

merrick garland political affiliation

merrick garland political affiliation has been a subject of interest and discussion among legal scholars, political analysts, and the general public. As the current Attorney General of the United States, Garland's political stance influences perceptions of his decisions and actions in office. This article explores the nuances of Merrick Garland's political affiliation, examining his career, judicial philosophy, and public service record to provide a comprehensive understanding. By analyzing his professional background, nominations, and affiliations, readers can gain insight into how his political identity shapes his role within the U.S. government. The following sections will delve into Garland's early life and career, his judicial appointments, his political leanings, and the impact of his affiliation on his tenure as Attorney General.

- Early Life and Legal Career of Merrick Garland
- Judicial Philosophy and Court Appointments
- Understanding Merrick Garland's Political Affiliation
- Political Impact and Public Perception
- Merrick Garland as U.S. Attorney General

Early Life and Legal Career of Merrick Garland

Merrick Garland was born in 1952 and has built a distinguished career in law spanning several decades. His early education and professional experiences laid the foundation for his reputation as a moderate and highly respected jurist. Garland graduated from Harvard University and later attended Harvard Law School, where he excelled academically. After law school, he clerked for prominent judges, including Supreme Court Justice William Brennan. Garland's early career also involved working as a federal prosecutor and serving in the U.S. Department of Justice, where he gained extensive experience in handling complex legal matters.

Academic Background and Early Roles

Garland's academic achievements at Harvard and his clerkships with influential judges positioned him for a significant role in the American legal system. His work in the Department of Justice included prosecuting

terrorism cases and handling high-profile investigations. This background highlights Garland's commitment to the rule of law and a nonpartisan approach to justice.

Notable Cases and Legal Contributions

Before his judicial appointments, Garland was involved in several important cases that demonstrated his legal acumen and balanced approach. His prosecutorial work was marked by a focus on fairness and adherence to legal precedent, contributing to his reputation as a centrist.

Judicial Philosophy and Court Appointments

Merrick Garland's judicial philosophy is often described as pragmatic, moderate, and non-ideological. Appointed to the U.S. Court of Appeals for the District of Columbia Circuit in 1997 by President Bill Clinton, Garland earned respect for his careful legal reasoning and commitment to centrist views. His approach to cases typically emphasizes statutory interpretation and respect for precedent rather than ideological considerations.

Appointment to the D.C. Circuit Court

Garland's nomination to the influential D.C. Circuit Court was supported by members of both political parties. His tenure on the bench was marked by numerous opinions that reflected a balanced approach to contentious issues, further underscoring his moderate judicial philosophy.

Supreme Court Nomination and Political Context

In 2016, President Barack Obama nominated Garland to the Supreme Court following the death of Justice Antonin Scalia. Despite Garland's moderate stance and qualifications, the Senate, controlled by the opposing political party, declined to hold hearings or vote on his nomination. This event became a significant political moment, highlighting the intersection of judicial appointments and political affiliation in the U.S. government.

Understanding Merrick Garland's Political Affiliation

Merrick Garland is widely regarded as affiliated with the Democratic Party, although his career reflects a commitment to impartiality and the rule of law rather than partisan politics. His judicial record and public statements emphasize a legal philosophy grounded in moderation and respect for institutional integrity. Garland's political affiliation is often characterized by a centrist and pragmatic approach, aligning with Democratic principles but maintaining judicial independence.

Political Party Alignment

While Garland has been nominated by Democratic presidents and generally aligns with democratic values, he is not known as a partisan figure. His professional conduct and decisions often demonstrate a focus on legal principles rather than political ideology. This nuanced affiliation distinguishes him from more overtly partisan figures in the judiciary and executive branches.

Public Statements and Political Neutrality

Throughout his career, Garland has avoided public political commentary, emphasizing the importance of the judiciary remaining apolitical. This stance reinforces the perception of his political affiliation as one rooted in legal integrity rather than party loyalty.

Political Impact and Public Perception

The political affiliation of Merrick Garland has influenced public perception and political discourse, especially during his Supreme Court nomination and subsequent appointment as Attorney General. His moderate reputation has been a focal point in debates about judicial nominations and the politicization of the judiciary.

Reactions to His Supreme Court Nomination

Garland's 2016 Supreme Court nomination was met with mixed reactions that often reflected broader political divides. Supporters praised his moderate record and qualifications, while opponents criticized the nomination process itself. This episode underscored how political affiliation can impact judicial appointments beyond the nominee's personal beliefs.

Perception Among Political Parties

Democrats generally view Garland as a fair and experienced jurist whose political affiliation aligns with their values. Conversely, some Republicans have expressed concern about his judicial philosophy, illustrating the partisan dynamics surrounding his career. Nevertheless, Garland's reputation for moderation has helped bridge some partisan gaps.

- Viewed as a centrist by many legal experts
- Respected across party lines for legal expertise
- Subject of political debate during nomination processes
- Seen as upholding the rule of law above partisan interests

Merrick Garland as U.S. Attorney General

In 2021, Merrick Garland was confirmed as the U.S. Attorney General under President Joe Biden's administration. His political affiliation with the Democratic Party is part of the broader context of his appointment, but his role requires a commitment to impartial enforcement of the law. Garland's tenure has focused on issues such as civil rights, national security, and justice reform, reflecting his balanced and pragmatic approach.

Policy Priorities and Legal Initiatives

As Attorney General, Garland has prioritized combating domestic terrorism, addressing systemic racism in law enforcement, and protecting voting rights. These initiatives align with Democratic policy goals, yet Garland approaches them with careful legal scrutiny to ensure constitutional adherence.

Maintaining Independence in a Political Role

Despite the inherently political nature of the Attorney General position, Garland has emphasized the importance of the Department of Justice's independence. His efforts aim to separate legal decision-making from partisan politics, reinforcing his reputation as a moderate and principled public servant.

Frequently Asked Questions

What is Merrick Garland's political affiliation?

Merrick Garland is generally considered to be affiliated with the Democratic Party, having been nominated by President Joe Biden, a Democrat.

Has Merrick Garland ever been officially affiliated with a political party?

Merrick Garland has not held elected office or publicly declared a formal party affiliation, but his career and appointments suggest alignment with Democratic values.

How does Merrick Garland's political affiliation influence his role as Attorney General?

As Attorney General, Garland is expected to uphold the law impartially, though his background and nomination by a Democratic president indicate a leaning towards policies favored by Democrats.

Was Merrick Garland's Supreme Court nomination affected by his political affiliation?

Yes, Garland's perceived moderate Democratic affiliation influenced both support and opposition during his Supreme Court nomination process in 2016.

Do Merrick Garland's judicial decisions reflect a particular political ideology?

Merrick Garland is known for his moderate and centrist judicial decisions, which do not strongly align with any extreme political ideology.

How do Republicans view Merrick Garland's political affiliation?

Many Republicans view Garland as aligned with Democratic interests, which contributed to their opposition to his Supreme Court nomination.

Has Merrick Garland's political affiliation ever been a point of controversy?

Yes, his appointment and nomination processes have been politically contentious, with debates often focusing on his perceived political leanings.

Does Merrick Garland participate in political activities or campaigns?

No, as a judge and Attorney General, Garland maintains a nonpartisan role and does not engage in political campaigning.

How does Merrick Garland's political affiliation compare to previous Attorneys General?

Like many Attorneys General, Garland's affiliation aligns with the sitting president's party, in his case, the Democratic Party, continuing the tradition of political alignment in the role.

Additional Resources

1. *Merrick Garland: A Judicial Journey*

This book explores the life and career of Merrick Garland, delving into his rise through the judicial ranks and his approach to law and justice. It examines how his moderate political views have influenced his decisions and his reputation as a centrist judge. The book provides insight into his nomination to the Supreme Court and the political controversies surrounding it.

2. *The Politics of Moderation: Merrick Garland's Legal Philosophy*

Focusing on Garland's political affiliation and judicial philosophy, this book analyzes his commitment to balance and impartiality. It discusses how his centrist stance has shaped his rulings and his approach to contentious political issues. The author also considers the implications of his moderate views in today's polarized political environment.

3. *From Judge to Attorney General: Merrick Garland's Political Path*

This biography chronicles Garland's transition from a respected judge to the U.S. Attorney General. It highlights his political affiliations and how they have influenced his policies and leadership style in the Department of Justice. The book provides a detailed look at his efforts to navigate complex political landscapes while maintaining integrity.

4. *The Garland Nomination: Politics, Law, and Controversy*

This book provides an in-depth examination of Merrick Garland's Supreme Court nomination and the political battles it sparked. It explores the partisan dynamics that shaped the confirmation process and how Garland's perceived political affiliation played a central role. Readers gain an understanding of the broader implications for American politics and the judiciary.

5. *Justice in the Middle: Merrick Garland and the Centrist Court*

Analyzing Garland's role as a centrist figure in the judiciary, this book discusses how his political moderation affects judicial outcomes. It examines key cases and decisions that illustrate his balanced approach to law. The author also explores the challenges and advantages of maintaining a middle-ground stance in a polarized political system.

6. *Legal Neutrality and Political Reality: The Case of Merrick Garland*

This title investigates the tension between Garland's legal neutrality and the political realities he faces. It looks at how his political affiliation influences perceptions of his impartiality and the expectations placed upon him. The book offers a nuanced perspective on the intersection of law and politics in Garland's career.

7. *Merrick Garland and the Future of American Justice*

Projecting Garland's influence on the future of the American legal system, this book discusses how his political and judicial philosophies might shape upcoming legal challenges. It considers his potential impact on civil rights, criminal justice reform, and governmental accountability. The narrative is grounded in an understanding of his moderate political stance.

8. *The Centrist's Dilemma: Merrick Garland in a Polarized America*

This book examines the difficulties faced by a centrist figure like Garland in an increasingly divided political landscape. It explores how his political affiliation affects his ability to build consensus and implement legal reforms. The author also discusses the broader implications for centrist politicians and jurists in contemporary America.

9. *Guarding Justice: Merrick Garland's Role in American Politics*

Focusing on Garland's dual role as a legal authority and political figure, this book highlights how his political affiliation shapes his approach to justice and governance. It provides a comprehensive overview of his career and the political contexts that have influenced it. The book also considers his legacy and ongoing contributions to American political life.

merrick garland political affiliation: Political Control of America's Courts Helena Silverstein, 2023-01-18 This volume explores the many ways in which politics shapes the allegedly nonpartisan judicial system in America, ranging from how judges are selected to the bench to how they rule when they get there. Each title in the Contemporary Debates series examines the veracity of controversial claims or beliefs surrounding a major political/cultural issue in the United States. Each book gives readers a clear and unbiased understanding of current high-interest issues by informing them about falsehoods, half-truths, and misconceptions-and confirming the factual validity of other assertions-that have gained traction in America's cultural and political discourse. This volume in the series provides a deeply researched and even-handed account of the relationship between America's judicial branch-which is supposed to view law through a nonpartisan lens-and the sometimes poisonous partisanship that is such a notorious factor in the nation's other two branches of government. Is political combat over judicial nominations worse than ever before? What impact is the politicization of the courts having on public faith in the legitimacy of the courts and our wider

political system? Was former Supreme Court justice Sandra Day right when she asserted that judicial independence is a bedrock principle of our court system, and we are losing it? This work will provide insights into all these questions and more.

merrick garland political affiliation: The Politics of the Presidency Joseph A. Pika, John Anthony Maltese, Andrew Rudalevige, 2021-11-16 Get the most up-to-date coverage and analysis of the presidency. Never losing sight of the foundations of the office, *The Politics of the Presidency* maintains a balance between historical context and contemporary scholarship on the executive branch, providing a solid foundation for any presidency course. In this Revised Tenth Edition, bestselling authors Joseph A. Pika, John Anthony Maltese, and Andrew Rudalevige present a thorough analysis of the change and continuity following the November 2020 presidential election and Biden administration.

merrick garland political affiliation: The Gallup Poll Frank Newport, 2019-01-31 This work is the only complete compilation of polls taken by the Gallup Organization, the world's most reliable and widely quoted research firm, in calendar year 2016. It is an invaluable tool for ascertaining the pulse of American public opinion as it evolves over the course of a given year, and—over time—documents changing public perceptions of crucial political, economic, and societal issues. It is a necessity for any social science research.

merrick garland political affiliation: The Politics of the Presidency John Anthony Maltese, Andrew Rudalevige, Joseph A. Pika, 2024-02-06 *The Politics of the Presidency* thoroughly analyzes the change and continuity in Biden's first two and a half years in office and looks forward to the competitive setting for the 2024 presidential race.

merrick garland political affiliation: The "Stench" of Politics Joseph Russomanno, 2022-11-08 The U.S. Supreme Court is as important as ever in the lives of Americans. Contrary to the image-enhancing claims of independence that many of its members claim, however, the Court's current supermajority has transformed it into a powerful political institution that wages ideological war meant to return the nation to a previous period, at the same time denying rights to millions. *The "Stench" of Politics: Polarization and Worldview on the Supreme Court* opens a window into the Supreme Court that helps us to understand the institution and its rulings. At the heart of this analysis is worldview, a phenomenon that every person, including Supreme Court justices, possesses. Whether someone's worldview is "fixed" or "fluid" affects who they are, what they believe and what they do. In addition, interpreting the Constitution as an "originalist" or "living constitutionalist" often dictates case outcomes. By applying these and other constructs to the Supreme Court, the book reveals how the once-revered institution has evolved into one whose majority not only has neglected its commitment to the inscription on its own building, "Equal Justice Under Law," but is also determined to remake both the law and the nation.

merrick garland political affiliation: Political, Economic and Legal Effects of Artificial Intelligence Georgios I. Zekos, 2022-03-07 This book presents a comprehensive analysis of the alterations and problems caused by new technologies in all fields of politics. It further examines the impact of artificial intelligence (AI) on the nexus between politics, economics, and law. The book raises and answers several important questions: What is the role of AI in politics? Are people prepared for the challenges presented by technical developments? How will AI affect future politics and human society? How can politics and law deal with AI's disruptive technologies? What impact will AI and technology have on law? How can efficient cooperation between human beings and AI be shaped? Can artificial intelligence automate public decision-making? Topics discussed in the book include, but are not limited to digital governance, public administration, digital economy, corruption, democracy and voting, legal singularity, separation of power, constitutional rights, GDPR in politics, AI personhood, digital politics, cyberspace sovereignty, cyberspace transactions, and human rights. This book is a must-read for scholars and students of political science, law, and economics, as well as policy-makers and practitioners, interested in a better understanding of political, legal, and economic aspects and issues of AI.

merrick garland political affiliation: Promote the Vote Sunny Harris Rome, 2021-12-03

This timely, relevant text is a comprehensive compendium of critical information about voting in the United States. It frames voting as an integral aspect of social work practice and provides concrete suggestions for how students can increase their involvement in expanding voter participation by marginalized groups. merrick garland political affiliation: Donald J. Trump and the Politics of Mass Society Albert P. Melone, 2024-01-16 In *Donald J. Trump and the Politics of Mass Society*, Albert P. Melone studies Trump's behavioral patterns in the fourth year of his presidential term and the three tumultuous years leading to the 2024 presidential election. Melone analyzes the leading explanatory paradigm of American government and politics by utilizing the democratic and aristocratic criticisms of mass society theory to better describe and explain the behavior of Donald Trump and his followers. The initial chapters outline the theoretical framework, the mass movement characteristics, and its membership's cult-like behavior. Two significant events of the last year of Trump's administration—the pandemic and the politics surrounding the Black Lives Matter demonstrations—illustrate Trump's leadership style and the behavioral patterns of the MAGA mass movement. The 2020 election and the attempt to reverse its outcome is a central topic throughout the text, including a discussion of Trump's second impeachment, the efforts of the House Select Committee on January 6th, voter reactions in the 2022 midterm elections, and the various political and legal attempts to make Trump accountable for his role in the so-called insurrection at the nation's Capitol. In the final chapter, Melone critically analyzes alternative prescriptions to right the ship of state with a steely eye focused on the realities and possibilities to salvage the democratic republic from an autocratic future.

merrick garland political affiliation: *The Presidency and the Political System* Michael Nelson, 2020-07-17 *The Presidency and the Political System* showcases the best of presidential studies and research with top-notch presidency scholars writing specifically for an undergraduate audience. Michael Nelson rigorously edits each contribution to present a set of analytical yet accessible chapters and offers contextual headnotes introducing each essay. Chapters represent the full range of topics, institutions, and issues relevant to understanding the American presidency: covering approaches to studying the presidency, elements of presidential power, presidential selection, presidents and politics, and presidents and government. This Twelfth Edition fully incorporates coverage of the Trump administration.

merrick garland political affiliation: *Everyday People* Robert Hartmann McNamara, 2023-06-19 *Everyday People* provides a comprehensive assessment of Trump supporters including white supremacists, conspiracy theorists, the Christian right, and cult followers and offers students a discussion of how this group is a symptom of a much larger social issue and movement in the United States. McNamara examines the appeal of Trump as a president and explains why so many people voted for him in the first place. The text reviews the most recent and relevant literature on Trump supporters and their makeup including historical documents, government reports, research studies, and media sources, to unpack and understand the issues in an objective and empirical way. Students will understand the source and substance of the controversies surrounding Trump and his followers and understand how fear and complacency causes people to suspend rational thinking and to develop misguided loyalties.

merrick garland political affiliation: *American Government* Marc Landy, 2018-12-13 Prompts students to consider how the past shapes the present and future of American politics and government.

merrick garland political affiliation: *American Public Opinion and the Modern Supreme Court, 1930-2020* Thomas R. Marshall, 2022-04-29 The United States Supreme Court is commonly thought to be an institution far removed from American public opinion. Yet nearly two-thirds of modern Supreme Court decisions reflect popular attitudes. Comparing over 500 Supreme Court decisions with timely nationwide poll questions since the mid-1930s, Thomas R. Marshall shows that most Supreme Court decisions agree with poll majorities or pluralities across time and across issues and often represent Americans' views to the same degree as federal policymakers. This book looks beyond the litigants, economic interests, social movements, organized interest groups, or units of governments typically involved and instead examines how well the Court or the justices represent Americans' views. Using nationwide public opinion, broken down by key subgroups, race, gender, education, and party affiliation, better describes exactly whom Supreme Court decisions and the justices' individual votes best represent. His book will be of interest to scholars in political science, legal studies, history, and sociology.

merrick garland political affiliation: *Keeping the Republic* Christine Barbour, Gerald C. Wright, 2018-11-23 *Keeping the Republic* gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction and balance from bias, and influence the message through informed citizenship. *Keeping the Republic* draws students into the study of American politics, showing them how to think critically about who gets what, and how while exploring the twin themes of power and citizenship. Students are pushed to consider how and why institutions and rules determine who wins and who loses in American politics, and to be savvy consumers of political information. The thoroughly updated Eighth Edition considers how a major component of power is who controls the information, how it is assembled into narratives, and whether we come to recognize fact from fiction. Citizens now have unprecedented access to power – the ability to create and share their own narratives – while simultaneously being even more vulnerable to those trying to shape their views. The political landscape of today gives us new ways to keep the republic, and some high-tech ways to lose it. Throughout the text and its features, authors Christine Barbour and Gerald Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to

deconstruct prevailing narratives and effectively harness the political power of the information age for themselves. Up-to-date with 2018 election results and analysis, as well as the impact of recent Supreme Court rulings, shifting demographics, and emerging and continuing social movements, *Keeping the Republic*, Eighth Edition is a much-needed resource to help students make sense of politics in America today. Carefully condensed from the full version by authors Christine Barbour and Gerald Wright, *Keeping the Republic*, Brief Edition gives your students all the continuity and crucial content, in a more concise, value-oriented package. merrick garland political affiliation: Congress and the Nation 2009-2012, Volume XIII Dave Tarr, 2014-09-09 Chronicling the highly partisan and polarized environment during the historic first term of President Barack Obama, *Congress and the Nation 2009-2012 Volume XIII* is the most authoritative reference on congressional law-making and trends during the 111th and 112th Congresses. The newest edition in this award-winning series documents the most fiercely debated issues during this period, including: Stimulus spending in the wake of financial crisis The controversial reform of the U.S. healthcare system Showdowns over raising the national debt ceiling Extensions of tax cuts and unemployment compensation Confirmation of two new female members of the U.S. Supreme Court Overhaul of financial industry regulations Repeal of the "don't ask, don't tell" law banning openly gay armed forces personnel from military service This acclaimed resource also covers the shift in partisan control of the U.S. House after the 2010 midterm election and the subsequent gridlock for lawmaking in the 112th Congress. Organized by policy area, each chapter summarizes the legislative activity, including a chronology and legislative history of the bills passed and the major provisions of the final laws. No other source guides readers seamlessly through the policy output of the national legislature with the breadth, depth, and authority of *Congress and the Nation*. This must-have reference for all academic libraries meets the needs of the full spectrum of users, from lower-level undergraduates through researchers and faculty.

merrick garland political affiliation: **Supreme Democracy** Richard Davis, 2017 Machine generated contents note: -- TK

merrick garland political affiliation: **The Enduring Democracy** Kenneth J. Dautrich, David A. Yalof, Christina E. Bejarano, 2024-12-16 How can our history provide us with a roadmap to the future? *The Enduring Democracy* provides the essentials of American government, with a focus on placing current issues and debates into a historical perspective. By looking back, students can better understand the challenges and controversies characterizing American government today. This allows them to tap into those lessons learned to identify, understand, and even provide solutions to today's changing politically reality. The highly anticipated Eighth Edition frames the 2024 presidential elections from the perspective of what they mean to students, so that they can see the relevance of American government in their daily lives.

merrick garland political affiliation: American Government Scott F. Abernathy, 2018-11-14

In the Second Edition of *American Government, Essentials Edition*, author Scott F. Abernathy tunes in to the voices of all Americans, showing how our diverse ideas shape the way we participate and behave, the laws we live by, and the challenges we face. From the Constitutional Convention to Ferguson, Missouri, each chapter features rich, personal narratives that illustrate how the American political system is the product of strategies, calculations, and miscalculations of countless individuals. It focuses on real people, the actions they take, the struggles they face, and how their choices influence outcomes. The key concepts are memorable because they are tied to real politics, where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas. Participation is at the heart of this groundbreaking new text, with ample background on how and why to participate. Not only will all students see themselves reflected in the pages, but they will come to understand that they, too, are strategic players in American politics, with voices that matter. *American Government, Essentials Edition*, is identical to the full version of the text, minus the three policy chapters. Also available as a digital option (courseware). Contact your rep to learn more about *American Government, Second Essentials Edition* - Vantage Digital Option.

merrick garland political affiliation: *The iPINIONS Journal* Anthony Livingston Hall, 2017-04-04 ANTHONY L. HALL takes aim at the global events of 2016 with a unique and refreshing perspective. Here are some topics in this twelfth volume of his writings: Hillary Calling Half of Trump's Supporters a "Basket of Deplorables" "Hillary was only half right ... But the most troubling thing is not how deplorable they are; it's how willing they are to elect an even more deplorable man as president of the United States. The latter is what I find incomprehensible ... unforgivable." Brexit "The irony seems lost on both sides in this Brexit debate that Britain poses a far greater threat to the EU if it remains. After all, Britain planted the seeds of disintegration years ago, when it began negotiating all kinds of 'opt-outs' from EU legislation and treaties." Brazilians Protesting Cost of Rio Olympics "Brazilians need only point to the poisoned chalice Athens 2004 turned out to be for the Greeks. After all, the debt hangover from those Games not only triggered the EU financial crisis of 2010, but austerity measures to service that debt have many once-proud, middle-class Greeks now living like favela-dwelling Brazilians." Report on College Coaches Raking in Millions "These salaries only validate my longstanding contention that college coaches are using the free labor of student-athletes to live like plantation owners. The only precedent for this is the Founding Fathers, many of whom were in fact plantation owners, preaching about all men being created equal while owning slaves." VP-Elect Pence Hailing Trump for Accusing the FBI of Corruption "Nothing could be more foreboding than the willingness of no less an establishmentarian than Pence sacrificing democratic institutions and political norms at the altar of Trump's ego, affecting that constipated countenance of sincerity as he does so." J.K. Rowling merchandising Harry Potter like Mickey Mouse "I admired her because she helped millions of kids discover the love of reading. But my admiration waned when she started exploiting that love like a drug dealer exploiting a junkie's addiction."

merrick garland political affiliation: *The Roads to Congress 2016* Sean D. Foreman, Marcia L. Godwin, 2017-09-30 This book analyzes both local and national House and Senate campaigns in the 2016 election to reveal how distinctive campaign dynamics have a collective national impact. Featuring detailed case studies of ten competitive House races and twelve high-profile U.S. Senate campaigns, the volume provides a deep analysis of campaign dynamics and the polarizing effects of the presidential campaigns of Donald Trump and Hillary Clinton. These studies are contextualized by four thematic chapters that cover the most salient talking points of the 2016 elections, including voter registration laws and congressional candidates' use of Twitter. As penetrating as it is comprehensive, this volume provides readers with a fuller understanding of the divided landscape of contemporary American political campaigns.
