myfinancelab finance: Fundamentals of Corporate Finance Jonathon Berk, Peter DeMarzo, Jarrod Harford, Guy Ford, Vito Mollica, Nigel Finch, 2013-12-02 Core concepts. Contemporary ideas. Outstanding, innovative resources. To succeed in your business studies, you will need to master core finance concepts and learn to identify and solve many business problems. Learning to apply financial metrics and value creation as inputs to decision making is a critical skill in any kind of organisation. Fundamentals of Corporate Finance shows you how to do just that. Berk presents the fundamentals of business finance using the Valuation Principle as a clear, unifying framework. Throughout the text, its many applications use familiar Australian examples and makes consistent use of real-world data. This Australian adaptation of the highly successful US text Fundamentals of Corporate Finance features a high-calibre author team of respected academics. The second edition builds on the strengths of the first edition, and incorporates updated figures, tables and facts to reflect key developments in the field of finance. For corporate finance or financial management students, at undergraduate or post-graduate level.

myfinancelab finance: Introduction to Corporate Finance Ale Frino, Amelia Hill, Zhian Chen, 2015-05-20 The only Introductory Finance text with a 'keep it simple' decision-making approach and unique industry perspective. The continuing instability in global financial markets highlights the critical importance of making informed decisions that maximise corporate value while minimising risk. Introduction to Corporate Finance 5e takes a unique industry approach that gives students a

concise and complete overview of the financial decisions that corporations make, and the actual tools and analysis they use to do so. This Australian text has been developed for one semester, undergraduate and postgraduate introductory finance courses. It is clear, concise and easy for students to follow, whilst still providing a rigorous and comprehensive introduction to the fundamentals of the finance industry.

myfinancelab finance: Financial Management: Principles and Applications J William Petty, Sheridan Titman, Arthur J Keown, Peter Martin, John D Martin, Michael Burrow, 2015-05-20
The sixth edition of Financial Management provides students with an overview of financial management suited to the first course in finance. The focus of the text is on the big picture, providing an introduction to financial decision making grounded in current financial theory and the current state of world economic conditions. Attention is paid to both valuation and capital markets, as well as their influence on corporate financial decisions. The 10 basic principles of finance are introduced in the first chapter and woven throughout the text, to give students a solid foundation from which to build their knowledge of finance. The goal of this text is to go beyond teaching the tools of a discipline or a trade and help students gain a complete understanding of the subject. This will give them the ability to apply what they have learnt to new and as yet unforeseen problems—in short, to educate students in finance.

myfinancelab finance: Fundamentals of Investing Lawrence J Gitman, Michael D Joehnk, Scott Smart, Roger H Juchau, 2015-05-20 “What are the best investments for me?”... “What about risk?”... “Do I need professional help with my investments and can I afford it?” Mastering the language, concepts, vehicles and strategies of investing can be challenging. Fundamentals of Investing shows how to make informed investment decisions, understand the risks inherent in investing and how to confidently shape a sound investment strategy. Fundamentals of Investing 3rd edition is completely updated and introduces core concepts and tools used by Australian investors, providing a firm understanding of the fundamental principles of investments. Focusing on both individual securities and portfolios, students learn how to develop, implement and monitor investment goals after considering the risk and return of both markets and investment vehicles. Fundamentals of Investing is suitable for introductory investments courses offered at university undergraduate or post-graduate level, as well as colleges, professional certification programs and continuing education courses.

myfinancelab finance: Corporate Finance Plus NEW MyFinanceLab with Pearson EText -- Access Card Package Jonathan Berk, Peter DeMarzo, 2013-02-08 ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Directed primarily toward MBA/graduate students, this text also provides practical content to current and aspiring industry professionals. Using the unifying valuation framework based on the Law of One Price, top researchers Jonathan Berk and Peter DeMarzo set the new standard for corporate finance textbooks. Corporate Finance blends coverage of time-tested principles and the latest advancements with the practical perspective of the financial manager. With this ideal melding of the core with modern topics, innovation with proven pedagogy, Berk and DeMarzo establish the new canon in finance. If you prefer a more streamlined book, Corporate Finance: The Core is also available by Jonathan Berk and Peter DeMarzo. 0133424154 / 9780133424157 Corporate Finance Plus NEW MyFinanceLab with Pearson eText -- Access Card Package Package consists of: 0132992477 / 9780132992473 Corporate Finance 0132993600 / 9780132993609 NEW MyFinanceLab with Pearson eText -- Student Access Card -- for Corporate Finance
