Overview of the Glenn Beck Daily Podcast

The glenn beck daily podcast is a widely followed audio program that delivers news and commentary each day. It builds on Glenn Beck's extensive experience in radio and television, offering a platform where he expresses his views on a range of topics. The podcast is designed to provide timely updates along with in-depth analysis, making it a valuable resource for listeners interested in current affairs.

Since its inception, the podcast has gained a loyal following, attributed to its consistent quality and Glenn Beck's unique approach to storytelling. It stands out in the crowded podcast market due to its clear focus on American politics, societal trends, and cultural debates.

History and Development

The glenn beck daily podcast evolved from Glenn Beck's background in traditional media, transitioning seamlessly into the digital age. It reflects the growing trend of established media figures adopting podcast formats to reach broader audiences. The program has expanded in scope since its launch, incorporating interviews, listener feedback, and special segments.

Significance in the Media Landscape

As a daily podcast, it plays a significant role in shaping public opinion and providing alternative perspectives to mainstream news outlets. The glenn beck daily podcast appeals to listeners seeking commentary grounded in conservative viewpoints, combined with a narrative style that emphasizes storytelling and analysis.

Content and Themes Covered

The core content of the glenn beck daily podcast revolves around political analysis, cultural commentary, and current events. Glenn Beck delves into topics that resonate with a broad audience, often focusing on issues related to government policies, economic trends, and social movements.

Political Commentary

Political news and opinion form the backbone of the podcast. Glenn Beck provides insights into American politics, examining legislation, electoral developments, and political strategies. The podcast frequently discusses federal and state government actions, providing context and critique.

Cultural and Social Issues

Beyond politics, the podcast addresses cultural matters including education, media influence, and societal values. These discussions often highlight the intersection between politics and everyday life, offering listeners perspectives on how policies affect communities.

Special Segments and Interviews

The glenn beck daily podcast occasionally features interviews with experts, authors, and public figures. These segments enrich the content by introducing diverse viewpoints and deeper exploration of specific subjects.

- Political news and analysis
- Cultural and social commentary
- Interviews with notable guests
- Special reports and thematic episodes

Podcast Format and Delivery

The glenn beck daily podcast is structured to fit into the daily routines of its listeners. Episodes typically last between 30 to 60 minutes, making them accessible for commutes, workouts, or breaks. The format balances monologues, interviews, and listener engagement.

Episode Structure

Each episode begins with a brief introduction, followed by the main commentary segment. This is often supplemented by interviews or guest appearances. The podcast concludes with a summary or call to action, encouraging listeners to reflect on the discussed topics.

Production Quality

High production standards ensure clear audio and seamless transitions between segments. The professional editing supports the clarity of message delivery, maintaining listener interest throughout each episode.

Release Schedule

The podcast is released daily, typically in the morning, allowing audiences to stay informed ahead of the day's events. Consistency in release times helps build a habitual listening pattern among subscribers.

Audience and Community Engagement

The glenn beck daily podcast has cultivated an engaged and active audience. Listeners often participate through social media platforms, sharing feedback, and discussing episode topics. This interaction strengthens the community around the podcast.

Listener Demographics

The audience primarily consists of adults interested in conservative viewpoints, political discourse, and cultural issues. The podcast's appeal crosses various age groups but tends to attract listeners who value in-depth analysis and commentary.

Community Interaction

Engagement is fostered through listener questions, polls, and social media discussions. The podcast encourages its audience to contribute ideas and topics, enhancing the interactive nature of the program.

Benefits of Regular Listening

Regular listeners of the glenn beck daily podcast gain a comprehensive understanding of current affairs and cultural trends. The podcast supports informed decision-making and encourages critical thinking regarding national and global issues.

How to Access and Subscribe

Accessing the glenn beck daily podcast is straightforward across multiple platforms. It is available on popular podcast streaming services, making it convenient for users to subscribe and listen anytime.

Platforms and Apps

The podcast can be found on major platforms including Apple Podcasts, Spotify, Google Podcasts, and others. This wide availability ensures compatibility with various devices such as smartphones, tablets, and desktop computers.

Subscription Options

Subscribing to the glenn beck daily podcast allows automatic delivery of new episodes. Listeners can choose to receive notifications or download episodes for offline listening, enhancing accessibility.

Additional Resources

Beyond the audio episodes, supplementary materials such as show notes, transcripts, and related articles are often provided. These resources support deeper engagement and understanding of the topics covered.

Occasionally, the podcast features special series or episodes focused on major political events, historical anniversaries, or in-depth analysis on specific issues.

How can I support the Glenn Beck Daily Podcast?

You can support the podcast by subscribing, leaving reviews, sharing episodes, or exploring Glenn Beck's additional content and merchandise through his official channels.

Additional Resources

1. *Glenn Beck's Common Sense: The Case Against an Out-of-Control Government, Inspired by Thomas Paine*

This book delves into the principles of limited government and individual liberty, drawing inspiration from Thomas Paine's revolutionary ideas. Glenn Beck critiques modern government policies, advocating for a return to constitutional values. It serves as a foundation for understanding many topics discussed in his daily podcast.

2. *The Overton Window: A Novel*

Written by Glenn Beck, this political thriller explores how public opinion can be shifted to accept extreme policies. Through a gripping narrative, Beck illustrates the dangers of manipulation in politics and media. The story complements themes frequently analyzed on his podcast.

3. *Arguing With Idiots: How to Stop Small Minds and Big Government*

In this book, Beck provides tools and strategies to engage in political conversations effectively. He breaks down complex issues into understandable concepts, empowering readers to challenge misinformation. The tone is both humorous and serious, reflecting the style of his podcast commentary.

4. *The Christmas Sweater*

A heartfelt fictional tale by Glenn Beck, this book highlights the importance of family, faith, and redemption. Though different from his political works, it shares the values often emphasized in his daily discussions. The story offers a deeper look into Beck's personal beliefs and inspirations.

5. *We Will Not Be Silenced: The Battle to Control America's Faith and Freedom*

This book addresses the conflicts surrounding religious liberty in America. Beck argues that faith-based values are under siege by political forces and calls for vigilance and activism. It aligns with many topics on his podcast related to freedom of expression and belief.

6. *Return of the Common Sense: Disloyal Opposition*

A follow-up to his earlier work, this book critiques opposition parties and media outlets that Beck perceives as undermining American values. It includes insights into political dynamics and media bias, frequent subjects of his podcast conversations. Beck encourages readers to be informed and proactive citizens.

7. *Glenn Beck's The Plan: Take Back Our Country and Restore Our Freedom*

In this guide, Beck outlines a vision for reclaiming political and economic freedoms in the United States. The book offers practical steps for grassroots activism and civic engagement. It complements the motivational and instructional nature of his daily podcast episodes.

8. *America's March to Socialism: A Glenn Beck Special Report*

This special report examines what Beck considers the gradual shift of America towards socialist policies. He discusses historical parallels and warns about potential consequences for liberty and prosperity. The content reflects the urgent tone often heard in his podcast episodes.

9. *Glenn Beck's Agenda 21: Environmentalism or Socialism?*

Beck explores the controversial United Nations initiative known as Agenda 21, analyzing its implications for national sovereignty and individual rights. The book presents a critical perspective on environmental policies and their political motivations. It ties into frequent discussions on his podcast about globalism and freedom.

glenn beck daily podcast: Podcast Journalism David Dowling, 2024-03-19 Runner-up, 2025 Tankard Book Award, Association for Education in Journalism and Mass Communication Podcasting's stratospheric rise has inspired a new breed of audio reporting. Offering immersive storytelling for a binge-listening audience as well as reaching previously underserved communities, podcasts have become journalism's most rapidly growing digital genre, buoying a beleaguered news industry. Yet many concerns have been raised about this new medium, such as the potential for disinformation, the influence of sponsors on content, the dominance of a few publishers and platforms, and at-times questionable adherence to journalistic principles. David O. Dowling critically examines how podcasting and its evolving conventions are transforming reporting—and even reshaping journalism's core functions and identity. He considers podcast reporting's most influential achievements as well as its most consequential ethical and journalistic shortcomings, emphasizing the reciprocal influences between podcasting and traditional and digital journalism. Podcasting, both as a medium and a business, has benefited from the blurring of boundaries separating news from entertainment, editorial from advertising, and neutrality from subjectivity. The same qualities and forces that have allowed podcasting to bypass the limitations of traditional categories, expand the space of social and political discourse, and provide openings for marginalized voices have also permitted corporations to extend their reach and far-right firebrands to increase their influence. Equally attentive to the medium's strengths and flaws, this is a vital book for all readers interested in how podcasting has changed journalism.

glenn beck daily podcast: That's Not Funny Matt Sienkiewicz, Nick Marx, 2024-03-26 A 2022 Best Comedy Book, Vulture A rousing call for liberals and progressives to pay attention to the emergence of right-wing comedy and the political power of humor. Why do conservatives hate comedy? Why is there no right-wing Jon Stewart? These sorts of questions launch a million tweets, a

thousand op-eds, and more than a few scholarly analyses. *That's Not Funny* argues that it is both an intellectual and politically strategic mistake to assume that comedy has a liberal bias. Matt Sienkiewicz and Nick Marx take readers--particularly self-described liberals--on a tour of contemporary conservative comedy and the right-wing comedy complex. In *That's Not Funny*, complex takes on an important double meaning. On the one hand, liberals have developed a social-psychological complex—it feels difficult, even dangerous, to acknowledge that their political opposition can produce comedy. At the same time, the right has been slowly building up a comedy-industrial complex, utilizing the humorous, irony-laden media strategies of liberals such as Jon Stewart, Samantha Bee, and John Oliver to garner audiences and supporters. Right-wing comedy has been hiding in plain sight, finding its way into mainstream conservative media through figures ranging from Fox News's Greg Gutfeld to libertarian podcasters like Joe Rogan. *That's Not Funny* taps interviews with conservative comedians and observations of them in action to guide readers through media history, text, and technique. You will find many of these comedians utterly appalling, some surprisingly funny, and others just plain weird. They are all, however, culturally and politically relevant—the American right is attempting to seize spaces of comedy and irony previously held firmly by the left. You might not like this brand of humor, but you can't ignore it.

glenn beck daily podcast: *Common Nonsense* Alexander Zaitchik, 2010-04-29 Who is this guy and why are people listening? Forget Rush Limbaugh, Bill O'Reilly, and Sean Hannity—Glenn Beck is the Right's new media darling and the unofficial leader of the conservative grassroots. Lampooned by the Left and Lionized by the far Right, his bluster-and-tears brand of political commentary has commandeered attention on both sides of the aisle. Glenn Beck has emerged over the last decade as a unique and bizarre conservative icon for the new century. He encourages his listeners to embrace a cynical paranoia that slides easily into a fantasyland filled with enemies that do not exist and solutions that are incoherent, at best. Since the election of President Barack Obama, Beck's bombastic, conspiratorial, and often viciously personal approach to political combat has made him one of the most controversial figures in the history of American broadcasting. In *Common Nonsense*, investigative reporter Alexander Zaitchik explores Beck's strange brew of ratings lust, boundless ego, conspiratorial hard-right politics, and gimmicky morning-radio entertainment chops. Separates the facts from the fiction, following Beck from his troubled childhood to his recent rise to the top of the conservative media heap Zaitchik's recent three-part series in Salon caused so much buzz, Beck felt the need to attack it on his show Based on Zaitchik's interviews with former Beck coworkers and review of countless Beck writings and television and radio shows Explains why Beck is always crying, why he has so many conservative enemies, why he's driven by conspiracy theories, and why he's dangerous to the health of the republic A contributing writer to Alternet, Zaitchik's reporting has appeared in the New Republic, the Nation, Salon, Wired, Reason, and the Believer Beck, a perverse and high-impact media spectacle, has emerged as a leader in a conservative protest movement that raises troubling questions about the future of American politics.

glenn beck daily podcast: *Go Big Conservatives* Richard A Viguerie, 2022-11-15 How Conservatives Can Win With Bigger and MORE: Organizations, Donors, and Money

glenn beck daily podcast: *The Republican Resistance* Jeff R. DeWitt, Andrew L. Pieper, 2020-10-23 The election of Donald Trump as President of the United States in November 2016 was a political earthquake, one supporters and detractors alike agree has changed the course of history. The policy implications have been stark and will continue well beyond his presidency. The political implications have been perhaps even more drastic—for both political parties. Trump has shaken the 40-year-old coalition of traditional conservatives, orthodox religious voters, and free-market libertarians that has long-composed the Republican Party. *The Republican Resistance: #NeverTrump* Conservatives and the Future of the GOP explores the members of that coalition, especially traditional, establishment-oriented Republicans and conservative intellectuals who opposed his candidacy, who generally still oppose his presidency, and who represent the elite-in-waiting that believes it will have to rebuild the GOP when the Trump coalition implodes. In the end, *The Republican Resistance* argues that the Trump presidency and the #NeverTrump

countermovement reflect key features of modern American politics which both major political parties must contend: the rise of a populist insurgency intent on overtaking the parties from within and challenges of embracing demographic and structural realities on the one hand while catering to a political base often built to oppose those trends on the other.

glenn beck daily podcast: Comments from a Tea Partier Thomas G. Foster, IV, 2010-03-09 Tom Foster is a retired Special Forces Officer and a combat veteran of the war in El Salvador. In Comments from a Tea Partier—I guess if you're not a Communist, you might be a mild Fascist, Tom vents his anger with our current politicians and identifies critical issues that should be the cornerstone of the 2010 elections. He makes a case for specific actions such as the repeal of the 16th Amendment and the passing of Fair Tax to bring prosperity to America. He shows how American foreign policy should be re-focused, offers a criterion for vetting the candidates for November 2010, identifies specific cuts to the federal government, and speculates as to our future if we are not successful in restoring our Republic. America has taken on many of the characteristics of a fascist state, and Tom like all the other Tea Party members fear additional loss of our individual liberty if the American people do not take our nation away from the statist in 2010. He is married to a gal from South Georgia, and has a son and daughter whom are both married and three grandchildren. Tom and his wife Deborah live in Columbus, Georgia with a Fair Tax sign boldly displayed in their front yard. Tom is currently hiking the Appalachian Trail to enjoy the beauty of America and expects to finish in time to help us prevail in November, 2010. De oppresso liber, Tom.

glenn beck daily podcast: Podcast Gazeteciliği : Sesli Haberciliğin Vaatleri ve Riskleri David O. Dowling, Podcast gazeteciliğinin yükselişi, yeni bir sesli habercilik anlayışını beraberinde getirdi. Podcast yayıncılığı, sürükleyici hikâye anlatımı sunarak ve daha önce yeterince temsil edilmemiş topluluklara ulaşarak, dijital gazeteciliğin en hızlı büyüyen türlerinden biri hâline geldi. Ancak bu büyüme, dezenformasyon tehlikesi, sponsorların içerik üzerindeki etkisi, belirli platformların tekeldi konumu ve gazetecilik ilkelerine bağlılık gibi kritik tartışmaları da beraberinde getiriyor. David O. Dowling, bu çalışmada podcast yayıncılığının, haberciliğin temel işlevlerini ve gazeteciliğin kimliğini nasıl dönüştürdüğünü ele alıyor. Geleneksel ve dijital gazetecilikle etkileşimini analiz ederek, bu yeni haber formatının getirdiği vaatleri ve riskleri değerlendiriyor. Haber ile eğlence, editöryal ile reklam, tarafsızlık ile öznellik arasındaki sınırların giderek bulanıklaştığı bu ortamda, podcast yayıncılığı bir yandan özgün seslere alan açarken, diğer yandan büyük medya kuruluşlarının ve siyasi aktörlerin etkisini artırmasına da zemin hazırlıyor. Podcast yayıncılığının gazetecilik üzerindeki etkilerini anlamak isteyen herkes için vazgeçilmez bir kaynak.

glenn beck daily podcast: Mediaweek , 2010

glenn beck daily podcast: Reading and Writing for Civic Literacy Donald Lazere, Anne-Marie Womack, 2020-10-07 This rhetoric-and-reader textbook teaches college students to develop critical reading, writing, and thinking skills for self-defense in the contentious arena of American civic rhetoric. This edition is substantially updated for an era of renewed tensions over race, gender, and economic inequality—all compounded by the escalating decibel level and polarization of public rhetoric. Readings include civil rights advocate Michelle Alexander on the new Jim Crow, recent reconsiderations of socialism versus capitalism, Naomi Wolf's and Christine Hoff Sommers' opposing views on the beauty myth, a section on the rhetoric of war, and debates on identity politics, abortion, and student debt. Designed for first-year or more advanced composition and critical thinking courses, the book trains students in a wealth of techniques to locate fallacies and other weaknesses in argumentation in their prose and the writings of others. Exercises also help students understand the ideological positions and rhetorical patterns that underlie opposing views, from Ann Coulter to Bernie Sanders. Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media, as well as in education itself, are foregrounded as topics for rhetorical analysis.

glenn beck daily podcast: Misogyny in American Culture Letizia Guglielmo Ph.D., 2018-10-01 This set surveys American misogyny in all its cultural forms, from popular music, film, and education to healthcare, politics, and business. The work also assesses proposals to confront and

reduce such expressions of hatred. The essays contained in this two-volume set explore misogyny within various areas of American culture to demonstrate its pervasiveness and identify common foundations of its many presentations. Beyond a basic definition of misogyny, which includes hatred of women and girls and the ways in which this hatred and distrust influences action, speech, discrimination, policy, and culture in the United States, this project also aims to expand and complicate definitions of misogyny in order to provide readers with a robust introduction to and understanding of the larger topic. Given the current political and cultural climate and the more frequent and widespread use of the term misogyny by various media outlets and voters during the 2016 presidential election, this book has the potential both to contribute to ongoing conversations on misogyny and, among its intended audience of advanced high school, beginning college students and the general public, to inform a shift currently unfolding in public conversation on the topic.

glenn beck daily podcast: Politicians Behaving Badly Paulina Cossette, Stephen Craig, 2019-12-06 This book examines citizens' attitudes about sexual harassment in the #MeToo era, seeking to determine how much these attitudes may have changed over the past few years. Using an innovative experimental research design, the authors look at how people react to allegations of harassment made against a fictional member of Congress. They consider whether those reactions vary with the offender's party affiliation, gender, and response to the allegations. Appropriate for students, scholars, and general readers alike, this book offers a timely analysis of an important political issue.

glenn beck daily podcast: The Routledge Handbook of Religion and American Culture Chad E. Seales, 2025-03-31 The Routledge Handbook of Religion and American Culture explains where religion is made in the United States. It offers essays profiling cultural sites, including energy, industry, public life, music, arts and entertainment, and life and death. These sites organize the volume's 31 chapters, demonstrating how cultural religion has been constructed and performed in specific historical and ethnographic case studies. This volume offers a much-needed resource for Religious Studies scholars and students interested in the study of religion and culture in the United States, as well as those in American Studies, Anthropology of Religion, Sociology of Religion, Material Culture Studies, Environmental Studies, and History.

glenn beck daily podcast: The Propagandists' Playbook Francesca Bolla Tripodi, 2022-01-01 An examination of what algorithmic polarization means for society and how conservative elites use media literacy tactics to spread propaganda The Propagandists' Playbook peels back the layers of the right-wing media manipulation machine to reveal why its strategies are so effective and pervasive, while also humanizing the people whose worldviews and media practices conservatism embodies. Based on interviews and ethnographic observations of two Republican groups over the course of the 2017 Virginia gubernatorial race—including the author's firsthand experience of the 2017 Unite the Right rally—the book considers how Google algorithms, YouTube playlists, pundits, and politicians can manipulate audiences, reaffirm beliefs, and expose audiences to more extremist ideas, blurring the lines between reality and fiction. Francesca Tripodi argues that conservatives who embody the Christian worldview give authoritative weight to original texts and interrogate the media using the same tools taught to them in Bible study—for example, using Google to fact check the news. The result of this practice, tied to conservative marketing tactics, is more than a reaffirmation of existing beliefs: it is a radicalization of content and a changing of narratives adopted by the media. Tripodi also demonstrates the pervasiveness of white supremacy in the conservative media ecosystem, as well as its mainstream appeal, scope, and spread.

glenn beck daily podcast: Behind the Lines Adam Davis, Chad Robichaux, 2021-05-04 Become the warrior you are meant to be. Behind the Lines is a 365-day devotional written to encourage, empower, and inspire those who serve our nation. No matter your branch of military service, the words found within these pages will equip you with God's wisdom as you hold the line against evil and protect the innocent. Discover the true source of - strength for serving - power for persevering - protection in times of danger - resilience during adversity - peace amid conflict You are fully equipped, completely prepared, and wholly trained to face your calling from God. Praise be to

the Lord my Rock, who trains my hands for war, my fingers for battle. Psalm 144:1 NIV

glenn beck daily podcast: Unconquered Adam Davis, 2023-04-04 Face your pain. Live unconquered. Trauma is notorious for trapping people in the pain of their past. When you live in defeat, it can be difficult to embrace the hope and victory available in Christ. Former law enforcement officer Adam Davis knows what it's like to feel defeated. In *Unconquered*, Davis bravely shares his personal experiences with abuse, failure, and mental health battles and the biblical truths that empowered him to choose faith over fear, truth over lies, and action over defeat. Structured around ten practical principles, *Unconquered* will help you ● surrender to God for healing and forgiveness, ● develop healthy habits to renew your mindset, relationships, and behaviors, ● discover untapped strength and uncommon resolve, and ● transform into a more resilient version of yourself. Allow your past to be the place where God draws you near and reclaim the abundant life that he designed for you.

glenn beck daily podcast: Fight for Us Chad Robichaux, Adam Davis, 2022-02-15 Fight for Ustakes couples on an inspiring journey into the challenges of battling for their marriage, through gut-wrenching times of despair, and then finally to the victory of a renewed relationship grounded in Jesus. *Fight for Us* delivers a compelling marriage challenge of five rounds that teach readers how to develop the never-give-up, never-quit mentality every relationship needs in order to combat the enemy's constant attacks. Utilizing narrative elements from the real-life story of Chad and Kathy Robichaux, readers will learn how Chad's deployments to Afghanistan as a Marine--and subsequent career as an MMA fighter--allowed him to disengage from his emotions, his marriage, and his children. Then, when his crippling PTSD brought him to brink of suicide, Kathy's pastor taught him the five rounds of fighting that are necessary in the battle for any marriage: Believe that God loves you and has a purpose for your life. Take responsibility for your actions. Accept that you can't change the evils that you've encountered. Access God's power. Put yourself second. At the end of the rounds, readers will discover God's design for marriage, which saved Chad and Kathy's relationship. Today, they aim to pay it forward and share what they've learned with other couples. *Fight for Us* features application sections, discussion prompts, affirmations, and Bible verses, all designed to help readers apply the book's key marriage principles.

glenn beck daily podcast: Far-Right Newspeak and the Future of Liberal Democracy A. James McAdams, Samuel Piccolo, 2024-04-23 This book is the first systematic, multicountry exploration of far-right Newspeak. The contributors analyze the ways in which contemporary far-right politicians, intellectuals, and pundits use and abuse traditional liberal concepts and ideas to justify positions that threaten democratic institutions and liberal principles. They explore cases of both far-right and right-wing thought in eastern and western Europe, the United States, and Canada. Subjects include well-known figures, such as Marine Le Pen, Tucker Carlson, Peter Thiel, Nick Griffin, Thierry Baudet, Jordan Peterson, Russell Brand, and Viktor Orbán, and lesser-known names, such as the Czech politician Tomio Okamura and the Internet personality Raw Egg Nationalist. The contributors examine these figures' claims about hot-button issues, including immigration, Islam, race, Covid-19 policies, feminism, monetary policy, and free speech. The book demonstrates that mainstream politicians and intellectuals are at risk of losing control over the definitions of the very concepts, including equal rights, racial and ethnic diversity, and political tolerance, that undergird their vision of liberal democracy. It will be of interest to scholars, journalists, policymakers, political scientists, historians, political theorists, sociologists, and general audiences concerned about the sophisticated efforts of far-right and right-wing politicians and pundits to undermine the foundations of liberal democracy.

glenn beck daily podcast: *Political Behavior of the American Electorate* Elizabeth A. Theiss-Morse, Michael W. Wagner, William H. Flanigan, Nancy H. Zingale, 2018-01-30 The 2016 elections took place under intense political polarization and uncertain economic conditions, to widely unexpected results. How did Trump pull off his victory? *Political Behavior of the American Electorate*, Fourteenth Edition, attempts to answer this question by interpreting data from the most recent American National Election Study to provide a thorough analysis of the 2016 elections and

the current American political behavior. Authors Elizabeth Theiss-Morse and Michael Wagner continue the tradition of Flanigan and Zingale to illustrate and document trends in American political behavior with the best longitudinal data available. The authors also put these trends in context by focusing on the major concepts and characteristics that shape Americans' responses to politics. In the completely revised Fourteenth Edition, readers will explore get-out-the-vote efforts and the reasons people voted the way they did, as well as the nature and impact of partisanship, news media coverage, and other issues in 2016—all with an eye toward understanding the trends that led up to the historic decision.

glenn beck daily podcast: Ameryka. Dom podzielony Andrzej Kohut, 2022-07-29 Odkrywamy szczeliny rzeczywistości Ulice amerykańskich miast w ogniu. Zimna wojna z Chinami. Szturm na Kapitol. Utrwalany przez lata wizerunek Stanów Zjednoczonych jako wzoru do naśladowania dla innych państw kruszy się w zastraszającym tempie. Co się zza niego wyłania? Atak zwolenników Donalda Trumpa na Kapitol, spiskowe teorie spod znaku QAnon, gospodarcza zapaść w pasie rdzy. Systemowy rasizm nadal ma się tu dobrze, a ze względu na narastający konflikt z Chinami ofiarami prześladowań stają się również osoby pochodzenia azjatyckiego. „Dom podzielony ostać się nie może” – te słynne słowa Abrahama Lincolna przypomniał w czasie kampanii wyborczej Joe Biden. Czy nowy prezydent będzie w stanie przeprowadzić umacniające kraj reformy? Czy porażka w „wojnie z terroryzmem” na Bliskim Wschodzie oraz rosnące trudności z powstrzymaniem działań Władimira Putina to ostateczny koniec globalnego przywództwa USA? ANDRZEJ KOHUT – amerykańista, ekspert Centrum Analiz Klubu Jagiellońskiego, specjalista ds. nowych mediów w Ośrodku Studiów Wschodnich. Jest twórcą popularnego podcastu „Po amerykańsku”. Regularnie komentuje wydarzenia w USA dla polskich mediów. Rzetelne i dobrze napisane kompendium wiedzy o najnowszej historii Ameryki. W tym o przedziwnym roku 2020, w którym przegląda się jak w lustrze wiele problemów tego kraju: nierówności społeczne, rasizm, przemoc, teorie spiskowe... Kronika przebudzenia z amerykańskiego snu, którą zdecydowanie warto przeczytać. Maciej Czarnecki dziennikarz „Gazety Wyborczej” W przededniu nowej zimnej wojny pytania o kres amerykańskiego snu przestają dotyczyć tylko Amerykanów. Andrzej Kohut pomaga ustalić genezę jednego z największych chaosów we współczesnej historii politycznej Stanów Zjednoczonych i pokazuje, jak głębokie są jego źródła. Marcin Makowski dziennikarz, dyrektor serwisów informacyjnych w Interii Historia Stanów Zjednoczonych to fascynująca opowieść o zmaganiach wyjątkowego narodu z samym sobą. Andrzej Kohut w błyskotliwy sposób i bez pudrowania opisuje najnowszy, dramatyczny rozdział tych zmagania. Lektura obowiązkowa dla każdego, kto chce zrozumieć wyzwania, z jakimi mierzy się współczesna Ameryka. Adam Traczyk publicysta, współzałożyciel think tanku Global.Lab

glenn beck daily podcast: Insurgency Jeremy W. Peters, 2022-02-08 NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE • How did the party of Lincoln become the party of Trump? From an acclaimed political reporter for The New York Times comes the definitive story of the mutiny that shattered American politics. “A bracing account of how the party of Lincoln and Reagan was hijacked by gadflies and grifters who reshaped their movement into becoming an anti-democratic cancer that attacked the U.S. Capitol.”—Joe Scarborough An epic narrative chronicling the fracturing of the Republican Party, Jeremy Peters's *Insurgency* is the story of a party establishment that believed it could control the dark energy it helped foment—right up until it suddenly couldn't. How, Peters asks, did conservative values that Republicans claimed to cherish, like small government, fiscal responsibility, and morality in public service, get completely eroded as an unshakable faith in Donald Trump grew to define the party? The answer is a tale traced across three decades—with new reporting and firsthand accounts from the people who were there—of populist uprisings that destabilized the party. The signs of conflict were plainly evident for anyone who cared to look. After Barack Obama's election convinced many Republicans that they faced an existential demographics crossroads, many believed the only way to save the party was to create a more inclusive and diverse coalition. But party leaders underestimated the energy and popular appeal of those who would pull the party in the opposite direction. They failed to see how the right-wing media

they hailed as truth-telling was warping the reality in which their voters lived. And they did not understand the complicated moral framework by which many conservatives would view Trump, leading evangelicals and one-issue voters to shed Republican orthodoxy if it delivered a Supreme Court that would undo *Roe v. Wade*. In this sweeping history, Peters details key junctures and episodes to unfurl the story of a revolution from within. Its architects had little interest in the America of the new century but a deep understanding of the iron will of a shrinking minority. With Trump as their polestar, their gamble paid greater dividends than they'd ever imagined, extending the life of far-right conservatism in United States domestic policy into the next half century.
