- **Technological transfer:** Claims that ancient technologies, including architecture and astronomy, were inspired or directly provided by aliens.
- **Spiritual and religious influence:** The notion that many ancient deities and myths are based on encounters with alien entities.

Salla's approach integrates these ideas within a wider framework of exopolitical implications, suggesting that understanding ancient alien contact is essential to grasping humanity's future trajectory.

- Historical texts and mythologies from various cultures that describe encounters with gods or beings from the sky, interpreted as alien visitations.
- Testimonies from insiders and whistleblowers who claim knowledge of secret space programs and extraterrestrial collaborations.
- Scientific anomalies in human genetics that suggest external intervention or manipulation.

Salla asserts that when these diverse strands of evidence are examined collectively, they present a compelling case for ancient alien influence.

- Many of the interpretations rely on speculative readings of historical and archaeological data.
- Whistleblower testimonies are often unverifiable and sometimes contradictory.
- Theories may suffer from confirmation bias, selectively using evidence that supports the ancient astronaut hypothesis while ignoring alternative explanations.
- There is a lack of direct, empirical proof conclusively demonstrating extraterrestrial intervention in ancient human history.

Nonetheless, Salla's work continues to provoke debate and encourages further investigation into unconventional explanations of human origins.

michael salla ancient aliens: Alien Revelation - They're Here George Ljepojevic, 2015-01-09 This book is most unorthodox research, covering the existence of aliens from an understanding of the dogmas of Freemasonry, (from the perspective of the author's real life experiences), and its esoteric teachings that date back to the times before Jesus Christ. It is the

journey of the author's experiences that started in earnest after his profound experience in Vietnam. The book takes you on a journey of not only self-discovery but also answers questions as they are asked - in laymen's terms. Nowhere will you see fancy words, there is no need for them, the author writes as he speaks. His Masonic journey was to take a major detour as such because his curiosity was to take him into uncharted waters. We as individuals are but a drop in the ocean. You can not fathom the immensity of infinity, it must have a starting point. A point itself has shape and when shape dissolves it blends to the source whence it comes from. The oceans belong to matter, as thoughts belong to space. Herein you will find insight as to how and to what end the daily lives of countless generations are consciously controlled through religion and politics, war and the economy, esoteric, sacred and historic influences, aliens and their governments, the theory and application of conspiracy theories, the ongoing engineering of our environment but more importantly, how we are not alone through these many existences and who coordinates our `realities` which are the illusion supporting their agenda - the new world order! Herein you will find everything from SETI and all appertaining thereto, to the nature of Chemtrails phenomena and its less palatable applications, to the name of Marduk and Catholicism Truths, to the interesting prophecies of Baba Vanga, (the Balkan visionary who spoke of aliens back in the early 1930s, which was interesting as she was not an educated person, a blind peasant with the gift of prophecy, also, interestingly, she mentioned that Islam was to make its presence in Rome), and so on and so forth, in brief, a roller coaster ride awaits you. These are the truths the author, a foot-soldier of Steven M. Greer, invites you to partake in, that We all partake of the same source. All worlds' realities are based on the thoughts projected in its many guises. Whatever the individual wants to discover cannot be understood without the input of another being, that also includes the, quote `aliens`. Nothing exists outside the circle, for the circle is both macro-cosmic and micro-cosmic, both being connected, and that connection is you.

michael salla ancient aliens: The Myth and Mystery of UFOs Thomas E. Bullard, 2016-10-17 When United Airlines workers reported a UFO at O'Hare Airport in November 2006, it was met with the typical denials and hush-up that usually accompany such sightings. But when a related story broke the record for hits at the Chicago Tribune's website, it was clear that such unexplained objects continued to occupy the minds of fascinated readers. Why, wonders Thomas Bullard, don't such persistent sightings command more urgent attention from scientists, scholars, and mainstream journalists? The answer, in part, lies in Bullard's wide-ranging magisterial survey of the mysterious, frustrating, and ever-evolving phenomenon that refuses to go away and our collective efforts to understand it. In his trailblazing book, Bullard views those efforts through the lens of mythmaking, discovering what UFO accounts tell us about ourselves, our beliefs, and the possibility of visitors from beyond. Bullard shows how ongoing grassroots interest in UFOs stems both from actual personal experiences and from a cultural mythology that defines such encounters as somehow alien-and how it views relentless official denial as a part of conspiracy to hide the truth. He also describes how UFOs have catalyzed the evolution of a new but highly fractured belief system that borrows heavily from the human past and mythic themes and which UFO witnesses and researchers use to make sense of such phenomena and our place in the cosmos. Bullard's book takes in the whole spectrum of speculations on alien visitations and abductions, magically advanced technologies, governmental conspiracies, varieties of religious salvation, apocalyptic fears, and other paranormal experiences. Along the way, Bullard investigates how UFOs have inspired books, movies, and television series; blurred the boundaries between science, science fiction, and religion; and crowded the Internet with websites and discussion groups. From the patches of this crazy quilt, he posits evidence that a genuine phenomenon seems to exist outside the myth. Enormously erudite and endlessly engaging, Bullard's study is a sky watcher's guide to the studies, stories, and debates that this elusive subject has inspired. It shows that, despite all the competing interests and errors clouding the subject, there is substance beneath the clutter, a genuinely mysterious phenomenon that deserves attention as more than a myth.

With all the information on unidentified flying objects in the news today, it is time to have an updated book with current research that investigates both the past and present material on the Moon. Did you know that: Several of the NASA astronauts reported seeing UFOs while traveling to the Moon?; the Moon might be hollow?; Apollo 10 astronauts heard strange "space music" when traveling on the far side of the Moon?; mysterious anomalous activity has been seen on the Moon for centuries?; there are said to be ruins of structures on the Moon?; and more.

michael salla ancient aliens: Programmes spatiaux secrets et alliances extraterrestres, tome IV Michael E. Salla, 2020-09-02T13:53:00-04:00 Comment la Chine a-t-elle connu sa vertigineuse ascension et rattrapé son retard technologique pour devenir une superpuissance

militaire dans l'espace ? Cette incroyable transition débuta au sein de programmes hautement confidentiels des forces aériennes américaines, il y a plus de 75 ans ! Alors qu'il habite aux États-Unis, un brillant scientifique chinois est désigné pour travailler, pendant plus d'une décennie, aux technologies militaires américaines les plus secrètes. Puis un jour, de façon très étrange, il sera ciblé par le FBI, puis renvoyé en Chine dans le cadre d'un échange de prisonniers par le président Eisenhower. Cet épisode l'amènera à développer en Chine, sous l'égide de l'armée, un programme spatial secret (PSS) utilisant des systèmes inusités de propulsion électromagnétique qui, à présent, mettent au défi la domination de l'armée américaine au sol et dans l'espace. Ce livre vous révélera : les origines du PSS chinois dans le travail novateur du Dr Tsien Hsue-shen, qui a transmis à la Chine sa connaissance avancée des PSS de l'Allemagne nazie et des États-Unis ; d'anciennes technologies aéronautiques enfouies dans de mystérieuses pyramides chinoises qui ont été secrètement étudiées et soumises à une rétro-ingénierie ; d'anciens artefacts de contacts extraterrestres dans les régions lointaines du Tibet et du désert de Gobi ; la participation de la Chine à un PSS dirigé par les Nations unies et destiné à engendrer une plus grande coopération internationale en réponse à l'existence de la vie extraterrestre ; les armes de l'espace et le vaisseau spatial à propulsion électromagnétique que la Chine développe et déploie présentement. D'ici 2030, l'économie chinoise va dépasser celle des États-Unis, et la Chine a l'intention d'utiliser ses vastes ressources économiques pour projeter sa présence loin dans l'espace. Les États-Unis et la Chine sont-ils voués à un affrontement violent lors d'une inévitable guerre spatiale, ou doivent-ils devenir des partenaires stratégiques pour guider la transition paisible de l'humanité vers une civilisation galactique ?

michael salla ancient aliens: *Programmes spatiaux secrets et alliances extraterrestres tome VI* Michael E. Salla, 2023-01-27T11:32:00-05:00 Le développement d'armes nucléaires a été l'une des raisons pour lesquelles les civilisations extraterrestres ont commencé à visiter la Terre à l'époque de la Seconde Guerre mondiale. Il existe à ce sujet une explication plus significative et lourde de conséquences. Pendant des décennies, la vérité n'a pas été communiquée en raison de sa nature dérangeante. C'est seulement aujourd'hui que nous en percevons une image plus nette. La Terre était devenue l'épicentre d'une guerre temporelle impliquant une future tyrannie galactique dont les origines se trouvent dans notre passé, mais qui a réémergé au début des années 1900 avec un accord secret conclu par l'Allemagne nazie avec un groupe d'extraterrestres appelés Draco-reptiliens. Après la Seconde Guerre mondiale, cet accord a abouti à l'établissement d'une colonie allemande autonome en Antarctique qui a rapidement donné naissance à une flotte dotée d'une technologie extraterrestre. Dans *Fédérations galactiques*, Michael Salla fait un survol des différents groupes extraterrestres et programmes spatiaux secrets impliqués dans la guerre temporelle qui fait silencieusement rage autour de nous, à l'insu de la majeure partie de l'humanité. Il met surtout en évidence les événements actuels menant à la réalisation d'un avenir positif et passionnant, où l'humanité rejoindra à son tour la communauté galactique.

michael salla ancient aliens: *The Encyclopedia of Moon Mysteries* Constance Victoria Briggs, 2019-03-19 Our moon is an enigma. The ancients viewed it as a light to guide them in the darkness, and a god to be worshipped. In modern times, it has been taught that the Moon is simply a dead rock that is caught in Earth's gravity, with no activity. As a researcher of metaphysical, paranormal and cosmic subjects, I have come across stories and information about the Moon that tell us that indeed there is activity there, and there has been for generations. Just who or what is causing the commotion is a mystery. There are stories that suggest that the Moon is home to extraterrestrials, theories that it is not a natural satellite, tales of anomalous lights, and tales that NASA astronauts saw extraterrestrial ships and ruins of an ancient civilization there. There is a rumor that Apollo 13 was saved by extraterrestrials. Another story states that there are extraterrestrial bases on the Moon. There is even a tale that states that a part of the kingdom of Atlantis was once located there. Some even believe that there are cities beneath the surface of the Moon. There is an interesting account of a government employee using remote viewing as a means of seeing what is on the Moon. His experience is eye-opening! This is just a sample of the information that will be in *The Encyclopedia of Moon Mysteries: Secrets, Conspiracy Theories, Anomalies, Extraterrestrials and*

More. For example, did you know that: • Aristotle and Plato wrote about a time when there was no Moon? They even gave a name of an ancient tribe of people that lived during that moonless period. • several of the NASA astronauts reported seeing UFOs while traveling to the Moon? • the Moon might be hollow? • Apollo 10 astronauts heard strange “space music” when traveling on the far side of the Moon? • strange and unexplained lights have been seen on the Moon for centuries? • there are said to be ruins of structures on the Moon? • there is an ancient tale that suggests that the first human was created on the Moon? • that radio signals have been detected coming from the Moon? • that famed astronomer Sir John Herschel saw unidentified lights above the Moon during an eclipse? • that ancient Bolivian symbols tell us that the Moon came into Earth’s orbit around 12,000 years ago? • a psychic was used by the government to relay information about the Moon? The book is separated into A to Z sections for easy reference and reading.

michael salla ancient aliens: The Pyramids and the Pentagon Nick Redfern, 2025-09-12

The Pyramids and the Pentagon is a detailed study of how and why government agencies have, for decades, taken a clandestine and profound interest in numerous archeological, historical, and religious puzzles. Focusing primarily upon the classified work of the U.S. Government, The Pyramids and the Pentagon invites you to take a wild ride into the fog-shrouded past. It's a ride that incorporates highlights such as: The CIA's top-secret files on Noah's Ark U.S. Army documents positing that the Egyptian Pyramids were constructed via levitation Disturbing military encounters with Middle Eastern djinns Claims of nuclear warfare in ancient India Links between the Face on Mars and the pharaohs And many more Nick Redfern's The Pyramids and the Pentagon clearly and provocatively demonstrates that deep and dark conspiracies exist within the shadowy world of officialdom—conspiracies that have the ability to rock the foundations of civilization, religion, and history to their very core. The strange and amazing secrets of the past are just a heavily guarded government vault away.

michael salla ancient aliens: Programmes spatiaux secrets et alliances extraterrestres

Michael E. Salla, 2017-12-01 T00:00:00-05:00 Les programmes spatiaux secrets font partie

intégrante d'un puzzle complexe concernant les ovnis, la vie extraterrestre, les anciennes civilisations et les technologies aérospatiales avancées, un casse-tête qui a longtemps échappé à toute compréhension cohérente. Nous disposons enfin d'informations permettant d'en rassembler toutes les pièces grâce, en particulier, aux divulgations d'un dénonciateur des programmes spatiaux secrets, Corey Goode. Un examen détaillé des témoignages de Goode et d'autres initiés révèle l'ensemble du tableau : un monde parallèle de programmes spatiaux secrets et d'alliances extraterrestres. Dans ce livre, vous apprendrez comment, au cours des années 1930, les programmes de la Société du Vrîl et des nazis leur ont permis d'accéder à une technologie d'antigravité et même de construire des vaisseaux utilisant cette technologie ; comment les scientifiques américains de l'opération Paperclip ont rapatrié après la guerre cette technologie et ont développé le programme spatial Solar Warden de l'US Navy ; comment le groupe MJ-12 fut à l'origine de la création d'un conglomérat impliquant d'autres planètes ; et comment s'est développé le programme de la Ligue globale des nations. En fait, un ensemble d'éléments est présenté ici, révélant au grand jour l'ampleur de ces programmes spatiaux secrets. Enfin, vous découvrirez l'existence de l'Alliance des Êtres des sphères et comment celle-ci aide l'humanité à se libérer de certaines forces de contrôle extraterrestres. La divulgation complète des programmes spatiaux secrets et des alliances extraterrestres mettra fin à la grande tromperie qui empêche l'humanité de réaliser tout son potentiel pour faire de nous de vrais citoyens galactiques.

michael salla ancient aliens: Rungs of Disclosure L. A. Marzulli, 2024-10-15 Is this the coming Great Deception? By the end of this book, you will reveal the truth about extraterrestrial presences on earth—that they are real, burgeoning, and not going away. You also will understand what the Biblical perspective on this phenomenon is and is not. They've been here for thousands of years, making their presence known in the shadows. They might be seen by a lonely motorist on a deserted road late at night or by a frightened and confused husband in the bedroom he is sharing with his wife. Perhaps the most disconcerting part of this phenomenon boils down to this question: Has the government been aware of their presence all along and is covertly working with them toward some secret end? In Rungs of Disclosure, what once was fringe is now reality! While reading, you'll meet regular people—just like you—who have encountered something beyond their ability to explain. You'll also hear from people of great faith and deep religious belief who continue to have these strange and deeply unsettling encounters. L. A. Marzulli explores these ongoing incidents to discover the answers to these questions: Who are they? What do they want? And why are they here? Can you handle the truth? Read this book—if you dare.
