is bill nye alive: Bill Nye's Sparks Edgar Wilson Nye (Bill Nye), 2024-01-02 The amusing pieces in Bill Nye's Sparks were penned by Edgar Wilson Nye, writing under the pen name Bill Nye. Renowned American humourist and journalist Bill Nye was well-known for his sharp mind and caustic viewpoint on a wide range of topics. Readers can anticipate several amusing observations and commentary on society, daily life, and human behavior in Bill Nye's Sparks. To keep his audience entertained, Nye uses a unique comedic style that combines wordplay and satire. The pieces offer a light-hearted look at the peculiarities and eccentricities of late 19th-century American culture on a variety of subjects. Although the essays' exact subjects may differ, readers can always count on Nye's distinctive humour and his ability to make the mundane hilarious. The word Sparks in the title can imply that Nye's works are humorous or insightful sparks that cause others to laugh and think. All things considered, the book is a charming illustration of American humour from the 19th century and the caustic approach that made Bill Nye famous.

Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1894 Excerpt: ...woods in order to get food for their families. Troops had no blankets, and straw was not to be had. It was extremely sad; but there was no wavering. Officers were approached by the enemy with from one hundred to one thousand pounds if they would accept and use their influence to effect a reconciliation; but, with blazing eye and unfaltering attitude, each stated that he was not for sale, and returned to his frozen mud-hole to rest and dream of food and freedom. Those were the untitled nobility from whom we sprung. Let us look over our personal record and see if we are living lives that are worthy of such heroic sires. Five minutes will now be given the reader to make a careful examination of his personal record. In the spring the joyful news came across the sea that, through the efforts of Benjamin Franklin, France had acknowledged the independence of the United States, and a fleet was on the way to assist the struggling troops. The battle of Monmouth occurred June 28. Clinton succeeded Howe, and, alarmed by the news of the French fleet, the government ordered Clinton to concentrate his troops near New York, where there were better facilities for getting home. Washington followed the enemy across New Jersey, overtaking them at Monmouth. Lee was in command, and got his men tangled in a swamp where the mosquitoes were quite plenty, and, losing courage, ordered a retreat. Washington arrived at that moment, and bitterly upbraided Lee. He used the Flanders method of upbraiding, it is said, and Lee could not stand it. He started towards the enemy in preference to being there with Washington, who was still rebuking him. The fight was renewed, and all day long they fought. When night came, Clinton took his troops with him and went away where they could be by themse...

(1850-1896) was America's best known humorist in the late 1880's and early 1890's, his work is little known today--his books long out of print and his columns yellowing in newspaper files. Now T. A. Larson, a dyed-in-the-wool Nye fan for more than thirty years, has assembled the best of Bill Nye's work, most of it dating from the seven Wyoming years when Nye made his name. The selections are chosen from Laramie, Cheyenne, and Denver newspapers and from six books published in the 1890's. The resulting collection is both good fun and a valuable picture of a lively period.
