**glenda cleveland obituary: Descendants of William Cromartie and Ruhamah Doane**  
Amanda Cook Gilbert, 2013-10-18 This ambitious work chronicles 250 years of the Cromartie family genealogical history. Included in the index of nearly fifty thousand names are the current generations, and all of those preceding, which trace ancestry to our family patriarch, William Cromartie, who was born in 1731 in Orkney, Scotland, and his second wife, Ruhamah Doane, who was born in 1745. Arriving in America in 1758, William Cromartie settled and developed a plantation on South River, a tributary of the Cape Fear near Wilmington, North Carolina. On April 2, 1766, William married Ruhamah Doane, a fifth-generation descendant of a Mayflower passenger to Plymouth, Stephen Hopkins. If Cromartie is your last name or that of one of your blood relatives, it is almost certain that you can trace your ancestry to one of the thirteen children of William Cromartie , his first wife, and Ruhamah Doane, who became the founding ancestors of our Cromartie family in America: William Jr., James, Thankful, Elizabeth, Hannah Ruhamah, Alexander, John, Margaret Nancy, Mary, Catherine, Jean, Peter Patrick, and Ann E. Cromartie. These four volumes hold an account of the descent of each of these first-generation Cromarties in America, including personal anecdotes, photographs, copies of family bibles, wills, and other historical documents. Their pages hold a personal record of our ancestors and where you belong in the Cromartie family tree.

**glenda cleveland obituary: More Than Things** Margaret Randall, 2013-10-01 More Than Things is a collection of essays on a variety of political, cultural, and literary issues, all linked by Margaret Randall's attention to power: its use, misuse, and impact on how we live our lives. There are texts on sex, fashion, food, LGBT rights, automobiles, forgiving, women's self-image, writing, books, and more. Two of the essays provide glimpses into present-day Cuba and Tunisia. She reflects on her family; her romantic partners; and the revolutionaries, writers, artists, and activists she has known personally and admired: Roque Dalton, Meridel LeSueur, and Haydée Santamaría. Randall's writings move in unexpected directions, evoked by the "things" and ideas in her life: objects picked up around the world, her children's names, family heirlooms, artistic practices, dreams, poems, and

memories. Elegantly weaving together the personal and the political, *More Than Things* is a tour de force by one of America's most formidable and elegiac writers and political activists.

**glenda cleveland obituary: Yagara Dictionary and Salvage Grammar** Karen Sullivan, Glenda Harward-Nalder, 2024-03-12 Most English speakers in Australia know a few words of Yagara, the Pama-Nyungan language traditionally spoken in the area that now includes Brisbane and Ipswich. For example, Australian English yakka 'work' comes from the Yagara verb yaga 'to work'. However, no fluent native speakers of Yagara remain. The current volume compares the written records of Yagara to facilitate revitalisation of the spoken language. Part 1: Grammar introduces the Yagara sources, which are then compared to extract a picture of Yagara's structure - its sounds, its words, and its grammar. Attention is also given to the system of kinship terms, moieties, and totems. Part 2: Dictionary contains the most complete Yagara-English dictionary to date, with over 2,200 entries, the original source spellings for each word, standardised spellings, and anthropological notes. Entries include traditional place names, fun insults, and everyday expressions such as the greeting wi balga 'Hey, come'. The dictionary is followed by an English word finder list. Part 3: Texts consist of full versions of all known texts in Yagara, including sentences, songs, and three Bible stories. Standardised versions are accompanied by English translations and the original unedited renditions. Format: Hardback

**glenda cleveland obituary: The Bean Tree** , 2009 John D. Calvin Bean, son of Richard Bean, was born in the late 1700s or early 1800s in North Carolina. He married Alice Setser in 1825 in Burke County, North Carolina. They had fourteen children. They moved to Hawkins County, Tennessee in the mid 1830s. Descendants and relatives lived mainly in Tennessee and Kentucky.
