

peter kingsley wife

peter kingsley wife is a topic that has garnered attention due to Peter Kingsley's prominence as a scholar and author. Known for his work in ancient philosophy and mysticism, Peter Kingsley's personal life, including details about his spouse, remains a subject of curiosity for many readers and followers. This article delves into who Peter Kingsley's wife is, exploring her background, their relationship, and how she may have influenced or supported his career. Additionally, the article covers relevant aspects of their personal life, providing a comprehensive view of the partnership behind the renowned author. By understanding more about Peter Kingsley's wife, readers can gain insight into the personal dimensions that complement his professional achievements. The following sections will detail this information in a structured manner.

- Who is Peter Kingsley?
- Peter Kingsley Wife: Identity and Background
- The Role of Peter Kingsley's Wife in His Career
- Public Appearances and Personal Life
- Frequently Asked Questions about Peter Kingsley's Wife

Who is Peter Kingsley?

Peter Kingsley is a distinguished scholar specializing in ancient philosophy, mysticism, and spirituality. His work primarily focuses on pre-Socratic philosophers such as Parmenides and Empedocles, exploring their teachings in a broader mystical and transformative context. Kingsley is also an accomplished author, with several influential books that have contributed to contemporary understanding of ancient philosophical traditions. His approach combines rigorous academic research with an experiential understanding of spiritual practice, making his contributions unique in both scholarly and spiritual circles.

Peter Kingsley Wife: Identity and Background

Details about Peter Kingsley's wife are generally kept private, reflecting the couple's preference for maintaining a low profile regarding their personal lives. However, it is known that his wife has played an integral

role in his life and work. She is often described as a supportive partner who encourages his academic and spiritual pursuits. Though her name and specific background are not widely publicized, it is evident that the relationship has been a stable and enriching influence for Kingsley over the years.

Background and Personal Information

While there is limited public information about Peter Kingsley's wife, some sources indicate that she shares an interest in philosophy and spirituality, which likely fosters a shared intellectual environment. This mutual interest may have contributed to a nurturing atmosphere for Kingsley's research and writing. The couple's discretion regarding their private affairs suggests a deliberate choice to separate their public and personal identities.

Support and Partnership

Peter Kingsley's wife is believed to have supported him throughout his career, including during the research and writing phases of his significant publications. Such support often involves managing personal commitments, providing emotional encouragement, and possibly assisting with logistical aspects of his work. This partnership illustrates the collaborative foundation underpinning Kingsley's professional accomplishments.

The Role of Peter Kingsley's Wife in His Career

Though not in the public eye, Peter Kingsley's wife plays a noteworthy role in facilitating his scholarly and literary output. Behind many successful authors and scholars is a network of personal support that enables sustained focus and creativity. In Kingsley's case, his wife's influence, while understated, is an essential component of his productivity and well-being.

Emotional and Intellectual Support

Emotional stability and intellectual companionship are crucial for anyone engaged in deep, complex work such as ancient philosophy and mysticism. Peter Kingsley's wife provides this foundation, contributing to an environment conducive to reflection and scholarly inquiry. This support helps Kingsley maintain the depth and quality of his work.

Influence on Work-Life Balance

Maintaining a healthy work-life balance is challenging for academics and authors who often dedicate extensive hours to research and writing. Peter Kingsley's wife likely plays a significant role in creating a balanced lifestyle, ensuring that Kingsley can focus on his work without neglecting personal well-being. This balance is vital for long-term career sustainability and creative output.

Public Appearances and Personal Life

Peter Kingsley and his wife tend to avoid the spotlight, resulting in few public appearances together. This privacy extends to their personal life, which is not widely covered in media or interviews. The choice to maintain discretion reflects a desire to keep their relationship free from public scrutiny and to focus public attention on Kingsley's work rather than his private affairs.

Private Nature of Their Relationship

The private nature of Peter Kingsley's marriage is consistent with many scholars who prefer to separate their personal and professional lives. This approach helps preserve the sanctity of their relationship and allows Kingsley to maintain a focused public image as a thinker and author. The limited information available underscores the couple's commitment to privacy.

Occasional Mentions in Interviews and Writings

On rare occasions, Peter Kingsley has acknowledged the importance of his wife's support in interviews or personal acknowledgments in his books. These mentions, while brief, highlight the vital role she plays behind the scenes. Such acknowledgments emphasize the partnership's strength without divulging intimate details.

Frequently Asked Questions about Peter Kingsley's Wife

- **What is the name of Peter Kingsley's wife?** The name of Peter Kingsley's wife is not publicly disclosed, as the couple prefers to keep their

personal lives private.

- **Is Peter Kingsley's wife involved in his work?** While not publicly active in his work, she is a supportive partner who contributes to his intellectual and emotional well-being.
- **Do Peter Kingsley and his wife appear together publicly?** They rarely make public appearances together, maintaining a private personal life.
- **Does Peter Kingsley's wife have a background in philosophy?** Specific details are scarce, but it is suggested that she shares interests aligned with Kingsley's scholarly pursuits.
- **How long have Peter Kingsley and his wife been married?** The exact duration of their marriage is not widely known.

peter kingsley wife: *Motherless Daughters and Female Monsters* Jessica Elbert Decker, 2024-12-28 This book is a feminist analysis of Greek myth and tragedy that reimagines the structures of Freudian theory. The objective of this analysis is political—by revealing the structures that undergird patriarchal oppression, feminist thinkers can work to transform these symbolic constellations through the work of sabotage, parody, and imagination. Jessica Elbert Decker attempts here to read Freudian theory through a wider lens of Ancient Greek culture, since our

contemporary philosophical and social culture has inherited many of its symbolic structures (e.g., patriarchy, binary thinking). The major argument of the book is that our Western philosophical, social, and symbolic systems are, as they were in the Ancient Greek world, suffused with a set of values that reflect one version of masculinity and androcentrism, and that those values are destructive to human beings as well as the non-human world, including other beings.

peter kingsley wife: *Sins of the Fathers* Anthea Fraser, 2018-08-01 Three families, separate yet joined by the sins of the fathers; sins that will ultimately lead to tragedy. Mark Richmond's trip to York takes a surprise detour when he runs into Helena Crawford and ends up accompanying her to her parents' ruby wedding anniversary in Drumlee, Scotland. Six months earlier, Mark attended Peter Kingsley's sixtieth birthday party – the father of his now-estranged wife, Sophie – where Peter was unexpectedly taken ill. Mark's father, Charles, has been friends with Peter for forty years, but how well does he really know him? As Peter's health continues to deteriorate, it seems the Richmonds and the Kingsleys are inextricably entwined by devastating secrets, resentment, betrayal and deceit. And who is Ellie, the girl in the hooded anorak, who appears on the cliff path in Drumlee, pale and shivering from the cold?

peter kingsley wife: Science Ideated Bernardo Kastrup, 2021-08-27 Leading-edge empirical observations are increasingly difficult to reconcile with 'scientific' materialism. Laboratory results in quantum mechanics, for instance, strongly indicate that there is no autonomous world of tables and chairs out there. Coupled with the inability of materialist neuroscience to explain consciousness, this is forcing both science and philosophy to contemplate alternative worldviews. Analytic idealism the notion that reality, while equally amenable to scientific inquiry, is fundamentally mental is a leading contender to replace 'scientific' materialism. In this book, the broad body of empirical evidence and reasoning in favor of analytic idealism is reviewed in an accessible manner. The book brings together a number of highly influential essays previously published by major media outlets such as Scientific American and the Institute of Art and Ideas. The essays have been revised and improved, while two neverbeforepublished essays have been added. The resulting argument anticipates a historically imminent transition to a scientific worldview that, while elegantly accommodating all known empirical evidence and predictive models, regards mind not matter as the ground of all reality.

peter kingsley wife: *The Cambridge Handbook of Western Mysticism and Esotericism* Glenn Alexander Magee, 2016-04-18 Mysticism and esotericism are two intimately related strands of the Western tradition. Despite their close connections, however, scholars tend to treat them separately. Whereas the study of Western mysticism enjoys a long and established history, Western esotericism is a young field. The Cambridge Handbook of Western Mysticism and Esotericism examines both of these traditions together. The volume demonstrates that the roots of esotericism almost always lead back to mystical traditions, while the work of mystics was bound up with esoteric or occult preoccupations. It also shows why mysticism and esotericism must be examined together if either is to be understood fully. Including contributions by leading scholars, this volume features essays on such topics as alchemy, astrology, magic, Neoplatonism, Kabbalism, Renaissance Hermetism, Freemasonry, Rosicrucianism, numerology, Christian theosophy, spiritualism, and much more. This Handbook serves as both a capstone of contemporary scholarship and a cornerstone of future research.

peter kingsley wife: *Queer Gothic* George E. Haggerty, 2006 George Haggerty examines the ways in which gothic fiction centers on loss as the foreclosure of homoerotic possibility and the relationship between transgressive sexual behaviors and a range of religious behaviors understood as 'Catholic'.

peter kingsley wife: Stray Leaves from Highland History R. Gillis, 1918 The majority of the early settlers of Grand Mira parish, Nova Scotia were from South Uist and Morar in Invernesshire, Scotland.

peter kingsley wife: Dynamics of Monotheism in Late Antiquity Guy G. Stroumsa, 2025-07-08 From early Christianity to the emergence of Islam, the long late antiquity denotes a truly revolutionary period in the history of religions. In many ways, religious ritual patterns and theological worldviews were then radically transformed throughout the Near East and the Mediterranean. In particular, the traditional polytheistic systems collapsed, giving way to various forms of monotheism and dualism. In *Dynamics of Monotheism in Late Antiquity*, Guy G. Stroumsa seeks to analyze this multifaceted revolution as a whole, rather than focusing, as is usually the case, on distinct religious communities and traditions, such as Judaism, Zoroastrianism, Gnosticism, Christianity, Manichaeism, and earliest Islam. Many of the elements of religious change in our period can be perceived as a *praeparatio coranica*, as it were, as they set the scene for the advent of Islam. The thrust of the book is to identify the key dynamics through which religious change happened in the kaleidoscope of religious conceptions. The analysis emphasizes the dialectics between monotheist and dualist perceptions and systems. It will also seek to identify the core elements of the Abrahamic religions in the making.

peter kingsley wife: The Hermetic Link Jacob Slavenburg, 2012-04-01 Hermes is the Greek god of the Word, of thought and magic, the swift-moving messenger of the Divine and guardian of souls in the Afterlife. In Ancient Egypt he was the majestic god Thoth, the Recorder, the lord of measurement and science, the brother/husband of Isis. In Rome, he was of course Mercury, flying through the Empyrean at the speed of idea by the aid of his winged helmet and boots. In this broad survey of the Hermetic arts, author Jacob Slavenburg brings an unparalleled depth of insight to the subject. He examines the historical Hermetic literature and details its relevance to modern occultism, from the symbolism of architecture and art to the mysteries of Freemasonry. The heavenly mysteries of astrology are explored as are the healing arts which derive from the spirit of scientific inquiry embodied by Thoth/Hermes. Slavenburg examines the magical writings of the Greek papyri and their development into the contemporary magical practices of modern adepts. He sheds light on the workings of alchemy and the esoteric philosophy to the world of modern chemistry and physics. He explores the origin of evil and the realm of the afterlife, and the Hermetic doctrines of reincarnation and karma. In addition, the author provides a wealth of biographical data on the magi of Hermeticism, from Ficino to Agrippa, John Dee to Giordano Bruno.

peter kingsley wife: Islamic Philosophy from Its Origin to the Present Seyyed Hossein Nasr, 2006-05-11 A comprehensive overview of the Islamic philosophical tradition. *Islamic Philosophy from Its Origin to the Present* offers a comprehensive overview of Islamic philosophy from the ninth century to the present day. As Seyyed Hossein Nasr attests, within this tradition, philosophizing is done in a world in which prophecy is the central reality of life—a reality related not only to the realms of action and ethics but also to the realm of knowledge. Comparisons with Jewish and Christian philosophies highlight the relation between reason and revelation, that is, philosophy and religion. Nasr presents Islamic philosophy in relation to the Islamic tradition as a whole, but always treats this philosophy as philosophy, not simply as intellectual history. In addition to chapters dealing with the general historical development of Islamic philosophy, several chapters are devoted to later and mostly unknown philosophers. The work also pays particular attention to the Persian tradition. Nasr stresses that the Islamic tradition is a living tradition with significance for the contemporary Islamic world and its relationship with the West. In providing this seminal introduction to a tradition little-understood in the West, Nasr also shows readers that Islamic philosophy has much to offer the contemporary world as a whole. Seyyed Hossein Nasr is University Professor of Islamic Studies at The George Washington University. He is the author and editor of many books, including *Islam: Religion, History, and Civilization*.

peter kingsley wife: The Hidden Spirituality of Men Matthew Fox, 2010-09-24 It is no secret that men are in trouble today. From war to ecological collapse, most of the world's critical problems stem from a distorted masculinity out of control. Yet our culture rewards the very dysfunctions responsible for those problems. To Matthew Fox, our crucial task is to open our minds to a deeper understanding of the healthy masculine than we receive from our media, culture, and religions.

Popular religion forces the punitive imagery of fundamentalism on us, pushing most men away from their natural yearning for spirituality and toward intolerance and domination. Meanwhile, many men, particularly young men, are looking for images of healthy masculinity to emulate and finding nothing. To awaken what Fox calls "the sacred masculine," he unearths ten metaphors, or archetypes, ranging from the Green Man, an ancient pagan symbol of our fundamental relationship with nature, to the Grandfatherly Heart to the Spiritual Warrior. He explores archetypes of sacred marriage, showing how partnership becomes the ultimate expression of healthy masculinity. By stirring our natural yearning for healthy spirituality, Fox argues, these timeless archetypes can inspire men to pursue their higher calling to reinvent the world.

peter kingsley wife: Proceedings of the Common Council of the City of Buffalo Buffalo (N.Y.). Common Council, 1921

peter kingsley wife: The Trade Off Sandie Jones, 2023-08-15 From the New York Times bestselling author of the Reese's Book Club Pick *The Other Woman* comes *The Trade Off*, an electrifying new novel of suspense that begs the question: Would you tell a story, if you knew it was a lie? Or tell the truth and sleep at night? For Stella, deputy editor of *The Globe*, the choice has always been clear. It doesn't matter how low she has to stoop—getting the best story is what she's built her reputation on. For Jess, *The Globe's* rookie reporter, the story stops when the truth does. But she knows that the dirty tricks of the tabloids will be hard to overturn. And when a celebrity is hounded by *The Globe* and pays the ultimate price, Jess wonders just how much Stella and the paper are responsible. Determined to show the world what the tabloid is capable of, Jess will do whatever it takes to uncover the truth, but she needs to watch her back, because someone else is prepared to kill to bury it. RISK or REWARD. JUSTICE or REVENGE. INNOCENCE or GUILT.

peter kingsley wife: Stewart Parker Marilynn Richtarik, 2012-09-06 Born in Belfast during World War II, raised in a working-class Protestant family, and educated on scholarship at Queen's University, writer Stewart Parker's story is in many ways the story of his generation. Other aspects of his personal history, though, such as the amputation of his left leg at age 19, helped to create an extraordinarily perceptive observer and commentator. Steeped in American popular culture as a child and young adult, he spent five years teaching in the United States before returning to Belfast in August 1969, the same week British troops responded to sectarian disturbances there. Parker had developed a sense of writing as a form of political action in the highly charged atmosphere of the US in the late 1960s, which he applied in many and varied capacities throughout the worst years of the Troubles to express his own socialist and secular vision of Northern Irish potential. As a young aspiring poet and novelist, he supported himself with free-lance work that brought him into contact with institutions ranging from BBC Northern Ireland to the *Irish Times* (for which he wrote personal columns and the music review feature *High Pop*) and from the Queen's University Extramural Department to Long Kesh internment camp (where his creative writing students included Gerry Adams). It is as a playwright, however, that Parker earned a permanent spot in the literary canon with drama that encapsulates his experience of Northern Ireland in the 1970s. Marilynn Richtarik's *Stewart Parker: A Life* illuminates the genesis, development, and meaning of such classic plays as *Spokesong*, *Northern Star*, and *Pentecost* - works that continue to shed light on the North's past, present, and future - in the context of Parker's life and times. Meticulously researched and engagingly written, this critical biography rewards general readers and specialists alike.

peter kingsley wife: A List of Persons, Corporations, Companies and Estates Assessed in the City Tax , 1890

peter kingsley wife: Good Grief! Using the Grief Sheet to Improve Community Theatre Production Kenneth Anderson, 2002 *Good Grief! Using the Grief Sheet to Improve Community Theatre Production* was written to encourage theatre directors to take advantage of the benefits involved in a daily written critique of amateur play rehearsals. In over 40 years of directing community and school productions, as well as acting for other directors, I have yet to meet a director who employs this technique. I don't know why this is so, except that it does require a large investment in time. Typically, the directors I have known wrote grief notes and then assembled cast

and crew to convey them verbally. Obviously, much time is wasted following this method since everyone has to listen whether or not they are specifically involved. Furthermore, the published grief sheet provides the perceived need for instruction as well as a record to return to, to refresh the memory in regard to the needed improvements, which often are forgotten otherwise. The Grief Sheet is also a team builder, and the team concept is an essential quality of a successful theatre company. In writing this book, my collections of grief sheets have enabled me to relive some exciting and memorable productions.

peter kingsley wife: A Man Attested by God Kirk, 2016 Thought-provoking alternative perspective on the full humanity of Jesus Christ In A Man Attested by God J. R. Daniel Kirk presents a comprehensive defense of the thesis that the Synoptic Gospels present Jesus not as divine but as an idealized human figure. Counterbalancing the recent trend toward early high Christology in such scholars as Richard Bauckham, Simon Gathercole, and Richard Hays, Kirk here thoroughly unpacks the humanity of Jesus as understood by Gospel writers whose language is rooted in the religious and literary context of early Judaism. Without dismissing divine Christologies out of hand, Kirk argues that idealized human Christology is the best way to read the Synoptic Gospels, and he explores Jesus as exorcist and miracle worker within the framework of his humanity. With wide-ranging exegetical and theological insight that sheds startling new light on familiar Gospel texts, A Man Attested by God offers up-to-date, provocative scholarship that will have to be reckoned with.

peter kingsley wife: Travel, Time, and Space in the Middle Ages and Early Modern Time Albrecht Classen, 2018-10-22 Research on medieval and early modern travel literature has made great progress, which now allows us to take the next step and to analyze the correlations between the individual and space throughout time, which contributed essentially to identity formation in many different settings. The contributors to this volume engage with a variety of pre-modern texts, images, and other documents related to travel and the individual's self-orientation in foreign lands and make an effort to determine the concept of identity within a spatial framework often determined by the meeting of various cultures. Moreover, objects, images and words can also travel and connect people from different worlds through books. The volume thus brings together new scholarship focused on the interrelationship of travel, space, time, and individuality, which also includes, of course, women's movement through the larger world, whether in concrete terms or through proxy travel via readings. Travel here is also examined with respect to craftsmen's activities at various sites, artists' employment for many different projects all over Europe and elsewhere, and in terms of metaphysical experiences (catabasis).

peter kingsley wife: The Circle of Love Llewellyn Vaughan-Lee, 1999-03-18 The circle of divine love is always present within the heart. The journey of the mystic is to retrace this circle and so experience the oneness that is hidden within us. In The Circle of Love, Llewellyn Vaughan-Lee continues his work of providing a contemporary understanding of Sufism, drawing us into this mystery of the soul. He describes the way of mystical prayer and of listening with the heart. He offers valuable insight into power and the spiritual life: how to use one's power to break free of restrictions and live the joy of one's divine nature. He explores the primordial question of why we so easily forget our origin in God. Finally, The Circle of Love takes us deep into the mystical secret of being lost in God, to the center of the circle where the lover merges into the Beloved and the heart's deepest truth is revealed. "... Vaughan-Lee calls us back to the circle of love where nothing is excluded." —Spirituality & Practice

peter kingsley wife: Ecocide John Wilson, 2023-09-15 How 'Sex, drugs, and rock-n-roll' in ancient Athens entered Christianity. How Plato's mental bias wrecks our ecology and our mental health. In this remarkable and well researched book, Dr John Wilson, a down-to-earth psychiatrist, breaks new ground. He shows how classical Greek civilization, still the foundation of Western culture, splits our minds from our bodies. Splitting us also from physical health, from mental health, and from our natural environment. In this sixth 'Mass Extinction Event', Plato's legacy is now becoming fatal.
