Origins and Biblical Foundations of Peace Like a River Gospel

The phrase "peace like a river" originates from the Bible, specifically from the book of Isaiah 66:12, which speaks of God's promise of abundant peace and blessing flowing like a river. This metaphor captures the essence of continuous, overwhelming tranquility that God offers to His followers. The biblical imagery of a river symbolizes life, sustenance, and an unending flow of God's grace, which aligns closely with the gospel message of salvation and spiritual peace.

Isaiah 66:12 and Its Context

Isaiah 66:12 states, "For thus says the Lord: Behold, I will extend peace to her like a river, and the glory of the nations like an overflowing stream." This verse occurs in a passage where God reassures Jerusalem of restoration and divine blessing. The promise of peace like a river signifies not only calm but also the

abundant presence of God's favor and protection, which is central to gospel teachings.

Metaphorical Significance of Rivers in Scripture

Throughout the Bible, rivers are powerful symbols representing life, cleansing, and continuous provision. The Jordan River, for example, is significant in the Old and New Testaments as a site of transition and renewal. In the context of gospel, the river metaphor emphasizes the unceasing and generous nature of God's peace that believers can experience, a peace that flows into every aspect of life.

Theological Significance of Peace in Gospel Traditions

Peace occupies a central place in gospel theology, symbolizing the reconciliation between God and humanity through Jesus Christ. The gospel message conveys peace as a gift that surpasses worldly understanding, rooted in faith and the redemptive work of Christ. "Peace like a river gospel" thus encapsulates the spiritual calm and assurance that believers receive, even amid life's challenges.

Peace as a Fruit of the Spirit

According to Galatians 5:22-23, peace is one of the fruits of the Spirit, indicating that it is a characteristic developed in believers through the Holy Spirit's work. This peace is not merely the absence of conflict but a deep inner serenity and confidence in God's sovereignty, which the gospel promotes as essential for spiritual maturity.

The Role of Peace in Salvation and Sanctification

The gospel portrays peace as both a present reality and a future hope. Through salvation, believers are reconciled to God, receiving peace that calms the conscience and restores relationships. Sanctification, or the process of becoming holy, involves growing in this peace, which sustains believers through trials and encourages spiritual perseverance.

Surely in these days we must all be "fed up" with efforts at profundity. A miserable generation, buried under the ruins of its Tower of Babel needs simple truth like sick bodies need old-fashioned air and rest and sunshine. Like David in the cave of Adullam, men long for a drink of water from the well at Bethlehem. This little volume seeks to offer a cooling drink to parched souls in a dry land where no water is. It is offered in the name of Him who invited all to drink of Living Waters never to thirst again. "As cold waters to a thirsty soul, so is good news from a far country." peace like a river gospel: Easy-to-Play Gospel Songbook for Kalimba: Play by Number. Sheet Music for Beginners Helen Winter, You have never played music before or cannot read sheet music, and yet you want to play inspiring hymns, famous religious folk songs, and spirituals? Don't worry! You will begin to play right away. Many spiritual sorrow songs are slow and melancholic and are ideally suitable for kalimba. We made our pictured sheet music as simple as possible. You'll play by number-coded circles. No musical staff or notes. The easy-to-play songs and melodies were adapted especially for beginners. You will be able to begin to play right away if the keys of your instrument have number notations. Most kalimbas already have them. Our sheet music is universal and suitable for 10-17 note kalimbas. Each of the modern kalimbas usually has engraved numbers and letters representing the name of the notes. The low notes are in the center of the kalimba. The notes become higher as you move away from the center. The order of the notes alternates from right to left, going outward as you move up the scale. Taking "C D E F G A B C", "C" is on the right side, and then you will find "D" on the left. The standard 17-note kalimba contains 3 octaves: 1) a full 2nd small octave, 2) a 3rd small octave, and 3) 3 notes from the 4th small octave. The 2nd small octave goes from C4 to C5 and is depicted in our sheet music as simple numbers. The notes from the 3rd small octave have numbers with one dot above each number. The 3 notes in the 4th minor octave - C6, D6, and E6 - are depicted by numbers with two dots above them. We also put

one or two dots above the numbers in the sheet music if they use an octave other than the main kalimba octave. The dots will help you to begin to play immediately. Note: songs have been transposed for a diatonic range. Some melodies might be changed and simplified. Updates: We appreciate your feedback, which helped us identify and correct all of the typos. Thank you for bringing them to our attention. peace like a river gospel: Gospel Singer's Wordbook Linda Renstrom Beddoe, 1984-01-01
From the Foreword: This book of gospel music is a collection of lyrics and chords representing the familiar praises of Jesus Christ. The chords, noted above the lyrics, will aid in the accompaniment of the songs. The starting note indicates the first note of the melody. The main purpose of this book is to give the gospel singer a place to find his favorite songs and all the verses he may wish to sing. Some of these familiar songs date back to the early Christian Church, while others are contemporary. One will find here the longstanding hymns of the Church, revival songs and choruses, Negro spirituals, and children's songs. I have truly enjoyed putting this collection together for you. I hope you will find this book both a blessing and an inspiration to your spiritual life. God bless you.

peace like a river gospel: Numbered Sheet Music with Worship Songs for 8-Note Tongue Drum: Gospel Songbook Helen Winter, You have never played music before or you cannot read sheet music, but you want to play famous and inspiring hymns and spirituals. Don't worry! You will begin to play right away. We made our pictured sheet music as simple as possible. You'll play by number-coded circles. No musical staff or notes. The easy-to-play songs and melodies were adapted especially for beginners. The melodies have been transposed to one octave and simplified. Also, the number-coded notations have been added and complex notes and symbols have been reduced. Such simplification makes it possible for people to play melodies, especially those who can't read music or who have never played music before. The steel tongue drum and the handpan are percussion musical instruments designed to help you focus on your feelings, sensations, and body. You don't need classical music training or knowledge of music theory to play them. The primary purpose is relaxation, meditation, and traveling through your inner world. No previous training or skills are necessary to enjoy these fascinating instruments. For tongue drums that have numbered musical notation, numbers 1 to 7 represent the keys of the diatonic major scale. For example, a C Major scale would be: 1 = C (do), 2 = D (re), 3 = E (mi), 4 = F (fa), 5 = G (sol), 6 = A (la), 7 = B (ti / si), 8 (i) = C (do) Your drum can be numbered from 1 to 8, where 8 is note C of the next octave. We use the number 1 with a dot above the digit for this note because the most popular models of tongue drums use this enumeration. All songs in this book have been written with numbers because most modern tongue drums have numbers engraved or painted on their keys. This book is aimed at those new to music and musical instruments, whether child or adult. It allows for simple and easy learning that requires no previous knowledge of reading music. Because most tongue drums include and are tuned to involve the notes of the main octave, all songs from this book are possible to play in one octave. You may need to skip some songs if you have less than one octave of keys on your drum. Each tongue drum is very different and it is impossible to accommodate songs for all kinds of tongue drums in one book. There are the following hymns and spirituals in this book: Amazing Grace Babylon's Falling Be Still My Soul Christ Was Born on Christmas Day Deck the Halls with Boughs of Holly Elijah Rock Every Time I Feel the Spirit God Is So Good Great Big Stars Great Day He's Got

The melody is straightforward. The chords are basic. Yet the song has had a profound effect on people throughout the United States—and the world. In clear, accessible language Stuart Stotts explores the roots of the tune and the lyrics in traditional African music and Christian hymns. He demonstrates the key role "We Shall Overcome" played in the civil rights, labor, and anti-war movements in America. And he traces the song's transformation into an international anthem. With its dramatic stories and memorable quotes, this saga of a famous piece of music offers a unique way of looking at social history. Author's note, bibliography, source notes, index.

peace like a river gospel: *Relevance of Sacrifice* Alex Ndukwe, 2016-07-28 Sacrifice comes with a price. There are levels and types of sacrifices. Whatever the case, the awesome sacrifice in history is the sacrifice for eternal life, for which Jesus offered himself for humanity. No one on earth has paid this type of sacrifice. Indeed, it is possible for someone to give up his life for another person to live. Such a sacrifice is only to salvage (not redeem) the person from temporary death by flesh. However, the sacrifice Jesus paid is to deliver us from both the first and second deaths. Therefore, if one values the sacrifice Jesus paid for the salvation of his soul, there is no sacrifice that is too much for such a person to render in terms of evangelism, intercessory prayer, church planting, and spending and being spent for the work of God here on earth. I think this is what Pastor Alex Ndukwe intends to convey to his readers in this book. He wants us to learn the secret of sacrifice, which Christ has paid, for us follow after his footsteps. So take a step of sacrifice and make sacrifice wherever you may be (Yoroms Gani, PhD).

peace like a river gospel: *The Last Sermon of Christ* Michael E. Cannon Jr., 2012-06-04 Let not your hearts be troubled . . . The opening words from John 14 frame the balance of this sermon to the disciples. Immediately following the Passover supper and the washing of their feet, our Lord preaches one last sermon to his faithful friends and disciples--a sermon full of longing, full of promise, full of hope, and full of disclosures about their future, the work of the Holy Spirit, and key verses supporting the doctrine of the Trinity. John 14-16 presents a fascinating farewell address from Jesus to his disciples. These chapters show us the heart of our Savior and his love for his disciples in a time of anxiety--not only their anxiety but his own, as he knows that the shadow of the cross has now grown dark across him and there is no place else for him to go. No ministry remains for him now except to these disciples, and then ultimately to the cross itself. Even as he, in his own humanity, was troubled in the prospect of his suffering, he turned to minister to the disciples in their time of trouble.
