What Are Orgonite Gifts?

Orgonite gifts are crafted items made from a blend of organic resin, metal shavings, and crystals, designed to convert negative energy into positive energy. The concept of orgonite stems from the theory of orgone energy, introduced by Wilhelm Reich in the early 20th century. Orgonite is believed to harness and balance this universal life energy, promoting a healthier and more harmonious environment. These gifts often take artistic forms, combining functionality with visual appeal to serve as both decorative pieces and energy-enhancing tools.

The Composition of Orgonite

The core components of orgonite include organic resin, which acts as a matrix, metallic particles that attract and repel energy, and crystals that amplify the energetic transformation. The resin hardens to encase the metals and crystals, creating a piezoelectric effect that is central to orgonite's energy-balancing properties. This unique combination is what differentiates orgonite gifts from other types of energy tools.

The Origins and History

The concept of orgone energy was developed by Wilhelm Reich, who posited that this energy permeates all living things and environments. Later, organite was popularized by Don Croft, who created devices aimed at cleansing and improving the flow of orgone energy. Over time, organite gifts have evolved into varied forms, becoming popular among those interested in energy healing, meditation, and spiritual practices.

The Benefits of Giving Organite Gifts

Organite gifts offer numerous benefits that extend beyond their physical beauty. They are valued for their purported ability to improve energy flow, reduce electromagnetic radiation, and enhance emotional well-being. These qualities make them thoughtful and purposeful gifts for various recipients.

Energy Cleansing and Balancing

One of the primary advantages of organite gifts is their role in cleansing stagnant or negative energy. By transforming this energy into a more positive form, organite is believed to help create a balanced atmosphere conducive to relaxation and focus.

Reduction of Electromagnetic Radiation

In modern environments filled with electronic devices, organite gifts are often used to mitigate the effects of electromagnetic fields (EMFs). Many users report a decrease in symptoms associated with EMF exposure, such as headaches and fatigue, when organite is placed nearby.

Emotional and Spiritual Enhancement

Organite gifts are also associated with promoting emotional clarity and spiritual growth. They can support meditation practices, improve mood, and foster a sense of calm and connectedness, making them ideal for those seeking holistic wellness.

Popular Types of Organite Gifts

There is a wide variety of organite gifts available, each suited for different purposes and preferences. Understanding these types can help in selecting the right gift for any occasion.

Organite Pyramids

Organite pyramids are among the most popular forms, often used as decorative pieces on desks, shelves, or meditation spaces. Their geometric shape is believed to enhance energy flow and focus.

Orgonite Pendants and Jewelry

Wearable orgonite gifts such as pendants, bracelets, and earrings provide personal energy protection and balance throughout the day. These pieces combine style with functionality, making them versatile gifts.

Orgonite Coasters and Home Décor

Functional items like coasters and paperweights infused with orgonite offer subtle energy benefits in everyday settings. These gifts are perfect for those who appreciate practicality alongside metaphysical properties.

Customized Orgonite Gifts

Many artisans offer customized orgonite gifts tailored with specific crystals or designs to meet individual needs. Customized pieces can be especially meaningful gifts for special occasions or personal milestones.

How to Choose the Right Orgonite Gift

Selecting the ideal orgonite gift involves considering the recipient's preferences, lifestyle, and the specific benefits desired. Thoughtful selection enhances the gift's impact and personal significance.

Consider the Recipient's Interests

Understanding whether the recipient values spirituality, aesthetics, or practical energy tools can guide the choice. For example, jewelry may appeal to those who like wearable accessories, while pyramids might suit collectors or meditators.

Choose Appropriate Crystals

Different crystals embedded in orgonite serve various energetic purposes. Amethyst, rose quartz, and clear quartz are common and versatile choices, each promoting unique benefits like calmness, love, or clarity.

Size and Placement

The size of the orgonite gift should align with where the recipient might place or wear it. Larger pieces are ideal for home or office environments, while smaller items are more suitable for personal use.

Occasions Ideal for Orgonite Gift Giving

Orgonite gifts are suitable for a variety of occasions due to their meaningful nature and wide appeal. They can mark milestones, holidays, or personal achievements with a thoughtful touch.

Birthdays and Anniversaries

Giving orgonite gifts on birthdays or anniversaries symbolizes a wish for positive energy and well-being in the coming years. Customized pieces add a personal element to these celebrations.

Housewarming and New Beginnings

Orgonite gifts make excellent housewarming presents, helping to cleanse and balance the energy of a new home. They are also appropriate for other new beginnings, such as starting a new job or embarking on a spiritual journey.

Holidays and Special Events

During holidays like Christmas or spiritual festivals, orgonite gifts can serve as meaningful tokens of goodwill and positive intentions. Their unique nature distinguishes them from more conventional gifts.

Care and Maintenance of Orgonite Gifts

Proper care ensures that orgonite gifts remain effective and visually appealing over time. Understanding maintenance practices helps preserve their energy-balancing properties.

Cleaning and Charging

Orgonite gifts can be cleansed by rinsing with water or smudging with sage to remove accumulated negative energy. Periodic charging under sunlight or moonlight is recommended to refresh their energetic potency.

Handling and Placement

To avoid damage, orgonite should be handled gently, especially pieces with delicate crystals or intricate designs. Placement away from excessive heat or direct impact prolongs the lifespan of the gift.

Regular Use and Interaction

Encouraging regular interaction with orgonite gifts, such as wearing jewelry or meditating near pyramids, can enhance their benefits. This ongoing engagement supports a continuous flow of

positive energy.

Summary of Key Points

- Orgonite gifts combine organic resin, metals, and crystals to balance and transform energy.
- They offer benefits including energy cleansing, EMF reduction, and emotional support.
- Popular gift types include pyramids, jewelry, home décor, and customized pieces.
- Choosing the right orgonite gift involves considering recipient preferences, crystal types, and size.
- Suitable occasions for orgonite gifts span birthdays, housewarmings, holidays, and spiritual milestones.
- Proper care and maintenance enhance the longevity and effectiveness of orgonite gifts.

Frequently Asked Questions

What is orgonite and how does it work?

Orgonite is a mixture of resin, metal shavings, and crystals designed to balance and harmonize bio-energy, also known as orgone, chi, or prana. It is believed to transform negative energy into positive energy, improving physical and spiritual well-being.

Why are orgonite gifts becoming popular?

Orgonite gifts are gaining popularity because many people seek natural ways to reduce stress, improve energy flow, and enhance their living environments. These gifts are often seen as unique, meaningful, and spiritually uplifting presents.

What occasions are orgonite gifts suitable for?

Orgonite gifts are suitable for various occasions such as birthdays, anniversaries, housewarmings, holidays, and wellness-focused events. They make thoughtful presents for those interested in spirituality, meditation, or holistic healing.

Are orgonite gifts safe for everyone?

Yes, orgonite gifts are generally safe for everyone as they are made from natural materials like resin, metals, and crystals. However, people with specific allergies to certain metals or crystals should check the components before use.

Can orgonite gifts help with stress and anxiety?

Many users report that orgonite gifts help reduce stress and anxiety by promoting positive energy flow and creating a calming environment. While scientific evidence is limited, anecdotal experiences suggest benefits for emotional well-being.

How do I choose the right orgonite gift?

Choose an orgonite gift based on the recipient's preferences, such as the type of crystals used, size, and design. Consider the intended use, whether for personal energy balance, home décor, or meditation support.

Where can I buy authentic orgonite gifts?

Authentic orgonite gifts can be purchased from specialized online stores, artisan markets, or wellness shops that focus on metaphysical and holistic products. Always check reviews and product descriptions to ensure quality.

How do I care for and clean my orgonite gift?

To care for your orgonite gift, gently clean it with a soft cloth and mild soap if needed. Avoid harsh chemicals and prolonged exposure to direct sunlight to preserve the resin and crystals' integrity.

Additional Resources

1. *Harnessing Energy: The Art of Orgonite Gifts*

This book explores the history and science behind orgonite, offering readers a comprehensive guide to crafting orgonite gifts. It delves into the materials needed, the significance of different crystals, and the process of layering resin and metals. Perfect for beginners, it helps readers create meaningful, energy-enhancing presents for loved ones.

2. *The Healing Power of Orgonite: Crafting Gifts That Energize*

Discover how orgonite can promote healing and well-being through beautifully crafted gifts. This book covers the therapeutic benefits of orgonite, tips on choosing the right stones, and step-by-step instructions for making personalized items. It also includes testimonials and case studies demonstrating orgonite's positive impact.

3. *Creative Orgonite: Unique Gift Ideas for Every Occasion*

Filled with innovative designs and creative inspiration, this book offers a wide range of orgonite gift projects suited for birthdays, holidays, and special events. Each project focuses on combining aesthetics with energetic properties to create stunning and functional pieces. Readers will find easy-to-follow tutorials and advice on customization.

4. *Orgonite Jewelry and Gifts: A Practical Guide*

Specializing in wearable orgonite creations, this guide helps readers design and make jewelry pieces that serve as powerful energy tools. It includes detailed instructions on making pendants, bracelets, and earrings, along with insights into crystal selection and energy balancing. Ideal for those looking to gift something personal and meaningful.

5. *Eco-Friendly Orgonite Gifts: Sustainable Crafting Techniques*

This book emphasizes environmentally responsible methods for creating orgonite gifts, using sustainable materials and minimizing waste. It teaches how to source eco-friendly resins, metals, and crystals while maintaining the energetic integrity of the orgonite. A great resource for crafters who care about both energy and the environment.

6. *Custom Orgonite Gifts: Personalizing Energy Tools for Loved Ones*

Learn how to tailor orgonite gifts to the unique needs and personalities of recipients. This book offers guidance on selecting crystals based on emotional and spiritual qualities, and how to incorporate meaningful symbols or messages. It also provides tips on packaging and presentation to enhance the gift-giving experience.

7. *The Science Behind Orgonite: Understanding Its Gift Potential*

Explore the scientific theories and research related to orgonite and its effects on energy fields. This book provides a balanced look at the empirical evidence supporting orgonite's benefits, alongside practical advice for crafting effective gifts. Readers gain a deeper appreciation for the intersection of science and spirituality in orgonite creation.

8. *Orgonite Artistry: Designing Stunning Gifts That Heal*

Focused on the artistic side of orgonite, this book encourages readers to blend creativity with energy work. It showcases various artistic styles and techniques for making visually captivating orgonite pieces that also serve as powerful energy tools. The book includes galleries of inspirational designs and expert tips for aspiring orgonite artists.

9. *Spiritual Gifts: Using Orgonite to Enhance Energy and Connection*

This book explores the spiritual dimensions of orgonite gifts, highlighting their role in meditation, protection, and energy balancing. Readers learn how to craft orgonite items that support spiritual growth and foster deeper connections with self and others. It offers rituals and practices to accompany gift-giving for enhanced energetic impact.

orgonite gifts: OPERATION PARADISE (standard edition b/w) G. Ritschl, 2007-11-05 The Orgone Revolution is underway: During the last few years, a small but growing group of people worldwide has started a peaceful revolution planet-wide environmental healing with orgone energy. This book is essential reading for anyone who is interested in holistic healing and the convergence of advanced science with the mystical world view. It is also a book for all those who are worried about the tendencies of a small elite to create a worldwide Orwellian Superstate by means of secret manipulation of world events, centralisation, and secret chemical and electronic warfare against humankind. It is time to reclaim planet earth for humanity. The compelling message of this book is: Together we can create Paradise!

orgonite gifts: Orgone Gizmo Richard Gartee, 2024-05-15 Gizmo starts out straight, then life takes some surprising turns. Gizmo Carson, an engineer and Korean War vet with Top Secret

security clearance, got his nickname because he can fix almost anything. Throughout the 1950s, Gizmo is as straight-arrow as they come. However, public outcry against the Vietnam War in the Sixties causes him to quit the military-industrial complex and embrace the hippie counterculture. At a commune, he's introduced to orgone—life force energy discovered by psychiatrist Wilhelm Reich. He's horrified when he hears that the government he'd proudly served violated the First Amendment and burned the scientist's books! Gizmo decides to right that wrong after he receives a rare schematic for Reich's orgone energy accumulator that the censors missed. He drops out and spends the '70s traveling in a VW camper, building the devices. People start calling him Orgone Gizmo. He's flattered. When Indian gurus bring yoga to America, he sees the similarity between orgone and what the gurus call prana. Years later, Gizmo encounters an improbable character who survives without eating, sustained solely by orgone energy. The stranger says radioactive fallout in the atmosphere has created a deadly form of orgone, and he desperately needs Gizmo to build him an accumulator. Easy enough, but the place his new friend wants to be taken is a dangerous and highly classified area.

orgonite gifts: *Secret Power of Orgone Pendulum* A.R. Hari, 2002-03

orgonite gifts: *Me and the Orgone* Orson Bean, 2000

orgonite gifts: *Weird Science and Bizarre Beliefs* Gregory L. Reece, 2008-10-30 Does the giant Yeti roam the mountain ranges of Tibet? Does a real-life Shangri La lie waiting to be discovered in a Himalayan valley? Do transmissions from lost civilizations beam messages of salvation to humankind? What lost creatures lurk in the murky depths of Scotland's brooding Loch Ness? And who - or what - is responsible for the implacable monoliths which tower over Easter Island? The obsession that so many now have with the uncanny and the unnatural is in itself a mystery. It prompts serious questions which could have remarkable answers. Drinking deep from the wells of esoteric knowledge, Greg Reece undertakes a heroic quest for solutions. Braving the darkest recesses of cult belief, he stalks the twilight borderlands of contemporary culture, where, at the outer edges of mainstream thought, things become downright freaky and outlandish. Taking his life in both hands, the author explores a subterranean cavern reputed to be the home of elusive blue-skinned troglodytes; goes hiking in the backwoods for a glimpse of Bigfoot; investigates the truth of Alternative Archaeology in search of Atlantis; and tests for himself the time-travel and anti-gravity theories of famed inventor Nikola Tesla. Unashamedly revelling in the unexplained, *Weird Science and Bizarre Beliefs* is both a penetrating analysis of the hidden underbelly of science, pseudo-science and religion as well as an unforgettable journey into the innermost depths of the fantastic, the extraordinary and the peculiar.

orgonite gifts: *The Serpent's Gift* Jeffrey J. Kripal, 2008-09-15 "Because thou hast done this, thou art cursed above all cattle, and above every beast of the field." With those words in Genesis, God condemns the serpent for tempting Adam and Eve, and the serpent has shouldered the blame ever since. But how would the study of religion change if we looked at the Fall from the snake's point of view? Would he appear as a bringer of wisdom, more generous than the God who wishes to keep his creation ignorant? Inspired by the early Gnostics who took that startling view, Jeffrey J. Kripal uses the serpent as a starting point for a groundbreaking reconsideration of religious studies and its methods. In a series of related essays, he moves beyond both rational and faith-based approaches to religion, exploring the erotics of the gospels and the sexualities of Jesus, John, and Mary Magdalene. He considers Feuerbach's Gnosticism, the untapped mystical potential of comparative religion, and even the modern mythology of the X-Men. Ultimately, *The Serpent's Gift* is a provocative call for a complete reorientation of religious studies, aimed at a larger understanding of the world, the self, and the divine.

orgonite gifts: *Crystal Healing: 2012 and Beyond* Barbara S. Delozier, 2011-03-15 Rocks, crystals and stones are sentient and hold within themselves an energy that communes with us. They can heal, help and make our lives more livable in a most basic way ~ all we need to do is listen to what they have to say. *Crystal Healing: 2012 And Beyond* is a comprehensive guide to discovering this New Age resource.

orgonite gifts: *My Cosmic Trigger* Matt Vaughn, 2024-07-11 High strangeness denotes happenings so uncanny they are deemed utterly absurd. It involves the intersection of multiple paranormal phenomena, revealing an eerie undergirding of reality. MY COSMIC TRIGGER is a deep dive into the subject, covering its history, theories, and notable researchers, analyzing mechanisms behind this cosmic enigma. The author's personal experiences provide a penetrating understanding of the phenomenon by demonstrating how and why extramundane weirdness manifests on a personal level, helping people navigate their own 'synchromystic initiation' with a sense of clarity, fostering a constructive relationship with odd occurrences (not a destabilizing one), and enabling readers to successfully pull their own cosmic trigger.

orgonite gifts: *The Ashgate Research Companion to Paranormal Cultures* Olu Jenzen, Sally R. Munt, 2016-03-23 Despite the much vaunted 'end of religion' and the growth of secularism, people are engaging like never before in their own 'spiritualities of life'. Across the West, paranormal belief is on the rise. The Ashgate Research Companion to Paranormal Cultures brings together the work of international scholars across the social sciences and humanities to question how and why people are seeking meaning in the realm of the paranormal, a heretofore subjugated knowledge. With contributions from the UK and other European countries, the USA, Australia and Canada, this ground-breaking book attends to the paranormal as a position from which to critique dominant forms of knowledge production and spirituality. A rich exploration of everyday life practices, textual engagements and discourses relating to the paranormal, as well as the mediation, technology and art of paranormal activity, this book explores themes such as subcultures and mainstreaming, as well as epistemological, methodological, and phenomenological questions, and the role of the paranormal in social change. The Ashgate Research Companion to Paranormal Cultures constitutes an essential resource for those interested in the academic study of cultural engagements with paranormality; it will appeal to scholars of cultural and media studies, popular culture, sociology, cultural geography, literature, film and music.

orgonite gifts: *Rainbow Magick* Molly Roberts, 2024-04-16 Rainbow Magick is a magical method for creating an artful and enchanted life filled with the magick of color. This illustrated guide explores the power to be found in working with all the vibrant hues to be found around us, and filling your life with the brilliance of the rainbow. Rainbow Magick guides the reader through a sequence of 12 quests in the form of crafts, recipes, activities, meditations and imaginative color experiments to experience the delightful benefits of color magick. From meeting the rainbow and learning about the meanings and associations of each color, to curating your own color guide, each quest deepens your relationship with the colors that speak to your soul, and encourages you to see the magick in the everyday. Author Molly Roberts lays out the seasonal and astrological palettes and what they mean, and offers practical tips and tricks on everything to do with the magick of color, from constructing a rainbow glamour, making temporary tattoos to wear a little magick on your body, through to rituals and visualisations to make color magick a part of your life. Inspired an online course offered by the bonafide art witch Molly Roberts, Rainbow Magick dives deep into the magick of color, while tapping into the esoteric, and inspiring readers to bring the magick of color into their lives!

orgonite gifts: *Saul Bellow* Gerald Sorin, 2024-04-30 Saul Bellow: I Was a Jew and an American and a Writer offers a fresh and original perspective on the life and works of Saul Bellow, the Nobel Prize winner in Literature in 1976. Author Gerald Sorin emphasizes Bellow's Jewish identity as fundamental to his being and the content and meaning of his fiction. Bellow's work from the 1940s to 2000, when he wrote his last novel at the age of 84, centers on the command in Deuteronomy to Choose life as distinct from nihilistic withdrawal and the defense of meaninglessness. Although Bellow disdained the label of American Jewish Writer, Sorin conjectures that he was an outstanding representative of the classification. Bellow and the characters in his fiction not only choose life but also explore what it means to live a good life, however difficult that may be to define, and regardless of how much harder it is to achieve. For Sorin, Bellow realized that at least two obstacles stood in the way: the imperfection of the world and the frailty of the human pursuer. Saul Bellow: I Was a

Jew and an American and a Writer provides a new and insightful narrative of the life and works of Saul Bellow. By using Bellow's deeply internalized Jewishness and his remarkable imagination and creativity as a lens, Sorin examines how he captured the shifting atmosphere of postwar American culture.

orgonite gifts: Discovering Many of Life's Mysteries, and Secret's on My Own Life's Journey so Far Philip John Nicholls, 2013-09-20 What lies before you on the following pages of this book, is my personal interpretation of events, that have change my life forever, and has also given my life, a new sense of true meaning in every way. On my Lifes Journey So Far, i have been shown my true purpose for being here on this planet today, and within the last few years of my own Lifes Journey, i have been shown the true wonders of how magical life can really be, here on our planet. I now feel that i have fully awakened from a long deep sleep, that Ive been fighting to awaken from, for such a long time. I also feel that i have come to a point in my own Lifes Journey, where i must begin to share these truly enlightening secrets, with everyone here on this planet today. My only hope is that the information contained within the pages of this book, will begin to give you the same inspirations, and courage that i have found on my own Lifes Journey So Far. Hoping that these inspirations, will encourage you, to embark on your own Lifes Journey of new discovery, beginning to open you up, to the true wonders that life holds for us all, here on this planet today, if we are only willing to seek them out.

orgonite gifts: The King's Journal Kgafela Kgafela II, 2014-07-07 Welcome to The King's Journal. Traditional leadership and the way of life in Africa have been destroyed by postcolonial republican society through an insidious program of political governance and foreign culture, which uses foreign law, foreign language, and black magic to suppress tradition. The King's Journal is a unique exposé of African tradition written by an African king who has life experiences in both worlds of tradition on one hand and foreign law in the other. The journal is outstanding in its ability to explore the shadow side of law, tradition, and politics that has brought about a clash of cultures in Africa. The conflict of cultures highlighted is responsible for the present-day poverty and other forms of strife in postcolonial Africa. The journal offers deeper understanding of these salient dynamics of history and politics within black society in Southern Africa and traditional ceremonies, with special focus on the rituals of the royal leopard, the coronation of a king, magic and initiation schools-all presented from the horse's mouth of an African king living the experiences. Book 1 is subtitled From the Horse's Mouth to denote the firsthand nature of the stories told. It consists of several stories within one long narrative extracted from an ongoing journal-hence the main title The King's Journal. The stories are, by themselves, a biography of the king, told in a conversational style in the form of letters to the reader. There is sure entertainment for everyone seeking cultural diversity and a new way of viewing life, be they game hunters, adventurers, horse lovers, lawyers, politicians, philosophers, traditionalists, occultists, shamans, religious people, and the royals of the world.

orgonite gifts: Moral Energy in America Rebecca K. Wright, 2025-04-29 How a distinctly American way of thinking about energy shaped US culture and society from the Progressive Era to the atomic bomb. In *Moral Energy in America*, Rebecca K. Wright offers an illuminating exploration of how the concept of energy shaped American thought, culture, and politics throughout the first half of the twentieth century. This essential history traces how politicians, sociologists, geographers, urban planners, economists, and intellectuals adopted the idea of energy to bolster their social programs and visions of the future through distinctive energy imaginaries. Energy was not a stable concept in the period, and it appealed to writers and advocates across the political and cultural spectrum. While medical practitioners and social workers interwove energy into discussions of race, immigration, youth, and crime, mainstream political campaigns appealed to the public by drawing energy into political rhetoric. Wright positions energy at the heart of key intellectual debates of the period, such as the Bourne-Dewey confrontation over America's role in World War I and the rise of technocratic ideas that envisioned energy as a new metric for societal progress. In a thirty-year era that shook the foundations of American democracy—a period punctuated by the Great Depression,

the rise of communism and fascism abroad, two world wars, and the atomic bomb—energy became a key metaphor through which to understand major transformations in American society. Wright demonstrates how energy's many meanings transcended material and scientific definitions to influence everything from racial theories to economic policies, and ultimately played a pivotal role in molding the American moral landscape.

orgonite gifts: The Making of DSM-III® Hannah Decker PhD, 2013-03-29 In 1973, the American Psychiatric Association decided to publish a revised edition of their Diagnostic and Statistical Manual (DSM). There was great hope that a new manual would display psychiatry as a scientific field and aid in combating the attacks of an aggressive anti-psychiatry movement that had persisted for more than a decade. The Making of DSM-III® is a book about the manual that resulted in 1980-DSM-III-a far-reaching revisionist work that created a revolution in American psychiatry. Its development precipitated a historic clash between the DSM-III Task Force--a group of descriptive, empirically oriented psychiatrists and psychologists--and the psychoanalysts the Task Force was determined to dethrone from their dominance in American psychiatry. DSM-III also inaugurated an era in which it and the diagnostic manuals that followed played enormous roles in the daily lives of persons and organizations all over the world, for the DSMs have been translated into many languages. The radical revision process was led by the psychiatrist Robert L. Spitzer, a many-talented man of great determination, energy, and tactical skills, arguably the most influential psychiatrist of the second half of the 20th Century. Spitzer created as major a change in descriptive psychiatry and classification as had the renowned German psychiatrist Emil Kraepelin, almost a century earlier. Kraepelin had been the epochal delineator of dementia praecox from manic-depressive illness, the forerunners of modern schizophrenia and bipolar disorder. In her book, Hannah Decker portrays the many internal and external battles that roiled the creation of DSM-III and analyzes both its positive achievements and significant drawbacks. She also astutely explores the deleterious effects of the violent swings in scientific orientation that have dominated psychiatry over the past 200 years and are still alive today. Decker has written a revealing and exciting book that is based on archival sources never before used as well as extensive interviews with the psychiatrists and psychologists who have brought into being the psychiatry we know today.

orgonite gifts: Unbreak Your Health Alan E. Smith, 2007-01-01 Smith's complete guide presents proven healing techniques from 5,000 years ago to the most modern innovations. With more than 300 listings in 135 categories, it is one of the most complete books ever published on complementary and alternative therapies.

orgonite gifts: *The Birth of Acupuncture in America* Steven Rosenblatt, Keith Kirts, 2016-09-06 *The Birth of Acupuncture in America: The White Cranes Gift* is the first accessible and entertaining introduction to acupuncture and Traditional Chinese Medicine for the ordinary reader. A basic overview of the field that has long been missing a short and readable, but authoritative guidebook that thousands of Americans who rely on acupuncture have always wanted. Even better, its author is one of the actual founders of this field in the U.S., Dr. Steven Rosenblatt. Among its many virtues, *The Birth of Acupuncture* is a narration of the story of Dr. Ju Gim Shek. As revealed in this book for the first time, Dr. Ju was a real-life medical hero, a deeply devoted teacher who first brought the gift of acupuncture and Chinese medicine to America. Beginning with a chance meeting in 1968, Dr. Ju passed his knowledge to the author, Steven Rosenblatt who he affectionately called the Chairman and to a handful of other students. This small group of bold pioneers was the first graduating class in a field that has now grown to 18,000 licensed practitioners in the U.S.
