

merrick garland republican opposition

merrick garland republican opposition has been a significant topic in American political discourse since Garland's nomination as Attorney General. The resistance from Republican lawmakers and conservative groups has shaped much of the narrative around his tenure and policy initiatives. This opposition reflects broader partisan divides on issues such as criminal justice reform, civil rights enforcement, and federal oversight. Understanding the roots and nature of this resistance is crucial for comprehending current political dynamics. This article explores the historical context, specific points of contention, and the implications of the opposition to Merrick Garland from Republican quarters. The discussion also highlights the strategies employed by Republicans in response to Garland's policies and the broader impact on the Department of Justice (DOJ).

- Background and Nomination of Merrick Garland
- Core Issues Behind Republican Opposition
- Political and Legislative Responses
- Impact on Department of Justice Operations
- Public Perception and Media Coverage

Background and Nomination of Merrick Garland

Merrick Garland, a former federal appellate judge, was nominated by President Joe Biden to serve as the Attorney General of the United States. Garland's legal career is marked by a reputation for moderation and judicial restraint, which initially made him a consensus nominee for the Supreme Court in 2016 before the nomination was blocked by Senate Republicans. His eventual nomination to lead the DOJ reignited political debates, particularly among Republicans wary of the Biden administration's policy agenda. Understanding the background of Garland's career sheds light on why his appointment became a focal point of partisan opposition.

Judicial Career and Reputation

Before his appointment as Attorney General, Merrick Garland served as Chief Judge of the United States Court of Appeals for the District of Columbia Circuit. His judicial record is characterized by centrist rulings, which some viewed as an attempt to balance competing legal philosophies. Despite his moderate approach, Republicans have expressed concerns about his potential

enforcement priorities and alignment with the Biden administration's policies.

The 2016 Supreme Court Nomination Controversy

Garland was nominated by President Barack Obama to the Supreme Court in 2016 but faced unprecedented opposition from Senate Republicans, who refused to hold confirmation hearings. This historical context is often cited by Republicans as a justification for their cautious stance toward Garland's subsequent nomination as Attorney General, emphasizing the need for thorough scrutiny.

Core Issues Behind Republican Opposition

The opposition to Merrick Garland from Republicans centers around several key issues including law enforcement policies, civil liberties, and political neutrality of the DOJ. These concerns reflect broader ideological divides and the contentious environment surrounding federal law enforcement leadership.

Concerns Over Criminal Justice and Law Enforcement Policies

Republicans have voiced apprehension regarding Garland's approach to criminal justice reform, fearing it may lead to leniency that could undermine public safety. Issues such as prosecutorial discretion, federal involvement in local policing, and the handling of protests have been focal points of criticism. Concerns also extend to Garland's stance on issues like immigration enforcement and drug-related offenses.

Allegations of Partisan Bias and DOJ Independence

Another significant aspect of the opposition involves accusations that Garland's DOJ might prioritize political objectives over impartial law enforcement. Some Republicans argue that Garland's close ties to Democratic leadership could threaten the DOJ's reputation for neutrality, especially regarding investigations into political figures and election-related matters.

Disagreement Over Civil Rights Enforcement

Republicans have also expressed unease about the DOJ's expanded role in civil rights enforcement under Garland's leadership. While Garland supports robust protections against discrimination, Republicans caution against what they perceive as federal overreach into state and local jurisdictions. This tension highlights differing philosophies on the role of federal authority in

social justice issues.

Political and Legislative Responses

Republican opposition to Merrick Garland has manifested in various political and legislative actions aimed at limiting the Attorney General's influence and shaping the DOJ's priorities.

Senate Confirmation Process and Oversight

The Senate Republican caucus conducted rigorous questioning during Garland's confirmation hearings, emphasizing transparency and accountability. Post-confirmation, Republican senators have maintained oversight through committee hearings and inquiries, seeking to challenge and critique DOJ decisions.

Legislative Measures and Budgetary Constraints

Republicans have proposed and supported legislative initiatives designed to restrict DOJ funding for certain programs or initiatives championed by Garland. These measures often target areas like federal civil rights enforcement and criminal justice reforms that are seen as controversial within Republican ranks.

Use of Political Messaging and Public Statements

Republican leaders and conservative media outlets have frequently used public platforms to question Garland's policies and decisions. This messaging serves to consolidate opposition and influence public opinion, framing Garland's tenure as problematic from a conservative perspective.

Impact on Department of Justice Operations

The sustained republican opposition has had tangible effects on the operations and strategic direction of the Department of Justice under Merrick Garland's leadership.

Challenges in Policy Implementation

Opposition has complicated the DOJ's efforts to implement reform-oriented policies, particularly those involving police accountability and voting rights enforcement. Republican resistance at both legislative and public levels has forced the DOJ to navigate a complex political landscape while pursuing its objectives.

Internal DOJ Dynamics and Morale

The contentious political environment surrounding Garland's tenure has influenced internal dynamics within the DOJ. Employees and officials face pressures from external criticism and shifting political priorities, impacting the department's overall morale and effectiveness.

Judicial and Administrative Responses

In response to opposition, the DOJ under Garland has taken steps to reinforce its independence, including transparency measures and reaffirming commitments to impartial law enforcement. These efforts aim to balance political realities with the department's mandate.

Public Perception and Media Coverage

The republican opposition to Merrick Garland has significantly shaped public perception and media narratives regarding his role as Attorney General.

Media Framing and Partisan Narratives

Conservative media outlets often portray Garland as emblematic of a DOJ politicized by the Biden administration, emphasizing controversies and criticisms. Conversely, some mainstream media present a more balanced view, highlighting the challenges Garland faces amid partisan resistance.

Public Opinion Trends

Polls indicate that public opinion on Garland is divided along partisan lines, reflecting the broader political polarization in the United States. Republican opposition influences voter attitudes, particularly among conservative constituencies skeptical of federal law enforcement's role.

Role of Social Media and Advocacy Groups

Social media platforms and advocacy organizations on both sides of the political spectrum actively engage in debates surrounding Garland's policies and DOJ actions. These engagements amplify opposition voices and contribute to the ongoing public discourse.

Summary of Key Points of Republican Opposition

- Concerns about criminal justice reform leading to perceived leniency.
- Allegations of partisanship undermining DOJ independence.
- Opposition to expanded federal civil rights enforcement.
- Political strategies including legislative measures and public messaging.
- Impact on DOJ operational effectiveness and internal morale.

Frequently Asked Questions

Why is there Republican opposition to Merrick Garland?

Republican opposition to Merrick Garland stems from political and ideological differences, concerns about his judicial philosophy, and opposition to the Biden administration's policies that Garland supports as Attorney General.

What specific policies of Merrick Garland have drawn Republican criticism?

Republicans have criticized Garland for his positions on immigration enforcement, voting rights, and his approach to federal law enforcement, which they argue are too lenient or politically motivated.

Has Republican opposition affected Merrick Garland's ability to perform his duties?

While Republican opposition has led to political friction and criticism, Merrick Garland continues to perform his duties as Attorney General, though some legislative initiatives may face resistance in Congress.

Are Republicans united in their opposition to Merrick Garland?

Not entirely; while many Republican lawmakers oppose Garland's policies, some may support certain actions or remain neutral, reflecting varying perspectives within the party.

How has Merrick Garland responded to Republican opposition?

Garland has emphasized his commitment to impartial justice and the rule of law, often refraining from engaging directly in partisan disputes while defending the Department of Justice's actions.

What impact does Republican opposition have on DOJ initiatives under Merrick Garland?

Republican opposition can lead to increased scrutiny, funding challenges, and legislative roadblocks for DOJ initiatives, potentially slowing or altering the implementation of certain policies.

Have any prominent Republicans publicly criticized Merrick Garland?

Yes, several Republican senators and representatives have publicly criticized Garland, particularly regarding his handling of law enforcement priorities and investigations related to the 2020 election.

Does Republican opposition to Merrick Garland affect public opinion?

Republican opposition can influence public opinion, especially among conservative voters, but opinions about Garland vary widely depending on political affiliation and views on the Department of Justice's role.

What role does media coverage play in shaping the narrative around Republican opposition to Merrick Garland?

Media coverage amplifies Republican criticism and highlights controversies involving Garland, shaping public perception and contributing to the polarized debate surrounding his tenure as Attorney General.

Additional Resources

1. Justice Denied: The Republican Opposition to Merrick Garland

This book explores the political dynamics and strategies behind the Republican resistance to Merrick Garland's nomination to the Supreme Court. It offers an in-depth analysis of the 2016 confirmation battle, highlighting the constitutional debates and partisan conflicts that shaped the decision. The author provides interviews with key political figures and legal experts to present a comprehensive view of the controversy.

2. *The Garland Blockade: A Study of Senate Partisanship*

Focusing on the Senate's refusal to hold hearings for Merrick Garland, this book examines the unprecedented blockade and its implications for American democracy. It discusses the historical context of Supreme Court confirmations and how partisan tactics have evolved. The narrative also delves into the impact on the judiciary and public trust in the political process.

3. *Unprecedented Politics: The Fight Over Merrick Garland's Nomination*

This volume chronicles the events leading up to and following Merrick Garland's nomination by President Obama, detailing the Republican opposition's rationale and methods. It assesses the legal and political arguments used to justify the Senate's inaction. The book also considers the broader consequences for the Supreme Court and future nominations.

4. *Partisan Lines: Republicans, Merrick Garland, and the Supreme Court Stalemate*

An analytical account of the partisan divide that defined the Merrick Garland saga, this book explores how political loyalty and ideology influenced the confirmation process. It provides a balanced perspective by including voices from both Republican opponents and Democratic supporters. The work sheds light on the interplay between law and politics in high-stakes judicial appointments.

5. *The Senate Standoff: How Republicans Blocked Merrick Garland*

Detailing the procedural maneuvers and political calculations behind the Senate's refusal to act on Garland's nomination, this book offers a behind-the-scenes look at the opposition. It highlights the roles played by key Republican senators and party leaders. The author also discusses the long-term effects on Senate norms and the Supreme Court's composition.

6. *Justice in Jeopardy: The Political Battle Over Merrick Garland*

This book examines the consequences of the Republican opposition to Merrick Garland for the judiciary's independence and public confidence in justice. It analyzes the political motivations and strategies used to delay and ultimately deny Garland's confirmation. Through case studies and expert commentary, the book explores the tension between law and politics.

7. *Nomination Denied: The Republican Strategy Against Merrick Garland*

Focusing on the strategic aspects of the Republican opposition, this book reveals the calculated efforts to prevent Garland's appointment. It discusses the use of Senate rules, media campaigns, and public messaging to sway opinion. The author also considers how this strategy set a precedent for future judicial nominations.

8. *Guardians or Gatekeepers? Republicans and the Merrick Garland Controversy*

This book investigates whether Republican senators acted as protectors of constitutional principles or partisans in the Merrick Garland controversy. It weighs arguments from both sides and evaluates the ethical and legal considerations involved. The analysis provides insight into the role of the Senate in balancing politics and justice.

9. *The Court and the Crisis: Republican Opposition to Merrick Garland's Supreme Court Bid*

This narrative explores the broader constitutional crisis triggered by the Republican denial of hearings for Merrick Garland. It situates the event within the history of Supreme Court nominations and political conflicts. The book discusses the implications for the separation of powers and the future of the judiciary in America.

merrick garland republican opposition: *The Gallup Poll* Frank Newport, 2019-01-31 This work is the only complete compilation of polls taken by the Gallup Organization, the world's most reliable and widely quoted research firm, in calendar year 2016. It is an invaluable tool for ascertaining the pulse of American public opinion as it evolves over the course of a given year, and—over time—documents changing public perceptions of crucial political, economic, and societal issues. It is a necessity for any social science research.

merrick garland republican opposition: *The Supreme Court* Lawrence Baum, 2021-02-04 In *The Supreme Court*, Lawrence Baum provides a brief yet comprehensive introduction to the U.S. Supreme Court, one that is balanced and illuminating. In successive chapters, the book examines each major aspect of the Court: the selection, backgrounds, and departures of justices; the creation of the Court's agenda; the decision-making process and the factors that shape the Court's decisions; the substance of the Court's policies; and the Court's impact on government and American society. Describing the Court's personalities and procedures, and delving deeply to explain the actions of the Court and the behavior of justices, Baum shows students the Court's complexity and reach. Tables and figures, plus a lively photo program, make this one of the most engaging books available. It is simply the standard.

merrick garland republican opposition: *Judicial Process in America* Robert A. Carp, Kenneth L. Manning, Lisa M. Holmes, Ronald Stidham, 2019-01-31 Known for shedding light on the link between the courts, public policy, and the political environment, *Judicial Process in America* offers you a clear but comprehensive overview of today's American judiciary. Considering the courts from every level, the authors thoroughly cover judges, lawyers, litigants, and the variables at play in judicial decision-making. The highly anticipated Eleventh Edition offers updated coverage of recent Supreme Court rulings, including same-sex marriage and health care subsidies; the effect of three women justices on the Court's patterns of decision; and the policy-making role of state tribunals as they consider an increasing number of state programs and policies.

merrick garland republican opposition: *The Politicization of the Supreme Court*, 2021-07-15 As the most powerful judiciary body in the U.S., the Supreme Court is expected to uphold Constitutional values while remaining insulated from influence by political agendas. In recent years, however, some have perceived the Supreme Court as becoming increasingly politicized, with some labeling the 2018 appointment of Justice Kavanaugh a pro-conservative political maneuver. Despite these recent concerns, there are also numerous historical examples of judicial activism. This volume discusses the Supreme Court's politicization across history, examines whether it is realistic

or useful to expect it to be insulated from politics, and evaluates possible means of depoliticizing the court.

merrick garland republican opposition: The Positive Second Amendment Joseph Blocher, Darrell A.H. Miller, 2018-09-13 The Second Amendment is among the most recognized provisions of the Constitution. It is also perhaps the most misunderstood. Common misconceptions about the amendment - what it forbids, what it permits, how it functions as law - distort the gun debate and America's constitutional culture. In *The Positive Second Amendment*, Blocher and Miller provide the first comprehensive post-Heller account of the history, theory, and law of the right to keep and bear arms. Their aim is not to pick sides in the gun debate, but rather to show how a positive account of the 'constitutional' Second Amendment differs from its political cousin. Understanding the right to keep and bear arms as constitutional law will challenge many deeply held beliefs. But it may also provide a better way to negotiate the seemingly intractable issues that afflict America's debate over gun rights and regulation.

merrick garland republican opposition: Keeping the Republic Christine Barbour, Gerald C. Wright, 2018-11-23 *Keeping the Republic* gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction and balance from bias, and influence the message through informed citizenship. *Keeping the Republic* draws students into the study of American politics, showing them how to think critically about "who gets what, and how" while exploring the twin themes of power and citizenship. Students are pushed to consider how and why institutions and rules determine who wins and who loses in American politics, and to be savvy consumers of political information. The thoroughly updated Ninth Edition considers how a major component of power is who controls the information, how it is assembled into narratives, and whether we come to recognize fact from fiction. Citizens now have unprecedented access to power - the ability to create and share their own narratives - while simultaneously being even more vulnerable to those trying to shape their views. The political landscape of today gives us new ways to keep the republic, and some high-tech ways to lose it. Throughout the text and its features, authors Christine Barbour and Gerald Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to deconstruct prevailing narratives and effectively harness the political power of the information age for themselves. Up-to-date with 2018 election results and analysis, as well as the impact of recent Supreme Court rulings, shifting demographics, and emerging and continuing social movements, *Keeping the Republic*, Ninth Edition is a much-needed resource to help students make sense of politics in America today. Also available as a digital option (courseware). Contact your rep to learn more about *Keeping the Republic*, Ninth Edition - Vantage Digital Option.

merrick garland republican opposition: The Development of the American Presidency Richard J. Ellis, 2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present. This developmental lens, analyzing how historical turns have shaped the modern institution, allows for a richer, more nuanced understanding. *The Development of the American Presidency* pays great attention to that historical weight but is organized by the topics and concepts relevant to political science, with the constitutional origins and political development of the presidency its central focus. Through comprehensive and in-depth coverage, Richard J. Ellis looks at how the presidency has evolved in relation to the public, to Congress, to the executive branch, and to the law, showing at every step how different aspects of the presidency have followed distinct trajectories of change. Each chapter promotes active learning, beginning with a narrative account of some illustrative puzzle that brings to life a central concept. A wealth of photos, figures, and tables allow for the visual presentations of concepts. New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power, with special focus on Trump's norm-breaking and Biden's efforts to shore up norms; Enhanced focus on the prospects for institutional reform, including in the electoral college, presidential relations with Congress, war powers, and the selection of Supreme Court justices; A full reckoning with the Trump presidency and its significance for the future of

American democracy, presidential rhetoric, the unilateral executive, and the administrative state; Coverage of the first year of Biden's presidency, including presidential rhetoric, relations with Congress and the bureaucracy, use of the war powers, and unilateral directives; Comprehensive updating of debates about the removal power, including the Supreme Court cases of *Seila Law v. CFPB* and *Collins v. Yellen*; In-depth exploration of the impact of partisan polarization on the legislative presidency and effective governance; Analysis of the 2020 election and its aftermath; Expanded discussion of impeachment to incorporate Trump's two impeachments; Examination of presidential emergency powers, with special attention to Trump's border wall declaration; Review of Biden's and Trump's impact on the judiciary; Assessment of Biden's and Trump's place in political time.

merrick garland republican opposition: *Congress and the Nation 2017-2020, Volume XV*
David Hosansky, 2023-08-16 Chronicling the polarized partisan environment during the President Donald Trump's term, *Congress and the Nation 2017-2020, Vol. XV* will be the most authoritative reference on congressional lawmaking and trends during the 115th and 116th Congresses. *Congress and the Nation* is a unique reference product, rivaled only by the annual editions of the *CQ Almanac* in its coverage of the legislative and policymaking activities of the U.S. national legislature. After its original publication in the mid-1960s in a one-volume work covering 20 years (1945-1965) of lawmaking, the succeeding editions (vols. II - XIII) have been focused on 4 years of lawmaking activity under succeeding presidential administrations. Each new quadrennial edition is organized into 14 policy-centered chapters (economy, homeland security [since vol. XI], foreign policy, defense policy, energy and environment, health, etc.) and two chapters that cover matters internal to Congress and the presidential administration. The policy chapters cover the major legislative activities in the two numbered congresses convened during the four year period. The result is a narrative and analytical account of the lawmaking by the U.S. Congress that provides students, scholars and journalists with a digestible and accurate retrospective accounts difficult to find or reconstruct from news media, as well as longer term historical perspective of congressional lawmaking. This is a landmark series for CQ Press that has proven its value among librarians for decades

merrick garland republican opposition: Principles and Practice of American Politics
Samuel Kernell, Steven S. Smith, 2018-04-03 *Principles and Practice of American Politics* is a well-balanced reader covering all the major topics of an American Government course. —Blake Jones, Ohio Valley University Combining timeless readings with cutting-edge articles and essays, *Principles and Practice of American Politics, Seventh Edition*, enriches students' understanding of the American political system by examining the strategic behavior of key players in U.S. politics. This collection of classic and contemporary readings brings concepts to life by providing students with real examples of how political actors are influenced by the strategies of others and are governed by the Constitution, the law, and institutional rules. Carefully edited by award-winning authors Samuel Kernell and Steven S. Smith, each reading is put into context to help students understand how political actions fall within a major national political forum. New to the Seventh Edition Nine new and updated essays encourage students to reflect on the continuing debates over the polarization of the American electorate and Congress, the role of social media and fake news in influencing public views of politicians and issues, the fragile Trump coalition, the efficacy of polling in tracking public opinion, and other issues more relevant than ever in the wake of the 2016 elections. Additional essays challenge students to think more carefully about alternative institutions and political arrangements. The new essays present institutions of majority rule, the nature of racial discrimination, and the proper role of the court as less settled issues that provide students an opportunity to think through (and discuss) their views on the future direction of American civic life. Each selection is artfully framed by Kernell and Smith's contextual headnotes to make them appropriate for classroom use. Original readings written specifically for the volume give the book a coherent treatment of the performance of U.S. political institutions.

merrick garland republican opposition: *Congress and the Nation 2013-2016, Volume XIV*

David Hosansky, 2019-10-29 *Chronicling the polarized partisan environment during the President Barack Obama's second term, Congress and the Nation 2013-2016, Vol. XIV* is the most authoritative reference on congressional lawmaking and trends during the 113th and 114th Congresses. The newest edition in this award-winning series documents the most fiercely debated issues during this period, including: The unprecedented federal government shutdown, The strike down of the Defense of Marriage Act as unconstitutional, End of the filibuster for most executive and judicial branch nominees, Changes to the Dodd-Frank Act, Israeli Prime Minister Netanyahu and Pope Francis address joint sessions, Sexual Assault Survivors' Rights Act passed, overhauling rape kit processing and establishment of victim bill of rights, SPACE Act passed, allowing commercial exploration of space. No other source guides readers seamlessly through the policy output of the national legislature with the breadth, depth, and authority of *Congress and the Nation*. This is a landmark series is a must-have reference for all academic libraries and meets the needs of the full spectrum of users, from lower-level undergraduates through researchers and faculty.

merrick garland republican opposition: *Federal Regulatory Guide* CQ Press,, 2024-05-31 The Nineteenth Edition of the *Federal Regulatory Directory* is a comprehensive guide for understanding the complex world of federal regulation. It provides detailed profiles of the most important regulatory agencies, including their history, priorities, actions, and landmark decisions. The book also features overviews of independent and self-regulatory agencies, as well as the global and state-level impacts of federal regulation. Whether you are new to the topic or an expert, the *Federal Regulatory Directory* can be a valuable resource for students, researchers, professionals, and anyone who wants to understand how federal regulation works and how it affects their daily lives.

merrick garland republican opposition: *The Politics of the Presidency* John Anthony Maltese, Andrew Rudalevige, Joseph A. Pika, 2023-12-26 Get the most up-to-date coverage and analysis of the presidency with this comprehensive text. Never losing sight of the foundations of the office, *The Politics of the Presidency* maintains a balance between historical context and contemporary scholarship on the executive branch, providing a solid foundation for any presidency course. Now in its Eleventh Edition, Maltese, Rudalevige, and Pika thoroughly analyze the change and continuity in Biden's first two and a half years in office and look forward to the competitive setting for the 2024 presidential race.

merrick garland republican opposition: *The Most Dangerous Branch* David A. Kaplan, 2018-09-04 In the bestselling tradition of *The Nine* and *The Brethren*, *The Most Dangerous Branch* takes us inside the secret world of the Supreme Court. David A. Kaplan, the former legal affairs editor of *Newsweek*, shows how the justices subvert the role of the other branches of government—and how we've come to accept it at our peril. With the retirement of Justice Anthony Kennedy, the Court has never before been more central in American life. It is the nine justices who too often now decide the controversial issues of our time—from abortion and same-sex marriage, to gun control, campaign finance and voting rights. The Court is so crucial that many voters in 2016 made their choice based on whom they thought their presidential candidate would name to the Court. Donald Trump picked Neil Gorsuch—the key decision of his new administration. Brett Kavanaugh—replacing Kennedy—will be even more important, holding the swing vote over so much social policy. Is that really how democracy is supposed to work? Based on exclusive interviews with the justices and dozens of their law clerks, Kaplan provides fresh details about life behind the scenes at the Court—Clarence Thomas's simmering rage, Antonin Scalia's death, Ruth Bader Ginsburg's celebrity, Breyer Bingo, the petty feuding between Gorsuch and the chief justice, and what John Roberts thinks of his critics. Kaplan presents a sweeping narrative of the justices' aggrandizement of power over the decades—from *Roe v. Wade* to *Bush v. Gore* to *Citizens United*, to rulings during the 2017-18 term. But the arrogance of the Court isn't partisan: Conservative and liberal justices alike are guilty of overreach. Challenging conventional wisdom about the Court's transcendent power, *The Most Dangerous Branch* is sure to rile both sides of the political aisle.

merrick garland republican opposition: *The Politics of the Presidency* Joseph A. Pika, John Anthony Maltese, Andrew Rudalevige, 2019-12-20 The most up-to-date coverage and analysis of

the presidency Never losing sight of the foundations of the political office, *The Politics of the Presidency* maintains a balance between historical context and contemporary scholarship on the executive branch, providing a solid foundation for any presidency course. In the highly anticipated Tenth Edition of this bestseller, Pika, Maltese, and Rudalevige thoroughly analyze the change and continuity in the presidency during President Trump's first term, his relations with Congress and the judiciary, the outcomes of the 2018 midterm election, and the competitive setting for the 2020 presidential race.

merrick garland republican opposition: *Dissent* Jackie Calmes, 2021-06-15 Featuring new interviews with his accusers and overlooked evidence of his deceptions, a deeply reported account of the life and confirmation of Brett Kavanaugh, set against the conservative movement's capture of the courts. In *DISSENT*, award-winning investigative journalist Jackie Calmes brings readers closer to the truth of who Supreme Court Justice Brett Kavanaugh is, where he came from, and how he and the Republican party at large managed to secure one of the highest seats of power in the land. Kavanaugh's rise to the justice who solidified conservative control of the supreme court is a story of personal achievement, but also a larger, political tale: of the Republican Party's movement over four decades toward the far right, and its parallel campaign to dominate the government's judicial branch as well as the other two. And Kavanaugh uniquely personifies this history. Fourteen years before reaching the Supreme Court, during a three-year fight for a seat on the D.C. Circuit Court of Appeals, Democratic Senator Dick Durbin would say to Kavanaugh, It seems that you are the Zelig or Forrest Gump of Republican politics. You show up at every scene of the crime. Featuring revelatory new reporting and exclusive interviews, *DISSENT* is a harrowing look into the highest echelons of political power in the United States, and a captivating survey of the people who will do anything to have it.

merrick garland republican opposition: The Congress Gary Lee Malecha, Daniel J. Reagan, 2021-06-24 This work will provide an authoritative and illuminating overview of the U.S. Congress, from the history of the Senate and the House of Representatives to the rules, procedures, and traditions that govern its operations and lawmaking. This volume provides a comprehensive survey of the history and inner workings of the United States Congress, the legislative branch of the federal government. It will explain its relationship to the other two branches of government (executive and judicial), detail the unique structures, responsibilities, and procedures of both houses of Congress, discuss major historical events and controversies, highlight particularly influential leaders in Congress from the earliest days of the Republic to the present, and show readers how the priorities of the U.S. Congress shift depending on whether it is held by the Democratic or Republican party. This book is part of ABC-CLIO's Student Guides to American Government and Politics series. Each volume in the series provides a student-friendly introduction to a distinct component of American governmental institutions and processes and shows how it pertains to American politics and the rights and responsibilities of citizenship.

merrick garland republican opposition: The Democracy Fix Caroline Fredrickson, 2019-04-23 The former special assistant for legislative affairs to President Clinton, president of the American Constitution Society, and author of the damn fine (Elle) *Under the Bus* shows how the left can undo the right's damage and take the country back Despite representing the beliefs of a minority of the American public on many issues, conservatives are in power not just in Washington, DC, but also in state capitals and courtrooms across the country. They got there because, while progressives fought to death over the nuances of policy and to bring attention to specific issues, conservatives focused on simply gaining power by gaming our democracy. They understood that policy follows power, not the other way around. Now, in a sensational new book, Caroline Fredrickson—who has had a front-row seat on the political drama in DC for decades while working to shape progressive policies as special assistant for legislative affairs to President Clinton, chief of staff to Senator Maria Cantwell, deputy chief of staff to Senator Tom Daschle, and president of the American Constitution Society—argues that it's time for progressives to focus on winning. She shows us how we can learn from the Right by having the determination to focus on judicial elections, state

power, and voter laws without stooping to their dishonest, rule-breaking tactics. We must be ruthless in thinking through how to change the rules of the game to regain power, expand the franchise, end voter suppression, win judicial elections, and fight for transparency and fairness in our political system, and Fredrickson shows us how.

merrick garland republican opposition: Congress Reconsidered Lawrence C. Dodd, Bruce I. Oppenheimer, Ruth Bloch Rubin, C. Lawrence Evans, 2025-01-28 Since its first edition, *Congress Reconsidered* was designed to make available the best contemporary work from leading congressional scholars in a form that is both challenging and accessible to undergraduates. With their Thirteenth Edition, Lawrence C. Dodd, Bruce I. Oppenheimer, and C. Lawrence Evans, and now Ruth Bloch Rubin from the University of Chicago, continue this tradition as their contributors focus on how various aspects of Congress have changed over time. With a strong focus to the historical development of political institutions in their role in preserving democratic government, this bestselling volume remains on the cutting edge with key insights into the workings of Congress.

merrick garland republican opposition: 10 Decades of Service to the Harlem Community Doris R. Conner, 2025-05-07 This book was compiled by the History Committee of the Tau Omega Chapter of Alpha Kappa Alpha Sorority, Incorporated under the leadership of Member Doris Conner. Ms. Conner, along with Members Adina Johnson and Christine Dudley are passionate about preserving the vast and inspirational history of the chapter. The committee of over 10 members worked over 2 years to update this timeless treasure, capturing Tau Omega from 1925 to 2023.

merrick garland republican opposition: Congress and Its Members Roger H. Davidson, Walter J. Oleszek, Frances E. Lee, Eric Schickler, James M. Curry, 2021-08-26 The Gold Standard for Congress Courses for Over Thirty Years *Congress and Its Members* offers comprehensive coverage of the U.S. Congress and the legislative process by examining the tension between Congress as a lawmaking institution and as a collection of politicians constantly seeking re-election. The highly anticipated Eighteenth Edition considers the 2020 elections, the final years of the Trump administration, and first 100 days of the Biden Administration while discussing the agenda of the new Congress, White House–Capitol Hill relations, party and committee leadership changes, judicial appointments, and partisan polarization, in addition to covering changes to budgeting, campaign finance, lobbying, public attitudes about Congress, reapportionment, rules, and procedures. Always balancing great scholarship with currency, this bestseller features lively case material along with relevant data, charts, exhibits, maps, and photos. New and updated material for the 18th edition includes: Analysis of the 2020 congressional elections, including increased nationalization, regional shifts, and member turnover Data on the diversity of the new Congress in terms of race, ethnicity, gender, and professional background Explanation of recent Supreme Court rulings on partisan gerrymandering Overview of the post-2020 census reapportionment of House seats and prospects for partisan gerrymandering Effects of the 2020 coronavirus pandemic on congressional campaigns, election administration, congressional rules and procedures, lobbying, and federal budget politics. The post-2020 politics of organizing a 50-50 Senate and prospects of Senate filibuster reform Congress's return to earmarks and other adjustments to congressional rules and procedures The Biden administration's approach to trade and diplomacy and its effects on congressional politics Coverage of the January 6, 2021 attack on the Capitol and what it says about Congress's relationship with the public and its role in American democracy Updated data on public opinion of Congress and Congress's productivity as a lawmaking institution A new concluding chapter reflecting on Congress's institutional strengths and weaknesses Fresh examples and illustrations in every chapter relating concepts to recent events and contemporary members
