mary elizabeth harriman children: A New Kind of Monster Timothy Appleby, 2011-04-05
The horrific and astonishing true story of the double life of Russell Williams, who was at once a respected figure in the Canadian military and a ruthless sado-sexual serial criminal and murderer. A model officer and elite pilot, Colonel Russell Williams was trusted with flying international dignitaries including Queen Elizabeth, as well as commanding Canada's most important military airbase. Yet his dark and violent secret life included breaking into 82 homes of girls and women; thefts of vast amounts of lingerie (which he dressed in); two bizarre sexual assaults that left an uncomprehending Ontario village on a knife's-edge; and eventually, two rape-murders. In *A New Kind of Monster*, veteran *Globe and Mail* crime reporter Tim Appleby chronicles a true story that could have been lifted from the darkest pages of pulp fiction, one that offers fascinating--and troubling--insights on human psychopathology.
