- Rhetorical Techniques in Original Hitler Speeches English
- Translations and Availability of Hitler Speeches in English
- Impact and Influence of Hitler's Oratory
- Ethical Considerations and Modern Study

Historical Context of Hitler's Speeches

The original Hitler speeches in English must be understood within the broader historical framework of Germany in the early to mid-20th century. Adolf Hitler emerged as a political leader during the turbulent period following World War I, marked by economic hardship, social unrest, and national humiliation due to the Treaty of Versailles. His speeches were crafted and delivered during key events such as the Munich Beer Hall Putsch in 1923, his rise to power in the early 1930s, and throughout World War II. These orations were central to Nazi propaganda efforts, designed to rally nationalist sentiment, promote Aryan supremacy, and justify aggressive militarism.

Political Climate in Germany

The Weimar Republic faced numerous challenges, including hyperinflation, political extremism, and widespread dissatisfaction. Hitler's speeches capitalized on these conditions, presenting the Nazi Party as the solution to restore Germany's greatness. The economic depression of the 1930s further amplified the appeal of his promises of revival and unity.

Major Speech Events

Several of Hitler's speeches stand out for their historical significance. These include his 1933 speech to the Reichstag after becoming Chancellor, the 1934 Nuremberg Rally addresses, and wartime speeches aimed at boosting morale and justifying Nazi policies. Each speech reflected the evolving priorities and challenges faced by the regime.

Rhetorical Techniques in Original Hitler Speeches English

Analyzing original Hitler speeches in English reveals a masterful use of rhetorical devices that contributed to their persuasive power. His oratory combined emotional appeal, repetition, vivid imagery, and direct address to captivate audiences and manipulate public opinion. Understanding these techniques helps contextualize how Hitler communicated his ideology and mobilized support.

Emotional Appeals and Nationalism

Hitler frequently invoked deep emotions such as pride, fear, anger, and hope. By appealing to German nationalism and the collective identity, he fostered a sense of unity and purpose among listeners. His speeches often depicted Germany as a victim in need of redemption and revival.

Repetition and Simple Language

Repetition was a hallmark of Hitler's style, reinforcing key messages and slogans. His language was deliberately simple and direct to ensure accessibility for a wide audience. This approach increased memorability and the ability to sway public opinion effectively.

Use of Imagery and Symbolism

The speeches employed powerful imagery, often drawing on metaphors related to struggle, purity, and destiny. Symbols such as the swastika and references to German history enhanced the emotional resonance of his words.

Translations and Availability of Hitler Speeches in English

Original Hitler speeches in English translation have been made available through various sources,

including historical archives, academic publications, and documentaries. The quality and accuracy of translations are critical to preserving the original tone and intent of the speeches.

Challenges in Translation

Translating Hitler's speeches presents linguistic and contextual challenges. The nuances of German idioms, intonation, and cultural references require careful interpretation to maintain the original meaning and impact. Translators must balance literal accuracy with conveying rhetorical effect.

Sources for English Translations

English versions of these speeches can be found in:

- Official Nazi propaganda archives and records
- Historical anthologies and books analyzing Nazi Germany
- Documentaries and educational materials
- Online databases specializing in World War II history

Impact and Influence of Hitler's Oratory

The influence of original Hitler speeches in English is multifaceted, affecting historical scholarship, public understanding, and the study of political communication. These speeches serve as primary sources for examining the mechanisms of totalitarian propaganda and the role of charismatic leadership.

Mobilization of Support

Hitler's speeches were instrumental in mobilizing mass support for the Nazi Party. Through strategic communication, he cultivated a loyal following that enabled the consolidation of power and the implementation of radical policies.

Propaganda and Indoctrination

The speeches functioned as propaganda tools, disseminating Nazi ideology and justifying discriminatory and militaristic actions. Their study reveals how language can be weaponized to

manipulate public perception and facilitate authoritarian regimes.

Ethical Considerations and Modern Study

The dissemination and study of original Hitler speeches in English raise important ethical questions. Scholars and educators must approach these materials with sensitivity to avoid glorification or misuse.

Responsible Use in Education

When used in academic settings, these speeches provide critical insight into the dangers of hate speech and propaganda. Educators emphasize contextualization, critical analysis, and the promotion of human rights to counteract harmful ideologies.

Preservation vs. Censorship

Balancing the preservation of historical documents with the potential for misuse remains a challenge. While access to original speeches is essential for historical accuracy, measures are often taken to prevent their exploitation by extremist groups.

Key Ethical Guidelines

- Present speeches with appropriate historical context
- Discourage any form of endorsement or promotion of hateful ideologies
- Promote critical thinking and awareness of propaganda techniques
- Ensure accessibility primarily serves educational and scholarly purposes

Frequently Asked Questions

Where can I find original Hitler speeches in English?

Original Hitler speeches translated into English can be found in historical archives, libraries, and some online platforms such as the US National Archives, the German Federal Archives, and websites dedicated to World War II history.

Are original Hitler speeches in English available as audio recordings?

Yes, some original Hitler speeches have been translated and dubbed into English, but authentic audio recordings are primarily in German. English versions are often narrated or subtitled.

What is the historical significance of Hitler's original speeches?

Hitler's original speeches are significant because they provide insight into his propaganda methods, rhetoric, and the ideological foundation of the Nazi regime, which influenced millions during World War II.

How accurate are English translations of Hitler's original speeches?

The accuracy of English translations varies depending on the source. Scholarly translations strive for fidelity to the original German text, but some versions may simplify or alter content for context or sensitivity.

Can I use original Hitler speeches in English for academic research?

Yes, original Hitler speeches translated into English are commonly used in academic research to study propaganda, history, and political science, but it is important to use reputable sources and provide proper context.

Are there any books that compile original Hitler speeches in English?

Yes, several books compile Hitler's speeches translated into English, such as "Hitler's Table Talk" and collections edited by historians that provide both the speeches and critical commentary.

What is the ethical consideration when studying or sharing Hitler's original speeches in English?

Ethical considerations include avoiding glorification of Nazi ideology, providing accurate historical context, and ensuring that the material is used for educational or research purposes to prevent misuse or hate speech.

How have original Hitler speeches influenced modern political rhetoric?

Hitler's speeches are studied as examples of powerful propaganda techniques, emotional appeal, and mass persuasion, which have influenced the understanding of political rhetoric and communication strategies today.

Are subtitles available for original Hitler speeches in English on video platforms?

Many historical videos and documentaries featuring original Hitler speeches include English subtitles to help viewers understand the content, especially on platforms like YouTube and educational websites.

Additional Resources

1. *Hitler's Speeches: A Historical Analysis*

This book offers a comprehensive examination of Adolf Hitler's most influential speeches, analyzing the rhetorical techniques he used to captivate and manipulate audiences. It contextualizes his oratory within the political climate of the time, offering insights into the power of propaganda. Readers gain an understanding of how Hitler's speeches contributed to the rise of Nazism and the outbreak of World War II.

2. *The Speeches of Adolf Hitler: A Translation and Commentary*

A meticulous English translation of Hitler's original speeches, accompanied by detailed commentary that explains the historical and ideological significance of his words. This volume allows readers to access Hitler's rhetoric in its original form while providing critical analysis. The book is invaluable for students of history, political science, and rhetoric.

3. *Voices of the Third Reich: Hitler's Oratory in Context*

This book places Hitler's speeches within the broader context of Nazi propaganda and communication strategies. It explores how Hitler's voice was used to unify and mobilize the German population. The author also discusses the impact of these speeches on both supporters and opponents during the Nazi era.

4. *Hitler's Oratorical Style: Techniques of Persuasion and Power*

Focusing on the linguistic and psychological aspects of Hitler's speeches, this work analyzes how he crafted his messages to persuade and dominate his audiences. It breaks down his use of repetition, emotional appeals, and dramatic pauses. The book is a valuable resource for understanding the mechanics of effective, albeit dangerous, political communication.

5. *Original Hitler Speeches: The Road to Dictatorship*

This collection compiles key speeches delivered by Hitler during his ascent to power, translated into English with annotations. It highlights the evolution of his rhetoric as he transitioned from political agitator to dictator. The book offers readers a chronological journey through the pivotal moments that shaped Nazi Germany.

6. *The Power of Words: Hitler's Speeches and Nazi Propaganda*

Examining the intersection of oratory and propaganda, this book shows how Hitler's speeches were amplified by the Nazi media machine. It discusses the role of radio, print, and public rallies in disseminating his messages. The author provides insight into how these speeches reinforced Nazi ideology and control.

7. *Adolf Hitler: Speeches and Writings, 1922-1939*

A comprehensive anthology that includes both speeches and selected writings by Hitler during the critical years leading up to World War II. The translations are supplemented with historical notes that

clarify references and key themes. This volume serves as a primary source collection for researchers and historians.

8. *Hitler's Voice: The Impact of His Speeches on Nazi Germany*

This book analyzes the social and psychological impact of Hitler's speeches on the German populace. It includes firsthand accounts and reactions from listeners, illustrating how his oratory fostered loyalty and fanaticism. The author also discusses the long-term effects of these speeches on German society.

9. *Echoes of Hate: The Language of Hitler's Speeches*

A critical linguistic study of the hate-filled rhetoric employed by Hitler, this book dissects the vocabulary and phrasing that incited violence and discrimination. It explores how language was weaponized to dehumanize groups and justify Nazi policies. The work is essential for understanding the role of speech in the machinery of hate and genocide.

original hitler speeches english: Hitler's Millennial Reich David Redles, 2008-11-01 A "brilliant" study of the convergence of apocalyptic anxiety and authoritarianism in Germany: "A story, unfortunately, of continuing relevance." —Charles B. Strozier, author of *Apocalypse: On the Psychology of Fundamentalism in America After World War I*, German citizens sought not merely relief from the political, economic, social, and cultural upheaval that wracked Weimar Germany, but also mental salvation. With promises of order, prosperity, and community, Adolph Hitler fulfilled a profoundly spiritual need on behalf of those who converted to Nazism, and thus became not only Führer, but Messiah, contends David Redles, who believes that millenarian sentiment was central to the rise of Nazism. As opposed to many works which depersonalize Nazism by focusing on institutional factors, Redles offers a fresh view of the impact and potential for millenarian movements. The writings of both major and minor Nazi party figures, in which there echoes a striking religiosity and salvational faith, reveal how receptive Germans were to the notion of a millennial Reich such as that offered by Hitler. Redles illustrates how Hitler's apocalyptic prophecies of a coming "final battle" with the so-called Jewish Bolsheviks, one that was conceived to be a "war of annihilation," was transformed into an equally eschatological "Final Solution." "[Redles] has done an extraordinarily careful and brilliant analysis of the archival material to reveal Hitler's messianic charisma, his appeal both on the ideological and psychological level, illustrating that if you can convince people that they live in apocalyptic times and you have the key to their collective salvation, you can get them to do anything." —Richard Landes, Director, Center for Millennial Studies, Department of History, Boston University

original hitler speeches english: Hitler's Theology Rainer Bucher, 2011-06-30 Hitler's Theology investigates the use of theological motifs in Adolf Hitler's public speeches and writings, and offers an answer to the question of why Hitler and his theo-political ideology were so attractive and successful presenting an alternative to the discontents of modernity. The book gives a systematic reconstruction of Hitler's use of theological concepts like providence, belief or the almighty God. Rainer Bucher argues that Hitler's (ab)use of theological ideas is one of the main reasons why and how Hitler gained so much acquiescence and support for his diabolic enterprise.

This fascinating study concludes by contextualizing Hitler's theology in terms of a wider theory of modernity and in particular by analyzing the churches' struggle with modernity. Finally, the author evaluates the use of theology from a practical theological perspective. This book will be of interest to students of Religious Studies, Theology, Holocaust Studies, Jewish Studies, Religion and Politics, and German History.

original hitler speeches english: *Hitler's Ethic* R. Weikart, 2009-07-20 In this book, Weikart helps unlock the mystery of Hitler's evil by vividly demonstrating the surprising conclusion that Hitler's immorality flowed from a coherent ethic. Hitler was inspired by evolutionary ethics to pursue the utopian project of biologically improving the human race.

original hitler speeches english: *Hitler, Speeches and Proclamations, 1932-1945: 1935-1938* Adolf Hitler, 1990

original hitler speeches english: *Hitler: 1936-1945 Nemesis* Ian Kershaw, 2001-09-17 The climax and conclusion of one of the best-selling biographies of our time. The New Yorker declared the first volume of Ian Kershaw's two-volume masterpiece as close to definitive as anything we are likely to see, and that promise is fulfilled in this stunning second volume. As *Nemesis* opens, Adolf Hitler has achieved absolute power within Germany and triumphed in his first challenge to the European powers. Idolized by large segments of the population and firmly supported by the Nazi regime, Hitler is poised to subjugate Europe. Nine years later, his vaunted war machine destroyed, Allied forces sweeping across Germany, Hitler will end his life with a pistol shot to his head. [M]ore probing, more judicious, more authoritative in its rich detail...more commanding in its mastery of the horrific narrative.—Milton J. Rosenberg, Chicago Tribune

original hitler speeches english: *Hitler's Religion* Richard Weikart, 2016-11-22 A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

original hitler speeches english: *1939 - the War that Had Many Fathers* Gerd Schultze-Rhonhof, 2011

original hitler speeches english: *Hitler, 1936-45* Ian Kershaw, 2000 This one-volume edition of Kershaw's superb biography (Ian Buruma, New York Times Book Review) of Hitler will be the final word on the most demonic figure of the 20th century. of photos.

original hitler speeches english: *Hitler's Interpreter* Paul Schmidt, 2016-06-06 As an interpreter in the German Foreign Ministry, Paul-Otto Schmidt (1899-1970) was in attendance at some of the most decisive moments of twentieth-century history. Fluent in both English and French, he served as Hitler's translator during negotiations with Chamberlain, the British declaration of war and the surrender of France, as well as translating the Führer's infamous speeches for radio. Having gained favour with the Nazi Party - donning first the uniform of the SS then that of the Luftwaffe - Paul Schmidt was given 'absolute authority' in everything to do with foreign languages. He later presided over the interrogation of Canadian soldiers captured after the 1942 Dieppe Raid. Arrested in May 1945, Schmidt was freed by the Americans in 1948. In 1946 he testified at the Nuremberg Trials, where conversations with him were noted down by the psychiatrist Leon Goldensohn and later published. After the war he taught at the Sprachen und Dolmetscher Institut in Munich. *Hitler's Interpreter* presents a highly atmospheric account of the bizarre life led behind the scenes at the highest level of the Third Reich. Roger Moorhouse is a historian of the Third Reich. He is the author of the acclaimed *Berlin at War*, *Killing Hitler* and *The Devil's Pact*. He has contributed to *He Was My Chief*, *I Was Hitler's Chauffeur*, *With Hitler to the End* and *Hitler's Last Witness*.

original hitler speeches english: *Atrocity and Amnesia* Robert Boyers, 1987-05-28 Working deliberately against the grain of assumptions dominant in the contemporary literary academy, Boyers examines novels by Günter Grass, Gabriel García Márquez, Milan Kundera and others, arguing that it is necessary to speak of character, ethics, and philosophic purpose if one is to understand these works. A penetrating study, *Atrocity and Amnesia* illuminates some of the major fiction of our time and makes an important contribution to contemporary political thought.

original hitler speeches english: *Hitler's Scientists* John Cornwell, 2004-09-28 An

eye-opening account of the rise of science in Germany through to Hitler's regime, and the frightening Nazi experiments that occurred during the Reich. A shocking account of Nazi science, and a compelling look at the dramatic rise of German science in the nineteenth century, its preeminence in the early twentieth, and the frightening developments that led to its collapse in 1945, this is the compelling story of German scientists under Hitler's regime. Weaving the history of science and technology with the fortunes of war and the stories of men and women whose discoveries brought both benefits and destruction to the world, *Hitler's Scientists* raises questions that are still urgent today. As science becomes embroiled in new generations of weapons of mass destruction and the war against terrorism, as advances in biotechnology outstrip traditional ethics, this powerful account of Nazi science forms a crucial commentary on the ethical role of science.

original hitler speeches english: The Berlin Mission Richard Breitman, 2019-10-29 An unknown story of an unlikely hero--the US consul who best analyzed the threat posed by Nazi Germany and predicted the horrors to come. In 1929, Raymond Geist went to Berlin as a consul and handled visas for emigrants to the US. Just before Hitler came to power, Geist expedited the exit of Albert Einstein. Once the Nazis began to oppress Jews and others, Geist's role became vitally important. It was Geist who extricated Sigmund Freud from Vienna and Geist who understood the scale and urgency of the humanitarian crisis. Even while hiding his own homosexual relationship with a German, Geist fearlessly challenged the Nazi police state whenever it abused Americans in Germany or threatened US interests. He made greater use of a restrictive US immigration quota and secured exit visas for hundreds of unaccompanied children. All the while, he maintained a working relationship with high Nazi officials such as Heinrich Himmler, Reinhard Heydrich, and Hermann Göring. While US ambassadors and consuls general cycled in and out, the indispensable Geist remained in Berlin for a decade. An invaluable analyst and problem solver, he was the first American official to warn explicitly that what lay ahead for Germany's Jews was what would become known as the Holocaust.

original hitler speeches english: Berlin Diary William L. Shirer, 2011-10-23 The author of the international bestseller *The Rise and Fall of the Third Reich* offers a personal account of life in Nazi Germany at the start of WWII. By the late 1930s, Adolf Hitler, Führer of the Nazi Party, had consolidated power in Germany and was leading the world into war. A young foreign correspondent was on hand to bear witness. More than two decades prior to the publication of his acclaimed history, *The Rise and Fall of the Third Reich*, William L. Shirer was a journalist stationed in Berlin. During his years in the Nazi capital, he kept a daily personal diary, scrupulously recording everything he heard and saw before being forced to flee the country in 1940. *Berlin Diary* is Shirer's first-hand account of the momentous events that shook the world in the mid-twentieth century, from the annexation of Austria and Czechoslovakia to the fall of Poland and France. A remarkable personal memoir of an extraordinary time, it chronicles the author's thoughts and experiences while living in the shadow of the Nazi beast. Shirer recalls the surreal spectacles of the Nuremberg rallies, the terror of the late-night bombing raids, and his encounters with members of the German high command while he was risking his life to report to the world on the atrocities of a genocidal regime. At once powerful, engrossing, and edifying, William L. Shirer's *Berlin Diary* is an essential historical record that illuminates one of the darkest periods in human civilization.

original hitler speeches english: The Polish Underground and the Jews, 1939-1945 Joshua D. Zimmerman, 2015-06-05 *The Polish Underground and the Jews, 1939-1945* examines one of the central problems in the history of Polish-Jewish relations: the attitude and the behavior of the Polish Underground - the resistance organization loyal to the Polish government-in-exile - toward the Jews during World War II. Using a variety of archival documents, testimonies, and memoirs, Zimmerman offers a careful, dispassionate narrative, arguing that the reaction of the Polish Underground to the catastrophe that befell European Jewry was immensely varied, ranging from aggressive aid to acts of murder. By analyzing the military, civilian, and political wings of the Polish Underground and offering portraits of the organization's main leaders, this book is the first full-length scholarly monograph in any language to provide a thorough examination of the Polish

Underground's attitude and behavior towards the Jews during the entire period of World War II.

original hitler speeches english: The Jewish Enemy Jeffrey Herf, 2008-04-30 The sheer magnitude of the Holocaust has commanded our attention for the past sixty years. The extent of atrocities, however, has overshadowed the calculus Nazis used to justify their deeds. According to German wartime media, it was German citizens who were targeted for extinction by a vast international conspiracy. Leading the assault was an insidious, belligerent Jewish clique, so crafty and powerful that it managed to manipulate the actions of Roosevelt, Churchill, and Stalin. Hitler portrayed the Holocaust as a defensive act, a necessary move to destroy the Jews before they destroyed Germany. Joseph Goebbels, Minister of Propaganda, and Otto Dietrich's Press Office translated this fanatical vision into a coherent cautionary narrative, which the Nazi propaganda machine disseminated into the recesses of everyday life. Calling on impressive archival research, Jeffrey Herf recreates the wall posters that Germans saw while waiting for the streetcar, the radio speeches they heard at home or on the street, the headlines that blared from newsstands. The Jewish Enemy is the first extensive study of how anti-Semitism pervaded and shaped Nazi propaganda during World War II and the Holocaust, and how it pulled together the diverse elements of a delusory Nazi worldview. Here we find an original and haunting exposition of the ways in which Hitler legitimized war and genocide to his own people, as necessary to destroy an allegedly omnipotent Jewish foe. In an era when both anti-Semitism and conspiracy theories continue to influence world politics, Herf offers a timely reminder of their dangers along with a fresh interpretation of the paranoia underlying the ideology of the Third Reich.

original hitler speeches english: The Splendid and the Vile Erik Larson, 2022-02-15 #1 NEW YORK TIMES BESTSELLER • The author of *The Devil in the White City* and *Dead Wake* delivers an intimate chronicle of Winston Churchill and London during the Blitz—an inspiring portrait of courage and leadership in a time of unprecedented crisis “One of [Erik Larson’s] best books yet . . . perfectly timed for the moment.”—Time • “A bravura performance by one of America’s greatest storytellers.”—NPR NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • Vogue • NPR • The Washington Post • Chicago Tribune • The Globe & Mail • Fortune • Bloomberg • New York Post • The New York Public Library • Kirkus Reviews • LibraryReads • PopMatters On Winston Churchill’s first day as prime minister, Adolf Hitler invaded Holland and Belgium. Poland and Czechoslovakia had already fallen, and the Dunkirk evacuation was just two weeks away. For the next twelve months, Hitler would wage a relentless bombing campaign, killing 45,000 Britons. It was up to Churchill to hold his country together and persuade President Franklin Roosevelt that Britain was a worthy ally—and willing to fight to the end. In *The Splendid and the Vile*, Erik Larson shows, in cinematic detail, how Churchill taught the British people “the art of being fearless.” It is a story of political brinkmanship, but it’s also an intimate domestic drama, set against the backdrop of Churchill’s prime-ministerial country home, Chequers; his wartime retreat, Ditchley, where he and his entourage go when the moon is brightest and the bombing threat is highest; and of course 10 Downing Street in London. Drawing on diaries, original archival documents, and once-secret intelligence reports—some released only recently—Larson provides a new lens on London’s darkest year through the day-to-day experience of Churchill and his family: his wife, Clementine; their youngest daughter, Mary, who chafes against her parents’ wartime protectiveness; their son, Randolph, and his beautiful, unhappy wife, Pamela; Pamela’s illicit lover, a dashing American emissary; and the advisers in Churchill’s “Secret Circle,” to whom he turns in the hardest moments. *The Splendid and the Vile* takes readers out of today’s political dysfunction and back to a time of true leadership, when, in the face of unrelenting horror, Churchill’s eloquence, courage, and perseverance bound a country, and a family, together.

original hitler speeches english: Hitler: 1889-1936 Hubris Ian Kershaw, 2000-04-17 Hailed as the most compelling biography of the German dictator yet written, Ian Kershaw's *Hitler* brings us closer than ever before to the heart of its subject's immense darkness. From his illegitimate birth in a small Austrian village to his fiery death in a bunker under the Reich chancellery in Berlin, Adolf Hitler left a murky trail, strewn with contradictory tales and overgrown with self-created myths. One

truth prevails: the sheer scale of the evils that he unleashed on the world has made him a demonic figure without equal in this century. Ian Kershaw's Hitler brings us closer than ever before to the character of the bizarre misfit in his thirty-year ascent from a Viennese shelter for the indigent to uncontested rule over the German nation that had tried and rejected democracy in the crippling aftermath of World War I. With extraordinary vividness, Kershaw recreates the settings that made Hitler's rise possible: the virulent anti-Semitism of prewar Vienna, the crucible of a war with immense casualties, the toxic nationalism that gripped Bavaria in the 1920s, the undermining of the Weimar Republic by extremists of the Right and the Left, the hysteria that accompanied Hitler's seizure of power in 1933 and then mounted in brutal attacks by his storm troopers on Jews and others condemned as enemies of the Aryan race. In an account drawing on many previously untapped sources, Hitler metamorphoses from an obscure fantasist, a drummer sounding an insistent beat of hatred in Munich beer halls, to the instigator of an infamous failed putsch and, ultimately, to the leadership of a ragtag alliance of right-wing parties fused into a movement that enthralled the German people. This volume, the first of two, ends with the promulgation of the infamous Nuremberg laws that pushed German Jews to the outer fringes of society, and with the march of the German army into the Rhineland, Hitler's initial move toward the abyss of war.

original hitler speeches english: Nuremberg Stephen Brockmann, 2006 Nuremberg: The Imaginary Capital is a broad study of German cultural and intellectual history since 1500, with a particular emphasis on the period from 1800 to the present. The book explores the ways in which Germans, over the past two centuries, have imagined Nuremberg as a cultural and spiritual capital, focusing feelings of national identity and belonging on the city - or on their Images of it. Nuremberg: The Imaginary Capital analyzes the way in which a particular city came to be seen, in Germany and elsewhere, as representative of the national whole. The book goes beyond the analysis of particular historical periods by showing how successive epochs' images of Nuremberg built on those preceding them; thus German cultural and intellectual history is shown as an intelligible unity centered around fascination with and veneration for a particular city.

original hitler speeches english: Hitler's Words Adolf Hitler, American Council on Public Affairs, 1944

original hitler speeches english: Documents on British Foreign Policy, 1919-1939 Great Britain. Foreign Office, 1946 Her Majesty's government in the United Kingdom have decided to publish the most important documents in the Foreign Office archives relating to British foreign policy between 1919 and 1939 in three series: the 1st ser. covering from 1919-1930, the 2d from 1930-39, the 3d from Mar. 1938 to the outbreak of the War.
