protective custody are used to safeguard those at risk of being targeted in famous prison murders.

Staff Training and Intelligence Gathering

Correctional officers receive specialized training to recognize warning signs of violence and de-escalate conflicts. Intelligence networks within prisons monitor gang activity and potential threats, facilitating proactive interventions.

List of Key Preventative Strategies

- Enhanced surveillance and monitoring systems
- Strict control of contraband and weapons
- Comprehensive inmate risk assessment
- Conflict resolution and mediation programs
- Improved mental health services and counseling

Frequently Asked Questions

What was the most famous prison murder in the United States?

One of the most famous prison murders in the United States was the killing of Jeffrey Dahmer in 1994 by a fellow inmate at the Columbia Correctional Institution in Wisconsin.

Who was the victim in the famous Alcatraz prison murder case?

Murder was rare in Alcatraz, but one notable incident was the killing of Robert Stroud, known as the 'Birdman of Alcatraz,' although he was not murdered; the prison is more famous for attempted escapes and violence rather than a high-profile murder case.

What impact did the murder of Christopher Scarver have on prison policies?

Christopher Scarver murdered Jeffrey Dahmer and another inmate, which led to increased security measures and changes in how high-profile inmates are managed in prisons to prevent violence.

Are prison murders often linked to gang activity?

Yes, many prison murders are linked to gang rivalries and power struggles within the prison system, contributing to ongoing violence behind bars.

What was the motive behind the murder of Billy Cook

in prison?

Billy Cook, a notorious criminal, was murdered in prison due to conflicts with other inmates and possible retribution, highlighting the dangers faced by high-profile prisoners.

How do prison authorities investigate famous prison murders?

Prison authorities conduct thorough investigations involving interviews, forensic analysis, and reviewing surveillance footage to uncover motives and identify perpetrators in prison murders.

Has any famous prison murder led to legal reforms?

Yes, some high-profile prison murders have spurred legal reforms aimed at improving inmate safety, such as better classification systems and increased supervision of violent offenders.

What is the significance of the murder of John Dillinger in prison?

John Dillinger was not murdered in prison; he was killed by FBI agents outside prison. This highlights the importance of distinguishing between prison murders and other killings of criminals.

Which prison is known for having a high number of inmate murders?

The Louisiana State Penitentiary, also known as Angola Prison, is notorious for having a high number of inmate murders due to its large population and gang activity.

Can famous prison murders affect a prison's reputation?

Absolutely, famous prison murders often draw media attention and can damage a prison's reputation, leading to public outcry and demands for reform.

Additional Resources

1. *Dead Man Walking: The Eyewitness Account of the Death Penalty in the United States*

This powerful memoir by Sister Helen Prejean chronicles her experiences as a spiritual advisor to death row inmates. The book delves into the lives of convicted murderers, the legal battles surrounding capital punishment, and

the moral dilemmas faced by those involved. It offers a haunting and humanizing perspective on famous prison murders and their aftermath.

2. *In Cold Blood*

Truman Capote's groundbreaking true crime novel investigates the brutal 1959 murders of the Clutter family in rural Kansas. The book provides an intimate look at the killers' backgrounds, their capture, and the subsequent trial. Capote's detailed narrative style revolutionized the true crime genre, shedding light on the psychology behind infamous prison murders.

3. *Monster: The Autobiography of an L.A. Gang Member*

Written by Sanyika Shakur, this memoir recounts his life of crime, including involvement in violent acts within prison walls. The book explores gang culture, the brutal realities of incarceration, and the factors leading to deadly prison conflicts. It serves as a stark reminder of the pervasive violence in correctional facilities.

4. *The Night of the Gun: A Reporter Investigates the Darkest Story of His Life*

David Carr's investigative memoir delves into his own struggles with addiction and brushes with the law, including encounters with violent individuals both inside and outside prison. The book sheds light on the often-overlooked stories of prison violence and the complexities of redemption. Carr's candid narrative brings a nuanced understanding of crime and punishment.

5. *Blood in the Water: The Attica Prison Uprising of 1971 and Its Legacy*

Heather Ann Thompson offers a comprehensive history of the Attica Prison riot, one of the most notorious prison uprisings in American history marked by deadly violence. The book details the conditions that led to the uprising, the brutal crackdown, and the ensuing deaths of inmates and guards. It reveals the systemic issues that contribute to prison violence and murder.

6. *The Executioner's Song*

Norman Mailer's detailed account of the life and death of Gary Gilmore, who gained notoriety for demanding the implementation of his own death sentence. The book explores the psychological and legal complexities surrounding Gilmore's prison murders and execution. It paints a vivid portrait of a man caught between crime, punishment, and media spectacle.

7. *Prisoner of Death: The True Story of a Serial Killer Behind Bars*

This chilling true crime book examines the life of a notorious inmate who committed multiple murders while incarcerated. It investigates how the prison system failed to prevent further killings and the impact on victims' families. The narrative highlights the dark realities of violence within the prison walls.

8. *Fatal Inmate: Inside the Mind of a Prison Killer*

Delving into the psychology of inmates who commit murder behind bars, this book provides case studies of infamous prison killers. It analyzes motives, methods, and the prison environment that fosters such violence. The author

offers insight into prevention strategies and the challenges faced by correctional officers.

9. *Kill Zone: Inside the World of Prison Violence*

This investigative work explores the causes and consequences of deadly violence in prisons across the United States. Through interviews with former inmates, guards, and experts, the book paints a stark picture of the dangers within correctional institutions. It also discusses reform efforts aimed at reducing prison murders and improving inmate safety.

famous prison murders: *Murder in California: Serial Killers and Famous Unsolved Murders*
Marques Vickers, 2019-05-09 Murder in California: Serial Killers and Unsolved Murders profiles some of California's most infamous murder cases. The edition photographically transports you to actual murder sites along with images related to the case and perpetrator(s). The images and accompanying profiles offer a descriptive account and follow-up aftermath providing an important understanding into the far-reaching effects of each crime. Convicted killers and their confirmed victims are identified. For criminals still living, their current incarceration location is provided. A directory of precise crime site locations is included. The captured snapshots portray visual testimonies of extinguished lives removed by acts of violence. Crime scenes often revert back into unremarkable landscape or unassuming buildings over the ensuing years and decades. Several have altered little since their moment of infamy. Many are passed daily by pedestrian and vehicular traffic unaware of a location's unique significance. California has been the site for many notorious serial killers. The following are portrayed in this edition: Zodiac Serial Killer: Public and media taunting Charles Manson's serial killing clan Dorothea Puente: The elderly and frail targeted and eliminated for profit Efren Saldivar: Caregiving medical homicide The Unabomber: His UC Berkeley experience Zebra Killings: San Francisco's racially targeted genocide Heaven's Gate Cult mass suicide Edmund Kemper III: Monstrous hitchhiking murders Bittaker and Norris: Torture van murders Juan Corona: Migrant workers serial killer Richard Trenton Chase: The vampire killer The Speed Freak Killers and their burial bone yards Herbert Mullin: Killing for earthquake preventiveness David Carpenter: The devil behind bifocals and a stutter Jim Jones and the Peoples Temple Massacre: Lost in a jungle mass suicide The Hillside Strangler Duo: Killing Cousins Rodney Alcala: A beastly killing machine slaying beauty Richard Ramirez: Satan's ambassador Golden State Killer: The triumph of forensic tracking A Black Hand of Death and Inhumanity (Jose Manuel Martinez) A Killing Rampage Preying On Society's Most Vulnerable Population (Jon David Guerrero) The Santa Rosa Hitchhiking Murders: preying on the innocent David Nadel: The death of a man and rebirth of a performance icon Torrey Pines Beach: Sands, Secrets and A Butterfly Dancer The continued fascination with the Black Dahlia Murder Fatty Arbuckle's sex and homicide scandal A Classic Mob Contract Killing Of An Unwanted Distraction Was a 1963 beachfront slaying a prelude to future Zodiac terror? Geneva Ellroy: The transference of tragedy into literary expression A Double Tragedy Complicated By Mysterious Scenarios (Spreckels Mansion Death) Kym Morgan: Death by classified advertisement Kevin Collins:

A solitary bus bench memorial to every parent's nightmare Unauthorized Celebrity Biography Comics and A Founder's Murder (Todd Lawrence) Ted Healy: The suspected homicide of the fourth Stooge The Resolute Will to keep William Desmond Taylor's murder unsolved A Contract Killer Terminated By His Own Profession (Frank Bompensiero) Ramona Irene Price strolls innocently into a vanished past Raymond Washington: A cycle of senseless violence devours the Crips gang founder The Senseless Murder of a Catholic Priest on Holiday (Monsignor Louis Gutierrez)

famous prison murders: Notorious Murders of the Twentieth Century Stephen Wade, 2011-12-01 The word 'murder' has always attracted widespread local and national media coverage. Once known, the story becomes the subject of discussion in a variety of places throughout the land. Some grisly tales become part of a culture that lives on for generations, whilst others, even by some of the worst serial killers, are soon forgotten. In this book experienced crime historian Stephen Wade has gathered together a collection of murders covering the entire twentieth century. Although famous in their own day, most are now forgotten by the general public, apart from the best true crime enthusiasts. The first conviction for fingerprint evidence, the last hanging in England and murderous husbands and wives are included; but there are also mysteries, unsolved killings and peculiar confessions. Meet the man who poisoned his rival's scones, a wrongful arrest and the acquittal of a good wife who shot her man dead. There are even tales from the Isle of Man, whose legislators continued to issue death penalties in the 1990s.

famous prison murders: Behind Bars: Prison Tales of India's Most Famous Sunetra Choudhury, 2017-04-19 Sunetra Choudhury started her career at The Indian Express in 1999, as a metro reporter. In 2000, as a recognition of her abilities she was sent for Japan's Foreign Press Centre Fellowship by the paper. She became Indian Express' youngest Deputy Chief Reporter at 24 and also brought out Newslite, the pull-out city section. In 2002, Sunetra joined the launch team of Star News, a 24-hour Hindi news channel. Within a year, she moved to NDTV. After the success of one of her assignments at NDTV, covering the 2009 election campaign, she authored Braking News. Sunetra anchors a daily, audience-based show called Agenda - the only out-of-studio show of its kind - and a primetime show on student leaders and elections. In April 2016, she got the Red Ink award for her story on how Indians were adopting disabled children.

famous prison murders: American Murder Mike Mayo, 2008-02-01 How would you treat a murderer? If you're from Hollywood and he's notorious, you might turn him into a folk hero. Separate the facts from the many legends and revisions that have blossomed around these killers in this frightening look at the bloody real lives of movie's infamous antiheroes. You'll find a blood-curdling assortment of the "criminal elite" in American Murder: Criminals, Crime and the Media, a rogue's gallery of our most famous killings, killers and other scoundrels (and some that ought to be more famous than they are). A collection of high-profile murderers, gangsters, assassins, psychopaths, such as O.J., Amy Fisher, Robert Blake, Susan Smith, Claus Von Bulow, the Menendez brothers, Jeffrey Dahmer, Ted Bundy, John Wayne Gacy, Richard Speck, Al Capone, Pretty Boy Floyd, Bugsy Siegel, Jesse James, John Dillinger, Charles Manson, Albert Fish, T. Cullen Davis, Ronald DeFeo, Jr., Edmund Kemper, Beulah Annan, Bonnie and Clyde, Billy the Kid, Charlie Starkweather, as well as an assortment of lesser known killers with some incredible tales! With numerous photos and illustrations, this tome is richly illustrated, and its helpful bibliography and extensive index add to its usefulness. American Murder explores the legends as depicted in movies, stories, and songs. You'd not want to meet any of them in person - either the real or Hollywood versions!

famous prison murders: Murders in the United States R. Barri Flowers, H. Loraine Flowers, 2004-01-01 From the assassination of President William McKinley on September 6, 1901, to the mass killing at Columbine High School on April 20, 1999, the 20th century saw many murderous events that are difficult to contemplate but have become a part of the national history. This reference book is divided into three parts. Part One, arranged chronologically, details 53 of the most famous murder cases of the 20th century in the United States. In Part Two, over 300 entries (alphabetically arranged by criminal) provide descriptions of crimes and are subdivided into male,

female, and juvenile murderers; pair and group murderers; hate crime murderers; and school killings. Part Three features crime events related to over 40 selected victims. Cross references guide the reader to additional information. An index is included.

famous prison murders: Marple's Gretchen Harrington Tragedy: Kidnapping, Murder and Innocence Lost in Suburban Philadelphia Mike Mathis and Joanna Falcone Sullivan, 2022-10 Friday, August 15, 1975, began as a typical summer day in Marple Township. Young children played with their friends as adults prepared for work and planned for their vacations at the Jersey Shore. That all changed in the hours before noon, when Gretchen Harrington, the eight-year-old daughter of a Presbyterian minister and his wife, was kidnapped while walking to a vacation Bible school near her home. Her body was found by a jogger in a state park nearly two months later. The crime forever affected Gretchen's contemporaries and their parents in the region, many of whom chose to live in suburban Marple Township because they considered it a safe refuge from a crime-ridden Philadelphia. With rare access to police files, journalists Mike Mathis and Joanna Falcone Sullivan examine the kidnapping, murder and the nearly five-decade-long investigation in what is tragically still a cold case.

famous prison murders: Murder Cases of the Twentieth Century David K. Frasier, 2024-10-14 From Jack Henry Abbott, who stabbed a waiter through the heart for not allowing him to use the toilet, to the Zodiac, an unknown California serial killer who may have murdered as many as 37 people, this reference work details 280 of the most famous murder cases of the twentieth century. Each entry contains, when applicable, birth and death dates, aliases, occupation, location of the murders, weapons used, number of victims, and the time period when the killings occurred. Films, plays, television shows, videos and audio programs based on or inspired by the case are then cited, followed by a brief overview of the murder case and a bibliography of English-language works related to it.

famous prison murders: Murder & Mayhem in Spokane Deborah Cuyle, 2022 Spokane's dark and fascinating history is loaded with shocking murders, bootlegging mischief, and devastating drama. The beautiful city by the Spokane River was once considered a millionaire's paradise as well as a hobo's playground, but danger lurked beneath the surface. The Black Hand gang, police hot on its trail, stalked the streets looking for local mobster Frank Bruno. A cannibal sought fresh victims, and a teenage boy picked up an ax for nefarious purposes. McNeil State Penitentiary housed notorious characters Charles Manson and the Birdman of Alcatraz, while Herbert Niccolls Jr., locked up at twelve years old, made history as the youngest inmate at Walla Walla Penitentiary. Join author Deborah Cuyle as she uncovers the Lilac City's violent past.

famous prison murders: Charles Manson: Music Mayhem Murder Tommy Udo, 2012-03-08 Detailed account of Manson's life, including his attempt to break into the LA scene of the mid '60s, to his bizarre relationship with the Beach Boys, his obsession with The Beatles, his demo releases from prison which achieved quadruple platinum sales, the resultant lawsuit to ban his royalties, his influence on Guns n' Roses, and his links with ne-Nazi rock underground.

famous prison murders: Famous Assassinations in World History Michael Newton, 2014-04-17 Representing a unique reference tool for readers interested in history, criminology, or terrorism, this book provides the most complete and up-to-date coverage of assassinations of key figures throughout history and around the world. Effecting the death of a political figure, a leader of a nation, or a public figure usually captures people's attention. But how often is assassination effective to achieve the larger objective beyond the death of the targeted individual? Famous Assassinations in World History: An Encyclopedia offers more than 200 entries on assassinations of all kinds that will allow readers to grasp the often-complex motivating factors behind each event and better understand historical and contemporary social unrest. Each entry identifies the assassination target and summarizes that person's significance; discusses the person's assassination, including the factors that led up to it and its political and cultural contexts; and explains the powerful effects of the assassination in world history. The encyclopedia also includes various sidebars that spotlight relevant individuals, groups, and movements and present intriguing factoids such as the final

disposition of notorious assassins' weapons and various films and novels that were inspired by famous assassinations. In addition, 23 primary source documents provide accounts of assassinations throughout world history.

famous prison murders: Murder Files from Scotland Yard and the Black Museum R. Michael Gordon, 2018-07-02 From the files of Scotland Yard's Black Museum (open only to police officers) come true crime stories of some of the most infamous murder cases of the 19th and 20th centuries--the Lambeth Poisoner, baby farmer Amelia Elizabeth Dyer, the Gentleman Vampire of Bournemouth, the Brides in the Bath Murders, the Rillington Place murders and many others. Along the way, investigators pass a number of crime-solving milestones, included the first use of fingerprint technology, the early use of photography and the first time The Yard enlisted the press to help hunt down a killer.

famous prison murders: The Visual Worlds of Life Writing Kerstin Maria Pahl, 2025-01-04 An Open Access edition is available. The Visual Worlds of Life Writing brings into conversation the two most popular genres in long-eighteenth-century England: portraits and biographies. As key instruments of social formation when Britain was "forging the nation" (Linda Colley), they were wielded alike by Whigs and Tories, the aristocracy and the commercial middle-classes, high-class artists and grub-street writers. They were most persuasive, however, when used jointly: portrait prints, ideally accompanied by 'Brief Lives', sold by the thousands. National histories were re-issued to include pictures. Portraitists were required to stage their sitters as though taken from real-life situations. Embedded into such interplay between texts and images was an aesthetic claim: doing biography was a multimedia enterprise. Far from being just words on a page, eighteenth-century life writing came with frontispiece portraits, illustrations, or elaborate title pages. Biographers directed their readers to existing portraits of their subjects to enhance the reading experience. Portraits made of calligraphic writing blurred the boundaries between text and image. As a thorough reassessment of visual culture's role in producing biographies, this book offers an in-depth analysis of the rhetorics of portraiture and life writing, an historical account of their sister arts tradition, and an inquiry into the social function of profiling people.

famous prison murders: Behind Bars - Britain's Most Notorious Prisoner Reveals What Life is Like Inside Charles Bronson, 2007-02-28 Charlie has taken his 24 years of experience of prison dwelling and condensed it into one handy and comprehensive volume. Moved regularly around the prisons of the British Isles he has sampled all that prison life has to offer, taking in both the historic and pre-historic buildings that comprise Britain's infamous prison system. It's all in here from the correct way to brew vintage prison 'hooch' and how to keep the screws from finding it, to the indispensable culinary methods required to make prison food edible. Read about Charlie's special taming techniques for prison wildlife such as spiders, rats and cockroaches, creatures that may be your only friends on long stretches in solitary. Also Charlie shows how to plan and prepare for marriage inside what can be seen as a less than romantic setting. With over 70,000 people (and rising) currently residing at Her Majesty's pleasure, Charlie Bronson's Good Prison Guide is essential for young offenders and 'old lags' alike. Make sure you don't get nicked without it.

famous prison murders: The Thames Torso Murders of Victorian London R. Michael Gordon, 2015-10-03 The Thames Torso Murders have been overshadowed by Jack the Ripper and his crimes, but were just as brutal and gruesome. They began in 1887 in London's East End, just north of the Thames River in Rainham, England. The killer took one victim that year, another in 1888, and two more in 1889. He resumed his crimes in 1902, taking his last victim south of the Thames and leaving her body in a pile of dismembered parts as he had done with most of his other victims. This work delves deep into the case of the Thames Torso Murders. It begins with a look at London in the late 1800s, a time of great confusion and tremendous population increase, and the killer's path to London, which seems to include a murder in Paris in 1886. The book then examines in great detail each murder and the investigation that may have been hindered by the search for Jack the Ripper. It also raises the idea that Jack the Ripper and the Torso Murderer may have been the same man--Severin Klosowski, better known as George Chapman, the Borough Poisoner. It ends with an

examination of Serial Killers; the Ripper, Torso, and Borough Poisoner murder cases; the search for clues to the serial killer responsible for the five Thames Torso murders; and Wolff Levisohn, a dark horse who seems to have known much about all three sets of murders, testified at Chapman's murder trial, and then faded away as Chapman was sent to the gallows.

famous prison murders: *The Dark Side of New York Life and Its Criminal Classes, Etc* New York (N.Y.), 1873

famous prison murders: *The Wharnccliffe A-Z of Yorkshire Murder* Stephen Wade, 2007-01-19 The history of the old county of Yorkshire has been concerned with the great and the good, the ambitious and the downright unscrupulous. Its broad acres has had more than its fair share of highprofile murders, especially though not exclusively in its burgeoning urban centres. Now there is a reference work to bring together most of the principal murders, from the mid-eighteenth century when Dick Turpin went to the York gallows, through to the end of hanging in 1964. In a time-span of two centuries, Yorkshire has witnessed a range of tragic narratives including husbands killing their wives, homicidal attacks in the night alleys and courts, gangs at work looking for vulnerable victims on dark streets and country lanes. Many of these tales are from the countryside too. Revenge and jealousy on and around farms, clashes between poachers and gamekeepers and shootings in rolling hills and valleys. Other factors in the social scene are also recounted, including legal and historical features, definitions, explanations, even short accounts of lives of murderers and of course the enigmatic hangmen. STEPHEN WADE specialises in writing criminal and military history. He has authored several volumes in Wharncloffes Foul Deeds Series as well as Unsolved Yorkshire Murders. He teaches courses in crime writing and crime history at the University of Hull and also works as a writer in prisons.

famous prison murders: *The New York Tombs, Inside and Out!* John Josiah Munro, 1909

famous prison murders: *Trials of the Century* Scott P. Johnson, 2010-10-06 This comprehensive set of essays documents the most important criminal, civil, and political trials in the United States from colonial times to the present, examining their impact on both legal history and popular culture. Crime and punishment are of perennial interest across the human species. *Trials of the Century: An Encyclopedia of Popular Culture and the Law* examines some of the most important (and infamous) cases in American history, placing them in both historical and legal context. Among the landmark cases considered in these two volumes are the 1692 Salem Witch Trials, the Scopes Monkey Trial, and the O.J. Simpson murder trial. A number of civil lawsuits and political trials are also included, such as the impeachment trials of Presidents Andrew Johnson and William Jefferson Clinton. Entries in the encyclopedia detail the events leading to each trial and introduce the key players, with a focus on judges, lawyers, witnesses, defendants, victims, media, and the public. In addition, the aftermath of the trial and its impact are analyzed from a scholarly, yet straightforward, perspective, emphasizing how the trial affected the law and society at large.

famous prison murders: *Hanged for Murder* Tim Carey, 2013-09-15 Between 1923 and 1954 the Irish state executed twenty-nine people convicted of murder. Almost all executions were carried out in the hanghouse of Mountjoy Prison by members of the Pierrepont family. The often shocking and fascinating stories of these men and one woman have been largely forgotten. Their remains lie behind prison walls as strange testaments to an abandoned form of punishment. Among those buried in Mountjoy are Bernard Kirwan, convicted of killing his brother, though a body was never conclusively identified. Kirwan's presence in Mountjoy Prison and his execution inspired Brendan Behan's play 'The Quare Fellow'. Also there lie Henry McCabe, convicted of killing six people in a house in Malahide, and Annie Walsh, convicted of murdering her husband for compensation money. Few had ever been convicted of a crime before each was convicted of the most serious of all. The voices of some seem to whisper from the unmarked graves that it was not they who carried out the crime as doubts remain about the safety of some of the convictions. 'Hanged for Murder' tells their stories, some in graphic detail, for the first time.

famous prison murders: *Strange Chemistry* Steven Farmer, 2017-07-17 This book opens the audience's eyes to the extraordinary scientific secrets hiding in everyday objects. Helping readers

increase chemistry knowledge in a fun and entertaining way, the book is perfect as a supplementary textbook or gift to curious professionals and novices. • Appeals to a modern audience of science lovers by discussing multiple examples of chemistry in everyday life • Addresses compounds that affect everyone in one way or another: poisons, pharmaceuticals, foods, and illicit drugs; thereby evoking a powerful emotional response which increases interest in the topic at hand • Focuses on edgy types of stories that chemists generally tend to avoid so as not to paint chemistry in a bad light; however, these are the stories that people find interesting • Provides detailed and sophisticated stories that increase the reader's fundamental scientific knowledge • Discusses complex topics in an engaging and accessible manner, providing the "how" and "why" that takes readers deeper into the stories
