pete and bas past convictions: Convicted Chaplain Paul, 2022-03-25 With over two million Americans incarcerated in jails and prisons, we see an epidemic in our country. What is the answer? Amid the many proposals for solving this issue, I believe the best solution is more of God. Actually, every one of us needs more of God and His word in our lives, no matter where we are in life. These devotionals were written with the physically incarcerated in mind but apply to all of us. These pages focus on God's word, as a mind saturated with Scripture is a mind headed toward making right choices. I see God's word as a vital source of comfort and challenge. We all fall and fail. Over and over. God's grace is a comfort to us in those moments of needed forgiveness. Yet God's grace also challenges us to get up and press on in living out our faith as new creations in Christ. It is my prayer that these devotionals will both comfort and challenge you wherever you are in your journey with God through this life.

pete and bas past convictions: Bad Debts Peter Temple, 2012-07-02 Melbourne in winter. Rain. Wind. Pubs. Beer. Sex. Corruption. Murder. A phone message from ex-client Danny McKillop doesn't ring any bells for Jack Irish. Life is hard enough without having to dredge up old problems: his beloved football team continues to lose, the odds on his latest plunge at the track seem far too long and he's still cooking for one. But then Danny turns up dead and Jack has to take a walk back into the dark and dangerous past. Peter Temple is widely regarded as one of Australia's finest writers, and his novels have been published in twenty countries. During his lifetime he worked extensively as a journalist and editor, before teaching editing and media studies at a number of universities. His novels, among them the Jack Irish series, Truth, The Broken Shore and An Iron Rose, are celebrated as some of the best crime writing in English. Temple died in March 2018. 'Bad Debts is wonderful, quintessentially Australian stuff, full of authentic, diehard types, old culture cops, backstreet humour and inner-city dialogue you can overhear in the bars of certain hotels, the ones with framed pictures of horses on the walls. It is the genuine article and an absolute pearler of a read.' Australian Book Review 'Like his characters, Temple has a spare, funny delivery, and a sharp eye for a target...Temple writes with the urgency of someone who wants to disrupt an official investigation, and his story is kept up like taut wire. Brothers and sisters in crime, worship at the Temple.' Australian 'The prose is tight, the pace breathless, the dialogue inspired, and Temple's take on the Victorians' football mania hilarious.' Sun-Herald 'Temple can be as tough as nails, but also

displays a wickedly droll sense of humour which, like the work of, say, the American writer Joe R. Lansdale, frequently has the reader holding his sides with laughter even while immersed in some particularly unpleasant scenario...With *Bad Debts* Temple has created a world-class novel.' Sydney Morning Herald 'Unlike many good crime stories, this one can be related to our immediate environment. It incorporates icons and mediums which are very much part of most Australians' lives...These are the elements which make *Bad Debts* such a good crime novel. From the unforgettable cast of characters to the events which pre-destine their lives, the story literally explodes off the pages.' Geelong Advertiser 'One of the world's finest crime writers.' The Times 'Having read the new novels of Michael Connelly and Martin Cruz Smith, I have to say that Temple belongs in their company. Australia is a long way off, but this bloke is world-class.' Washington Post 'Fortunately, Text Publishing last year began the welcome and long-overdue project of ensuring that Temple's entire backlist, which includes four Jack Irish novels and five stand-alones, is available on these shores...Irish is tough and resourceful, yes, but it's the way Temple brings out his fear, desire, humor, and self-doubt that ranks him among the most interesting series heroes.' pete and bas past convictions: *Transported* Megan Roberts, 2018-05-09 On 8 December 1832, the convict transport ship 'Mangles' departed from Sheerness with its cargo of 236 convicts bound for New South Wales, none of whom knew what fate had in store for them. The ages of the men and boys spanned from just 13 years-old to 54, and between them they left behind 46 wives and 133 children. Their crimes ranged from horse stealing, to counterfeiting, burglary, mugging, or just stealing apples. They had been sent from all corners of the United Kingdom, and one was even from Guyana in South America. They came from all walks of life: labourers, sailors, tradesmen, soldiers, urchins and craftsmen; and included the educated and the uneducated. Some of them would go on to carve out new lives in Australia, with new families; others would never cease fighting the 'system'; two would be sent to the gallows, whilst another two would be murdered. Others would leave the colony, either at the end of their sentences or by escaping. This book sets out to tell the stories of how each of them ended up on the 'Mangles', and what happened to them after they arrived in New South Wales.

biography of the most notorious rock manager of all time, Peter Grant, best known for his work with Led Zeppelin. Peter Grant is the most famous music manager of all time. Often acknowledged as the fifth member of Led Zeppelin, Grant's story has appeared in fragments across countless Zeppelin biographies, but none has explored who this brilliant and intuitive manager yet flawed and sometimes dangerous man truly was. No one has successfully captured the scope of his personality or his long-lasting impact on the music business. Acclaimed author and journalist Mark Blake seeks to rectify that. *Bring It On Home* is the first book to tell the complete uncensored story of this industry giant. With support from Grant's family interviews with Led Zeppelin's surviving band members, and access to Grant's extensive archive and scores of unpublished material, including his never-before-published final interview, Blake sheds new light on the history of Led Zeppelin and on the wider story of rock music in the 1960s and '70s. Full of new insights into Grant's early life as an actor, wrestler, and road manager for rock 'n' roll pioneers Chuck Berry and Little Richard; the formation of Led Zeppelin; his seclusion following the demise of the band; and his recovery from substance abuse, *Bring It On Home* reveals a man who, after the extraordinary highs and lows of a career in rock 'n' roll, found peace and happiness in a more ordinary life. jurisdictions, particularly common law jurisdictions, the Law of Evidence is a key component of the legal system as it sets the yardstick for regulating civil and criminal proceedings in courts of law. The annotation of the Evidence Act 2011 undertaken by The Nigerian Institute of Advanced Legal Studies (NIALS) is a welcomed development for researchers, academics, legal practitioners, judicial officers and the public as previous annotations of the Evidence Act were based on the Evidence Act, Cap E14 Laws of the Federation, 2004. This annotation provides current information on the decided cases and relevant publications on provisions of the Evidence Act. It is particularly unique as it deals with vital amendments of the Act such as the provisions on admissibility of electronic/computer generated evidence which for a long time formed the basis of several judicial proceedings.
