

how to write an obituary

how to write an obituary is a sensitive yet important task that provides a meaningful tribute to a loved one's life and legacy. Crafting an obituary requires careful attention to detail, respect for the deceased, and clarity to inform friends and family of essential information. This article explores the key components involved in composing an effective obituary, from gathering accurate personal details to structuring the narrative in a respectful and engaging manner. Additionally, it covers practical tips on tone, length, and publication options. Whether writing for a newspaper, online memorial, or family keepsake, understanding the best practices and common conventions can help produce a heartfelt and informative obituary. Below is an overview of the main sections that will guide the process of how to write an obituary.

- Understanding the Purpose of an Obituary
- Gathering Essential Information
- Structuring the Obituary
- Writing Style and Tone
- Common Mistakes to Avoid
- Publication and Distribution

Understanding the Purpose of an Obituary

An obituary serves as a formal announcement of a person's death and a celebration of their life. It communicates vital information to the community, offers a way for friends and acquaintances to pay their respects, and preserves memories for future generations. Recognizing the purpose of an obituary is crucial in crafting a message that is both informative and respectful.

Informing the Community

The primary function of an obituary is to notify the public of the deceased's passing. It provides details about the date, place, and circumstances of death, along with funeral or memorial service arrangements. This enables those who knew the individual to offer condolences and attend ceremonies if they wish.

Honoring the Deceased's Life

Beyond announcing a death, an obituary highlights the life achievements, character, and relationships of the deceased. It often reflects personal qualities, contributions to society, and meaningful experiences, creating a lasting tribute that honors their legacy.

Preserving Family History

Obituaries also serve as historical records, documenting family lineage, milestones, and connections. They are often referenced by future generations for genealogical research or to understand their heritage.

Gathering Essential Information

Before beginning to write, it is important to collect comprehensive and accurate information about the deceased. This ensures the obituary is factually correct and reflective of the individual's life.

Basic Personal Details

Start by noting the full name of the deceased, including any maiden names or nicknames. Record dates and places of birth and death, as well as age at the time of passing. These foundational facts set the framework for the obituary.

Family and Relationships

Include the names of immediate family members such as spouse, children, grandchildren, and siblings. It is customary to mention close relatives who preceded the deceased in death, as well as surviving family members.

Biographical Highlights

Gather information about the deceased's education, career, hobbies, military service, community involvement, and any notable accomplishments. Personal anecdotes or traits that capture their essence add depth to the narrative.

Funeral and Memorial Details

Confirm the date, time, and location of services, along with any specific requests such as donations to charities or attendance instructions. Providing this information helps guide those who wish to pay their respects.

Structuring the Obituary

A well-organized obituary allows readers to easily comprehend the key details and appreciate the life story. Common structural elements help maintain clarity and flow.

Opening Announcement

Begin with a clear statement announcing the death, including the full name, age, and date of death. This sets the tone and provides immediate context.

Biographical Narrative

Follow with a summary of the deceased's life, focusing on significant milestones such as education, career, family life, and achievements. This section should be concise yet informative, balancing factual data with warm remembrances.

Family Information

List surviving relatives and those who preceded the deceased, often in order of closeness. This acknowledges the family network and provides comfort to readers familiar with these relationships.

Service Information

Include clear details about funeral, memorial, or burial services, specifying dates, times, locations, and any special instructions. This practical information is essential for those wishing to attend.

Closing Remarks

End the obituary with a final tribute, such as a favorite quote, poem, or message of thanks. You may also note charitable organizations for donations in memory of the deceased.

Writing Style and Tone

The tone of an obituary should be respectful, sincere, and appropriate to the individual's personality and cultural background. The writing style needs to balance professionalism with warmth.

Choosing the Right Tone

Obituaries typically maintain a formal or semi-formal tone, avoiding overly flowery language or casual expressions. However, including personal touches or humor can be suitable if reflective of the deceased's character.

Clarity and Conciseness

Use straightforward language and avoid jargon or complex sentence structures. Obituaries are often limited in length, so prioritizing the most important information is essential for readability.

Maintaining Accuracy

Double-check all names, dates, and facts to prevent errors that could cause distress or confusion. Accuracy reinforces the credibility of the obituary and honors the deceased appropriately.

Common Mistakes to Avoid

When learning how to write an obituary, recognizing common pitfalls helps ensure the final product is respectful and effective.

Omitting Key Information

Failing to include essential details such as the full name, date of death, or service information can lead to misunderstandings or incomplete announcements.

Excessive Length

While it is important to honor the deceased's life, overly long obituaries may lose reader interest or exceed publication limits. Striking a balance between detail and brevity is vital.

Inaccurate or Incomplete Details

Errors in spelling, dates, or family names can cause offense and diminish the quality of the obituary. Verifying all information with family members or official records is crucial.

Inappropriate Tone

Using language that is too casual, humorous, or negative may not be suitable for an obituary. Maintaining a dignified and respectful tone is standard practice.

Publication and Distribution

After writing the obituary, the final step involves deciding where and how to publish it to reach the intended audience effectively.

Choosing Publication Outlets

Common options include local newspapers, funeral home websites, community newsletters, or online memorial platforms. Selection depends on the deceased's community ties and family preferences.

Submission Guidelines

Each publication has specific requirements regarding length, format, and deadlines. Familiarizing oneself with these guidelines ensures smooth processing and timely publication.

Additional Distribution Methods

Beyond formal publication, obituaries can be shared via social media, email, or printed memorial cards. These methods can broaden the reach and provide comfort to distant friends and relatives.

Costs and Considerations

Publishing an obituary in print often incurs fees based on length and placement. Budget considerations may influence the choice of outlet or the amount of detail included.

- Understand the purpose of an obituary: informing, honoring, preserving history
- Gather complete and accurate details: personal, family, biographical, service
- Structure the obituary with clear sections: announcement, narrative, family, service, closing
- Maintain respectful and clear writing style and tone
- Avoid common mistakes such as omissions and inaccuracies
- Choose appropriate publication and distribution channels

Frequently Asked Questions

What is the purpose of an obituary?

An obituary serves to inform the community of a person's death, celebrate their life, and provide details about funeral services or memorials.

What key information should be included in an obituary?

Key information includes the full name of the deceased, age, date and place of death, biographical details, names of surviving family members, and funeral or memorial service information.

How long should an obituary be?

Obituaries typically range from 200 to 500 words, but length can vary depending on publication requirements and the amount of information to be shared.

What is the best way to start writing an obituary?

Begin by gathering all relevant facts about the deceased's life, including birth and death details, family information, career, achievements, and personal interests.

Can I include personal anecdotes or quotes in an obituary?

Yes, including personal anecdotes or meaningful quotes can add a personalized touch and help celebrate the unique life of the deceased.

How formal or informal should an obituary be?

The tone of an obituary can vary from formal to informal depending on cultural norms and family preferences, but it should always be respectful and sincere.

Where can I publish an obituary?

Obituaries can be published in local newspapers, funeral home websites, online obituary platforms, and social media to reach a wider audience.

Is it necessary to include cause of death in an obituary?

Including the cause of death is optional and depends on the family's wishes; some choose to share it, while others prefer to keep it private.

How do I handle spelling and grammatical errors in an obituary?

Carefully proofread the obituary multiple times and consider having another person review it to ensure accuracy and professionalism.

Can I write an obituary for someone else, and how do I approach it sensitively?

Yes, you can write an obituary for someone else. Approach it with empathy, consult close family members for accurate information, and respect the deceased's and family's wishes.

Additional Resources

1. Writing an Obituary: A Comprehensive Guide

This book offers a step-by-step approach to crafting meaningful and respectful obituaries. It covers the essential elements to include, from biographical details to personal anecdotes, helping writers capture the essence of a loved one's life. Practical tips and sample obituaries make it accessible for both beginners and experienced writers.

2. The Art of Obituary Writing: Honoring Lives with Words

Focused on the storytelling aspect of obituary writing, this book emphasizes how to create compelling

narratives that celebrate an individual's legacy. It provides guidance on tone, structure, and language to ensure the obituary resonates with readers. The author includes examples from diverse cultural backgrounds to illustrate varied approaches.

3. How to Write an Obituary: Tips and Templates for Every Occasion

Perfect for those who want a quick yet thorough resource, this book includes easy-to-follow tips and ready-to-use templates. It addresses different situations, from traditional obituaries to more personalized memorials. The templates can be adapted to suit various styles and preferences, making the writing process less daunting.

4. Obituary Writing Made Simple: A Practical Handbook

Designed to simplify the process, this handbook breaks down obituary writing into manageable parts. It discusses how to gather information, decide what to include, and avoid common pitfalls. With sample texts and checklists, it ensures readers feel confident and organized when composing an obituary.

5. Beyond the Basics: Crafting Meaningful Obituaries

This book goes deeper into the emotional and ethical considerations of obituary writing. It explores how to balance factual accuracy with personal reflection and how to handle sensitive topics with care. Readers learn how to honor the deceased while providing comfort to the bereaved community.

6. Obituaries That Inspire: Writing to Celebrate a Life

Focusing on uplifting and inspirational obituary writing, this title encourages writers to highlight achievements and positive traits. It includes interviews with professional obituary writers and tips on incorporating quotes and memories from family and friends. The book aims to transform obituary writing into a healing and celebratory act.

7. From Announcement to Tribute: A Guide to Obituary Writing

Covering the entire process from initial death announcement to final tribute, this guide helps readers navigate timelines and publication requirements. It also offers advice on working with funeral homes and newspapers to ensure accuracy and timeliness. The practical insights make it a valuable resource for families and professionals alike.

8. Writing Obituaries for Newspapers and Online Memorials

This book addresses the differences between traditional newspaper obituaries and modern online memorials. It provides strategies for writing content suitable for both print and digital platforms, including SEO tips for online visibility. The author discusses how to engage readers and preserve memories in the digital age.

9. The Compassionate Writer's Guide to Obituaries

Emphasizing empathy and sensitivity, this guide teaches how to write obituaries that honor the deceased while respecting the feelings of survivors. It includes advice on handling controversial or difficult life stories with dignity. The book also highlights the therapeutic benefits of obituary writing for grieving families.

how to write an obituary: How to Write Anything: A Complete Guide Laura Brown, 2014-04-14 "There has never been a guide as comprehensive as this to writing in all its forms. . . . Useful, clear and encyclopedic, this book is an essential guide for every household."—Examiner Need to know how to format your résumé for that job application? How do you write a cover letter that will stand out? Wondering how to request a letter of recommendation for graduate school? Trying to craft a get-well note that will really help? How informal is too informal when instant messaging in the office? What do you write on the website for your small business? What should you say in a wedding invitation? Or a divorce announcement? With over 200 how-to entries and easy-to-use models organized into three comprehensive sections on work, school, and personal life, *How to Write Anything* covers a wide range of topics that make it an essential guide for the whole family.

how to write an obituary: How to Write it Sandra E. Lamb, 2006 Provides examples and advice on writing announcements, condolences, invitations, cover letters, resumes, recommendations, memos, proposals, reports, collection letters, direct-mail, press releases, and e-mail.

how to write an obituary: Letitia Baldrige's New Manners for New Times Letitia Baldrige, 2009-11-24 THE ESSENTIAL GUIDE TO MANNERS, REVISED AND UPDATED TO ACCOMMODATE TODAY'S HIGH-SPEED LIFESTYLES, SHIFTING VALUES, AND EVER-EVOLVING DEFINITION OF FAMILY. Letitia Baldrige is universally recognized as the country's leading authority on executive, domestic, and social manners. She began writing on manners and protocol during her diplomatic service in 1949, and she has been hailed on the cover of Time magazine as America's leading arbiter of manners. Originally published in 1989, her *Complete Guide to New Manners* has now been thoroughly revised and updated to incorporate the changing social conventions and enormous technological advances of the past fifteen years. Baldrige was the first etiquette writer to advise

extensively on the subject of manners in the workplace. With her legendary background in both the government and business worlds, she remains the prime authority on the integration of goals that often seem at odds with one another -- namely, family, work, and pleasure. Baldrige provides fresh guidelines on etiquette at work and in every form of communication, from letters to emails to cell phone calls. She also updates the way we approach the traditional rites of passage -- weddings, funerals, religious ceremonies, gatherings large and small. Here are authoritative answers to the etiquette questions and issues involved in nontraditional family relationships -- stepfamilies, adult children returning home, elderly parents moving in, gays and lesbians in the family, dating for the newly single, and the myriad complications that spring from divorce. Through it all, Baldrige does not forget the essence of manners: they are an expression of love and care, and they are under our control. *New Manners for New Times* is a comprehensive encyclopedia that will lead readers confidently and correctly through the maze of lifestyles, customs, business, and ways of relating to others in this new, complex millennium. But it is, above all, a very personal statement.

how to write an obituary: *Write Your Self* Stephen Wade, 2018-01-22 We live in an age of information, but very little of this is about the individual. Too often we communicate in no more than ready-made clichés. But now more than ever there is a need to know ourselves and to discover more about our own profound resources for imagination and creativity. *Write Your Self* has been written with this in mind: you will keep a journal, but it is structured and directed, and all the writing leads to more understanding of you. Whether you simply treat this book as a different kind of journal, or whether you use it as a basis for creative writing, the result will be a new access to your own words and to your personal development as an individual.

how to write an obituary: *The Caldwell Objects and How to Observe Them* Martin Mobberley, 2009-10-03 When Mike Inglis, who consults for Springer, first asked me to write a Caldwell book in their "and How to Observe Them" series I admit I did need some time to think the suggestion over. I am a fan of Patrick's Caldwell catalog as are most of the amateur astronomers I know, but could a new book be justified when the massive, comprehensive, and wrist-spraining Caldwell tome by Stephen O'Meara covers the subject fully anyway? That other book was researched and written over a 5-year period in the pre-9/11 world from 1996 to 2001, and its 484 pages of descriptive text and background data are a joy to peruse, as are Stephen's impressive sketches. OK, the book is far too heavy for the binding and after a few trips outside half the pages in my copy fell out, but apart from that it is an excellent book and surely impossible to improve upon, or even equal, especially in a smaller format book with only half the pages available; at least, that was my initial impression when I mulled over writing another Caldwell book. However, I changed my mind, because a number of events of astronomical significance have occurred in the last 10 years. First and foremost backyard imaging of deep sky objects, especially color imaging, has come on in leaps and bounds in the twenty-first century.

how to write an obituary: *Do I Have to Wear Black to a Funeral?: 112 Etiquette Guidelines for the New Rules of Death* Florence Isaacs, 2020-01-14 Everything you ever wanted to know about funeral etiquette but were afraid to ask When is attending a funeral or memorial service "a must," and when is it optional? Can a eulogy be funny? Can I scatter my brother's ashes in the backyard? Should I place a death notice or an obituary? What's the difference? These are all questions that Florence Isaacs has been asked as a blogger for Legacy.com, a role that earned her the nickname of the "Dear Abby of Death." In *Do I Have to Wear Black to a Funeral?*, she answers urgent questions about grief, funerals, different religious ceremonies, and more, offering practical guidelines for modern situations—and, yes, what to wear. Isaacs' honest, often entertaining, responses provide no-nonsense information to millennials, while also helping older generations navigate new waters, like how to send condolences through social media. She offers fresh insights, plus an etiquette map of the right things to do and say, in her familiar, sensitive, and sincere style.

how to write an obituary: *You're Not Dead Yet!* Kathy Dempsey, Kim Harms, 2025-09-24 *You're Not Dead Yet. Still Breathing?* Great! You've got time live fully before you die. If you're still waking up every morning in your 50s, 60s, 70s, or beyond, you've lived through change, challenge,

and reinvention. But no one gave you a roadmap for this part: how to navigate transitions easier, prepare for the end while still showing up with laughter, love, and legacy in mind. That's what this book delivers. *You're Not Dead Yet: How to Live Well, Laugh Often, and Graduate Life with Honors* is part no-nonsense guide, part soul companion, and part permission slip to live like you mean it. Written by Kathy Dempsey, and Kim Harms, two women who know the terrain of grief, healing, and transformation, this book helps you do the deep work of letting go. This is your time to SHED what no longer serves you—old roles, outdated expectations, stuff you don't need—and embrace the life you still have left with open arms and fewer regrets. Whether you're downsizing, caregiving, grieving, or simply waking up wondering, Is this all there is? – this book is for you. You'll find what you need here: practical tools, heartfelt stories, and a surprisingly funny and wise lizard named Lenny. You'll discover how to: Let go of what's weighing you down—physically, emotionally, and spiritually Laugh through the aches, aging, and awkward family conversations Have the talk with your adult kids (without the drama or dread) Recognize and navigate life's transitions as you age Create a legacy your loved ones will treasure Plan your end-of-life wishes with love—not fear Master essential life skills from cradle to grave—so you can die well by living well today Packed with real stories, wisdom, and a full end-of-life workbook to spare your family the chaos and conflict, this is your guide to embracing your fourth quarter with clarity, courage, and peace of mind. Because *You're Not Dead Yet!* And it's never too late to live fully—and finish well.

how to write an obituary: *The Other Family Doctor* Karen Fine, 2023-03-14 NEW YORK TIMES BESTSELLER • Calling all animal lovers! A heartwarming memoir about one woman's career as a vet and the unique role pets play in our lives • “Filled with compassion and wisdom, Karen Fine is a healer whose own wounds have deepened her gifts for bringing animals and their people comfort and peace.” —Sy Montgomery, bestselling author of *The Soul of an Octopus* A tribute to our furry, feathery, scaly, and wet family members, *All Creatures Great and Small* meets *Being Mortal* in this compelling memoir of one woman's dream to become a veterinarian. Karen Fine always knew that she wanted to be a vet and wasn't going to let anything stop her: not her allergy to cats, and not the fact that in the '80s veterinary medicine was still a mostly male profession. Inspired by her grandfather, a compassionate doctor who paid house calls to all his (human) patients, Dr. Fine persevered, and brought her Oupa's principles into her own practice, which emphasizes the need to understand her patients' stories to provide the best possible care. And in *The Other Family Doctor*, Dr. Fine shares all these touching, joyful, heartbreaking, and life-affirming tales that make up her career as a vet. There's: • The feral cat who becomes a creature out of a fable when he puts his trust in a young vet to heal his injured paw • The pot-bellied pig who grows too big to fit in the car but remains a cherished part of her family • The surprising colony of perfectly behaved ferrets • The beloved aging pet who gives her people the gift of accompanying them on one final family vacation • The dog who saves his owner's life in a most unexpected way Woven into Dr. Fine's story are, of course, also the stories of her own pets: the birds, cats, and dogs who have taught her the most valuable lessons—how caring for the animals in our lives can teach us to better care for ourselves, especially when life seems precarious.

how to write an obituary: *How To Plan A Funeral* Hal Stevens, 2008

how to write an obituary: *Achieving a Good Death* Chris Palmer, 2024-10-01 Death is inevitable, dying badly is not. A good death is achievable, and this book explains how. There is an art to dying well that can be taught and learned. While death is inevitable, dying badly is not. This practical guide to achieving a good death will reduce the fear that often cloaks discussions about death and dying and give readers the knowledge and skills to achieve a peaceful and gentle death. With the multiple options available at the end of life, people can design and direct their end-of-life journey so they have as fulfilling and meaningful life as possible right up to the end and achieve the elusive good death when the time comes. Chapters focus on essential elements of living well and preparing for a good death including: Death cleaning so we don't burden our loved ones with a big mess Talking with loved ones and doctors about our end-of-life wishes and aspirations so they know what matters to us and how we want to be treated Writing a legacy letter (an ethical will) and a

memoir to let loved ones know what is deep in our hearts. Understanding caregivers, an under-appreciated group of people, usually unpaid women, who number in the millions. The benefits of palliative care, hospice care, and end-of-life doulas and the necessary vigilance to get the most out of these essential services. End-of-life options, including medical-aid-in-dying (MAID) and voluntarily stopping eating and drinking (VSED). What it's like to die and how to help people as they die. Options for disposition of the body of a loved one (or your own body) after death, especially in an economically and ecologically responsible way. Planning commemorations and celebrations of life. The nature of grief, including how to deal with it, and why it is often unbearably painful. This thoughtful and gentle guide, exploring one of the most difficult human topics, equips every reader with the information they need to overcome the anxiety and confusion that so often overwhelms end-of-life planning so they may intentionally plan for "a good death" that will provide comfort for all during one's final act.

how to write an obituary: *New and Experimental Approaches to Writing Lives* Jo Parnell, 2019-08-01 With recent advances in digital technology, a number of exciting and innovative approaches to writing lives have emerged, from graphic memoirs to blogs and other visual-verbal-virtual texts. This edited collection is a timely study of new approaches to writing lives, including literary docu-memoir, autobiographical cartography, social media life writing and autobiographical writing for children. Combining literary theory with insightful critical approaches, each essay offers a serious study of innovative forms of life writing, with a view to reflecting on best practice and offering the reader practical guidance on methods and techniques. Offering a range of practical exercises and an insight into cutting-edge literary methodologies, this is an inspiring and thought-provoking companion for students of literature and creative writing studying courses on life writing, memoir or creative non-fiction.

how to write an obituary: What God wants for you Michael Boekstal, 2015-05 Everything we think we've discovered only recently about positive psychology, self-realization and improvement and the art of happiness, turns out to have been staring us in the face for thousands of years. Find out how the Bible, or more specific, the 5 books of Moses, are the original and ultimate texts on self-realization. Learn why God wants you to be happy and discover how the tools to become happy are hidden in plain sight, simple by changing the question of What does God want from us? into, What does God want for us? By following the Jewish tradition of the annual reading cycle of the Torah, Rabbi Michael Solomon Boekstal explains in a very accessible way and in a conversational style how we can read the ancient words with new eyes. It doesn't matter whether you are Jewish, Christian, Muslim, Atheist or Agnostic, this book will allow you to connect or reconnect with the foundation of the Bible in a new, positive way.

how to write an obituary: The Artist's Guide Jackie Battenfield, 2009-06-09 A comprehensive guide for both emerging and mid-career artists to pursue a career in the visual arts. Providing real-life examples, illustrations, and step-by-step exercises, Battenfield offers readily applicable advice on all aspects of the job. Along with tips on planning and assessment, she presents strategies for self-management, including marketing, online promotion, building professional relationships, grant writing, and portfolio development. Each chapter ends with an insightful Reality Check interview, featuring advice and useful information from high-profile artists and professionals. The result is an inspiring, experiential guide brimming with field-tested techniques that readers can easily apply to their own career.

how to write an obituary: Narrative Medicine in Veterinary Practice Karen R. Fine, 2021-10-25 This is the first guide to Veterinary Narrative Medicine, a cutting-edge approach in human medicine with multiple applications in veterinary medicine. The text combines the latest research with numerous real-world examples and practical techniques to improve client communication, patient care, and veterinary well-being. Narrative Medicine maintains that a patient should be viewed as an individual rather than an example of a disease process, and that this can be accomplished by using narrative. This book explores methods and theories from leaders in the human Narrative Medicine field while addressing topics unique to veterinary medicine. Readers will gain tools to help navigate

difficult conversations and situations in clinical practice, including those involving the end of life. Narrative Medicine in Veterinary Practice also addresses the important issue of veterinary wellness. The ability to view the veterinarian's own stories and those of clients and patients as narratives may help practitioners maintain both emotional and work-place boundaries as well as decrease burnout and compassion fatigue. The book describes basic techniques to promote self-reflection and mindfulness, skills often overlooked in the veterinary profession which can improve resilience and increase the enjoyment of veterinary practice. This is important reading for veterinary practitioners, students, veterinary nurses, technicians, social workers, and all veterinary clinic staff.

how to write an obituary: Make Your Resume Talk Richard A. Hart, 2007-02-01 This book contains all the guidelines needed to help you write an advertisement resume that will get you interviews and a job. It promotes writing results work statements rather than task and responsibility statements. Key features include how to write 1. your heading in relation to space available, 2. targeted objectives, 3. work statements that use key words and still describe how good you are, 4. skill sections that show your level of ability, and 5. activities that show your chemistry. Make Your Resume Talk is written in sections to help you build or re-write your resume and help you tailor your resume to specific jobs. Many before and after resumes with individual critiques on different occupations are included to show how to write statements that get attention of potential employers. Helpful tips are provided throughout the book to highlight critical information for writing a resume that will talk for you. Chapters are provided to cover all aspects of the resume plus special chapters on electronic resumes, help for high school/college students, and the physical attributes of resumes. Effective cover letter guidelines with examples are provided as a bonus. Personal testimonials are scattered through the book to show you how the guidelines helped other users. The success of his approach is shown by this quote from a Senior Corporate Recruiter from Red Hat which stated, As a corporate recruiter, I view hundreds of resumes daily filed with buzz words, tasks and objectives that don't meet the candidate's background. These resumes are quickly eliminated. The resumes that follow the guidelines outlined in Dick Hart's book that show the depth of the candidate's ability and how well the buzz words apply to their accomplishments are the ones we seriously consider. Diligent applicants need to follow his advice and list solid achievements from past/current performance.

how to write an obituary: Genre in World Englishes Susanne Mühleisen, 2022-08-15 World Englishes and English in postcolonial contexts have been curiously neglected in an otherwise abundant research literature on text types and genres in English. This volume looks at the adaptation, transformation and emergence of genres in the particular cultural context of the Anglophone Caribbean. A comprehensive framework for the investigation of text production in postcolonial and global English communities is followed by empirically based case studies on specific text formats such as recipes, death notices and obituaries, letters to the editor, newspaper advice columns, radio phone-in programmes, online forums and the music genre calypso. Influences from oral versus literate culture as well as status and function of English versus Creole are considered by highlighting written, spoken and digital genres. All chapters present surveys from a historical and cross-cultural perspective before exploring specific linguistic and cultural features in the Caribbean texts. This volume will be highly relevant for researchers in World Englishes and Caribbean studies, postcolonial pragmatics, genre and media studies as well as linguistic anthropology.

how to write an obituary: Overcoming Health Anxiety 2nd Edition Rob Willson, David Veale, 2022-10-27 How you can stop worrying about your health and enjoy life 'This book not only helps sufferers to better understand the nature of the problem, but also provides them with the skills necessary to overcome it and to regain quality of life' Professor Paul Salkovskis, Professor of Experimental Psychology, University of Oxford Many of us have a tendency to worry unnecessarily about our health. For some the anxiety becomes severe and persistent. This can involve spending many hours checking for symptoms, seeking reassurance from others, surfing the internet for information about different diseases, or repeatedly visiting the doctor. It is distressing for them and for everyone around them. In fact, health anxiety can be very successfully treated with cognitive

behavioural therapy (CBT) - the approach taken in this self-help guide. Using a structured, step-by-step approach the authors explain how the problem develops, how to recognise what feeds it and how to develop effective methods of dealing with it. This book includes: - Questionnaires, case studies and exercises - Chapters on fear of death and on medication

Overcoming self-help guides use clinically proven techniques to treat long-standing and disabling conditions, both psychological and physical.

READING WELL This book is recommended by the national Reading Well scheme for England and Wales delivered by The Reading Agency and the Society of Chief Librarians with funding from Arts Council England and Wellcome. www.reading-well.org.uk
